

TITLE I
ADMINISTRATION
CHAPTER 6
ORGANIZATION, PUBLIC INSPECTION
[Prior to 10/7/87, see Revenue Department[730] Ch 6]

701—6.1(17A) Establishment, organization, general course and method of operations, methods by which and location where the public may obtain information or make submissions or requests.

6.1(1) *Establishment of the department.* Iowa Code section 421.2 establishes a department of revenue to be administered by a director of revenue.

The department of revenue in recognizing its responsibilities has adopted the following creed to guide and lend direction to its endeavors:

“The Department of Revenue is dedicated to serving the citizens of Iowa and other public officials, while performing the following mission:

“To serve Iowans and to support government services in Iowa by collecting all taxes required by law, but no more.

“In carrying out this mission the department resolves to provide the best service possible in a cordial and helpful manner and to provide maximum opportunity and incentive for the professional growth and development of all our employees.”

The office of the department is maintained at the seat of government in the Hoover State Office Building, 1305 East Walnut Street, P.O. Box 10460, Des Moines, Iowa 50319.

6.1(2) *Organization of the department.* The department consists of the office of the director and the following divisions: property tax, tax policy and communications, internal services, tax management, and research and analysis. For ease of administration, the director has organized the department’s divisions in some instances into bureaus, sections, subsections, and units.

a. The office of the director. The essential functions of the office of the director include:

- (1) Overall management of the agency.
- (2) Review of protest and revocation cases on appeal.
- (3) Strategic planning and coordination of the future operations and goals of the department.
- (4) Provision of financial checks and balances within the department.
- (5) Facilitation of a working relationship between the public sector and the private sector.

b. Divisions.

(1) Property tax division. The property tax division provides technical assistance and training to local assessing jurisdictions, ensures equal assessment of property, and is responsible for determining valuation for centrally assessed property.

(2) Tax management division. The tax management division includes the processing services section, the compliance services section and the collection services section. The essential functions of the tax management division include:

1. Functions performed by the processing services section, which is responsible for registration of taxpayers, deposit of tax revenue, processing of tax returns, management of records, and provision of mail services;

2. Functions performed by the compliance services section, including office examination of returns, identification of nonfilers and underreporters of income, assessment, and review and approval of refund claims. The compliance services section also performs field audits and is responsible for audits for criminal prosecution; and

3. Functions performed by the collection services section, which is responsible for the timely collection of past-due tax liabilities, as well as collection activities for other state agencies and local governments.

(3) Tax policy and communications division. The tax policy and communications division consists of audit services, taxpayer services, and policy. The essential functions of the tax policy and communications division include:

1. Functions performed by the audit services section, which provides support for the compliance services section, and coordinates the administrative process of protests and protest resolution;

2. Functions performed by the taxpayer services section, which is responsible for responding to inquiries from the public and other agencies, drafting brochures and graphics, maintaining the department's online tax research library and Web site, and coordinating public education by the department; and

3. Functions performed by the tax policy section, which is responsible for interpreting state and federal law, developing and maintaining rules for the department and monitoring tax-related issues considered by the general assembly and the United States Congress. This section also drafts declaratory orders, offers technical advice and completes studies and reports.

(4) Internal services division. The essential functions of the internal services division include:

1. Functions performed by the central accounting team, which include operating budget development, maintenance, and reporting;

2. Functions performed by the employee resource team, which governs personnel activities, payroll, benefits, quality of the environment and customer service;

3. Functions performed by the application development section, including system analysis, programming, database administration and support, in coordination with the information technology enterprise of the department of administrative services; and

4. Functions performed by the technical planning and support section, including providing technical support to the department on software and hardware issues, in coordination with the information technology enterprise of the department of administrative services.

(5) Research and analysis division. The essential functions of the research and analysis division include:

1. Functions performed by the research and program analysis section, which provides research on tax issues, compiles statistical tax data, undertakes tax credit tracking and analysis, projects state receipts and refunds, and evaluates the fiscal impact of tax legislation and policies on the state budget; and

2. Functions performed by the performance analysis section, which develops and maintains performance measures for the department to align the department's resources, systems, and employees to meet strategic goals and priorities.

