**681—13.9(262) Lost and found.** Lost and found items are deposited with the department of public safety. Unclaimed items are treated as abandoned property.

#### USE OF FACILITIES

**681—13.10(262) General priority on use of facilities.** University grounds and facilities are primarily dedicated to the university's missions of teaching, research and service. While grounds and facilities are generally open to noncommercial use by the public, students, student organizations and staff, use for other than university-related purposes must not substantially interfere with university activities and must be in conformity with the requirements of this chapter. University-related activities, including the activities of recognized campus and student organizations, will be given priority. (The ISU facilities and grounds use activities policy may be found in the policy library.)

Except as specifically indicated, the policies stipulated in rules 681—13.11(262) to 681—13.19(262) are applicable to noncommercial uses. Commercial uses, including solicitation, advertising and sales, are subject to the university's policy on commercial activities.

[ARC 8070B, IAB 8/26/09, effective 9/30/09]

**681—13.11(262) Access to facilities.** University grounds and facilities are generally open to public access except as provided below:

**13.11(1)** Persons may not enter buildings or facilities without authorization when the buildings or facilities are locked, when signs indicate they are closed to the public or when they are closed to the public for specific events.

**13.11(2)** The following facilities and grounds are restricted areas. Access requires express permission of the relevant building supervisor, superintendent or other person in charge of the facility: individual residences or dwellings; research laboratories or facilities; farms and associated buildings; animal storage and confinement facilities; utility and maintenance closets; mechanical rooms; utility facilities; utility tunnels; storage areas; hazardous materials waste storage and handling areas; marked or fenced construction areas; institutional food preparation areas; private offices; workrooms; shops; areas where medical, psychological or other consultation takes place; radio and television studios; intercollegiate athletics competition facilities; or areas which bear signs indicating that access is restricted. The university has leased some of its property and facilities to other parties for use related to university purposes (for example, the Ames Laboratory and the National Soil Tilth Laboratory). Such areas are not open to public use except as provided by the lessee of the property or facility. The buildings at the Iowa State Center (Scheman Continuing Education Building, Stephens Auditorium and Fisher Theater) and the Iowa State University Research Park are managed by separate organizations that regulate the use of these facilities and property.

**13.11(3)** Access to grounds and facilities may be denied when they are closed to the public for special university events, or when access would conflict with another approved use of the grounds or facilities.

The university may limit or control access to areas of the campus for ceremonial events and celebrations such as graduation and VEISHEA.

**13.11(4)** Unapproved uses of university grounds and facilities by the general public are subject to preemption for university activities, for use by recognized student and campus organizations and for use by students, faculty and staff for purposes related to the university's mission.

**13.11(5)** Access to performances, art exhibits, museums and other exhibitions may be regulated by requirement of payment of a fee for entry. Visitors are required to abide by policies set by the various facilities.

**13.11(6)** Access to campus roads and parking is governed by university parking and traffic regulations, as well as signage erected upon campus roadways and parking areas.

[ARC 8070B, IAB 8/26/09, effective 9/30/09]

**681—13.12(262) When authorization is required for use of facilities open for general use.** To prevent conflicts in the use of facilities, groups or persons wishing to use facilities, whether indoors or outdoors, should schedule use of university facilities as provided below. ISU has designated public forum areas with few restrictions. Public events, as defined below, require filing of a notice, or approval depending on the event.

“Public events” are defined as outdoor events in which more than 50 persons are participating or at which the sponsor reasonably expects more than 50 persons to be involved, or indoor events in which more than 15 persons are participating or at which the sponsor reasonably expects more than 15 persons to be involved.

**13.12(1) Outdoor areas.**

*a. Designated public forums.* The Edward S. Allen Area of Free Debate, located west and south of the Hub, and the area south of the Campanile have been designated as public forums for noncommercial expression. If these areas have not been reserved for use for university purposes or by student, faculty or staff organizations, any member of the public or of the university community may use these areas for expressive activities on a first-come, first-served basis. Signs or placards, each of which is carried by one or two persons, are permitted. Freestanding displays are permitted as long as the display occupies a space of less than 200 cubic feet, weighs less than 300 pounds and is accompanied at all times by an individual responsible for the display. Leafleting may be conducted in a way that avoids substantial littering of the campus.

