

CHAPTER 21
APPROVAL OF POSTSECONDARY SCHOOLS

283—21.1(261B,261G) Postsecondary registration, exemption from registration, and participation in the commission-approved reciprocity agreement. The college student aid commission examines college and university applications for registration to operate in Iowa or authorization to operate under an exemption from registration and monitors schools approved by the commission to operate in the state. The commission also examines Iowa college and university applications for participation in an interstate reciprocity agreement under which the commission is an approved participant.

283—21.2(261B,261G) Definitions. As used in this chapter:

“Interstate reciprocity agreement administrator” means the entity with which the commission has an agreement to participate in interstate reciprocity under Iowa Code chapter 261G.

“Registration” means the process by which a school must seek, or voluntarily seeks, the commission’s explicit approval to operate in Iowa or offer courses of instruction to Iowans under Iowa Code chapter 261B.

“School” means a postsecondary educational institution that applies to register or is currently registered to offer all or a portion of a program in Iowa, or applies to operate or is operating under an approved exemption from registration, under Iowa Code chapter 261B. “School” also means a postsecondary educational institution that is seeking to participate in the commission’s approved interstate reciprocity agreement under Iowa Code chapter 261G or that is a “participating resident institution” as defined in Iowa Code section 261G.2. A postsecondary educational institution that maintains a physical location outside of the state of Iowa and that must register under Iowa Code chapter 261B to operate at a physical location in this state is not a school that is eligible to participate in the commission’s approved interstate reciprocity agreement under Iowa Code chapter 261G.

“School closure” means a precipitous or abrupt closure of a school during a semester, school period, or term of enrollment that leaves students without an option to complete the courses or program they started and with no ability to receive credit.

[ARC 1216C, IAB 12/11/13, effective 1/15/14; ARC 2580C, IAB 6/22/16, effective 5/27/16; ARC 5964C, IAB 10/6/21, effective 11/10/21]

283—21.3(261B,261G) Registration approval criteria. The college student aid commission will approve an applicant school that completes a registration application provided by the commission and meets all of the following criteria:

21.3(1) The applicant school is accredited by an agency recognized by the United States Department of Education or its successor agency. The applicant school shall certify to the commission the school’s status with the accrediting agency at the time of the application and provide information about any pending or final action that may affect the school’s status with its accrediting agency.

As applicable, the applicant school shall provide the commission the name of any programmatic accrediting agency recognized by the United States Department of Education that accredits the specific programs the applicant school proposes to offer under its registration.

21.3(2) The applicant school certifies to the commission that the applicant school’s approval to operate in a state has not been revoked by the state, the school has not been sanctioned by a state within a year prior to the date of its application, and the school is not under investigation or bound by the terms of a judgment issued by a state’s attorney general or other enforcement authority.

21.3(3) The applicant school certifies that it is not subject to a limitation, suspension or termination order issued by the United States Department of Education or its successor agency. The applicant school shall provide the commission with a copy of the school’s current program participation agreement with the United States Department of Education.

21.3(4) The applicant school complies with Iowa Code section 261B.7, which prohibits a school from advertising that the school is approved or accredited by the commission or the state of Iowa.

However, an applicant school must demonstrate the method by which it will disclose that the school is registered with the commission and provide the commission's contact information for students who wish to inquire about the school or file a complaint.

21.3(5) The applicant school provides the commission with institutional policies adopted by the school that comply with the requirements of Iowa Code section 261.9(1) "e" to "h."

a. For a program in which a student's academic progress is measured only in clock hours, the school shall provide a full refund of tuition and mandatory fees to a student who withdraws and who requests that benefit under Iowa Code section 261.9(1) "g" for the payment period in which the student withdrew. The payment period is determined under rules promulgated by the United States Department of Education for the disbursement of federal Stafford loan funds.

b. The employee policy for reporting suspected incidents of child physical or sexual abuse required by Iowa Code section 261.9(1) "h" shall apply to individuals the school compensates to conduct activities on the school's behalf at an Iowa location.

21.3(6) If required by the commission, the applicant school files annual reports that the commission also requires from all Iowa colleges and universities.

21.3(7) The applicant school demonstrates financial viability by providing a copy of the institution's most recent audit that was prepared by a certified public accounting firm no more than 12 months prior to the date of the application and that provides an unqualified opinion. An applicant school must provide the auditor's report as an attachment to the registration application, which is posted on the commission's Internet site. However, the school may provide financial statements associated with the audit in a separate electronic file that is marked "confidential." Financial statements that a school identifies as "confidential" will not be treated as public records under Iowa Code chapter 22.

