

CHAPTER 2 PURCHASING

[Prior to 1/14/87, Iowa Lottery Agency[526] Ch 5]

[Prior to 9/17/03, see 705—Ch 4]

531—2.1(99G) Applicability of competitive bidding. All “major procurements” shall be obtained as a result of competitive bidding, except in cases where a single vendor has an exclusive right to offer a particular product or service. Major procurements include consulting agreements and the major procurement contract with a business organization for the printing of tickets or for the purchase or lease of equipment or services essential to the operation of a lottery game.

Items, including goods or services, other than major procurements, that are expected to cost in the aggregate in excess of \$50,000 will be obtained as a result of a formal or informal competitive bidding process conducted by the lottery or through the department of administrative services whenever such procurement is in the best interests of the lottery. Items, including goods or services, other than major procurements, that are expected to cost in the aggregate \$50,000 or less may be obtained as a result of an informal competitive bidding process. Items, including goods or services, other than major procurements, expected to cost less than \$50,000 in the aggregate may be obtained in any manner deemed appropriate by the lottery.

Notwithstanding the foregoing, the lottery may exempt an item from competitive bidding if the item is noncompetitive or is purchased in quantities too small to be effectively purchased through competitive bidding; if there is an immediate or emergency need for the item; if the purchase of the item facilitates compliance with set-aside procurement provisions; or if the lottery determines that its best interests will be served by exemption from the bidding process and the item to be purchased is not a major procurement.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.2(99G) Methods of obtaining bids or proposals used by the lottery. Formal or informal bids or proposals are to be obtained by one of the following methods. If more than one method is applicable to the purchase of a particular item, the lottery shall choose the method of bidding to be utilized.

2.2(1) Formal bids may be required for any item if cost is the major criterion for selection. If cost is the major criterion for selection, formal bids shall be required for all items costing in the aggregate more than \$50,000.

The lottery shall prepare a written invitation-to-bid document and shall send it via the United States Postal Service or electronic mail to selected vendors in the business of providing the goods or services sought by the lottery. Goods or services may also be obtained by the lottery using reverse auction methods via the lottery’s Internet Web site.

The invitation to bid shall contain the due date and time of the bid opening, a complete description of the item needed, and any other necessary or proper items.

Formal bids, other than major procurement sealed bids, received prior to the submission deadline set in the bidding document shall be made available to any interested party on the date and hour designated on the bid form. As the bids are opened they will be tabulated, and the results of the tabulation shall be made available to any interested party. The original bids and the tabulations will be maintained at the lottery for one year following the date on which the bids were opened.

An award shall be made within 60 calendar days from the date of the bid opening unless a different time frame is stated by the lottery in the invitation to bid or subsequently agreed to by the vendors. The price quoted by the vendors shall remain binding throughout the applicable time period. If an award is not made within the applicable time frame, all bids shall be deemed rejected.

2.2(2) Informal bids may be required for any item if cost is the major criterion for selection and if the item is expected to cost in the aggregate \$50,000 or less. Informal bids may be obtained by the lottery through use of a written bid form, over the telephone, via facsimile transmission, or in electronic format, including over the Internet or through electronic mail. When requesting informal bids, the lottery shall contact selected vendors supplying the goods or services sought by the lottery and shall communicate to each vendor the date on which bids must be received, a complete description of the item to be purchased,

and the time period during which the bid must remain valid. Goods or services may also be obtained by the lottery using reverse auction methods via the lottery's Internet Web site.

Written informal bids shall be opened as received, and informal telephone, facsimile, or electronic bids shall be recorded as received. If a bid is received over the telephone, a telephone bid form shall be used to record the bid received. If an electronic bid is received, a screen print shall be used to record the bid received. Following the submission deadline, the lottery shall tabulate the bids received and make the award. The bids and the tabulations shall be available to interested parties after the submission deadline and shall be maintained by the lottery for one year following the submission deadline.

If an award is not made within the time frame indicated by the lottery when requesting bids, all bids shall be deemed rejected.

2.2(3) Whenever a requirement exists for an item or a major procurement and cost may not be the sole criterion for selection, the lottery may issue a request for proposals. The purpose of a request for proposals is to provide the vendor with sufficient information about the lottery's requirements and goals to allow the vendor to propose a solution to the lottery's requirements.

