281—77.3(256) **Institutions affected.** All Iowa colleges and universities engaged in the preparation of teacher interns and seeking state board approval of their programs shall meet the standards contained in this chapter.

281—77.4(256) **Criteria for Iowa teacher intern preparation programs.** Each institution seeking approval of its teacher intern preparation program shall file evidence of the extent to which the program meets the standards contained in this chapter by means of a written self-evaluation report and an evaluation conducted by the department. No waiver of the criteria or standards in this chapter shall be permitted. After the state board has approved the teacher intern preparation program filed by an institution, teacher intern candidates who complete the program and are recommended by the authorized official of that institution will be issued the appropriate license and endorsement(s).

[ARC 2606C, IAB 7/6/16, effective 8/10/16]

281—77.5(256) **Approval of programs.** For initial approval of a program, institutions shall submit written documentation of the teacher intern preparation program’s compliance with the standards in rules 281—77.8(256) through 281—77.11(256). The evaluation process shall include a site visit by representatives of the department and additional documentation as needed. Approval by the state board of the institutions’ teacher intern preparation programs shall be based on the recommendation of the director after study of the factual and evaluative evidence on record about each program in terms of the standards contained in this chapter. Approval, if granted, shall cover the period of time between initial approval and the institution’s next regularly scheduled state review under rules 281—79.5(256) and 281—79.6(256). After the initial approval period, approval of the teacher intern preparation program will be included as part of the institution’s reappllication for approval of its entire practitioner preparation program. Approval, if granted to institutions offering only teacher intern preparation programs, shall be for a term of seven years; however, approval for a lesser term may be granted by the state board if it determines conditions so warrant.

If approval is not granted, the applying institutions will be advised concerning the areas in which improvement or changes appear to be essential for approval. In this case, the institutions shall be given the opportunity to present factual information concerning their program at a regularly scheduled meeting of the state board, not beyond three months of the board’s initial decision. Following a minimum of six months after the board’s decision to deny approval, the institution may reapply when it is ready to show what actions have been taken to address the areas required for improvement.

A program may be granted conditional approval upon review of appropriate documentation. In such an instance, the program shall receive a full review after one year or, in the case of a new program, at the point at which candidates demonstrate mastery of standards for licensure.

The reports shall provide basic information necessary to keep up-to-date records of each teacher intern preparation program and to carry out research studies relating to teacher intern preparation.

281—77.7(256) **Approval of program changes.** Upon application for approval of program changes by an institution, the director is authorized to approve minor additions to, or changes within, the curricula of an institution’s approved teacher intern preparation program. When an institution proposes a revision that exceeds the primary scope of its programs, the revision shall become operative only after having been approved by the state board.