21.3(8) The applicant school provides a description of the learning resources it offers to students, including appropriate library and other support services the school provides to its students.

21.3(9) The applicant school provides evidence that faculty within an appropriate discipline are involved in developing and evaluating curriculum for the program(s) being registered in Iowa.

21.3(10) The applicant school provides documentation or information posted on its Internet site that describes the educational and experiential qualifications of all faculty or instructors who teach in the programs the school proposes to offer under its registration and the general subject matter in which faculty members or instructors teach. The applicant school shall also provide the number of full-time and part-time faculty and instructors who will teach the courses offered to Iowans.

21.3(11) The applicant school provides documentation demonstrating that a program which prepares a student for an occupation that requires professional licensure in Iowa and which the school proposes to offer under its registration:

a. Has been approved by the appropriate state of Iowa licensing agency and accrediting agency, if such approval is required, or

b. Meets curriculum standards of the appropriate state of Iowa licensing agency such that the state of Iowa licensing agency does not require the student to complete additional coursework or practicum hours that the school did not offer in its professional licensure preparation program.

21.3(12) The school submits a request for amendment of its registration subject to commission approval in the event the school makes a substantive change in location, program offering, or accreditation during its registration term. A substantive change in program offering occurs when a school proposes to initiate a program that requires the approval of the state board of education or any other program that prepares a student for an occupation that requires professional licensure in this state.

21.3(13) During its registration term, the school notifies the commission within 90 days after adding a program that does not require the school to seek the commission's amendment approval under subrule 21.3(12).

21.3(14) The applicant school certifies that it will immediately notify the commission of any pending or final sanction issued by the school's accrediting agency, another state agency that registers or licenses the school during its registration term, or a state attorney general's office or other enforcement authority.

21.3(15) The applicant school provides a statement, signed by its chief executive officer, demonstrating the applicant school's commitment to the delivery of programs offered in Iowa and

agreeing to provide alternatives for students to complete their programs at the same or other schools if the applicant school discontinues a program, the applicant school closes, or the applicant school closes an Iowa site before students have completed their courses of study.

Notwithstanding any limitations on student eligibility for a teach-out plan approved by a school's accrediting agency, the alternatives that the school provides under this agreement with the commission shall ensure that all academically eligible students attending the programs the school offers under its registration are provided with a viable option(s) to finish the program(s).

21.3(16) If the applicant school is for profit, the applicant school provides evidence that its most recently calculated percentage of revenue derived from funds received under Title IV of the Higher Education Act of 1965, as amended, does not exceed the threshold established by the United States Department of Education.

21.3(17) If the applicant school is nonpublic, the applicant school provides evidence of its official financial responsibility composite score, as calculated using the method prescribed by the United States Department of Education.

a. A school demonstrates that its financial responsibility composite score is official by providing written confirmation of its composite score from the United States Department of Education.

b. A school that does not participate in the postsecondary student financial aid programs authorized by the United States Department of Education demonstrates that its financial responsibility composite score is official by providing written confirmation of its composite score from its accrediting agency. If the school's accrediting agency does not independently verify the school's composite score, the school must submit written confirmation from its independent auditor.

21.3(18) A nonpublic school that does not have a legal governing body, such as a board of directors or board of trustees, shall provide the names, titles, and educational and experiential qualifications of the persons holding key academic and operational leadership positions at the school.

21.3(19) A nonpublic school that is a subsidiary of another organization provides all of the following:

a. The name of the parent organization.

b. The names and titles of the members of the parent organization's legal governing body, such as a board of directors or board of trustees. In the absence of a legal governing body, the school provides the information described in subrule 21.3(18).

c. The name(s) of any other school(s) that is a subsidiary of the same parent organization.

21.3(20) The school posts a list of required and suggested textbooks for all courses and corresponding international standard book numbers for such textbooks at least 14 days before the start of each semester or term at the locations where textbooks are sold on campus and on the school's Internet site.

21.3(21) The school provides any additional information the commission requires to evaluate the school.

