CHAPTER 7
RULES
[Prior to 5/18/88, Dental Examiners, Board of[320]]

650—7.1(17A,147,153) Petition for rule making.

7.1(1) An interested person may petition the board for the adoption, amendment or repeal of administrative rules.

7.1(2) The petition shall be in writing, signed by or on behalf of the petitioner, and contain the following information:

a. A general statement of the rule the petitioner is requesting the board to adopt, amend, or repeal. Where amendment or repeal of an existing rule is sought, the rule number should be included but is not required. The petitioner is not required to enclose a draft of the proposed rule or proposed amendment being requested.

b. A statement of sufficient detail setting forth reasons for adoption, amendment, or repeal.

c. A statement showing how the petitioner would be affected by the requested action.

d. Name and address of petitioner.

7.1(3) The petition is filed when it is received by the board.

7.1(4) Upon receipt of the petition, the board shall take the petition under advisement. The board may request additional information from the petitioner or the board office.

7.1(5) If the petition raises an issue regarding the practice of dental hygiene, the petition shall be referred to the dental hygiene committee for review. The dental hygiene committee shall review the petition and timely submit its recommendations to the board. The board’s review of the dental hygiene committee recommendation is subject to 650—Chapter 1.

7.1(6) The board shall deny the petition or initiate rule-making procedures within 60 days after filing of the petition. In the case of a denial, the board shall state in writing its reasons for the denial. The petitioner shall be notified by mail of the board action taken.

This rule is intended to implement Iowa Code sections 17A.3(1) and 17A.7.

650—7.2(17A,147,153) Oral presentations for rule making.

7.2(1) Oral presentations may be made to the board when requested in writing not later than 20 days after notice of intended action is published in the Iowa Administrative Bulletin, by five interested persons, a governmental subdivision, the administrative rules review committee, an agency, or an association having not less than 25 members or upon discretion of the board.

7.2(2) The board shall give the public not less than 20 days’ notice of the time and place where oral presentations may be made.

7.2(3) Persons wishing to speak shall notify the board prior to start of the oral presentations.

7.2(4) Oral presentations may be limited to ten minutes at the discretion of the board.

This rule is intended to implement Iowa Code sections 17A.3(1) and 17A.4(1).

7.4(1) Definition. For purposes of this rule, “a waiver or variance” means action by the board that suspends, in whole or in part, the requirements or provisions of a rule as applied to an identified person on the basis of the particular circumstances of that person. For simplicity, the term “waiver” shall include both a “waiver” and a “variance.”

7.4(2) Scope of rule. This rule outlines generally applicable standards and a uniform process for the granting of an individual waiver from a rule adopted by the board in situations where no other more specifically applicable law provides for a waiver. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this rule with respect to any waiver from that rule.

7.4(3) Applicability of rule. The board may grant a waiver from a rule only if the board has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional
provisions, or other provisions of law. The board may not waive requirements created or duties imposed by statute.

7.4(4) Criteria for waiver. In response to a petition completed pursuant to subrule 7.4(6), the board may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the board finds, based on clear and convincing evidence, all of the following:

a. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;

b. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;

c. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and

d. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

7.4(5) Filing of petition. A petition for a waiver must be submitted in writing to the board as follows:

a. Application for license, registration, certification, or permit. If the petition relates to an application for license, registration, certification, or permit, the petition shall be made in accordance with the filing requirements for the application in question.

b. Contested cases. If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding, using the caption of the contested case.

c. Other. If the petition does not relate to an application or a pending contested case, the petition may be submitted to the board’s executive director.

d. A petition is deemed filed when it is received at the board’s office. A petition should be sent to the Board of Dental Examiners, 400 S.W. 8th Street, Suite D, Des Moines, Iowa 50309-4687. The petition must be typewritten or legibly handwritten in ink and substantially conform to the form specified in 650—7.5(17A,147,153).

