441—3.1(17A) Applicability. Except to the extent otherwise expressly provided by statute, all rules adopted by the department are subject to the provisions of Iowa Code chapter 17A, the Iowa administrative procedure Act, and the provisions of this chapter.

441—3.2(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the department may, before publication of a Notice of Intended Action under Iowa Code section 17A.4(1)“a,” solicit comments from the public on a subject matter of possible rule making by the department by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

441—3.3(17A) Public rule-making docket.

3.3(1) Docket maintained. The department shall maintain a current public rule-making docket.

3.3(2) Anticipated rule making. Rescinded IAB 3/6/02, effective 5/1/02.

3.3(3) Pending rule-making proceedings. The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1)“a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule’s becoming effective. For each rule-making proceeding, the docket shall indicate:

- b. A citation to all published notices relating to the proceeding.
- c. Where written submissions on the proposed rule may be inspected.
- d. The time during which written submissions may be made.
- e. The names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made.
- f. Whether a written request for the issuance of a regulatory analysis or a concise statement of reasons has been filed, whether such an analysis or statement or a fiscal impact statement has been issued, and where any such written request, analysis, or statement may be inspected.
- g. The current status of the proposed rule and any department determinations with respect thereto.
- h. Any known timetable for department decisions or other action in the proceeding.
- i. The date of the rule’s adoption.

- k. The date on which the rule will become effective.
- l. Where the rule-making record may be inspected.

441—3.4(17A) Notice of proposed rule making.

3.4(1) Contents. At least 35 days before the adoption of a rule the department shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule.
- b. The specific legal authority for the proposed rule.
- c. Except to the extent impracticable, the text of the proposed rule.
- d. Where, when, and how persons may present their views on the proposed rule.
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the department shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the department for the resolution of each of those issues.

3.4(2) *Copies of notices by mail.* Persons desiring to receive copies of future Notices of Intended Action by subscription shall complete Form 470-2250, Notice Subscription, which is available from the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114, indicating the name and address to which the notices shall be sent. Persons may subscribe to all notices of the department, or only to notices pertaining to the service, income maintenance, or medical programs. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail a copy of the notice to subscribers who have completed Form 470-2250 and paid the subscription price. The subscription price includes the cost of labor and supplies for copying and mailing of the notices. At the end of each calendar year, subscribers will be sent Form 470-2250 to complete if they wish to continue on the mailing list.

3.4(3) *Subscription to Web site.* Persons desiring to receive a weekly memo via E-mail listing new rules under proposal by the department shall go to the department's Web site at <http://www.dhs.state.ia.us/policyanalysis/> to subscribe or E-mail the department's rules administrator at policyanalysis@dhs.state.ia.us indicating the E-mail address to which the memo shall be sent. This service shall be available without charge.

441—3.5(17A) Public participation.

3.5(1) *Written comments.* For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing or via electronic transmission, on the proposed rule. These submissions should identify the proposed rule to which they relate and should be submitted to the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114, or to the department's rules administrator at policyanalysis@dhs.state.ia.us.

3.5(2) *Oral proceedings.* The department may, at any time, schedule an oral proceeding on a proposed rule. The department shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the department by the administrative rules review committee, a governmental subdivision, a state agency, an association having not less than 25 members, or at least 25 persons. That request must also contain the following additional information:

1. A request by one or more individual persons must be signed by each of them and include the address and telephone number of each of them.
2. A request by an association must be signed by an officer or designee of the association and must contain a statement that the association has at least 25 members and the address and telephone number of the person signing that request.
3. A request by a state agency or governmental subdivision must be signed by an official having authority to act on behalf of the entity and must contain the address and telephone number of the person signing that request.

The department may waive technical compliance with these procedures.

Oral proceedings scheduled by the department regarding rules directly affecting indigent clients shall be held in each of the service areas defined in rule 441—1.4(17A).

In the case of rules not directly affecting indigent clients, the department shall determine for each rule for which oral proceedings are scheduled whether it will be necessary to hold presentations in all eight locations. Anyone may object to the department's decision prior to the date of the proceedings by writing the same addressee specified in the Notice of Intended Action for receiving written data, views, or arguments. The department shall review the adequacy of the number of locations in light of the comments received.

3.5(3) Conduct of oral proceedings.

a. Applicability. This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1) "b" or subrule 3.5(2).

b. Scheduling and notice. An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. Presiding officer. An employee of the department shall preside at the oral proceeding on the proposed rules and shall present a prepared statement on the substance of the rules. The presiding officer shall transcribe the proceeding or prepare a written summary of the presentations made.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at the proceeding are encouraged to notify the department at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the department decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Whenever possible, persons making oral presentations should submit their testimony in writing.

(3) To facilitate the exchange of information, the presiding officer may, where time permits, open the floor to questions or general discussion.

(4) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(5) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. These submissions become the property of the department.

(6) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(7) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other participants about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(8) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

3.5(4) Additional information. In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the department may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

The department may send notices of proposed rule making and a request for comments to any agency, organization, or association known to it to have a direct interest or expertise pertaining to the substance of the proposed rule.

3.5(5) Accessibility. The department shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the office of policy analysis at (515)281-8440 in advance to arrange access or other needed services.