The lottery shall prepare a written request for proposals and shall send the proposal via the United States Postal Service or electronic mail to selected vendors in the business of supplying the goods or services sought by the lottery.

The lottery requires that bids submitted in response to a request for proposals in a major procurement for award of a contract for the printing of tickets or for the purchase or lease of equipment or services essential to the operation of a lottery game be submitted as sealed bids. The contents of sealed bids shall be made available to any interested party at the time designated in the request for proposals. A bidder shall identify with clear markings the pages, sections, or documents submitted as part of a proposal package that the bidder claims are exempt from disclosure because they contain sensitive business or trade secret information.

To ensure the fairness and integrity of the evaluation process, the lottery may elect to evaluate and score any of the technical, financial, security, and marketing components of major procurement sealed bid proposals prior to opening and integrating the scoring of the pricing component. When scoring has been completed, the evaluation team shall prepare a recommendation report for an award and, if applicable, for rejection of any or all proposals under consideration. The recommendation report shall be submitted to the chief executive officer and the lottery board for such action as the chief executive officer and board may deem appropriate. The report shall be made available to any interested person immediately upon transmittal to the chief executive officer and the board. Prior to making an award, the board and chief executive officer shall receive and consider the results of a background investigation conducted by the department of public safety division of criminal investigation.

An award shall be made within 60 calendar days from the date of the proposal opening unless a different time frame is stated by the lottery in the request for proposal or subsequently agreed to by the vendors. The terms quoted by the vendor shall remain binding throughout the applicable time frame. If an award is not made within the applicable time frame, all proposals shall be deemed rejected and not binding.

At a minimum, a request for proposals shall address the following criteria: the need for a proposal conference; the purpose and background of the request; important dates in the proposal and the award process including the submission deadline; administrative requirements for submitting the proposal and the format required by the lottery; the scope of the work to be performed and any specific requirements which the vendor must meet; and any contractual terms and conditions which the lottery anticipates may affect the terms of the vendor's proposal.

This rule is intended to implement Iowa Code section 72.3 and Iowa Code Supplement sections 99G.7, 99G.9, and 99G.21.

531—2.3(99G) Items purchased through the department of administrative services. Goods and services may be obtained by the lottery through the department of administrative services whenever procurement through administrative services is in the best interests of the lottery. Items procured through

administrative services may be obtained by administrative services in any manner deemed appropriate by administrative services.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.4(99G) Advertising solicitations. Formal bids and requests for proposals issued by the lottery shall be advertised in a daily paper in Iowa. The advertisement shall indicate that it is a notice to prospective bidders, contain the bid due date and time of opening, describe the items to be purchased, and provide the name, address and telephone number of the person to be contacted to obtain official bidding documents.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.5(99G) Contract purchases. The lottery may enter into contract purchase agreements for items, groups of items, or services. Contract purchase agreements are subject to the competitive bidding requirements previously outlined where applicable.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.6(99G) Blanket purchase agreements. If the lottery foresees a requirement for frequent purchases of off-the-shelf items, the lottery may establish blanket purchase agreements. A blanket purchase agreement is a formally approved charge account that is designed to reduce paperwork and the number of checks issued. Blanket purchase agreements are subject to the competitive bidding requirements previously outlined where applicable.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.7(99G) Prospective vendor selection.

2.7(1) Any firm or business legally conducting business within Iowa may request placement on the approved vendor list for a particular service or commodity by filing a vendor application form with the lottery. The lottery may mail copies of solicitation documents to vendors on the list for a particular item or to any other vendor that the lottery chooses to contact. A vendor may be refused placement on the list or suspended or permanently removed from the list for any of the following reasons: failure to respond to three consecutive solicitations; failure to deliver within specified delivery dates; failure to deliver in accordance with specifications; attempts to influence the decision of any state employee involved in the procurement process; evidence of agreements by the vendor to restrain trade or impede competitive bidding; and any other activities of the vendor which the lottery determines would render the vendor unsuitable.

The lottery shall notify a vendor in writing prior to refusing placement on the list, suspending the vendor from the list, or permanently removing the vendor from the list. The vendor shall be provided a reasonable opportunity to explain and cure any misconduct identified by the lottery. If the lottery ultimately refuses placement on the list or removes the vendor from the list, the vendor may appeal the lottery's action to the lottery board pursuant to the criteria for vendor appeals contained in these rules.