7.4(6) Content of petition. A petition for waiver shall include the following information where applicable and known to the requester:

a. The name, address, and telephone number of the person for whom a waiver is being requested and a reference to any related contested case. Also, the name, address, and telephone number of the petitioner’s legal representative, if applicable, and a statement indicating the person to whom communications concerning the petition should be directed.

b. A description and citation of the specific rule from which a waiver is requested.

c. The specific waiver requested, including the precise scope and duration.

d. The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in subrule 7.4(4). This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver.

e. A history of any prior contacts between the board and the petitioner relating to the regulated activity, license, registration, certification, or permit affected by the proposed waiver, including a description of each affected license, registration, certification, or permit held by the requester, any formal charges filed, any notices of violation, contested case hearings, or investigations relating to the regulated activity, license, registration, certification or permit.

f. Any information known to the requester regarding the board’s action in similar circumstances.

g. The name, address, and telephone number of any public agency or political subdivision that also regulates the activity in question or that might be affected by the grant of a waiver.

h. The name, address, and telephone number of any person who would be adversely affected by the grant of the petition.

i. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

j. Signed releases of information authorizing persons with knowledge regarding the request to furnish the board with information relevant to the waiver.
7.4(7) Additional information. Prior to issuing an order granting or denying a waiver, the board may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the board may, on its own motion or at the petitioner’s request, schedule a telephonic or in-person meeting between the petitioner and the board’s executive director, a committee of the board, or a quorum of the board.

7.4(8) Notice. The board shall acknowledge a petition upon receipt. Except where otherwise provided by law, every petition shall be served by the petitioner upon each of the parties of record of the proceeding, and on all other persons identified in the petition for waiver as affected by the petition, simultaneously with the filing. The petitioner shall serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the board attesting that notice has been provided. In addition, the board may give notice to other persons.

7.4(9) Hearing procedures. The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case. A person who objects to a denial of a waiver in proceedings other than a contested case hearing may make an informal appearance before the board to request reconsideration.

7.4(10) Ruling. An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

a. Board discretion. The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the board, upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the board based on the unique, individual circumstances set out in the petition.

b. Burden of persuasion. The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the board should exercise its discretion to grant a waiver from a board rule.

c. Narrowly tailored. A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

d. Administrative deadlines. When the rule from which a waiver is sought establishes administrative deadlines, the board shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

e. Conditions. The board may place any condition on a waiver that the board finds desirable to protect the public health, safety, and welfare.

f. Time period of waiver. A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the board, a waiver may be renewed if the board finds that grounds for a waiver continue to exist.

g. Time for ruling. The board shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the board shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

h. When deemed denied. Failure of the board to grant or deny a petition within the required time period shall be deemed a denial of that petition by the board. However, the board shall remain responsible for issuing an order denying a waiver.

i. Service of order. Within seven days of its issuance, any order issued under this rule shall be transmitted to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law.

7.4(11) Public availability. All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. Some petitions or orders may contain information the board is authorized or required to keep confidential. The board may accordingly redact confidential information from petitions or orders prior to public inspection.
7.4(12) Summary reports. Semiannually, the board shall prepare a summary report identifying the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the board’s actions on waiver requests. If practicable, the report shall detail the extent to which the granting of a waiver has affected the general applicability of the rule itself. Copies of this report shall be available for public inspection and shall be provided semiannually to the administrative rules coordinator and the administrative rules review committee.

7.4(13) Cancellation of a waiver. A waiver issued by the board pursuant to this rule may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the board issues an order finding any of the following:
   a. The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or
   b. The alternative means for ensuring that the public health, safety and welfare will be adequately protected after issuance of the waiver order have been insufficient; or
   c. The subject of the waiver order has failed to comply with all conditions contained in the order.

7.4(14) Violations. A violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this rule who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

7.4(15) Defense. After the board issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein only for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

7.4(16) Judicial review. Judicial review of a board’s decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

This rule is intended to implement Iowa Code chapters 17A, 147, and 153.

650—7.5(17A,147,153) Sample petition for waiver. A petition for waiver filed in accordance with 650—7.4(17A,147,153) must meet the requirements specified therein and must substantially conform to the following form:
