811—6.4(169) Graduates of foreign schools. Graduates of foreign veterinary schools may become
eligible for examination and licensure by either of the following methods:

6.4(1) Examination eligibility through ECFVG. Graduates of foreign veterinary schools which,
pursuant to the AVMA criteria, are not AVMA-accredited but are AVMA-listed may make application
to take the NAVLE in this state provided that the application includes a copy of the applicant’s diploma
or certificate indicating the award of a degree in veterinary medicine from an AVMA-listed college
and a letter from the ECFVG verifying that the applicant is or will be participating in an ECFVG
certification program.

6.4(2) Licensure eligibility through ECFVG. Graduates of foreign veterinary schools which are not
AVMA-accredited but are AVMA-listed will not be considered for licensing until they have received the
certificate granted by the ECFVG. A license will not be issued to an applicant until the applicant submits
a certified copy of the applicant’s ECFVG certificate.

6.4(3) Examination eligibility through PAVE. Graduates of foreign veterinary schools may make
application to take the NAVLE in this state provided that the application includes a certified copy of
the applicant’s diploma or certificate indicating the award of a degree in veterinary medicine from a
foreign veterinary school and a letter from the AAVSB on behalf of PAVE verifying that the applicant
is participating in the PAVE certification program administered by the AAVSB, and has met the
requirements for taking the NAVLE.
6.4(4) Licensure eligibility through PAVE. Graduates of foreign veterinary schools will not be considered for licensing until they have received the certificate granted by PAVE. A license will not be issued to an applicant until the applicant submits a copy of the applicant’s PAVE certificate.

811—6.5(169) License by endorsement.

6.5(1) A license by endorsement may be granted by the board pursuant to either Iowa Code section 169.10(1) or 169.10(2). An applicant shall make application for a license by endorsement on a form provided by the board. The application fee and triennial license fee shall accompany the application. In addition to the information specified in Iowa Code section 169.10, the applicant shall supply all of the following:
   a. A statement indicating all jurisdictions in which the licensee is or has ever been licensed to practice veterinary medicine. The applicant shall provide information and shall consent to the release of information to the board from jurisdictions in which the applicant is or has ever been licensed.
   b. Information pertinent to the character and education of the applicant as the board may deem necessary in order to evaluate the applicant’s qualifications.
   c. Evidence of approved continuing education totaling at least 60 hours obtained within the last three licensing years. New graduates and applicants within one year after graduation are exempt from continuing education requirements for initial licensing. Applicants who apply more than one year but less than two years after the date of graduation must complete at least 20 hours of approved continuing education. Applicants who apply more than two years but less than three years after the date of graduation must have completed at least 40 hours of approved continuing education. As used in this paragraph, “date of graduation” also includes the date of PAVE or ECFVG certification. Foreign graduates licensed by PAVE or ECFVG certification are exempt from the continuing education requirement for one year from the date of certification by PAVE or ECFVG.

6.5(2) For an applicant with a non-Iowa license seeking licensure under Iowa Code section 169.10(1), the following shall apply:
   a. If the applicant’s non-Iowa license was issued between December 31, 1964, and December 31, 1979, the applicant shall have successfully completed the National Board Examination (NBE).
   b. If the applicant’s non-Iowa license was issued between January 1, 1980, and December 31, 2000, the applicant shall have successfully completed the National Board Examination (NBE) and the Clinical Competency Test (CCT).
   c. If the applicant’s non-Iowa license was issued on or after January 1, 2001, the applicant shall have successfully completed the NAVLE in accordance with rule 811—7.1(169).

6.5(3) An applicant who is a diplomate under Iowa Code section 169.10(2) shall also include a copy of the applicant’s board or college specialty certificate. For the purpose of this rule, a specialty board or college means a specialty board or college which has been officially recognized by the AVMA. Changes of specialty status shall be reported to the board within 30 days of the action.

811—6.6(169) Issuance of limited license; specialization.

6.6(1) The board may grant a license to practice veterinary medicine within a limited and specified scope:
   a. As an option for board discipline under 811—Chapter 10.
   b. To a qualified member of the faculty of the Iowa State University College of Veterinary Medicine.
   c. To an applicant requesting limited or specialized status.

6.6(2) A licensed veterinarian shall not claim or imply specialization unless the veterinarian is a diplomate in good standing of the respective specialty board or college recognized by the AVMA.

6.6(3) Veterinary student certificate. The board may issue a veterinary student certificate to a senior veterinary student who is attending an AVMA-accredited college of veterinary medicine, upon endorsement by the college that the student is competent to perform veterinary duties. The certificate issued by the board shall limit the student to performing duties under the direction of an instructor of veterinary medicine or under the direct supervision of a licensed veterinarian. Veterinary student
certificate holders are prohibited from administering rabies vaccine to dogs as described in Iowa Code section 351.35 and signing a certificate of veterinary inspection as described in Iowa Code section 163.12.

