a. The first supervision meeting must occur in person. After the first supervision meeting, the remaining supervision may occur through in-person meetings or through electronic meetings using an interactive real-time system that provides for visual and audio interaction between the supervisor and supervisee.

b. A maximum of 60 hours of direct supervision may be obtained through group supervision meetings. A maximum of six supervisees may participate in any group supervision meeting.

280.6(4) Supervisor eligibility requirements.

a. To be eligible to serve as a supervisor for the period of supervised professional practice, a social worker shall:

   (1) Hold an active license to practice social work at the independent level in Iowa. If the supervised professional practice occurs in another state, a social worker licensed in that state may serve as a supervisor if the social worker is licensed at a level equivalent to the independent level. A social worker licensed in another state may provide direct supervision hours if the social worker is licensed at a level equivalent to the independent level.

   (2) Have at least three years of social work practice at the independent level, which must include a minimum of 4,000 hours of practice.

   (3) Complete a six-hour continuing education course pertaining to social work practice supervision or one master’s level course in supervision.

b. Any request for a supervisor who does not meet these requirements must be submitted to the board for approval before supervision begins. The board will only approve an otherwise ineligible supervisor if the supervisee demonstrates that eligible supervisors are unavailable or unwilling to provide supervision. Any practice or supervision hours obtained under an ineligible supervisor prior to board approval cannot be counted toward completion of the period of supervised professional practice.

280.6(5) Supervisor responsibilities. A supervisor shall provide adequate supervision to all supervisees. Failure to provide adequate supervision may be grounds for disciplinary action. A supervisor shall be responsible for:

a. Timely submission of the supervision plan;

f. Reporting any issues related to caseload, including volume and difficulty, to the supervisor;

g. Reporting to the board any violations of board rules by the supervisor; and

h. Maintaining a copy of every supervision plan and supervision report until such time as the supervisee is issued a license to practice social work at the independent level.

280.6(7) Supervision plan. A current written supervision plan must be maintained throughout the period of supervised professional practice. Each supervisor who provides practice supervision or direct supervision hours shall be named on a supervision plan.

a. A written supervision plan must be established and submitted to the board before the period of supervised professional practice begins. The board will perform an initial review of each supervision plan and notify the supervisee of approval or denial of the plan within 45 days of receipt. A supervisee may begin supervised professional practice after submission of the supervision plan but cannot count any practice or supervision hours obtained pursuant to a supervision plan that is ultimately denied by the board.

b. If a supervisee is changing supervisors or adding an additional supervisor, a revised supervision plan shall be submitted to the board for approval at the time of the change or addition. A supervisee may continue supervised professional practice after submission of a revised supervision plan but cannot count any practice or supervision hours obtained pursuant to a revised supervision plan that is ultimately denied by the board.

c. The board maintains a supervision plan form that may be utilized to write the supervision plan. A supervision plan shall include:

(1) The name, license number, date of licensure, address, telephone number, and email address of the supervisor;

(2) The name, license number, address, telephone number, and email address of the supervisee;

b. The board will review each supervision report for approval of the hours pertaining to the particular report. The board may deny any practice or supervision hours that were not obtained in compliance with this rule. The board may deny any practice or supervision hours if the supervisor indicates that the supervisee did not adhere to the ethical standards and legal and regulatory requirements governing the practice of social work or if the supervisor does not recommend the supervisee for licensure at the independent level.

The board may receive by endorsement any applicant from the District of Columbia, another state, territory, province or foreign country who:
1. Submits to the board a completed application;
2. Pays the licensure fee;
3. Shows evidence of licensure requirements that are similar to those required in Iowa;
4. Provides official copies of the academic transcripts;
5. Provides official copies of the appropriate or higher level examination score sent directly from the ASWB; and
6. Provides verification of license(s) from every jurisdiction in which the applicant has been licensed, sent directly from the jurisdiction(s) to the board office. Web-based verification may be substituted for verification direct from the jurisdiction’s board office if the verification provides:
   • Licensee’s name;
   • Date of initial licensure;
   • Current licensure status; and
   • Any disciplinary action taken against the license.