*b. Uses that require only notice.* Organizations and groups of persons wishing to use outdoor areas other than a designated public forum for a public event must file with the Student Activities Center a notice of intent to use an area. If possible, such notice should be given at least 24 hours in advance of the event but, in any case, must be given at least 3 hours prior to the event. No approval is necessary if the event meets the following criteria:

- (1) On weekdays between the hours of 8 a.m. and 4 p.m., the event will be held at least 100 feet away from buildings that normally hold classes;
- (2) No other person or group has been authorized to use the area or has filed a notice of intent to use that area or an adjacent area;
- (3) The organizers do not intend to use amplification equipment or equipment requiring use of electrical power connections. Hand-held megaphones are permitted if used so as to direct the sound away from nearby buildings that normally hold classes;
- (4) Participants will not use displays other than signs or banners carried at all times by one or two participants (unattended displays may not be used without permission);
- (5) If the event is not held at one of the two public forum areas, the event will occur only between the hours of 8 a.m. and 10 p.m.; and
- (6) The sponsor of the event indicates that the event will comply with the general restrictions indicated above.

*c. Uses that require approval.* A public event not at a designated public forum, and which does not meet the above criteria, requires prior approval by the filing of an Activity Authorization Form with the Student Activities Center at least three business days in advance of the proposed event. The Student

Activities Center will make every effort to provide approval or nonapproval, with a statement of the reasons for nonapproval, within one business day. The sponsors of the event may request a waiver of the three-day requirement. A waiver may be granted if the Student Activities Center determines that there are good reasons for an exception.

Approval of events will be based upon whether the event meets the general rules indicated in this chapter. Approval may be conditioned upon sponsors' making reasonable assurances that the event will comply with the general rules. In addition, reasonable time, place and manner restrictions may be required. Events will not be disapproved based upon the content of proposed speaking or expressive activity.

Following such clearance, the organization shall make particular arrangements regarding location, electrical power needs, custodial services, and provision for liability insurance as directed by the Student Activities Center. If streets or parking lots will be involved, the organization must receive clearance from the department of public safety, telephone (515)294-4428. Preferred locations for outdoor events likely to cause disruption of other activities are the areas south or north of the Campanile, west of Curtiss Hall, east of Ross Hall, south of the Hub, and south of the Parks Library, provided the events do not conflict with university classes or scheduled activities and provided the events conform to appropriate uses for the area.

**13.12(2) Indoor areas.**

*a. General policy regarding use.* Any use of indoor areas must not conflict with university programs and events and must be compatible with the purpose of the facility or the particular area to be used.

(1) Members of the general public and campus community are free to enter university facilities, other than restricted areas, during business hours as necessary to transact business, seek information about the university or deliver petitions or correspondence.

(2) Organizations and groups desiring to use academic and residence facilities for conferences should contact the offices listed in 13.12(2)“d” to determine availability and fees for use. Organizations desiring to use the Iowa State Center or the Iowa State Memorial Union for conferences, meetings and events should contact the relevant facility at the numbers listed below.

(3) Organizations (other than recognized campus and student organizations) using classrooms, auditoriums, and meeting rooms will be charged the customary rental of those facilities. All users will be responsible for costs incurred for setup, equipment use, cleanup and use of services and materials of the university.

(4) To avoid disruption, the following kinds of indoor areas are not available for non-university-related assembly or solicitation: hallways, stairways, waiting rooms, residence halls and apartments, dining facilities, workrooms, common areas provided around service windows, the Veterinary Hospital and the Student Health Center. Atria and open areas in buildings are generally available for use except when they are used as waiting areas or common areas around service windows.

*b. Uses that require scheduling.* To avoid conflicts with university activities and permitted use by others, organized use of indoor areas by groups of 15 or fewer persons that will substantially exclude others from using the same or adjacent areas, other than transitory passage through public areas and hallways, requires scheduling through the Student Activities Center.

