400.2(2) *Vehicles exempt from titling or registration.* A certificate of title shall not be issued for a vehicle which is exempt from the titling or registration provisions of Iowa Code chapter 321, unless issuance of a certificate of title is specifically authorized in Iowa Code chapter 321 or as provided in 761—Chapter 410.

400.2(4) *Trailers with an empty weight of 2000 pounds or less.* Certificates of title shall not be issued for trailers with an empty weight of 2000 pounds or less. However, these trailers shall be subject to the registration fees provided in Iowa Code section 321.123.

However, vehicles owned by the government shall be exempted from registration and titling fees. 400.2(6) *Vehicles leased by the government.* Vehicles leased by the government for a period of 60 days or more are exempted from payment of registration fees. A copy of the lease agreement, certificate of lease, or other evidence that the vehicle is being leased by the government shall be required in order to obtain this exemption. However, the lessor is not exempted from the requirements for obtaining a certificate of title as set out in Iowa Code chapter 321 and these rules, including payment of the appropriate certificate of title fee.

400.2(7) *Special mobile equipment.* Rescinded IAB 3/7/90, effective 4/11/90.

However, these vehicles are not exempt from the requirements for obtaining a certificate of title as set out in Iowa Code chapter 321, including payment of the appropriate certificate of title fee.

400.2(9) *Towable recreational vehicles.* For purposes of registration and titling under Iowa Code chapter 321 and this chapter, a towable recreational vehicle as defined in Iowa Code section 322C.2 shall be considered a travel trailer or fifth-wheel travel trailer, as those terms are defined in Iowa Code section 321.1, as applicable.

400.2(10) *Plates for exempted vehicles.* Upon application, the department shall issue plates for exempted vehicles under subrules 400.2(5), 400.2(6) and 400.2(8) in accordance with the requirements in Iowa Code sections 321.18, 321.19, 321.22 and 321.170, as applicable, and this chapter. As authorized by Iowa Code sections 8A.361 and 8A.362(7), the Iowa department of administrative services may order the issuance of regular registration plates for exempted vehicles assigned to the Iowa department of administrative services. The following process applies to regular registration plates issued to an exempted vehicle under Iowa Code section 321.19(1)“c”:

a. The requesting agency under Iowa Code section 321.19(1)“c,” other than the Iowa department of administrative services, shall file an application with the department in the form and manner prescribed by the department and shall certify the authorized purpose for which issuance of the registration plates for an exempted vehicle is requested.

b. The Iowa department of administrative services or the department may order the issuance of regular registration plates for exempted vehicles as authorized by Iowa Code section 321.19(1)“c.” The plates shall be assigned to a specific vehicle. The requesting agency shall notify the department within ten days of assigning the plate to another vehicle.

c. In accordance with Iowa Code section 321.19, the department shall maintain separate records of regular registration plates issued to exempted vehicles, which shall be available in a manner that allows law enforcement and other persons authorized by Iowa Code section 321.11(3) to query vehicle and owner information by the registration plate number.

d. If a vehicle to which regular registration plates are assigned under this subrule is no longer used for an exempted purpose, the requesting agency shall surrender the plates to the department and the department shall cancel the plates. The department may revoke the plates and require the agency to surrender the plates pursuant to Iowa Code section 321.103 if the department determines use of the plates is no longer authorized.

This rule is intended to implement Iowa Code sections 321.18 through 321.22, 321.24, 321.34, 321.103, 321.123, 321.170 and 322C.2(19).

400.3(1) *Application form.* To apply for a certificate of title or registration for a vehicle, the owner of the vehicle shall complete an application form prescribed by the department, which may be electronic. Application shall be made in accordance with Iowa Code chapter 321, these rules, and other applicable provisions of law.

400.3(2) Full legal name. Full legal names shall be given on the application. Civilian or military titles and nicknames shall not be used.

If the vehicle is owned by two or three individuals, the month of birth of one of the individuals shall be listed and shall determine the registration year. If the vehicle is owned by a partnership, corporation, association, or governmental subdivision, the birth or registration month shall be left blank on the application; the county treasurer shall determine the month of registration.

400.3(6) Model year. The application shall include the model year of the vehicle.

400.3(7) Purchase information. The application shall include the date of purchase or acquisition and, if the vehicle was not purchased from a dealer, the purchase price.

b. The certification shall include the dealer's number and name and shall be signed by the dealer or an authorized representative of the dealer. The signature may be electronic when the application form is submitted electronically in a manner approved by the department.

400.3(12) Weigh ticket. If application is being made to lower the tonnage on any motor truck, bus or truck tractor, the county treasurer may require a copy of a stamped weigh ticket issued by any public scale.

400.3(15) Affidavit of correction. As provided in Iowa Code section 321.23A, the county treasurer or the department may accept an affidavit of correction on a form prescribed by the department.

a. The affidavit may be used only to correct those errors, erasures or alterations listed on the affidavit.

b. The affidavit must contain the signatures of all parties to the original error, erasure or alteration.

c. Only an original, notarized affidavit shall be accepted.

d. The affidavit must be surrendered with the document that contains the error, erasure or alteration to be corrected.

e. The affidavit may be accepted to correct errors, erasures or alterations on either an Iowa title or a foreign title.

400.3(16) *Driverless-capable vehicle.* As provided in Iowa Code sections 321.20 and 321.515 and rule 761—400.21(321), the applicant shall indicate on the application whether the vehicle is a driverless-capable vehicle as defined in rule 761—380.2(321).