In lieu of the requirements in numbered paragraphs “4,” “5,” and “6” of this rule, the board will accept the ASWB Social Work Registry verification of academic transcripts, examination scores, and licensure in other states.

645—280.8(154C) Licensure by reciprocal agreement. Rescinded IAB 3/10/10, effective 4/14/10.

645—280.9(154C) License renewal.

280.9(1) The biennial license renewal period for a license to practice social work shall begin on January 1 of odd-numbered years and end on December 31 of the next even-numbered year. Every licensee shall renew on a biennial basis. The licensee is responsible for renewing the license prior to its expiration. Failure of the licensee to receive notice does not relieve the licensee of the responsibility for renewing the license.

280.9(2) Renewal procedures.
   a. A licensee seeking renewal shall:
      (1) Meet the continuing education requirements of rule 645—281.2(154C,272C) and the mandatory reporting requirements of subrule 280.9(3). A licensee whose license was reactivated during the current renewal compliance period may use continuing education credit earned during the compliance period for the first renewal following reactivation; and
      (2) Submit the completed renewal application and renewal fee before the license expiration date.
   b. An individual who was issued a license within six months of the license renewal date will not be required to renew the license until the next renewal two years later.
   c. Those persons licensed for the first time shall not be required to complete continuing education as a prerequisite for the first renewal of their licenses. Continuing education hours acquired anytime from the initial licensing until the second license renewal may be used. The new licensee will be required to complete a minimum of 27 hours of continuing education per biennium for each subsequent license renewal.
   d. Persons licensed to practice social work shall keep their renewal licenses displayed in a conspicuous public place at the primary site of practice.
   e. Failure to receive the notice of renewal shall not relieve the licensee of the responsibility for submitting the required materials and the renewal fee to the board office 30 days before license expiration.
   f. A social worker whose Iowa license is inactive, delinquent, closed, retired, voluntarily surrendered, suspended, or revoked cannot advance to a higher level until the license is again active.

280.9(3) Mandatory reporting of child abuse and dependent adult abuse.
   a. Effective July 1, 2019, a licensee who regularly examines, attends, counsels or treats children in Iowa shall complete an initial two-hour child abuse mandatory reporter training course offered by the department of human services within six months of employment, or prior to the expiration of a current certificate. Thereafter, all mandatory reporters shall take a one-hour recertification training every three years, prior to the expiration of a current certificate.
b. Effective July 1, 2019, a licensee who regularly examines, attends, counsels or treats adults in
Iowa shall complete an initial two-hour dependent adult abuse mandatory reporter training course offered
by the department of human services within six months of employment, or prior to the expiration of a
current certificate. Thereafter, all mandatory reporters shall take a one-hour recertification training every
two years, prior to the expiration of a current certificate.

c. The requirement for mandatory training for identifying and reporting child and dependent adult
abuse shall be suspended if the board determines that suspension is in the public interest or that a person
at the time of license renewal:

(1) Is engaged in active duty in the military service of this state or the United States.

(2) Holds a current waiver by the board based on evidence of significant hardship in complying with
training requirements, including waiver of continuing education requirements or extension of time in
which to fulfill requirements due to a physical or mental disability or illness as identified in 645—Chapter
281.

d. The board may select licensees for audit of compliance with the requirements in paragraphs
“a” and “b.”

280.9(4) Late renewal. To renew a late license, the licensee shall complete the renewal requirements
and submit the late fee within the grace period.

280.9(5) Inactive license. A licensee who fails to renew the license by the end of the grace period
has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure
in Iowa, but may not practice as a social worker in Iowa until the license is reactivated. A licensee who
practices as a social worker in the state of Iowa with an inactive license may be subject to disciplinary
action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant
to Iowa Code section 147.86, and other available legal remedies.

280.9(6) Upon receiving the information required by this rule and the required fee, board staff shall
administratively issue a two-year license and shall send the licensee a wallet card by regular mail. In the
event the board receives adverse information on the renewal application, the board shall issue the renewal
license but may refer the adverse information for further consideration or disciplinary investigation.
