Notice of a meeting is published on the commission's Web site at [www.iowa.gov/irgc/](http://www.iowa.gov/irgc/) at least five days in advance of the meeting or will be mailed to interested persons upon request. The notice shall contain the specific date, time, and place of the meeting. Agendas are available to any interested persons not less than five days in advance of the meeting.

*a.* A quorum shall consist of three members.

*b.* When a quorum is present, a position is carried by an affirmative vote of the majority of the entire membership of the commission.

*c.* A commissioner, who is present at a meeting of the commission when action is taken, shall be presumed to have assented to the action unless the commissioner's dissent was requested to be entered in the minutes. A roll-call vote on any motion may be recorded in the minutes. Reconsideration of any action may only be initiated by a commissioner who voted with the prevailing side. The motion to reconsider any action may be made and seconded before the conclusion of the meeting when the action was approved, or it may be made in writing and submitted to the commission office within two business days following the meeting. Only the mover has the option to request that the motion be held in abeyance, when the motion to reconsider is offered during the same meeting. Any commissioner is eligible to call up the motion to reconsider at the next meeting of the commission. The official minutes shall record the offering of any motion to reconsider, whether placed during the meeting or by timely written submission.

Additionally, the applicant shall remit an investigative fee of \$30,000 to the department of public safety to do background investigations as required by the commission. **491—1.6(99D,99F) Limitation on location and number of racetracks and excursion gambling boats.** Rescinded IAB 9/29/04, effective 11/3/04.

**491—1.7(99D,99F) Criteria for granting licenses, renewing licenses, and determining race dates.** The commission sets forth the following criteria which the commission will consider when deciding whether to issue a license to conduct racing or gaming in Iowa. The various criteria may not have the same importance in each instance, and other factors may present themselves in the consideration of an application for a license. The criteria are not listed in order of priority. After the initial consideration for issuing a license, applicable criteria need only be considered when an applicant has demonstrated a deficiency.

**1.7(1) *Compliance.*** The commission will consider whether or not the applicant is and has been in compliance with the terms and conditions specified in Iowa Code section 99D.9 or 99F.4. The commission will also consider whether the proposed facility is in compliance with applicable state and local laws regarding fire, health, construction, zoning, and other similar matters.

**1.7(2) *Gaming integrity.*** The commission will consider whether the proposed operation would ensure that gaming is conducted with a high degree of integrity in Iowa and that the officers, directors, partners, or shareholders of the operation are of good repute and moral character. The commission shall decide what weight and effect evidence about an officer, director, partner, or shareholder should have in the determination of whether there is substantial evidence that the individual is not of good reputation and character.

**1.7(3) *Economic impact and development.*** The commission will consider:

*a.* The amount of revenue to be provided by the proposed facility to the state and local communities through direct taxation on the facility's operation and indirect revenues from tourism, ancillary businesses, creation of new industry, and taxes on employees and patrons. The commission may engage an independent firm proficient in market feasibility studies in the industry for specific analysis of any application to determine the potential market of any proposed facility as well as the impact on existing licensees.

*b.* The level of financial and other support the proposed operation will provide to the community in order to improve the quality of life of the residents of the community.

*c.* The viability and overall net benefit of the proposed operation to the state gaming industry, taking into consideration:

- (1) Investment versus projected adjusted gross revenue.
- (2) Impact on existing operators' adjusted gross revenue versus existing operators' ratio of adjusted gross revenue to investment.
- (3) Ratio of equity to total investment and whether the proposed project is adequately and properly financed.
- (4) Percent of projected adjusted gross revenue from underserved markets.
- (5) Percent of projected adjusted gross revenue from existing Iowa operators.

- (6) Stability and reliability of out-of-state market(s).
- d. The benefits to Iowa tourism.
- e. The number and quality of employment opportunities for Iowans.
- f. The development and sale of Iowa products.
- g. The number and types of developments and amenities associated with the proposed operation in addition to the gaming floor.

**1.7(4) *Efficient and safe operation.*** The commission will consider whether the proposed facility is planned in a manner that promotes efficient and safe operation of all aspects of the facility including providing adequate security for employees and patrons. Adequate employment to serve patrons' needs, facility scope and design, parking facilities, access to cashier windows, concessions, and restrooms will be considered.

**1.7(5) *Community support.*** The commission will consider support for the proposed project within the community in which a proposed facility is to be located.

**1.7(6) *Nurture of the racing industry.*** The commission will consider whether the proposed racetrack operation would serve to nurture, promote, develop, and improve the racing industry in Iowa and provide high-quality racing in Iowa. The commission will also consider if the proposed racetrack operation will maximize purses and is beneficial to Iowa breeders.

**1.7(7) *Other factors.*** The commission will consider such other factors as may arise in the circumstances presented by a particular application.

[ARC 8029B, IAB 8/12/09, effective 9/16/09]

**491—1.8(17A,99D,99F) Granting of a waiver.** For purposes of this rule, a waiver or variance means action by the commission that suspends in whole or in part the requirements or provisions of a rule as applied to an identified entity on the basis of the particular circumstances of that entity. For simplicity, the term “waiver” shall include both a waiver and a variance.