400.3(17) *Electronic applications.*

a. Applications for certificate of title or registration of a vehicle may be submitted electronically via web-based services offered and maintained by ERT service providers authorized by the department. To be authorized to serve as an ERT service provider, the ERT service provider must establish to the satisfaction of the department that the ERT service provider has the technical, financial, legal, and administrative capacity to meet the department's requirements for submission of electronic applications and must execute an agreement, in a form and content determined by the department, that authorizes and permits the ERT service provider to interact with the department's vehicle title and registration system via an application program interface established by the department and to submit electronic applications on behalf of end users that choose to use the ERT service provider's services to submit an application electronically. Agreements executed by ERT service providers under this paragraph shall include provisions that address security, financial responsibility, privacy, termination, and any other matters deemed appropriate by the department.

b. An agreement executed by an ERT service provider is a condition of authorization and permission only. An ERT service provider authorized by the department is not a contractor, vendor, employee, or agent for the department, the state of Iowa, or any county treasurer accepting electronic applications, and shall not be entitled to compensation from the department, the state of Iowa, or any county treasurer for any service, transaction, or other act rendered as an ERT service provider. The ERT service provider remains solely liable and responsible for the ERT service provider's services and activities as an ERT service provider and shall defend, indemnify and hold harmless the department, any county treasurer, the state of Iowa, and its, or their agents, officers, heirs, assigns, and employees of and from any and all damages, claims, penalties, debts owed, or any other form of liability arising from or related to the ERT service provider's service, performance, errors, acts, or omissions. An ERT service provider that chooses to provide service under the department's permission and authorization does so at the ERT service provider's sole risk and has no claim or right against the department, any county treasurer, or the state of Iowa for fees, costs, profits, loss of profits, interruption of business, or any other form of compensation, remuneration, liability, or damages arising from or related to the ERT service provider's activity as an ERT service provider or inability to serve as an ERT service provider.

c. An ERT service provider authorized by the department may establish web-based services to allow end users to submit applications via an electronic interface established and maintained by the ERT service provider and to submit the applications on behalf of the end user to county treasurers via the department's vehicle title and registration system and application program interface established by the department. In doing so, the ERT service provider is acting as a contractor or vendor for the end user and not the department, any county treasurer, or the state of Iowa, and remains solely responsible to the end user for any failure to perform or breach of performance or agreement. When the end user is a motor vehicle dealer licensed by the department under Iowa Code chapter 322 or 322C, "end user" includes the motor vehicle dealer and any person with an interest in the vehicle that is the subject of the application. The ERT service provider may charge the end user a fee for services rendered as an ERT service provider.

d. In addition to the documentary fee authorized under Iowa Code section 322.19A, an end user that is a motor vehicle dealer licensed by the department under Iowa Code chapter 322 or 322C may pass and charge to a customer the fees or costs incurred by the motor vehicle dealer to submit the customer's application through an ERT service provider's services as a third-party cost or fee, provided that the motor vehicle dealer discloses the charge to the customer before submitting the application. The documentary fee charged by the motor vehicle dealer shall not exceed the amount authorized by Iowa Code section

322.19A. Neither the ERT service provider nor the motor vehicle dealer shall charge a customer for creation or delivery of a “registration applied for” card.

e. An ERT service provider authorized by the department has no authority to approve or deny applications. Acceptance of an application by an ERT service provider is not approval of the application. An application is not considered to be formally submitted until it is electronically transmitted by the ERT service provider to the county treasurer via the department’s vehicle title and registration system and the application program interface established by the department. The county treasurer remains responsible for approving or denying the application and may reject the application for any reason permitted or required by state or federal law or regulation.

f. An authorized ERT service provider is responsible for the ERT service provider’s payment solution and for all payment transaction security and compliance with all applicable standards associated with the payment solution or solutions offered by the ERT service provider. The ERT service provider shall transfer title and registration fees collected by the ERT service provider directly to an account designated by the county treasurer responsible for the transaction via automated clearing house (ACH) transfer and the fees shall be available to the county treasurer no later than three business days following the submission of a transaction for which the fees were paid. Funds received by the ERT service provider shall be held until transfer to the county treasurer’s account in a bank insured by the Federal Deposit Insurance Corporation. The ERT service provider shall be responsible for reconciling insufficient funds from an end user.

g. Fees submitted electronically are not deemed to be received until deposited into the county treasurer’s account via completion of the ACH transfer. The end user remains responsible for fees submitted via an ERT service provider and the end user’s responsibility for payment of any required fees is not waived or excused by the ERT service provider’s failure to complete the transfer. As a condition of authorization and permission to serve as an ERT service provider and before the ERT service provider may offer services, the ERT service provider shall furnish a surety bond executed by the ERT service provider as principal and executed by a corporate surety company, licensed and qualified to do business within the state of Iowa. The bond shall run to the state of Iowa, be in the amount of \$150,000 and be conditioned upon the faithful compliance by the ERT service provider of all obligations imposed upon the ERT service provider by any applicable state or federal law or regulation, including the terms of this chapter, the authorizing agreement executed by the ERT service provider under this chapter, and any terms or conditions existing between the ERT service provider and any end user using the ERT service provider’s services. The ERT service provider shall indemnify any end user that uses the ERT service provider’s services of and from any loss or damage occasioned by the failure of the ERT service provider to so comply, including but not limited to the complete and timely submission to the county treasurer of the title and registration fees required for a given transaction. The bond shall be filed with the department before the ERT service provider may begin or offer services as an ERT service provider. The aggregate liability of the surety shall not exceed the amount of the bond.

h. The ERT service provider shall provide accounting reports of all fees received and transferred to each respective county treasurer, in a manner determined by the department.

i. The ERT service provider shall submit to audits by the department and the state auditor, which shall be at least yearly but may be more frequently if determined necessary by the department or the state auditor.