441—3.6(17A) Regulatory analysis.

3.6(1) *Definition of small business.* A “small business” is defined in Iowa Code section 17A.4A(7).

3.6(2) *Distribution list.* Small businesses or organizations of small businesses may be registered on the department’s small business impact list by making a written application addressed to the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114. The application for registration shall state:

- a. The name of the small business or organization of small businesses;
- b. Its address;
- c. The name of a person authorized to transact business for the applicant;
- d. A description of the applicant’s business or organization. An organization representing 25 or more persons who qualify as a small business shall indicate that fact.
- e. Whether the registrant desires copies of Notices of Intended Action at cost or desires advance notice of the subject of all or some specific category of proposed rule making affecting small business.

The department may at any time request additional information from the applicant to determine whether the applicant is qualified as a small business or as an organization of 25 or more small businesses. The department may periodically send a letter to each registered small business or organization of small businesses asking whether that business or organization wishes to remain on the registration list. The name of a small business or organization of small businesses shall be removed from the list if a negative response is received, or if no response is received within 30 days after the letter is sent.

3.6(3) *Time of distribution.* Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail to all registered small businesses or organizations of small businesses, in accordance with their request, either a copy of the Notice of Intended Action or notice of the subject of that proposed rule making. In the case of a rule that may have an impact on small business adopted in reliance upon Iowa Code section 17A.4(2), the department shall mail notice of the adopted rule to registered businesses or organizations prior to the time the adopted rule is published in the Iowa Administrative Bulletin.

3.6(4) *Qualified requestors for regulatory analysis—economic impact.* The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of Iowa Code section 17A.4A(2) “a” after a proper request from:

- a. The administrative rules coordinator.
- b. The administrative rules review committee.

3.6(5) *Qualified requestors for regulatory analysis—business impact.* The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of Iowa Code section 17A.4A(2) “b” after a proper request from:

- a. The administrative rules review committee.
- b. The administrative rules coordinator.
- c. At least 25 or more persons who sign the request provided that each represents a different small business.
- d. An organization representing at least 25 small businesses. That organization shall list the name, address and telephone number of not less than 25 small businesses it represents.

3.6(6) *Time period for analysis.* Upon receipt of a timely request for a regulatory analysis, the agency shall adhere to the time lines described in Iowa Code section 17A.4A(4).

3.6(7) *Contents of request.* A request for a regulatory analysis is made when it is mailed or delivered to the department. The request shall be in writing and satisfy the requirements of Iowa Code section 17A.4A(1).

3.6(8) *Contents of concise summary.* The contents of the concise summary shall conform to the requirements of Iowa Code sections 17A.4A(4) and (5).

3.6(9) *Publication of a concise summary.* The department shall make available to the maximum extent feasible, copies of the published summary in conformance with Iowa Code section 17A.4A(5).

3.6(10) *Regulatory analysis contents—rules review committee or rules coordinator.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee or the administrative rules coordinator, the regulatory analysis shall conform to the

requirements of Iowa Code section 17A.4A(2)“a,” unless a written request expressly waives one or more of the items listed therein.

3.6(11) *Regulatory analysis contents—substantial impact on small business.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who each qualify as a small business or by an organization representing at least 25 small businesses, the regulatory analysis shall conform to the requirements of Iowa Code section 17A.4A(2)“b.”

441—3.7(17A,25B) Fiscal impact statement. A rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions, or agencies and entities which contract with political subdivisions to provide services must be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement must satisfy the requirements of Iowa Code section 25B.6.

If the department determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the department shall, at the same time, issue a corrected fiscal impact statement and publish the corrected fiscal impact statement in the Iowa Administrative Bulletin.

441—3.8(17A) Time and manner of rule adoption.

3.8(1) *Time of adoption.* The department shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the department shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

3.8(2) *Consideration of public comment.* Before the adoption of a rule, the department shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any written summary of the oral submissions and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

3.8(3) *Reliance on department expertise.* Except as otherwise provided by law, the department may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

441—3.9(17A) Variance between adopted rule and published notice of proposed rule adoption.

3.9(1) *Allowable variances.* The department shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

- a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and
- b. The differences are a logical outgrowth of the contents of that Notice of Intended Action or the comments submitted in response thereto; and
- c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

3.9(2) *Fair warning.* In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question the department shall consider the following factors:

- a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests.
- b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action.
- c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

3.9(3) *Petition for rule making.* The department shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the

department finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

3.9(4) Concurrent rule-making proceedings. Nothing in this rule disturbs the discretion of the department to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

441—3.10(17A) Exemptions from public rule-making procedures.

3.10(1) Omission of notice and comment. To the extent the department for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the department may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

3.10(2) Categories exempt. The following narrowly tailored category of rules is exempted from the usual public notice and participation requirements because those requirements are unnecessary, impracticable, or contrary to the public interest with respect to each and every member of the defined class: rules mandated by state or federal law, including federal statutes or regulations establishing conditions for federal funding of departmental programs under Titles IV, XIX, XX, or XXI to the Social Security Act, or under the federal Food Stamp Act, where the department is not exercising any options under federal law.

