11—102.4(8A) State printing. The state printing operation maintains a centralized printing facility in the Hoover State Office Building with satellite offices in other locations not necessarily at the capitol complex.

State printing provides short-run turnaround printing services. When a request is made for state printing and the quantity of a printing order is such that it can be handled economically by state printing, state printing will produce it. Other work will be contracted out by state printing. State printing equipment is available at all times to serve the best interests of the state and provide high-quality, cost-effective printing services to state agencies, state officials, and other branches of state government.