j. An application submitted electronically must meet all legal requirements for the transaction in question, and no requirement shall be excused or waived as a result of submitting the transaction electronically. However, wherever a signature is required, the signature may be an electronic signature, as determined by the department and according to methods approved by the department. Wherever an electronic solution approved by the department requires the submission of scanned documents, the scanned documents shall be of a quality and resolution determined by the department, which shall at a minimum meet any applicable state or federal standard or requirement, and shall completely capture and represent the original document. The department and any county treasurer processing an application retain the right under Iowa Code section 321.13 to determine the genuineness, regularity, and legality of the application and any scanned document submitted as part of the application and may withhold approval

of the application and require presentation of the original document whenever the scanned document is of insufficient quality, content, or appearance to determine the same. An end user that submits a scan of an original document as part of an electronic application shall retain the original document for a period of six months. An end user shall make all such original documents available for inspection by the department at the department's request. An end user that is a business entity shall retain the documents at the end user's principal place of business in Iowa. Anything in this paragraph notwithstanding, lessors required to retain a damage disclosure statement under Iowa Code section 321.69(4), and authorized vehicle recyclers licensed under Iowa Code chapter 321H and motor vehicle dealers licensed under Iowa Code chapter 322 required to retain damage disclosure statements under Iowa Code section 321.69(6) shall retain the original document for a period of five years from the date of the statement, as required therein.

k. An end user that is a motor vehicle dealer licensed by the department under Iowa Code chapter 322 or 322C and that electronically submits an application on behalf of the owner or owners to whom the dealer is transferring or delivering the vehicle shall disclose to all owners or, if there is more than one owner and the title application uses "or" between the names of the owners, at least one owner, that the application will be submitted electronically and shall obtain written authorization from all owners, or if there is more than one owner and the title application uses "or" between the names of the owners, written authorization from at least one owner, to submit the application on the owner's behalf. The written authorization shall be retained at the motor vehicle dealer's principal place of business for a period of six months from the date of application and shall be available for inspection by the department at the department's request. The motor vehicle dealer shall also review with and disclose to the owner or owners all details of the application, before submitting the application, and shall provide a complete, true, and accurate copy of the application to the owner or owners immediately after submitting the application. The written authorization shall be submitted in the form and manner required by the department.

l. An authorized ERT service provider shall retain all data, information, records, and electronic records associated with an electronic application or transaction submitted or transacted through the ERT service provider for a period of at least six months, or longer as required by applicable state or federal law or regulation, and shall make all such data, information, and records available to the department at the department's request. This includes but is not limited to the identity of the end user that initiated the electronic application or transaction. Identity information for end users shall be maintained at the entity and individual level, meaning that the ERT service provider must implement and maintain secure profile management that is capable of authenticating and verifying the identity of any entity that initiated the application or transaction and the individual officer, employee, or agent within the entity that was authorized by the entity to initiate the application or transaction.

m. The ERT service provider shall hold and protect all personal information as required by Iowa Code section 321.11 and the federal Driver's Privacy Protection Act, 18 U.S.C. §2721 et seq. (the DPPA), shall only use or release such personal information for purposes necessary to perform services as an ERT service provider, and shall release such personal information for no other purposes or use except as required to comply with legal or administrative matters as permitted under the DPPA. The ERT service provider shall immediately advise the department of any suspected or actual unauthorized release of personal information or highly restricted personal information and shall notify the entity and individual whose personal information or highly restricted personal information was released in an unauthorized manner.

This rule is intended to implement Iowa Code sections 321.1, 321.8, 321.20, 321.23 to 321.26, 321.31, 321.34, 321.46, 321.105A, 321.109, 321.122, 321.515, 321.519, 322.19A and 423.26.

761—400.4(321) Supporting documents required. This rule describes the basic supporting documents to be submitted by an applicant for a certificate of title or registration.

400.4(1) New vehicle. If application is made for a new vehicle, a manufacturer's certificate of origin, properly assigned to the applicant, shall be submitted. A manufacturer's certificate of origin shall not be accepted if the assignment to the applicant is made by any person other than the manufacturer, importer

or distributor, a licensed motor vehicle dealer franchised to sell that line-make of vehicle, or a final-stage manufacturer motor vehicle dealer licensed under rule 761—425.11(322).

a. The first person, including a dealer not franchised to sell that line-make of vehicle, who is assigned the manufacturer's certificate of origin shall obtain a certificate of title and register the vehicle.

b. An uncanceled security interest noted on the reverse side of a manufacturer's certificate of origin (MCO) shall be noted as a separate security interest on the certificate of title, in addition to any security interest acknowledged by the applicant, unless the security interest acknowledged by the applicant is the same as the one noted on the reverse side of the MCO.

c. If a 1980 or subsequent model year vehicle is manufactured by a person other than the original manufacturer, both the original manufacturer's certificate of origin and the final-stage manufacturer's certificate of origin shall be submitted if the vehicle's original line-make is changed by the final-stage manufacturer. All assignments or reassignments of ownership of the vehicle shall be made on the final-stage manufacturer's certificate of origin. The face of the original manufacturer's certificate of origin shall be stamped in bold type with the statement: "Final-stage manufacturer's MCO has been issued on this vehicle." The original manufacturer's vehicle identification number shall be listed on the final-stage manufacturer's certificate of origin.

d. If a final-stage manufacturer is a motor vehicle dealer licensed under rule 761—425.11(322), the final-stage manufacturer may reassign the original manufacturer's certificate of origin or an incomplete or intermediate MCO to the retail buyer.

400.4(2) *Used vehicle registered or titled in this state.* The last issued certificate of title, properly assigned to the applicant, shall be submitted, unless the applicant is an insurer applying for a salvage certificate of title under Iowa Code section 321.52(4). An uncanceled security interest noted on the face of the certificate of title shall be noted on the face of the certificate of title issued to the applicant, in addition to any security interest acknowledged by the applicant. If the vehicle is not subject to titling provisions, the last issued registration receipt or bill of sale, properly assigned to the applicant, shall be submitted.

