

CHAPTER 8
PRIVATE ACTIVITY BOND ALLOCATION

265—8.1(7C) General. The governor has appointed the executive director of the Iowa finance authority as the governor's designee responsible for administration of the law which establishes procedures for allocation of private activity bonds as defined in Section 141 of the Internal Revenue Code. Procedures set out in the law and in these rules shall be followed in allocating the private activity bond state ceiling ("state ceiling") between cities, counties and the state of Iowa. For each calendar year, the state ceiling shall be allocated among bonds issued for various purposes in the percentages set forth in Iowa Code section 7C.4A. The state ceiling shall be allocated among all issuers for those various purposes annually in accordance with Iowa Code chapter 7C and these rules. All applications received in any calendar year shall expire as of December 31 of that year.

265—8.2(7C) Forms. Information and forms necessary for compliance with provisions of the law are available upon request from the Iowa Finance Authority, 2015 Grand Avenue, Des Moines, Iowa 50312. The telephone number of the authority is (515)725-4900.

265—8.3(7C) Formula for allocation.

8.3(1) The state ceiling shall be allocated among all issuers on the basis of chronological order of receipt of applications. Chronological order of receipt shall be determined by the date, hour and minute indicated by the time stamp as affixed to the application at the offices of the governor's designee.

8.3(2) All applications that are submitted for receipt pursuant to the provisions of subrule 8.4(2) shall be considered simultaneously received at the opening of business on the first business day of the calendar year, and the same date, hour and minute shall be stamped on each application so received.

a. If the total amount of allocations requested in all of the applications received pursuant to subrule 8.4(2) that seek allocations of bonds for industries pursuant to Iowa Code subsection 7C.4A(5) exceed the amount of the state ceiling available for that purpose, the applications will be considered for allocation in the order determined pursuant to the procedures set forth in paragraph 8.3(3) "a."

b. If the total amount of allocations requested in all of the applications received pursuant to subrule 8.4(2) that seek allocations of private activity bonds issued by public subdivisions, the proceeds of which are used by the issuing subdivision pursuant to Iowa Code section 7C.4A(6), exceed the amount of the state ceiling available for that purpose, the applications will be considered for allocation in the order determined pursuant to the procedures set forth in paragraph 8.3(3) "b."

8.3(3) Allocation process.

a. In order to determine the order of allocation of the state ceiling to each of the applications for industrial purposes that are simultaneously received pursuant to subrules 8.4(2) and 8.4(4), each application shall be assigned a preference number determined by a random drawing conducted at 10 a.m. on the first day of business of the calendar year at the Iowa finance authority offices. Any person desiring to attend and witness the drawing and assigning of preference numbers may do so. Each application shall be assigned an identification code that shall be written on the outside of the sealed envelope containing the application. The identification codes shall be written on strips of paper and placed in individual envelopes and sealed. The sealed envelopes containing identification codes shall be placed in a container, mixed, and drawn from the container at random by a member of the authority's staff. The application corresponding with the identification code that is drawn first shall be placed first on the list of applicants to receive an allocation of the state ceiling. The application corresponding with the identification code that is selected second shall be placed second on the list, and so forth. Drawings shall continue until all applications are assigned a place on the list of applications received.

b. In order to determine the order of allocation of the state ceiling to each of the applications for state ceiling for political subdivisions that are simultaneously received pursuant to subrules 8.4(2) and 8.4(4), each application shall be assigned a preference number determined by a random drawing conducted at 10 a.m. on the first day of business of the calendar year at the Iowa finance authority offices. Any person desiring to attend and witness the drawing and assigning of preference numbers may do so.

Applications shall be assigned an identification code that shall be written on the outside of the sealed envelope containing the application. The identification codes shall be written on strips of paper and placed in individual envelopes and sealed. The sealed envelopes containing identification codes shall be placed in a container, mixed, and drawn from the container at random by a member of the authority's staff. The application corresponding with the identification code that is drawn first shall be placed first on the list of applicants to receive an allocation of the state ceiling. The application corresponding with the identification code that is selected second shall be placed second on the list, and so forth. Drawings shall continue until all applications are assigned a place on the list of applications received.

8.3(4) The governor's designee shall maintain one list of applications for private activity bonds for the purpose of industries and a separate list for applications for private activity bonds for the use of political subdivisions. The applications that are simultaneously received pursuant to subrules 8.4(2) and 8.4(4) shall be listed in the order of preferences established pursuant to paragraphs 8.3(3) "a" and 8.3(3) "b." Applications received after the opening of the first day of business of a calendar year shall be added to the appropriate list depending upon the subject of the application in the chronological order received.

8.3(5) Formula for allocations following June 30 of each year. As permitted by Iowa Code section 7C.5, following June 30 of each year issuers which initially applied for state ceiling allocated under Iowa Code section 7C.4A(6) for bonds, the proceeds of which are to be used by the issuing political subdivision, shall be given priority over any applications received for state ceiling for bonds otherwise requiring an allocation under Section 146 of the Internal Revenue Code.

This rule is intended to implement Iowa Code sections 7C.4A(7) "a" and 7C.5.

265—8.4(7C) Application for allocation.

8.4(1) An issuer or beneficiary, or the duly authorized agent of an issuer or beneficiary, must make an application by filing the form available from the governor's designee entitled, "Application and Response," for the allocation of a portion of the private activity bond state ceiling.