3.10(3) Public proceedings on rules adopted without them. The department may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 3.10(1). Upon written petition by a governmental subdivision, the administrative rules review committee, a state agency, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the department shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 3.10(1). This petition must be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule must be commenced within 60 days of the receipt of the petition. After a standard rule-making proceeding commenced pursuant to this subrule, the department may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 3.10(1) or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

441—3.11(17A) Concise statement of reasons.

3.11(1) General. When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the department shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests shall be considered made on the date received.

3.11(2) Contents. The concise statement of reasons shall contain:

- a. The reasons for adopting the rule;
- b. An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any change;
- c. The principal reasons urged in the rule-making proceeding for and against the rule, and the department's reasons for overruling the arguments made against the rule.

3.11(3) Time of issuance. After a proper request, the department shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.

441—3.12(17A) Contents, style, and form of rule.

3.12(1) Contents. Each rule adopted by the department shall contain the text of the rule and, in addition:

- a.* The date the department adopted the rule;
- b.* A brief explanation of the principal reasons for the rule-making action if the reasons are required by Iowa Code section 17A.4(1) “b,” or the department in its discretion decides to include the reasons;
- c.* A reference to all rules repealed, amended, or suspended by the rule;
- d.* A reference to the specific statutory or other authority authorizing adoption of the rule;
- e.* Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;
- f.* A brief explanation of the principal reasons for the failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if the reasons are required by Iowa Code section 17A.4(1) “b,” or the department in its discretion decides to include the reasons; and
- g.* The effective date of the rule.

3.12(2) References to materials not published in full. When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the department shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the department. The department shall provide a copy of that full text at actual cost upon request and shall make copies of the full text available for review either electronically or at the State Law Library.

At the request of the administrative code editor, the department shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

3.12(3) Style and form. In preparing its rules, the department shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

441—3.13(17A) Department rule-making record.

3.13(1) Requirement. The department shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference shall be available for public inspection.

3.13(2) Contents. The department rule-making record shall contain:

- a.* Copies of or citations to all publications in the Iowa Administrative Bulletin with respect to the rule or the proceeding upon which the rule is based and any file-stamped copies of department submissions to the administrative rules coordinator concerning that rule or the proceeding upon which it is based;
- b.* Copies of Form 470-0096, Rule Log, containing dates of actions and Iowa Administrative Bulletin references relating to the rule or the proceeding upon which the rule is based;
- c.* All written petitions, requests, and submissions received by the department, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the department and considered by the council of human services, mental health and developmental disabilities commission, or HAWK-I board in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent the department is authorized by law to keep them confidential; provided, however, that when any materials are deleted because they are authorized by law to be kept confidential, the department shall identify in the record the particular materials deleted and state the reasons for that deletion;

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations;

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based;

f. A copy of the rule and any concise statement of reasons prepared for that rule;

g. All petitions for amendment or repeal or suspension of the rule;

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(2) by the administrative rules review committee, the governor, or the attorney general;

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code subsection 17A.4(4), and any department response to that objection;

j. A copy of any significant written criticism of the rule, including a summary of any requests for an exception to policy for the rule; and

k. A copy of any executive order concerning the rule.

3.13(3) *Effect of record.* Except as otherwise required by a provision of law, the department rule-making record required by this rule need not constitute the exclusive basis for department action on that rule.

3.13(4) *Maintenance of record.* The department shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective or the date of the Notice of Intended Action.

441—3.14(17A) *Filing of rules.* The department shall file each rule it adopts in the office of the administrative rules coordinator. The filing shall be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule shall have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement must be attached to the filed rule within five working days after the fiscal impact statement or concise statement is issued. In filing a rule, the department shall use the standard form prescribed by the administrative rules coordinator.

441—3.15(17A) *Effectiveness of rules prior to publication.*

3.15(1) *Grounds.* The department may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

3.15(2) *Special notice.* When the department makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) “b”(3), the department shall employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to the rule’s indexing and publication. The term “all reasonable efforts” requires the department to employ the most effective and prompt means of notice rationally calculated to inform potentially affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the department of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice, or electronic means.

A rule made effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2)“b”(3) shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of subrule 3.15(2).

441—3.16(17A) Review by department of rules.

3.16(1) Request for review. Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator for the department to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the department shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or the rule should be amended or repealed. The department may refuse to conduct a review if it has conducted a review of the specified rule within five years prior to the filing of the written request.

3.16(2) Conduct of review. In conducting the formal review, the department shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report shall include a concise statement of the department’s findings regarding the rule’s effectiveness in achieving its objectives, including a summary of any available supporting data. The report shall also concisely describe significant written criticisms of the rule received during the previous five years, including a summary of any requests for exceptions to the rule received by the department or granted by the department. The report shall describe alternative solutions to resolve the criticisms of the rule, the reasons any were rejected, and any changes made in the rule in response to the criticisms as well as the reasons for the changes. A copy of the department’s report shall be sent to the administrative rules review committee and the administrative rules coordinator. The report shall also be available for public inspection.

These rules are intended to implement Iowa Code chapter 17A and Iowa Code section 25B.6.