400.4(3) *Used vehicle from a foreign jurisdiction.* If the vehicle was subject to the issuance of a certificate of title in the foreign jurisdiction, the certificate of title issued by the foreign jurisdiction to the applicant or properly assigned to the applicant shall be submitted, unless the applicant is an insurer applying for a salvage certificate of title under Iowa Code section 321.52(4).

a. A security interest, noted on the face of the foreign certificate of title, which has not been canceled, shall be noted on the face of the certificate of title issued to the applicant, in addition to any security interest acknowledged by the applicant.

b. A certificate of title issued in a foreign jurisdiction may be assigned to a motor vehicle dealer in another jurisdiction, and the dealer may reassign the certificate of title to the applicant. An assignment or reassignment form issued by a foreign jurisdiction may be used with a foreign title to complete an assignment or reassignment of ownership from a foreign motor vehicle dealer to the applicant, provided the ownership chain is complete.

c. An Iowa licensed motor vehicle dealer who acquires a vehicle registered in another state or country may reassign the foreign certificate of title to the applicant, as provided in Iowa Code subsection 321.48(2) and rule 761—400.27(321,322).

d. A person who registers a foreign vehicle under Iowa Code section 321.23(3) shall be issued a nontransferable-nonnegotiable registration. To transfer ownership of the vehicle, the owner must first obtain an Iowa certificate of title except as follows: If ownership is transferred to an Iowa licensed motor vehicle dealer or an insurance carrier authorized to do business in Iowa as provided in Iowa Code section 321.23(3), the foreign certificate of title may be assigned to the dealer or the insurance carrier; the owner is not required to obtain an Iowa title. The dealer may then reassign the foreign title, as provided in Iowa Code section 321.48(2) and rule 761—400.27(321,322).

e. If the vehicle was not subject to the issuance of a certificate of title in the foreign jurisdiction, the registration document issued by the foreign jurisdiction to the applicant or properly assigned to the applicant shall be submitted.

(1) If the foreign registration document is not issued in the applicant's name and does not contain an assignment of ownership form, a bill of sale conveying ownership from the owner as listed on the foreign registration document to the applicant shall be submitted with the foreign registration document.

(2) Upon receipt of the foreign registration document, the county treasurer shall issue a nontransferable—nonnegotiable registration unless the foreign registration document has been approved by the department.

(3) Acceptance of the foreign registration document shall be determined by the department on an individual basis, if the county treasurer of the county where the certificate of title is to be issued cannot determine whether the document is acceptable.

f. If a trailer weighing 2000 lbs. or less is exempt from the issuance of a certificate of title and registration in the foreign jurisdiction, a bill of sale conveying ownership to the applicant, if acquired by a resident from a nonresident, or an affidavit of ownership signed by the applicant, if the applicant is establishing residence in this state, shall be submitted.

g. If a motor vehicle is exempt from the issuance of a certificate of title and registration in the foreign jurisdiction, the bonding procedures as provided in Iowa Code section 321.24 shall be followed.

400.4(4) *Used vehicle acquired by a resident of this state from a government agency.* If the vehicle was acquired from an agency of the federal government, the applicant shall surrender the government bill of sale, General Services Administration Form 97, or Internal Revenue Service Form 2435, properly assigned to the applicant. If the vehicle was acquired from the state of Iowa or a subdivision of government, the applicant shall surrender the Iowa certificate of title issued in the name of the agency, properly assigned to the applicant.

400.4(5) *Manufactured or mobile home.* If the vehicle described on the application is a manufactured or mobile home with an Iowa title, the applicant shall submit a tax clearance form to show that no taxes are owing, unless the title has been issued to a manufactured or mobile home retailer licensed under Iowa Code chapter 103A. The form may be obtained by any owner of record of the manufactured or mobile home from the county treasurer.

400.4(6) *Vehicle acquired by a resident of this state by operation of law.* If the vehicle was acquired by the applicant by operation of law as specified in Iowa Code section 321.47, the last issued certificate of title shall be submitted by the applicant, or when that is not possible, presentation of satisfactory proof of the applicant's ownership and right of possession to the vehicle shall be submitted by the applicant. Proof of ownership may consist of a foreclosure sale affidavit, artisan's or storage lien affidavit, affidavit of death intestate, abandoned vehicle sales receipt, peace officers bill of sale or court order. See also subrules 400.14(4) and 400.14(5).

400.4(7) *Foreign ownership document issued in a language other than English.* A foreign ownership document issued in a language other than English may be required to be reproduced in writing in English and certified to be a correct translation by a person qualified to translate that particular language. The English translation and certification shall be submitted with the foreign ownership document.

400.4(8) *Titles from foreign jurisdictions.*

a. Except as provided in paragraph "b" of this subrule, a certificate of title issued by a foreign jurisdiction shall not be accepted if the title contains an alteration or erasure.

b. An affidavit of correction form issued by a foreign jurisdiction that corrects the certificate of title issued by the foreign jurisdiction shall be accepted only for the reason listed on the affidavit of correction form. However, acceptance of an affidavit of correction form that corrects an odometer statement or a designation shall be determined by the department on an individual basis.

400.4(9) *Applications in the name of trusts.* An application in the name of a trust shall be accompanied by a copy of all documents creating or otherwise affecting the trust or by the certification of trust as defined in Iowa Code section 633A.4604.

a. The certification of trust may be signed by any trustee or the attorney for any trustee.

b. The application shall be signed by the number of trustees as specified in the trust agreement, and the applicant shall provide the department with the document or the certification of trust specifying the required signatories for the trust.

c. If a certification of trust is provided, one of the following shall apply:

(1) Any currently acting trustee may sign the application if the certification of trust states that such trustee may act individually.

(2) A majority of the trustees must sign the application if the certification of trust states that the trustees must act by majority decision.

(3) All currently acting trustees must sign the application if the certification of trust states that the trustees must act by unanimous decision.

d. A certification of trust must meet the requirements of Iowa Code section 633A.4604, including but not limited to providing the names of all the currently acting trustees. If there are two or more currently acting trustees, the certification of trust must state whether the trustees may act individually, whether the trustees must act by majority decision or whether the trustees must act by unanimous decision. If the certification of trust does not meet said requirements, the certification of trust will be considered invalid for the purposes of the application.

e. Each signature on the application shall be followed by the words “as trustee.”