8.4(2) Applications for any given calendar year may be submitted to the Iowa finance authority offices during the month of December of the previous year with a request that the application be treated as received when the authority opens for business on the first business day of the calendar year for which the application is made. Applications submitted in this manner must be contained in a sealed envelope that is clearly marked with words such as: "This application for private activity bond allocation for year 2001 is to be held for constructive delivery and receipt, and stamped 'received' by the Iowa Finance Authority upon the opening of business on the first business day of calendar year 2001." Applicants should also indicate on the outside of the sealed envelope the type of bond for which application is made and the amount requested. There may be only one application for each separate project. All applications so received will be deemed received simultaneously as of the date, hour and minute of the opening of business of the Iowa finance authority on the first business day of the calendar year for which application is made. Expired applications made in previous years may be resubmitted to the authority pursuant to this procedure.

8.4(3) Applications for any given calendar year may be submitted to the Iowa finance authority offices at any time during the calendar year. Applications must be contained in a sealed envelope that is clearly marked with the year for which the application is made, the type of bond sought, and the amount of the state ceiling requested. Applications received during the calendar year will be immediately stamped with the day, hour and minute they are received by the authority.

8.4(4) All applications received pursuant to the provisions of subrule 8.4(2) will be deemed to have been received simultaneously on the date, hour and minute that the authority opens for business on the first business day of the year for which the applications are made.

This rule is intended to implement Iowa Code sections 7C.4A and 7C.5.

265—8.5(7C) Certification of allocation. This rule implements 2000 Iowa Acts, chapter 1166, section 8, providing that "for the calendar year beginning January 1, 2001, applications for the state ceiling allocation under [Iowa Code] section 7C.4A, subsection 5, shall not be approved prior to March 1." For

the calendar year beginning January 1, 2001, unless Iowa Code chapter 7C has been otherwise amended, upon receipt of a completed application, the governor's designee shall promptly, commencing March 1, 2001, certify to the issuer the amount of the state ceiling allocated to the bonds for the purpose of the project for which the application was submitted, in the order as determined by Iowa Code chapter 7C and rules 8.3(7C) and 8.4(7C). The governor's designee shall continue to allocate the state ceiling for each purpose separately until all the available state ceiling for that purpose is fully allocated. If there is not sufficient available state ceiling to fully fund an application which is next in order for allocation, the governor's designee shall notify the applicant of the amount that is available and the applicant shall have the option to take what is available within five calendar days of receiving notice of availability. If the applicant does not notify the governor's designee of its decision to take the available allocation within five calendar days of receiving notice of that option, the available state ceiling shall be offered to the next application on the list under the same conditions, and the initial offeree will maintain its position on the list. If the partial allocation is accepted, the applicant shall submit a new application for additional state ceiling and that application will be added to the bottom of the list in the chronological order of its receipt.

If the bonds are issued and delivered prior to the expiration date of the allocation, then the issuer or the issuer's attorney shall within ten days following the issuance and delivery of the bonds notify the governor's designee by filing the form captioned "Notice of Issuance and Delivery of Bonds." Upon receipt of the form the governor's designee shall return a time-stamped copy of the form to the issuer or issuer's attorney.

265—8.6(7C) State ceiling carryforwards. In the event the aggregate principal amount of bonds issued by all issuers in a calendar year is less than the state ceiling for that calendar year, then an issuer may apply to the governor's designee for an allocation of a specified portion of the excess state ceiling to be applied to a specified carryforward project. The application must be in writing and shall comply with the carryforward provisions of Section 103(n) of the Internal Revenue Code and regulations promulgated under that section. All applications for carryforward of state ceiling must be filed with the governor's designee by December 31 of the calendar year for which the allocation is to be carried forward from.

265—8.7(7C) Expiration dates. If the expiration date of either the 90-day period or any 30-day extension period is a Saturday, Sunday or any day on which the offices of the state banking institutions or savings and loan associations in the state are authorized or required to close, the expiration date is extended to the first day thereafter which is not a Saturday, Sunday or previously described day.

265—8.8(7C) Resubmission of expired allocations. If an allocation expires, the issuer may resubmit its application for the same project or purpose. However, the resubmitted application shall be treated as a new application, and preference, priority or prejudice shall not be given to the application or the issuer as a result of the prior application.

265—8.9(7C) Use by political subdivisions. With respect to the amount of the state ceiling allocated for the purpose of private activity bonds issued by political subdivisions, the proceeds of which are used by the issuing political subdivisions, the political subdivision must use the proceeds to finance a project owned or utilized directly by the political subdivision, or finance a program of the political subdivision which the legislature by statute has authorized or directed the political subdivision to implement.

This rule is intended to implement Iowa Code section 7C.4A(6).

265—8.10(7C) Application and allocation fees. The Iowa finance authority may charge reasonable fees for providing administrative assistance with regard to the filing of applications and the allocation of the private activity bond state ceiling in accordance with these rules. A fee of 1 basis point (.01%) of the amount of state ceiling for which application is made shall be paid by the applicant upon filing the application with the governor's designee. An additional fee of 1 basis point shall be paid by the applicant upon receipt of the certification by the governor's designee of the state ceiling allocated.

265—8.11(7C) Supplemental cap allocation for 2008. The supplemental state ceiling received by the state of Iowa in calendar year 2008 for housing purposes as a result of federal legislation known as the Housing and Economic Recovery Act of 2008 shall be allocated by the governor's designee to the Iowa finance authority for such single-family and multifamily uses as the authority deems necessary and appropriate to ensure full and efficient use of the supplemental state ceiling.

This rule is intended to implement Iowa Code section 7C.12 and the Housing and Economic Recovery Act of 2008, H.R. 3221.