*c. Uses that require approval.* Organized or concerted assembly in or solicitation at indoor areas by groups involving more than 15 persons for non-university-related purposes must be approved by the filing of an activity authorization form with the Student Activities Center at least three days in advance of the activity. The Student Activities Center will make every effort to provide approval or nonapproval, with a statement of the reasons for nonapproval, within one business day. The sponsors of the event may request waiver of the three-day requirement. A waiver may be granted if the Student Activities Center determines that there are good reasons for an exception.

Approval of events will be based upon whether the event is consistent with the facility's purpose and with the university's general rules on facility use. In addition, reasonable time, place and manner restrictions may be required. Events will not be disapproved based upon the content of any expressive activity. Persons denied authorization may appeal to the vice president for business and finance.

*d. Facilities managed by separate university offices or organizations.* The Student Activities Center and users must coordinate use of these facilities with the listed offices:

1. Common areas in buildings—building coordinator for the building;
2. Rooms in academic or administrative buildings—Room Scheduling, General Services Building, 294-5338;
3. Memorial Union—Event Management Office, 3630 Memorial Union, 294-1437;

7. Fredericksen Court Office, 294-2107;
8. Recreation facilities—Recreation Services Administrative Office, 2220 State Gym, 294-4980. Recreation facilities include Beyer Hall, State Gym, Lied Recreation/Athletic Facility, and outdoor intramural-recreation fields and courts;

10. University Studios—294-6014;

12. Athletics Facilities—Athletic Department, Jacobson Athletic Building, 294-3662. Athletics facilities include Hilton Coliseum, Jack Trice Stadium, Jacobson Athletic Building, and Steve and Debbie Bergstrom Indoor Practice Facility.

Students and student organizations have priority for use of residence facilities, recreation facilities and the Memorial Union. Students and student organizations may directly contact the offices listed above to schedule use of meeting rooms and other facilities.

As part of the university's comprehensive effort to conserve energy and save money, activities will generally be scheduled in buildings normally open and operational in the evenings. More information may be obtained through the Room Scheduling Office. The ISU policy on facilities use after hours may be found in the policy library.

### **681—13.13(262) Display of noninstructional materials.**

**13.13(1) *Displays within buildings.*** Posters, advertisements, or other visual display materials may be affixed only on permanent building bulletin boards. Such display materials may not have a surface area of greater than 300 square inches. Additional information regarding displays within buildings may be found in the ISU policy on facilities and grounds use activities in the policy library.

*a.* “General” bulletin boards may be used by Iowa State University students and organizations as well as the general public without approval for posting.

(1) Bulletin board notices must include the date they are posted or the date of the event and may be posted no more than one month in advance of the event.

(2) Undated and early notices will be removed.

(3) Properly posted notices will be removed after 30 days or, in the case of advertisements for an event, after the date of the event.

*b.* “Restricted” bulletin boards are limited to the use of designated departments or organizations. Use of these bulletin boards must be approved by the official representative of the respective department or organization.

#### **13.13(2) *Exterior displays.***

*a. Residence department buildings.* Signs, banners, and other display materials may be affixed to buildings only with the authorization of the coordinator of residence life in each residence complex.

*b. Academic buildings.* Signs, banners, and other display materials may not be affixed to buildings. Rare exceptions may be made in cases in which the display materials are clearly associated with an academic function. Prior approval must be obtained from the Student Activities Center and from Facilities, Planning and Management, General Services Building, by the submission of an Activity Authorization Form. Such forms are available at the Student Activities Center.

*c. Exterior display, not on buildings.* Signs, banners, and other display materials may not be affixed to sidewalks, trees, fences, shrubs, light poles, or any other fixture of the landscape, nor may freestanding displays be placed in any area other than those areas scheduled through the activity authorization process. Except for those displays indicated in 13.12(1)“a” and 13.12(1)“b”(4) at events for which approval is not required, prior approval of displays must be obtained from the Student Activities Center by the submission of an Activity Authorization Form.

*d. Cleanup.* All visual displays should be removed as they become outdated or after authorization has expired. Cleanup charges may be billed to the organization/department/individual for failure to clean up promptly. Organizations, departments, or individuals may be billed for cleanup expenses for illegally posted materials.