400.4(10) *Driverless-capable vehicles.* If an application is made for a driverless-capable vehicle, the department may require the application to be accompanied by the operational design domain.

400.4(11) *Supporting document retained by county treasurer.* All supporting documents, except those submitted pursuant to subrule 400.3(17), shall be retained by the county treasurer.

This rule is intended to implement Iowa Code sections 321.20, 321.23, 321.24, 321.30, 321.31, 321.45 to 321.50, 321.67, 321.515, 321.519, 322.3 and 633A.4604.

761—400.10(321) Assignment of security interest. A security interest noted on a certificate of title may be assigned to another secured party without losing the seniority of the security interest by complying with the procedure in Iowa Code section 321.50 or with the following procedure:

400.10(1) *Notice of assignment.* The secured party listed on the title certificate shall make the following notation in the cancellation portion of the certificate of title where security interest is noted "Assigned to (name of assignee)." The date, name of secured party and signature of the person noting the assignment shall be completed in the cancellation portion pertaining to the security interest.

400.10(2) *Application for notation of security interest.* The assignee shall complete an application for notation of a security interest on the form provided by the department. The application form shall be signed by the assignee in the space where the signature of the owner is ordinarily required. The signature of the owner shall not be required on an assignment of a security interest.

400.10(3) *Submission of documents to county treasurer.* The certificate of title, application for notation of security interest and appropriate notation fee shall be submitted to the county treasurer of the county where the certificate of title was issued or will be issued.

a. If there are additional security interests noted on the certificate of title, the seniority of the assignee's security interest may be preserved by issuance of a certificate of title in lieu of the original, on which the assignee's security interest shall be noted in the same seniority as the assignor's.

b. A receipt for notation of security interest form shall be processed and the new receipt number shall be listed in the appropriate space provided. The original notation date shall also be listed and the words "by assignment" shall be listed following the name of the assignee.

400.11(2) A restitution or forfeiture lien may be noted as a security interest on a certificate of title if the county attorney so desires. To apply for a notation of a security interest, the county attorney or designee shall complete an application form prescribed by the department. The county attorney or designee shall sign the application in the space where the signature of the owner is ordinarily required. The signature of the owner is not required. A lien notation fee is not required. If the certificate of title is not surrendered with the application, the county treasurer shall notify the holder of the certificate of title in the manner prescribed in Iowa Code section 321.50.

[ARC 9048B, IAB 9/8/10, effective 10/13/10]

761—400.12(321) Replacement certificate of title.

400.12(1) When a certificate of title is lost, destroyed or altered, the owner or lienholder shall apply for a replacement certificate of title. If a security interest noted on the certificate of title was released by the secured party on a separate form, but the secured party has not delivered the original certificate of title to the appropriate party, the owner may apply for a replacement certificate of title as provided in Iowa Code section 321.42.

400.12(2) Application for a replacement certificate of title shall be made on a form prescribed by the department. All owners of the vehicle as listed on the certificate of title shall sign the application form. If an owner is deceased, the signatures and documents specified in subrules 400.14(4) and 400.14(5) shall be required in lieu of the deceased owner's signature. A person entitled to vehicle ownership under the laws of descent and distribution shall sign the required forms and shall insert the words "heir at law" following the signature.

This rule is intended to implement Iowa Code section 321.42.

761—400.13(321) Bond required before title issued. An applicant for a certificate of title who cannot provide the supporting documents required in rule 761—400.4(321) shall be required to file a bond as a condition to obtaining a title and registration plates.

400.13(1) Procedures. This subrule describes the procedures to be followed to obtain a "bonded" certificate of title. The procedures described are in addition to the regular procedures for titling and registering a vehicle.

a. The applicant shall submit a bond application to the motor vehicle division on a form prescribed by the department. The application shall be accompanied by evidence of ownership of the vehicle.

b. The department shall search the state files to determine if there is an owner of record or security interest for the vehicle and if the vehicle has been reported stolen or embezzled.

(1) If an owner of record is found, the department shall mail a release letter by first-class mail to the owner of record at the owner's last-known address. The release letter shall notify the owner of the right to claim ownership of the vehicle or to waive all rights or claims.

(2) If the owner of record makes a claim, a motor vehicle investigator shall review the claim.

(3) If the department receives no response from the owner of record within ten days after the date of mailing, the owner of record waives all rights or claims; or if the letter is returned as undeliverable, the department shall continue processing the bond application.

(4) If one or more security interests are found and can be identified, the department shall send a certified letter and application for cancellation of security interest to a lienholder to the last-known

address of that lienholder. If a lienholder releases the lien, the department shall continue to process the application. If a lienholder responds with a request to claim the vehicle, the department will review the claim. If the certified letter is returned as undeliverable, the department shall continue to process the application.

(5) If one or more security interests is found but a lienholder cannot be identified because the record is held by another jurisdiction, the department shall return the application to the applicant and inform the applicant which jurisdiction holds the record(s) to the vehicle.

c. If the department determines that the applicant has complied with this rule, that there is sufficient evidence to indicate that the applicant is the rightful owner, and that there is no known unsatisfied security interest, the department shall determine the current value of the vehicle and notify the applicant to deposit cash or file a surety bond with the department in an amount equal to one and one-half times the current value of the vehicle.

d. After the cash deposit or surety bond has been deposited, a motor vehicle investigator of the department may examine the vehicle to verify the information submitted on the application is correct. The owner of the vehicle may drive or tow the vehicle to and from the examination location after completing an affidavit to drive on a form provided by the department. The form shall state that the vehicle is reasonably safe for operation, and the form must be signed by the owner. After verifying the information, the investigator shall authorize the county treasurer to issue a title for and register the vehicle. Should the vehicle not meet the equipment requirements of Iowa Code chapter 321, the investigator shall authorize the county treasurer to issue a title and registration but instruct the county treasurer to immediately suspend the registration until such time as the vehicle meets these equipment requirements. If applicable, the investigator shall also affix an assigned vehicle identification number to the vehicle.

e. The applicant shall then make application for a certificate of title and registration.

