571—14.5(461A) Concession contract—general. The term of the concession contract shall be for no more than a five-year period without being subject to the renewal process as outlined in this chapter. The contract may be amended during its term, in writing, and effective only if the amendments are approved by all parties.

14.5(1) Construction. The contract may allow the construction of department-approved buildings or other facilities by the concessionaire in lieu of annual concession fee payments on an equal value basis. The value of the buildings or facilities shall be based on actual, documented cost of construction. Any structures built under this contract condition shall become state property and cannot be removed by the concessionaire unless removal is required by the contract.

14.5(2) Insurance. Insurance coverage required to be carried by the concessionaire shall be "occurrence" type rather than "claims made."

14.5(3) Exclusive rights. The contract gives the concessionaire exclusive rights to conduct the concession operation in a particular state park or recreation area. The concessionaire must have department approval prior to allowing other vendors to do business in the area under the terms of the contract. This provision does not prohibit the department from allowing other vendors in an area if the department identifies a service that is not under contract with the concessionaire and the concessionaire declines to provide that service.

14.5(4) Temporary authorization. If necessary, the department director shall have authority to issue a temporary letter of authorization to enable the successful bidder to operate a concession pending approval of the contract by the commission if commission approval is required by statute. 571—14.6(461A) Dispute resolution. Should a dispute arise between the concessionaire and the department as to the interpretation of contract stipulations or whether the concessionaire is performing satisfactorily, the initial step for resolving the dispute will be an informal meeting and discussion between the park staff and the district parks supervisor or other department personnel in charge of the area and the concessionaire. If the matter cannot be resolved, the concessionaire or department personnel in charge of the area may request a meeting with parks bureau staff in the central office of the department. The bureau chief shall, if possible, resolve the dispute to the satisfaction of all parties. If the dispute cannot be resolved, the contract shall be terminated and the department may advertise for bids in accordance with this chapter. The requirements of Iowa Code section 17A.18(3) shall apply to any contract termination under the provisions of this rule. The provisions of this rule shall not be a bar to or prerequisite of the provisions of rule 571—14.7(461A).

[ARC 9552B, IAB 6/1/11, effective 7/6/11]

The notice shall contain specific reasons for the emergency suspension.

The department may enforce the suspension by physically closing the concession premises. The department may assign employees to operate any part of a concession which the department determines should be opened during a suspension in order to provide continued services for park users.

If possible, the concessionaire may take action to correct the hazardous situation and request reinstatement of the contract if the department agrees that a hazardous situation no longer exists.

14.7(2) Termination of contract. The department may terminate the contract for one or more of the following reasons:

- a. Failure to correct a hazardous condition within a reasonable time specified in the notice of emergency termination.
- b. Nonconformance with the stipulations of the contract including payment of fees.