6.6(4) Limited licensure for faculty. Faculty, not including residents or interns, at Iowa State University College of Veterinary Medicine may be issued a limited license to practice veterinary medicine. The applicant for a limited license for faculty shall have graduated from an AVMA-accredited or AVMA-listed school of veterinary medicine or have received a PAVE or ECFVG certificate and shall submit a completed application and the required fees. Holders of limited licenses for faculty are limited to duties performed on the college premises during periods of employment at the college.

811—6.7(169) License renewal.

6.7(1) A license to practice veterinary medicine shall be issued for a three-year period, except that new licenses issued during a triennium shall be issued for the balance of that triennium, except that new certificates issued during a triennium shall be issued for the balance of the triennium and the certificate fee shall be prorated. A license shall expire on June 30 of the third year of the triennium.

6.7(2) At least two months before the end of a triennium, a renewal notice will be sent to each licensee at the last address in the board’s file. Failure to receive the notice shall not relieve the licensee of the obligation to pay triennium renewal fees on or before June 30.

6.7(3) The license renewal application shall include a statement which certifies the jurisdictions in which the licensee is currently or has in the past been licensed to practice veterinary medicine.

6.7(4) Renewal fees shall be received by the board on or before the end of the triennium on June 30. Whenever renewal fees are not received as specified, the license lapses and the practice of veterinary medicine must cease until all renewal fees and penalty fees are received by the board.

6.7(5) If the renewal fee has not been received by the board before the license has lapsed, an application for renewal must be filed with the board with a renewal fee in addition to the reactivation fee and the late renewal penalty fee.

811—6.8(169,261) Issuance or renewal of a license to practice veterinary medicine—denial. The board shall deny the issuance or renewal of a license to practice veterinary medicine upon receipt of a certificate of noncompliance from the college student aid commission according to the procedures set forth in 1998 Iowa Acts, chapter 1081. In addition to the procedures contained therein, the following shall apply.

6.8(1) The notice required by 1998 Iowa Acts, chapter 1081, section 6, shall be served by restricted certified mail, return receipt requested, or by personal service in accordance with the Iowa Rules of Civil Procedure. Alternatively, the applicant may accept service personally or through authorized counsel.

6.8(2) The effective date of the denial of the issuance of the license or renewal of a license, as specified in the notice required by 1998 Iowa Acts, chapter 1081, section 6, shall be 60 days following service of the notice upon the applicant.

6.8(3) The board’s executive secretary is authorized to prepare and serve the notice required by 1998 Iowa Acts, chapter 1081, section 6, upon the applicant.

6.8(4) Applicants shall keep the board informed of all court actions and all college student aid commission actions taken under or in connection with Iowa Code chapter 261 and shall provide the board copies, within seven days of filing or issuance, of all applications filed with the district court pursuant to 1998 Iowa Acts, chapter 1081, section 7, all court orders entered in such actions, and withdrawals of certificates of noncompliance by the college student aid commission.

6.8(5) All board fees required for application or renewal must be paid by applicants and all continuing education requirements must be met before a license will be issued, renewed, or reinstated after the board has denied the issuance or renewal of a license pursuant to Iowa Code chapter 261.

6.8(6) In the event an applicant timely files a district court action following service of a board notice pursuant to 1998 Iowa Acts, chapter 1081, sections 6 and 7, the board shall continue with the intended action described in the notice upon the receipt of a court order lifting the stay, dismissing the action, or otherwise directing the board to proceed. For purposes of determining the effective date of the denial
of the issuance or renewal of a license, the board shall count the number of days before the court action was disposed of by the court.

6.8(7) The board shall notify the applicant in writing through regular first-class mail, or such other means as the board deems appropriate in the circumstances, within ten days of the effective date of the denial of the issuance or renewal of a license and shall similarly notify the applicant when the license is issued or renewed following the board’s receipt of a withdrawal of the certificate of noncompliance.

811—6.9(169) Renewal, lapsed or inactive license. A veterinarian whose license has lapsed may renew an expired license within five years of the date of its expiration by making written application for renewal and paying the current renewal fee plus all delinquent renewal fees. After five years have elapsed since the date of expiration, a license may not be renewed, and the veterinarian must make application for a new license and take the license examination. A veterinarian whose license has lapsed or has been placed on inactive status shall, prior to receiving active status licensure in the practice of veterinary medicine in the state of Iowa, satisfy the requirements in either subrule 6.9(1) or subrule 6.9(2) for renewal of a lapsed or inactive license:

6.9(1) Renewal of a lapsed or inactive license. An applicant for renewal of a lapsed or inactive license shall do both of the following:

a. Submit written application for renewal of a lapsed or inactive license to the board upon forms provided by the board;

b. Furnish evidence of compliance with continuing education requirements specified in rule 811—11.3(169).

6.9(2) Renewal by endorsement. An applicant for renewal by endorsement may submit an application for renewal by endorsement following the procedures set out in rule 811—6.5(169).

These rules are intended to implement Iowa Code chapters 17A, 169, and 261.
