85.3(3) Except for producers licensed in Iowa, a person acting as a navigator without an Iowa navigator license or a person performing the enrollment duties of a navigator without an appointment, certification, or a grant to perform such duties by the U.S. Department of Health and Human Services shall be in violation of this chapter.

a. Upon the determination by the commissioner that a person is in violation of this chapter, the commissioner may issue a summary order directing the person to cease and desist from engaging in the act or practice in violation of this chapter. 191—85.4(505,522D) Issuance of license.

85.4(1) A person that meets the requirements of this chapter and of Iowa Code sections 522D.4 and 522D.5, unless otherwise denied licensure pursuant to Iowa Code section 522D.7, shall be issued a navigator license. A navigator license shall be valid for three years. A navigator license remains in effect unless revoked or suspended as long as all required fees are paid and continuing education requirements are met. A renewal term is three years. If not renewed, a navigator license automatically terminates on the last day of the month of the initial or renewal term.

85.4(2) An individual navigator whose license has expired may seek reinstatement as set forth in rule 191—85.6(505,522D).

85.4(3) The license shall contain the navigator’s name and address, the date of issuance, the date of expiration and any other information the division deems necessary.

85.4(4) If the division issues or renews a navigator license and subsequently determines that payment for the license or renewal was returned without payment to the division by a bank, or that the credit card company does not approve or cancels or refuses amounts charged to the credit card, the license shall be immediately suspended until the payments are made and any fees or penalties charged by the division are paid, at which time the license may be reinstated. The individual may request a hearing within 30 days of receipt of notice by the division that the license was suspended.

191—85.5(505,522D) License renewal. A navigator must apply for license renewal within 60 days prior to the expiration date of the license. Failure to apply to renew a license and pay appropriate fees prior to the expiration date of the license will result in expiration of the license.

191—85.6(505,522D) License reinstatement.

85.6(1) A navigator may reinstate an expired license up to 12 months after the license expiration date by proving that during the continuing education term the navigator met the continuing education requirements of this chapter and by paying a reinstatement fee and license renewal fees. A navigator
that fails to apply for license reinstatement within 12 months of the license expiration date must apply for a new license.

85.6(2) A navigator that has surrendered a license for a nondisciplinary reason and stated an intent to exit the insurance business may file a request to reactivate the license. The request must be received at the division within 90 days of the date the license was placed on inactive status. The request will be granted if the former navigator is otherwise eligible to receive the license. If the request is not received within 90 days, the navigator must apply for a new license.

The term “reissuance” as used in this rule means the issuance of a new license following either the revocation of a license or the forfeiture of a license in connection with a disciplinary matter. This rule does not apply to the reinstatement of an expired license.

85.7(2) Any navigator whose license has been revoked or suspended by order, or that forfeited a license in connection with a disciplinary matter, may apply to the commissioner for reinstatement or reissuance in accordance with the terms of the order of revocation or suspension or the order accepting the forfeiture.

a. All proceedings for reinstatement or reissuance shall be initiated by the applicant. The applicant shall file with the commissioner an application for reinstatement or reissuance of a license.

b. An application for reinstatement or reissuance shall allege facts which, if established, will be sufficient to enable the commissioner to determine that the basis of revocation, suspension or forfeiture of the applicant’s license no longer exists and that it will be in the public interest for the application to be granted. The burden of proof to establish such facts shall be on the applicant.

c. A navigator may request reinstatement of a suspended license prior to the end of the suspension term.

d. Unless otherwise provided by law, if the order of revocation or suspension did not establish terms upon which reinstatement or reissuance may occur, or if the license was forfeited, an initial application for reinstatement or reissuance may not be made until at least one year has elapsed from the date of the order of the suspension, revocation, or acceptance of the forfeiture of a license.

85.7(3) All proceedings upon the application for reinstatement or reissuance, including matters preliminary and ancillary thereto, shall be held in accordance with Iowa Code chapter 17A. Such application shall be recorded in the original case in which the original license was suspended, revoked, or forfeited, if a case exists.

85.7(4) An order of reinstatement or reissuance shall be based upon a written decision which incorporates findings of fact and conclusions of law. An order granting an application for reinstatement or reissuance may impose such terms and conditions as the commissioner or the commissioner’s designee deems desirable. The order shall be a public record, available to the public, and may be disseminated in accordance with Iowa Code chapter 22.

85.7(5) A request for voluntary forfeiture of a license shall be made in writing to the commissioner. Forfeiture of a license is effective upon submission of the request unless a contested case proceeding is pending at the time the request is submitted. If a contested case proceeding is pending at the time of the request, the forfeiture becomes effective when and upon such conditions as required by order of the commissioner. A forfeiture made during the pendency of a contested case proceeding is considered disciplinary action and shall be published in the same manner as is applicable to any other form of disciplinary order.

85.7(6) When a navigator’s license has been suspended for a period of time which extends beyond the navigator’s license expiration date, the license will terminate. The navigator may request reinstatement pursuant to this rule. If suspension for a period of time ends prior to the navigator’s license expiration date, the division shall reinstate the license at the end of the suspension period. The commissioner is

85.9(4) A navigator entity shall notify the division in writing, within 30 days, when a relationship is terminated with an individual navigator who was formally retained, employed, or affiliated with, or worked for or in conjunction, or as a part of a consortium, with that navigator entity. The notification submitted by the navigator entity shall indicate if the termination was for cause and if the reason was one of the reasons set forth in Iowa Code section 522D.7. The navigator entity shall comply with Iowa Code section 522D.8 and, upon request, furnish to the commissioner or authorized representative additional information, documents, records or other data pertaining to the termination or activity of the individual navigator.

Medicaid, the healthy and well kids in Iowa program, health care-related public assistance programs, or other ACA-related topics.

85.11(2) Courses provided by the federal government or approved by the federal government on ACA-related topics will be considered approved by the commissioner.

85.14(3) A navigator shall immediately inform the commissioner in writing of any pending termination of a written financial responsibility instrument.
