

CHAPTER 14
IOWA NATIONAL SERVICE CORPS PROGRAM

817—14.1(15H) Purpose and program description. The Iowa commission on volunteer service certifies national service programs that meet the standards established in Iowa Code section 15H.9. The Iowa commission on volunteer service also provides training, resources, and support services to Iowa national service corps programs. In partnership with approved programs, the Iowa commission on volunteer service strives to provide opportunities for state agencies, political subdivisions of the state, and private, nonprofit organizations to create national service programs outside of existing state and federal programs to meet state and local needs and to provide more opportunities for Iowans to serve their state and country and foster a cultural expectation of service in Iowa through a unified service corps.

14.3(3) Regular approval. All other entities seeking approval for their service programs or positions should follow the regular approval process by completing an Iowa national service corps approval application.

a. Applications for national service corps program approval are available from the Iowa commission on volunteer service's website.

b. A review team designated by the commission shall review applications from national service corps programs to determine whether the national service corps programs or positions are eligible to participate in the program.

c. Applicants shall receive written notification of the commission's decision. Written notification will also be provided regarding the due dates and process for submission of program reports.

14.3(4) Documentation. Additional documentation may be required to verify elements of the application. Documentation verifying a program's compliance with approval standards may be required by the commission during the approval process. Each program shall provide relevant information upon the commission's request in order to be considered for approval. National service corps programs may be requested to provide documentation of continued eligibility at any time during and after approval.

14.3(5) Duration of approval.

c. Regular approval.

(1) Full approval may be in effect for three years, as long as the program continues to meet the approval standards.

(2) Conditional approval may be in effect for six months and may be used for the purpose of applying for program benefits and technical assistance available to approved national service corps programs. The commission may grant an extension of conditional approval if it is determined that significant progress is being made toward meeting the requirements for full approval. It shall be the responsibility of the national service corps program to notify the commission when the program believes it has met the full approval criteria.

(3) A national service corps program may renew its approval. Programs whose full approval has expired should reapply using the application form available on the commission's website.

817—14.6(15H) Special consideration. In addition to the standards set forth in rule 817—14.4(15H), the commission may consider other factors to determine approval status to ensure that only high-quality national service corps programs are approved.

14.6(1) On-site audits. At the discretion of the commission, on-site audits may be conducted to determine approval.

14.6(2) Reporting. Programs that fail to submit required documentation are at risk of decertification and may be deemed ineligible to receive the benefits of approval, including complimentary training registration and inclusion on the Iowa commission on volunteer service website.

[ARC 5240C, IAB 10/21/20, effective 11/25/20]

817—14.7(15H) Decertification. A national service corps program shall be decertified by the commission if it is determined that the program no longer meets the approval standards identified herein for a high-quality national service corps program, if program personnel cannot be contacted by the commission, if the program fails to provide documents requested by the commission or if the program fails to complete any required Iowa national service corps annual report.

14.7(1) Written notice of the intent to revoke approval shall be provided to a national service corps program when the commission determines that there is reasonable cause to believe the program does not comply with these rules. Notice shall be sent at least 30 days before decertification becomes effective.

14.7(2) Decertification procedures may be initiated by the commission, by the program, or following investigation of a complaint filed by the general public. A request for an investigation from the public must be in written form and shall specify the reason(s) why the approved national service corps program no longer meets the approval standards. Supporting documentation may be attached to the request. The identity of the complainant is confidential pursuant to Iowa Code section 22.7(18).

A person is considered to be guilty of a fraudulent practice if the person knowingly falsifies information on an application for the purpose of obtaining approval and any other potential benefits, including those offered through the Iowa commission on volunteer service or other state contracts and grants available only to approved national service corps programs. The commission may investigate allegations or complaints of fraudulent practices and will take action to decertify a national service corps program upon concluding that a violation has occurred. A violation under this rule is grounds for decertification of the national service corps program responsible for the violation. Decertification shall be in addition to any penalty otherwise authorized.

[ARC 5240C, IAB 10/21/20, effective 11/25/20]