[ARC 1216C, IAB 12/11/13, effective 1/15/14; ARC 2580C, IAB 6/22/16, effective 5/27/16]

283—21.4(261B,261G) Additional approval criteria for an applicant school that applies for registration to maintain a fixed location in Iowa. In addition to meeting the registration approval criteria in rule 283—21.3(261B,261G), a school that applies for registration to operate a campus, branch campus, student services center, or administrative office at a fixed location in Iowa shall meet all of the following additional criteria:

1. The applicant school employs at least one full-time Iowa faculty member or one program or student services coordinator devoted to Iowa students.

2. The applicant school provides to the commission the name of and business contact information for a contact person in Iowa.

3. The applicant school demonstrates that it has adequate physical facilities located in Iowa appropriate for the programs and services offered.

283—21.5(261B,261G) Additional criteria for an out-of-state applicant school that applies for registration to offer programs via in-person instruction but in a nontraditional format.

21.5(1) In addition to meeting the approval criteria in rule 283—21.3(261B,261G), an out-of-state school that applies for registration to offer programs via in-person instruction but in a nontraditional format shall notify the commission in writing within 90 days of the date that the school establishes a new Iowa location at which Iowa students will receive instruction in the school's nontraditional program. Notification to the commission via electronic mail is acceptable. If the school's accrediting agency requires preapproval of the new Iowa location, the school's notice to the commission must include a copy of that accrediting agency's approval. If the school's accrediting agency does not require preapproval of the new Iowa location, the school must certify that accrediting agency approval is not required. Such a school is not required to submit a registration amendment request under subrule 21.3(12).

21.5(2) For the purposes of this rule, "nontraditional format" includes, but is not limited to, the following:

- a. A program offered partially via distance education and partially via in-person instruction at a location in Iowa by faculty or instructors compensated by the applicant school.
- b. A program offered partially at the applicant school's out-of-state campus and partially via in-person instruction at a location in Iowa by faculty or instructors compensated by the applicant school.

283—21.6(261B,261G) Additional approval criteria and exception for an out-of-state applicant school that applies for registration to offer distance education programs.

21.6(1) An out-of-state school offering distance education programs is not required to register in Iowa if its home state approves the school to participate in a commission-approved interstate reciprocity agreement. If an out-of-state applicant school providing distance education programs in Iowa is not approved by the school's home state to participate in a commission-approved interstate reciprocity agreement, in addition to meeting the approval criteria in rule 283—21.3(261B,261G), the out-of-state applicant school shall meet all of the following additional criteria:

- b. The applicant school discloses the name, business contact information, and duties of any person the applicant school compensates to remotely perform operational activities from any Iowa location.

21.6(2) Exception. If a school applies for registration solely to offer distance education programs that include a structured field experience in which the student will participate at an Iowa location and the applicant school maintains no other presence in Iowa as defined in Iowa Code section 261B.2, the school is not required to implement a policy that complies with Iowa Code section 261.9(1) "h."

283—21.8(261B,261G) Provisional registration.

21.8(1) The commission may grant provisional registration under the following conditions:

a. An out-of-state applicant school is accredited by an entity or organization recognized by the United States Department of Education or its successor agency at the time the school submits its registration application; and

b. The applicant school must obtain the commission's approval before the school's accrediting agency will consider approving the applicant school to operate at a physical location in Iowa.

21.8(2) The commission may prohibit the school from initiating instruction at a location in Iowa until the school obtains its accrediting agency's approval to operate at an Iowa location.

[ARC 1216C, IAB 12/11/13, effective 1/15/14; ARC 2580C, IAB 6/22/16, effective 5/27/16]

In accordance with policies established by the interstate reciprocity agreement administrator, the commission shall determine the official financial responsibility composite score for a school that does not participate in the postsecondary student financial aid programs authorized by the United States Department of Education.

21.15(4) The commission will consider the application of a nonpublic school whose most recent, official financial responsibility composite score is between 1.0 and 1.49. The applicant school must submit a copy of the school's most recently audited financial statements accompanied by a written explanation of the circumstances that caused the school's composite score to be below 1.5 and the school's plan to raise its composite score to 1.5 within a time frame determined by the commission. The commission may approve, provisionally approve, or deny the school's application.

21.15(5) A for-profit applicant school must demonstrate and maintain compliance with Iowa Code sections 714.18 and 714.23. The school shall apply the policy it adopts under Iowa Code section 714.23 to students who attend its campus(es) in Iowa and to Iowa resident and nonresident students who attend distance education programs the school offers under the commission-approved interstate reciprocity agreement.

