33.6(4) Site access. The director will establish a repayment schedule for funds already disbursed to the recipient. All terminations will be in writing.

33.7(2) Rectification of disputes. Failure of the recipient to implement the approved project or to comply with the applicable requirements constitutes grounds for the authority to recapture or withhold funds. The recipient is responsible for ensuring that the identified problem(s) is rectified. Once the deficiency is corrected, the funds can be released. A recipient that disagrees with the director’s withholding of funds may request a formal review of the action. The recipient must submit a request in writing to the director within 30 days of notification by the authority of its planned action.