400.13(2) Disapproval. If the department determines that the applicant has not complied with this rule, that there is sufficient evidence to indicate that the applicant may not be the rightful owner, or that there is an unsatisfied security interest, then the department shall not authorize issuance of a certificate of title or registration receipt and shall notify the applicant in writing of the reason(s).

400.13(3) Junked vehicle. A certificate of title shall not be reinstated for a vehicle that has been issued a junking certificate unless the junking certificate was issued in error, as explained in rule 761—400.23(321), or the vehicle qualifies as an antique vehicle under Iowa Code subsection 321.115(1).

This rule is intended to implement Iowa Code sections 321.24 and 321.52.
[ARC 9048B, IAB 9/8/10, effective 10/13/10; ARC 0136C, IAB 5/30/12, effective 7/4/12; ARC 3999C, IAB 9/12/18, effective 10/17/18; ARC 4960C, IAB 3/11/20, effective 4/15/20; ARC 6287C, IAB 4/6/22, effective 5/11/22]

761—400.14(321) Transfer of ownership. The following procedures shall apply for all titling and registration purposes:

400.14(1) Transfer of vehicle owned by two or three persons.

a. If the names of the owners of a vehicle on the certificate of title or on the manufacturer's certificate of origin are joined by the word "or," as in "John Doe, Jane Doe or Mary Doe," then the signature of any of these owners is sufficient to transfer title or to junk the vehicle.

b. If ownership of a vehicle is stated as a name or names followed by the words "Doing Business As" or the initials "DBA" and another name, only the name of an owner followed by the signature of an authorized representative of an owner is required to transfer title or to junk the vehicle.

EXAMPLE: Ownership is stated as "John Smith and Mary Smith DBA Smith Repair." Jane Doe is an authorized representative of John Smith and Mary Smith. To transfer ownership, Jane Doe may sign as "John Smith and Mary Smith DBA Smith Repair, by Jane Doe," "John Smith and Mary Smith by Jane Doe," or Smith Repair by Jane Doe."

c. In all other cases the signature of each named owner is required.

400.14(2) Assignment of title to two or three persons. If a certificate of title or a manufacturer's certificate of origin is assigned to two or three persons with their names joined by the word "or," as in

“John Doe, Jane Doe or Mary Doe,” then a certificate of title may be issued to any one of these persons, or to any two or all three of these persons with their names joined by the word “or.” However, a certificate of title shall only be issued to persons who have signed the application for title.

400.14(3) Organizational ownership.

a. When a vehicle is owned by a partnership, corporation, association, governmental unit, or private organization, the signature of its authorized representative is required.

b. When a vehicle is owned by a trust, the title shall be accompanied by a copy of all documents creating or otherwise affecting the trust or by the certification of trust as defined in Iowa Code section 633A.4604.

(1) The certification of trust may be signed by any trustee or the attorney for any trustee.

(2) The title shall be signed by the number of trustees as specified in the trust agreement, and the transferor shall provide the department with the document or the certification of trust specifying the required signatories for the trust.

(3) If a certification of trust is provided, one of the following shall apply:

1. Any currently acting trustee may sign the title if the certification of trust states that such trustee may act individually.

2. A majority of the trustees must sign the title if the certification of trust states that the trustees must act by majority decision.

3. All currently acting trustees must sign the title if the certification of trust states that the trustees must act by unanimous decision.

(4) A certification of trust must meet the requirements of Iowa Code section 633A.4604, including but not limited to providing the names of all the currently acting trustees. If there are two or more currently acting trustees, the certification of trust must state whether the trustees may act individually, whether the trustees must act by majority decision or whether the trustees must act by unanimous decision. If the certification of trust does not meet said requirement, the certification of trust will be considered invalid for the purposes of the transfer.

(5) Each signature on the title shall be followed by the words “as trustee.”

400.14(4) Death with a will. When ownership is transferred according to a decedent’s will, a certified copy of the court order or the letter of appointment appointing the person assigning the title as executor of the will shall be required.

400.14(5) Death without a will. When ownership is transferred from a decedent without a will and there is no administration of the estate, an affidavit of death intestate form signed by the clerk of court shall be required. When ownership is transferred from a decedent without a will but there is an administration of the estate, a copy of the court order or the letter of appointment appointing the person assigning the title as administrator shall be required.

400.14(6) Power of attorney. An attorney in fact may act for the owner(s) if the appointment is shown on a power of attorney form. Power of attorney forms are available from the department but other forms may be accepted if they contain all necessary information. The power of attorney form or a certified true copy shall be kept by the county treasurer and attached to the document to which it applies.

This rule is intended to implement Iowa Code sections 321.20, 321.24, 321.45, 321.47, 321.49, 321.67 and 633A.4604.

[ARC 9048B, IAB 9/8/10, effective 10/13/10; ARC 4960C, IAB 3/11/20, effective 4/15/20; ARC 6219C, IAB 3/9/22, effective 4/13/22]

761—400.15(321) Cancellation of a certificate of title.

400.15(1) The department shall cancel a certificate of title when authorized by any provision of law or when it has reasonable grounds to believe that the title has not been surrendered to the county treasurer as provided in Iowa Code section 321.52 or when the vehicle has been stolen or embezzled from the rightful owner or seized under the provisions of Iowa Code section 321.84, and the person holding the certificate of title, purportedly issued for the vehicle, has no immediate right to possession of the vehicle.

400.15(2) The decision to issue a new certificate of title or to allow the previous title to be reinstated through a replacement title application process or to take any other action regarding ownership of the

vehicle for which the current title has been canceled shall be determined after an investigation and recommendation by a motor vehicle investigator of the department.

This rule is intended to implement Iowa Code section 321.101.

761—400.16(321) Application for certificate of title or original registration for a specially constructed, reconstructed, street rod or replica motor vehicle.