2.7(2) The lottery shall select vendors to receive solicitation documents based on the lottery's knowledge of the vendors in the particular market. The initial vendor selection shall be designed to promote the competitive bidding process, the set-aside procurement programs, and the best interests of the lottery. The lottery shall also provide solicitation documents to qualified vendors upon request when the request is made during the solicitation period. The vendor is solely responsible for ensuring that solicitation documents are received by the vendor.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.8(99G) Bids and proposals to conform with specifications. All bids and proposals must conform to the specifications indicated by the lottery. Bids and proposals that do not conform to the specifications stated may be rejected. The lottery reserves the right to waive deficiencies in the bids or proposals if in the judgment of the lottery its best interests would be served by the waiver.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.9(99G) Time of delivery. When evaluating bids or proposals, the lottery may consider the time of delivery when determining the successful vendor.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.10(99G) Cash discounts. When evaluating bids or proposals, the lottery may consider cash discounts.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.11(99G) Tie bids. The lottery shall resolve ties among bids or proposals which are equal in all respects by drawing lots unless only one of the tied bidders is an Iowa business. If only one of the bidders tied for an award is an Iowa business, the Iowa business shall be given preference over all tied out-of-state businesses.

If it is necessary to draw lots, the drawing shall be held in the presence of the vendors who submitted the tied bids or proposals whenever practical. If the tied vendors are not present, the drawing shall be held in front of at least two persons, and the lottery shall document the drawing.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.12(99G) Time of submission. All formal bids and proposals shall be submitted by the vendor in sufficient time to actually reach the lottery prior to the submission deadline specified in the bid document. All informal bids shall be submitted by the vendor in time to reach the lottery prior to the submission deadline indicated by the lottery. Formal bids and proposals shall be marked by the lottery with the date and time received by the lottery. Formal bids and proposals received after the submission deadline shall be returned to the vendor unopened. All vendors to whom invitations to bid or requests for proposals are sent shall be notified of any changes in submission deadline.

If a formal bid or request for proposals is canceled prior to the submission deadline, any responses already received shall be returned unopened. If an informal bid is canceled prior to the submission deadline, any bids already received shall be destroyed.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.13(99G) Modification or withdrawal of bids. Bids or proposals may be modified or withdrawn prior to the time and date set for the bid or proposal opening. Modifications or withdrawals shall be in writing and delivered in a sealed envelope that properly identifies the correct bid or proposal to be modified or withdrawn. A bid or proposal may be withdrawn after opening only with the approval of the lottery if the lottery finds that an honest error was made by the vendor that will cause undue financial hardship to the vendor and that will not cause undue financial hardship or inconvenience to the lottery.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, and 99G.23.

531—2.14(99G) Financial security. The lottery may require bid security, litigation security, and performance security on formal bids or proposals. When required, security may be by certified check,

certificate of deposit, letter of credit made payable to the lottery, or any other form specified by the lottery.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, 99G.22, and 99G.23.

531—2.15(99G) Rejection of bids and proposals. The lottery reserves the right to reject any or all bids or proposals. Bids and proposals may be rejected because of faulty specifications, abandonment of the project, insufficient funds, evidence of unfair or flawed bidding procedures, failure of a vendor to meet the lottery's requirements, or for any other reason if the lottery determines that its best interests will be served by rejecting any or all bids. Following the rejection of bids, new bids may be requested by the lottery at any time deemed convenient by the lottery.

This rule is intended to implement Iowa Code Supplement sections 99G.7, 99G.9, 99G.21, 99G.22, and 99G.23.

531—2.16(99G) Background and informational statements.

2.16(1) Criminal history and background checks.

a. General provisions. The Iowa lottery major procurement business entity background investigation form (Class L form) must be completed for each bid submitted in response to a lottery major procurement solicitation.

The Class L form shall be posted on the lottery's Web site and is intended to serve both as a vehicle for collection of information pertaining to bidders and as an overview of the scope of the bidder investigations to be conducted.

The department of public safety division of criminal investigation shall utilize the information provided in the Class L form as the basis for developing the initial scope of the bidder investigation and due diligence to be conducted with respect to a bidder.