Additional information regarding exterior displays may be found in the ISU policy on facilities and grounds use activities in the policy library.

**13.16(1)** No person may engage in behavior that causes or threatens injury or damage to property, that results in disruption of a public event or that causes unreasonable interference with others' enjoyment of a public event.

**13.16(2)** Special rules may be enforced with respect to events that are open to the public, based upon the nature of the event. For example, performers may require that no cameras or audio- or video-recording devices be permitted in the arena. Persons may be refused entry with items that may be used as projectiles. Umbrellas and other items that may obstruct the views of other attendees may be excluded from facilities.

**13.16(3)** Possession of, carrying in or consumption of alcohol is not permitted at public events. An exception may be made for the consumption of beer or wine served at approved events for which a valid liquor permit has been issued as provided by state law, and for designated events or designated areas at events. Unauthorized alcoholic beverages are subject to confiscation.

**13.16(4)** Aisles, walkways and stairs must be kept clear of hazards and obstacles. Knapsacks, duffel bags, backpacks, bags or other containers shall be small enough to fit completely on or under one seat, and shall be so kept at all times.

**13.16(9)** In order to ensure that a person attending events may enter facilities efficiently, a person leaving the facility early in the event may be denied the right to secure a pass to reenter.

**681—13.17(262) Regulation of smoking, alcohol and food and beverages.**

**13.17(1)** Consistent with the Iowa smokefree air Act (Iowa Code chapter 142D), Iowa State University has adopted a smoke-free campus policy, which is incorporated by reference herein. The policy is available on the Internet at the following address: <http://policy.iastate.edu/policy/smoking/>.

**13.17(2)** Unless specifically authorized, the consumption of alcoholic beverages is not permitted on the campus, within university buildings, within university vehicles, or on other university property. Alcohol may be consumed in residences or privately leased units on the campus as allowed by law and the rules or lease agreement applicable to the unit. Otherwise, the university will determine the time, place, and conditions under which alcoholic beverages are consumed on university property. Events at which alcoholic beverages are served require evidence of a properly issued state alcohol permit. Persons violating state law with respect to possession and consumption of alcohol are subject to citation, arrest or exclusion from the campus. The ISU policy on alcohol, drugs, and other intoxicants may be found in the policy library.

**13.17(3)** Food and beverages shall be consumed in academic buildings only in areas designated by the responsible departmental supervisor.

Any such animal found running at large or found within university facilities and not part of a university-sponsored research program or project may be impounded. Consistent with the laws of the state of Iowa, such animals may be turned over to a city pound or other appropriate state or university agency. For sanitation and safety reasons, pets are not permitted in university buildings. Leader dogs and experimental subjects are excepted.

Pets are permitted on the campus in outdoor areas when properly controlled and confined and when their presence does not jeopardize the safety or sanitation of university facilities or the safety of individuals on the campus. In the case of pets such as dogs, proper confinement shall consist of a cage or a leash of sufficient strength to restrain the dog held by a person competent to govern the behavior of the dog. Any pets brought on the campus must be properly licensed and vaccinated under the laws of Iowa, and tags indicating such license and vaccination shall at all times be attached to the collar of the pet. In those cases in which impoundment is necessary, the owner of the animal or its claimant shall be personally responsible for all costs associated with reclaiming the animal.

Any person who walks an animal on public areas of the campus shall be responsible for the prompt collection and disposal of the solid waste excreted by that animal. This rule shall not apply to animals under control of a handicapped person and especially trained for the purpose of assisting handicapped persons.

**681—13.19(262) Authority to order persons off the campus.** Any person violating university regulations may have the person's permission to remain in or on university premises revoked. A person who does not voluntarily leave, or who immediately returns, is subject to arrest for trespassing under state law. A person who has engaged in serious or repeat violations of university regulations, who has committed crimes, or who has endangered other persons may be banned by the director of public safety or the director's designee from all or part of the campus. Such orders shall be issued in writing. Any person who is subject to such an order may appeal such action to the vice president for business and

finance, who shall promptly handle the appeal. A person who violates such orders is subject to arrest and prosecution for trespassing.