400.16(1) Definitions applicable to this rule.

a. “Ownership document for the vehicle” means the certificate of title, the manufacturer’s certificate of origin, the junking certificate, or other evidence of ownership acceptable to the department.

b. “Ownership documents for essential parts” means bills of sale for all essential parts used to construct or reconstruct the vehicle. Each bill of sale shall contain a description of the part, the manufacturer’s identification number of the part, if any, and the name, address, and telephone number of the seller.

400.16(2) Procedures. This subrule describes the procedures for obtaining department approval to title and register a specially constructed, reconstructed, street rod or replica motor vehicle. The procedures described are in addition to the regular procedures for titling and registering a vehicle.

a. The applicant shall apply to the county treasurer for a certificate of title and registration, including, when applicable, the county treasurer of a contiguous county to the county designated for the owner under Iowa Code section 321.20(1) for registration and issuance of a certificate of title. The county treasurer, upon receiving an application that indicates the vehicle is a specially constructed, reconstructed, street rod or replica motor vehicle, shall forward the application to a motor vehicle investigator of the department.

b. The investigator shall contact the applicant and schedule a time and place for an examination of the vehicle and the ownership documents. The owner of the vehicle may drive or tow the vehicle to and from the examination location by completing an affidavit to drive on a form provided by the department. The form shall state that the vehicle is reasonably safe for operation and must be signed by the owner. The applicant, when appearing with the vehicle for the examination, shall submit to the investigator the ownership document for the vehicle, the ownership documents for essential parts, and a weigh ticket indicating the weight of the vehicle. However, a weigh ticket is not required for motorcycles, autocycles, trucks, truck tractors, road tractors or trailer-type vehicles.

c. If the investigator determines that the vehicle complies with 761—Chapter 450, that the integral parts and components have been identified as to ownership, and that the application has been completed properly:

(1) The investigator shall approve the application, affix to the vehicle an assigned vehicle identification number, and return the application and ownership documents to the applicant. The investigator shall authorize the county treasurer to issue a title and registration for the vehicle.

(2) If the vehicle is a passenger-type motor vehicle, the department shall determine its weight and value. The department shall also determine if the vehicle is subject to the electric vehicle annual registration fee. The vehicle weight shall be fixed at the next even 100 pounds above the actual weight of the vehicle fully equipped, as provided in Iowa Code section 321.162. The weight and value shall constitute the basis for determining the annual registration fee under Iowa Code section 321.109, except as provided in Iowa Code section 321.113.

(3) The applicant shall then submit the ownership document for the vehicle to the county treasurer and continue with the regular title and registration process.

400.16(3) Disapproval. If the department determines that the vehicle does not comply with 761—Chapter 450, that the integral parts or components have not been identified as to ownership, or that the application has not been completed properly, then the department shall not approve the vehicle for titling and registration.

400.16(4) Model year. The model year of a specially constructed or reconstructed motor vehicle is the year the vehicle is approved by the department as a specially constructed or reconstructed motor vehicle.

This rule is intended to implement Iowa Code sections 321.20, 321.23, 321.24, 321.52, 321.109, 321.116, 321.117 and 321.162.

The department may register a vehicle which does not meet the equipment requirements of Iowa Code chapter 321, due to the particular use for which it is designed or intended, or which is a driverless-capable vehicle as defined in rule 761—380.2(321). Registration may be accomplished upon payment of the appropriate fees and after inspection and certification by the department that the vehicle is not in an unsafe condition.

400.21(1) Operation of the vehicle may be restricted to a roadway to which a specific lawful speed limit applies, as specified in Iowa Code section 321.285, if the maximum speed of the vehicle is such that the operation of the vehicle would impede or block the normal and reasonable movement of traffic.

400.21(2) The department may also restrict the operation of the vehicle to daylight hours if operation of the vehicle during hours other than daylight would create a hazard.

400.21(3) A certificate of restriction shall be issued in conjunction with registration of the vehicle, listing the restrictions that apply to the operation of the vehicle.

a. Registration laws applicable to motor vehicles in general shall also apply to vehicles registered under a restricted registration.

b. The department may approve exceptions to those equipment requirements of Iowa Code chapter 321 which cannot be met due to the particular use for which the vehicle is designed or intended.

The department shall not register a vehicle built on or after January 1, 1968, unless it was manufactured primarily for use on public streets, roads and highways except a vehicle operated exclusively by a person with a disability, which may be registered if the department, in its discretion, determines that the vehicle is not in an unsafe condition. This subrule does not apply to a specially constructed, reconstructed, street rod or replica motor vehicle as defined in Iowa Code section 321.1.

400.21(6) As provided in Iowa Code sections 321.515 and 321.519, the department may restrict the operations of a driverless-capable vehicle registered in this state or another state but which operates in this state. The restrictions may include but are not limited to the restrictions provided in subrules 400.21(1) and 400.21(2) and any operational restrictions based on a specific functional highway classification, weather conditions, days of the week, times of day, and other elements of operational design while the automated driving system is engaged. The department may require the vehicle owner to submit to the department the automated driving system's intended operational design domain for the vehicle on a form prescribed by the department. The department may evaluate the automated driving system's intended operational design domain for the vehicle. 400.22(1) The new certificate of title and registration shall be issued, upon receipt of the proper documentation, by the county treasurer of the county where the transferee resides.

(1) The owner or authorized representative provides information to the licensed vehicle recycler who acquires the vehicle, including, at a minimum, government-issued photo identification and verification of prior reporting to the National Motor Vehicle Title Information System (NMVTIS). For a subsequent transaction with the licensed vehicle recycler, the vehicle owner or authorized representative is not required to provide government-issued photo identification if the licensed vehicle recycler has retained such information from a prior transaction. A licensed vehicle recycler is not required to report a vehicle verified under this subparagraph to the NMVTIS.