21.15(6) The applicant school shall demonstrate that the military deployment tuition and fee refund policy required under Iowa Code sections 261.9(1) "g," 262.9(30), and 260C.14(20), subrule 21.3(5) and paragraph 21.14(1) "f" applies to students who attend its campus(es) in Iowa and to Iowa resident and nonresident students who attend distance education programs the school offers under the commission-approved interstate reciprocity agreement.

21.15(7) An approved school will prominently disclose on its website the school's participation in the commission-approved interstate reciprocity agreement and provide the commission's contact information in a format prescribed by the commission for students who wish to inquire about the school or file a complaint. The school will provide the commission with the name of and business contact information for a person whom the school designates to receive student complaints from the commission and coordinate the school's response.

21.15(8) A school that is approved to participate in the commission-approved interstate reciprocity agreement shall remit an annual fee payable and due to the commission on July 15 of each year. The school shall pay the annual fee to the commission if the commission's approval to participate in the interstate reciprocity agreement is valid as of July 15 of that year. The annual fee is nonrefundable and will be assessed based on a school's full-time equivalent (FTE) enrollment as follows:

- Under 2,500 FTE – \$2,000.
- 2,500 to 9,999 FTE – \$4,000.
- 10,000 FTE or more – \$6,000.

21.15(9) A school that is approved to participate in the commission-approved interstate reciprocity agreement shall remit to the interstate reciprocity agreement administrator any required fees.

21.15(10) Upon approval by the interstate reciprocity agreement administrator, a school may continue its participation in the reciprocity agreement as long as it meets all requirements of the interstate reciprocity agreement.

283—21.16(261B,261G) School closures. In the event of a school closure, the commission may use unobligated funds from the postsecondary registration fund, pursuant to Iowa Code section 261B.8, to assist impacted eligible students.

21.16(1) *Student eligibility.* The provisions of this rule apply to Iowa resident students who were enrolled in a postsecondary educational program that leads to a recognized educational credential or were on an approved leave of absence when the school abruptly closed.

21.16(2) *Assistance to impacted eligible students.* The commission may provide the following forms of assistance to eligible students impacted by a school closure:

- a. Procure, evaluate, and store records needed to establish the validity of claims against a school for failure to faithfully perform all contracts and agreements.
- b. Pay institutional charges on behalf of Iowans who enrolled at the school.
- c. Support an arrangement in which the school provides its current students with the opportunity to complete the students' courses of study after the school closes, including any activities designed to facilitate the transition of such students to another postsecondary educational institution.
- d. Pay private educational loan debt incurred by Iowans for attendance at the school during the enrollment term that the college closes.
- e. Reimburse Iowans who enrolled at the school for other financial loss, as determined by the commission.

21.16(3) *Claims process.* An eligible student making a claim for reimbursement under paragraph 21.16(2) "b," "d," or "e" must contact the commission for a claim form and provide the following supporting information and documentation:

- a. Proof of enrollment at the time of school closing.
- b. Proof of attendance at the time of school closing.
- c. Proof of Iowa residency at the time of school closing.
- d. Proof of payment of private educational loan debt, tuition, fees, or other financial loss as determined by the commission.
- e. Any other documentation to support a student's claim of enrollment, attendance, or payment.

21.16(4) *Approval process.* The commission will review a claim and the supporting information and documentation submitted by each eligible student seeking reimbursement under this rule. The commission may delay approval of claims for a period not to exceed one year to ensure all claims related to a school closure are received.

21.16(5) *Awarding of approved claims.*

- a. All claims for reimbursement shall be submitted and approved within one year of the date of the school closure.
- b. Claims for reimbursement will first be made against the school's surety bond.
- c. If the school's surety bond is insufficient to provide reimbursement to all approved claims, the postsecondary registration fund, pursuant to Iowa Code section 261B.8, may be used to reimburse any remaining approved claims.

In no case will the total approved claims related to a single school closure exceed one-half of the unobligated balance in the postsecondary registration fund pursuant to Iowa Code section 261B.8. If the postsecondary registration fund is insufficient to cover the full amount of all approved claims, the commission shall develop a method of allocating the funds.

21.16(6) *Appeal process.* The procedures set forth in 283—Chapter 4 will be followed in the event of an appeal to a decision by the commission.