**1.8(1) *Scope of rule.*** This rule outlines generally applicable standards and a uniform process for the granting of a waiver from rules adopted by the commission in situations where no other more specifically applicable law provides for waivers. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this rule with respect to any waiver from that rule.

**1.8(2) *Applicability of rule.*** The commission may grant a waiver from a rule only if the commission has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional provisions, or other provisions of law. The commission may not waive requirements created or duties imposed by statute.

**1.8(3) *Criteria for waiver.*** In response to a petition completed pursuant to subrule 1.8(5), the commission may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the commission finds, based on clear and convincing evidence, all of the following:

- a. The application of the rule would impose an undue hardship on the entity for whom the waiver is requested;
- b. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any entity;
- c. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
- d. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

**1.8(4) *Filing of petition.*** A petition for a waiver must be submitted in writing to the commission as follows:

- a. *License application.* If the petition relates to a license application, the petition shall be made in accordance with the filing requirements for the license in question.
- b. *Contested cases.* If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding, using the caption of the contested case.

*c. Other.* If the petition does not relate to a license application or a pending contested case, the petition may be submitted to the administrator.

**1.8(5) Content of petition.** A petition for waiver shall include the following information where applicable and known to the requester:

*a.* The name, address, and telephone number of the person or entity for whom a waiver is being requested, and the case number of any related contested case.

*b.* A description and citation of the specific rule from which a waiver is requested.

*c.* The specific waiver requested, including the precise scope and duration.

*d.* The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in subrule 1.8(3). This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition, and a statement of reasons that the petitioner believes will justify a waiver.

*e.* A history of any prior contacts between the commission and the petitioner relating to the regulated activity or license affected by the proposed waiver, including a description of each affected license held by the requester, any notices of violation, contested case hearings, or investigative reports relating to the regulated activity or license within the last five years.

*f.* Any information known to the requester regarding the commission's treatment of similar cases.

*g.* The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question, or which might be affected by the grant of a waiver.

*h.* The name, address, and telephone number of any person or entity who would be adversely affected by the grant of a waiver.

*i.* The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

*j.* Signed releases of information authorizing persons with knowledge regarding the request to furnish the commission with information relevant to the waiver.

**1.8(6) Additional information.** Prior to issuing an order granting or denying a waiver, the commission may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the commission may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the administrator, a committee of the commission, or a quorum of the commission.

**1.8(7) Notice.** The commission shall acknowledge a petition upon receipt. The commission shall ensure that notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law, within 30 days of the receipt of the petition. In addition, the commission may give notice to other persons.

To accomplish this notice provision, the commission may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law, and provide a written statement to the commission attesting that notice has been provided.

**1.8(8) Hearing procedures.** The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case and shall otherwise apply to agency proceedings for a waiver only when the commission so provides by rule or order or is required to do so by statute.

**1.8(9) Ruling.** An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts, reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

**1.8(10) Board discretion.** The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the commission, upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the commission based on the unique, individual circumstances set out in the petition.

**1.8(11) Burden of persuasion.** The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the commission should exercise its discretion to grant a waiver from a commission rule.

**1.8(12) *Narrowly tailored exception.*** A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

**1.8(13) *Administrative deadlines.*** When the rule from which a waiver is sought establishes administrative deadlines, the commission shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

**1.8(14) *Conditions.*** The commission may place any condition on a waiver that the commission finds desirable to protect the public health, safety, and welfare.

**1.8(15) *Time period of waiver.*** A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the commission, a waiver may be renewed if the commission finds that grounds for the waiver continue to exist.

**1.8(16) *Time for ruling.*** The commission shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the commission shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

**1.8(17) *When deemed denied.*** Failure of the commission to grant or deny a petition within the required time period shall be deemed a denial of that petition by the commission. However, the commission shall remain responsible for issuing an order denying a waiver.

**1.8(18) *Service of order.*** Within seven days of its issuance, any order issued under this rule shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of law.

**1.8(19) *Public availability.*** All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. Some petitions or orders may contain information the commission is authorized or required to keep confidential. The commission may accordingly redact confidential information from petitions or orders prior to public inspection.

**1.8(20) *Summary reports.*** Semiannually, the commission shall prepare a summary report identifying the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the commission's actions on waiver requests. If practicable, the report shall detail the extent to which the granting of a waiver has affected the general applicability of the rule itself. Copies of this report shall be available for public inspection and shall be provided semiannually to the administrative rules coordinator and the administrative rules review committee.

**1.8(21) *Cancellation of a waiver.*** A waiver issued by the commission pursuant to this rule may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the commission issues an order finding any of the following:

- a.* The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver;
- b.* The alternative means for ensuring that the public health, safety, and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or
- c.* The subject of the waiver order has failed to comply with all conditions contained in the order.

**1.8(22) *Violations.*** Violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this rule who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

**1.8(23) *Defense.*** After the commission issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

**1.8(24) *Judicial review.*** Judicial review of the commission's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

These rules are intended to implement Iowa Code section 17A.9A and Iowa Code chapters 99D and 99F.