(2) The vehicle’s owner is a licensed vehicle recycler or is the authorized representative of an established commercial or industrial business, operating from a fixed location, that is known to the licensed vehicle recycler to be regularly engaged in the junking or dismantling of vehicles or may reasonably be expected to produce vehicles for junking or dismantling and has entered into a written agreement with the licensed vehicle recycler confirming it has reported the vehicles to the NMVTIS. 400.23(3) *Retitling a junked vehicle.* The department may authorize issuance of a new certificate of title to the vehicle owner named on the junking certificate only if the department determines that the junking certificate was issued in error.

(1) The owner inadvertently surrendered the wrong certificate of title. The owner shall submit to the department a photocopy of the ownership document for each vehicle and a signed statement explaining the circumstances that resulted in the error.

(2) A junking certificate was obtained in error and the vehicle continues to be registered. The owner shall submit to the department a photocopy of the current registration and a signed statement explaining the circumstances that resulted in the error.

(3) The owner intended to apply for a salvage title under Iowa Code subsection 321.52(4) but inadvertently submitted an application for a junking certificate. The owner shall submit to the department a bill of sale or other documentation from the previous owner stating that the vehicle was rebuildable when purchased and a signed statement explaining the owner’s original intention to obtain a salvage title. The department shall inspect the vehicle to verify the rebuildable condition.

b. If the department determines that the junking certificate was issued in error, the department shall authorize the proper county treasurer to issue a certificate of title for the vehicle after payment by the owner of appropriate fees and taxes, including the return of any credit or refund for registration fees paid to the owner because of the error.

c. If the department determines that the junking certificate was not issued in error and denies the application for reinstatement of the certificate of title for the vehicle, the owner may apply for a

certificate of title under the bonding procedure in rule 761—400.13(321) if the vehicle qualifies as an antique vehicle under Iowa Code subsection 321.115(1).

The county treasurer shall note the conversion on the vehicle record and then cancel the title as converted to real estate and destroy the certificate of title.

d. If the assessor identifies in the county records a security interest no longer exists that would prevent the title to the home and the title to the land to merge under Iowa Code section 435.26 and the county treasurer verifies there is no lien on the certificate of title, the title to the home and the title to the land shall merge, and the county treasurer shall cancel the title as converted to real estate and destroy the certificate of title.

If the vehicle is not currently registered at the time the suspension is lifted, the registration fee and penalties due shall be determined as follows:

400.46(1) If the registration fee was delinquent at the time that the suspension became effective, the penalty shall continue to accrue on the registration fee until the suspension became lifted and the registration fee is paid. The affidavit shall state that the vehicle is reasonably safe for operation and must be signed by the owner.

If the vehicle has had a cab, body, or frame change, the owner shall have, for evidence of ownership for the replacement cab, body, or frame, a bill of sale with a description of the part, complete with the manufacturer's identification number, if any, and the name, address, and telephone number of the seller. The bill of sale, the vehicle, and the cab, body, or frame that has been replaced shall be made available for examination at the time and place scheduled.

(1) The investigator upon approval of the request shall affix to the vehicle an assigned vehicle identification number and authorize the county treasurer to issue a title and registration for the vehicle.

(2) The owner shall submit the certificate of title and the registration receipt issued for the vehicle to the county treasurer. If the certificate of title is in the possession of a secured party, the county treasurer shall notify the secured party to return the certificate of title to the county treasurer for the purpose of issuing a corrected title. Upon receipt of the notification, the secured party shall submit the certificate of title within ten days. The county treasurer, upon receipt of the certificate of title and the registration

The sworn statement shall be accepted by the county treasurer or the department in lieu of the required odometer disclosure statement. The subsequent title issued from the sworn statement will record “not actual” mileage.

400.52(3) As required by 49 CFR Section 580.17, for vehicle transfers that occur through December 31, 2030, any vehicle that is model year 2011 or newer shall require an odometer disclosure statement. For vehicle transfers that occur on or after January 1, 2031, the model year formula for odometer disclosure statements shall be the current year minus 20. The resulting number represents the first model year for which a motor vehicle is exempt from the odometer statement requirements incident to a transfer.

The transferee shall also complete section 2 of a separate damage disclosure statement and sign on the buyer's line. The sworn statement and damage disclosure statement completed by the transferee shall be accepted by the county treasurer or the department in lieu of the damage disclosure statement required from the transferor.

761—400.70(321) Removal of registration and plates by peace officer under financial liability coverage law. This rule applies to instances when a peace officer issues a citation and removes the registration receipt and registration plates of a motor vehicle registered in this state when the driver of the motor vehicle is unable to provide proof of financial liability coverage. This rule applies regardless of whether the vehicle was also impounded.

400.70(1) The peace officer shall forward the registration receipt and evidence of the violation to the county treasurer of the county in which the motor vehicle is registered. Evidence of the violation is one of the following:

a. A copy of the citation. The citation must either reference Iowa Code subparagraph 321.20B(4)“a”(3) or 321.20B(4)“a”(4), as applicable, or reference Iowa Code section 321.20B and indicate whether or not the vehicle was impounded.

The statement must be signed by the peace officer or an employee of the law enforcement agency.

400.70(2) The peace officer may either destroy removed plates or deliver the removed plates to the county treasurer for destruction.

400.72(3) If a security interest is released through ELT and there are no other secured parties, but the ELT lender does not request a paper title to be printed and provided to the owner, or the ELT lender does not otherwise provide a paper title to the owner, then the owner of the vehicle may apply to the county treasurer or the department for a certificate of title to be printed and provided to the owner by submitting an application form in the form and manner prescribed by the department.

a. If there is more than one owner of the vehicle, any owner may apply to the department or the county treasurer, as applicable, for the certificate of title to be printed and provided to whomever the owner specifies.

b. If an owner is deceased, the signatures and documents specified in subrules 400.14(4) and 400.14(5) shall be required. A person entitled to vehicle ownership under the laws of descent and distribution shall sign the required forms and shall insert the words “heir at law” following the signature on the application form.
