The state historic preservation office (SHPO) shall advise and assist federal agencies in carrying out their responsibilities under the Act (and other federal historic preservation laws) and shall cooperate with federal agencies, state agencies, local governments, or their applicants; organizations; and individuals to ensure historic properties are taken into consideration at all levels of planning and development.

42.5(2) SHPO review of federal undertakings.

a. In accordance with applicable federal and state laws and regulations, agency officials and agency program applicants or recipients requesting the views of the SHPO on an undertaking shall submit documentation regarding the undertaking and potential effects to historic properties.

b. The SHPO shall make available forms intended to assist agency officials and agency program applicants and recipients in organizing information and to allow the review and compliance program staff and other consulting parties to render informed advice on an undertaking. Forms will be made available on the state historical society of Iowa Web site. Submittals shall be directed to Review and Compliance Coordinator, State Historical Society of Iowa, Des Moines, Iowa 50319.

f. The SHPO may respond to agency determinations and findings of effect.

g. A SHPO nonconcurrence with an agency finding of effect shall include an explanation based upon the Advisory Council’s criteria of adverse effect in accordance with 36 CFR §800.5(a).

The SHPO shall base any recommendations upon consideration of all of the factors enumerated in 36 CFR §800.4(b)(1).

i. The recommendations and decisions of the SHPO are subject to the review and approval of the director. To facilitate this opportunity for review, the SHPO will generally submit its recommendation to the director within 14 calendar days of receipt.

In order to balance the mission and needs of a federal agency and its proposed project, the SHPO shall balance the level of effort and resources necessary to identify and preserve archaeological sites with the project benefits, costs, schedules and local issues that, in part, comprise the broader public interest.

42.6(2) In response to the agency’s request for consultation, the SHPO shall base any recommendation for the identification of historic properties upon a review of the documentation provided by an agency pursuant to the reasonable and good-faith standard in conformance with the factors set forth in 36 CFR §800.4(b)(1).