6.1(3) *Methods by which and location where the public may obtain information or make submissions or requests.* The department of revenue maintains its principal office in the Hoover State Office Building, 1305 East Walnut Street, P.O. Box 10460, Des Moines, Iowa 50306.

a. Principal office. Members of the public wishing to obtain information or make submissions or requests on any matters may do so at the department's principal office. Applications for permits or licenses may be obtained and submitted at the principal office, and any assistance needed in filling out the applications will be provided if the taxpayer so desires. Requests for confidential information should be submitted to the director, and the appropriate form will be provided and should be filled out and submitted to the director. Members of the public wishing to inspect information required to be made available to members of the public may do so in the director's office.

b. Regional offices. Regional offices do not have facilities for making available all matters that are available for public inspection under Iowa Code chapter 17A or 22. The regional offices and auditors do have copies of all rules and will make them available to the public. Members of the public needing forms or needing assistance in filling out forms are encouraged to contact the principal office.

This rule is intended to implement Iowa Code sections 421.1, 421.2, 421.9, 421.14, 421.17, 422.1 and 422.72.

701—6.2(17A) Public inspection. Rescinded ARC 5932C, IAB 10/6/21, effective 11/10/21.

701—6.3(17A) Examination of records. Situations may occur that give rise to the need for state officials, other officers, agents or employees of the state, or other persons based on a court subpoena to review tax returns or information belonging to the department in order to fulfill duties and

responsibilities or to assist in an investigation. However, there are guidelines that govern such reviews, which are as follows:

6.3(1) Upon the express written approval of the director of revenue or administrator of the compliance division, officers or employees of the state of Iowa may examine state tax returns and information belonging to the department to the extent required as part of their official duties and responsibilities. Written approval will be granted in those situations where the officers or employees of the state of Iowa have (1) statutory authority to obtain information from the department of revenue and (2) the information obtained is used for tax administration purposes. Where information is obtained from the department of revenue on a regular basis, the director of revenue may enter into a formal agreement with the state agency or state official who is requesting the information. The agreement will cover the conditions and procedures under which specific information will be released. The following persons do not need written approval from the director of revenue or the administrator of the compliance division to examine state information and returns:

1. Assistant attorneys general assigned to the department of revenue.
2. Local officials acting as representatives of the state in connection with the collection of taxes or in connection with legal proceedings relating to the enforcement of tax laws.
3. The child support recovery unit of the department of human services and other state agencies and subdivisions of the state that are set forth in Iowa Code section 422.17 as amended by 1999 Iowa Acts, chapter 152, section 1, to secure a taxpayer's name and address per the terms of an interagency agreement. (Also see Iowa Code section 252B.9)
4. Workforce development department per the terms of an interagency agreement.
5. The legislative services agency regarding sample individual income tax information to be used for statistical purposes. (Also see Iowa Code section 422.72(1).)
6. The auditor of state, to the extent that the information is necessary to complete the annual audit of the department as required by Iowa Code section 11.2. (Also see Iowa Code section 422.72(1).)

Tax information and returns will not be released to officers and employees of the state who do not meet the requirements set forth above. (See Letter Opinions, November 25, 1981, Richards to Bair, Director of Revenue, and March 4, 1982, Richards to Johnson, Auditor, and Bair, Director of Revenue.)

The director may disclose state tax information, including return information, to tax officials of another state or the United States government for tax administration purposes provided that a reciprocal agreement exists which has laws that are as strict as the laws of Iowa protecting the confidentiality of returns and information.

6.3(2) The director of revenue must provide state tax returns and return information in response to a subpoena issued by the court based on Iowa R. Crim. P. 2.5 commanding the appearance before the attorney general or an assistant attorney general if the subpoena is accompanied by affidavits from such person and from a sworn peace officer member of the department of public safety affirming that the information is necessary for the investigation of a felony violation of Iowa Code chapter 124, "Controlled Substances," or 706B, "Money Laundering." Affidavits accompanying the subpoenas and the information provided by the director of revenue must remain a confidential record and may only be disseminated to a prosecutor, peace officer involved in the investigation, or to the taxpayer who filed the information. In addition, the court in connection with the filing of criminal charges or institution of a forfeiture action may also receive such confidential information.

A person who knowingly files a false affidavit with the director to secure information or who divulges information received under this rule in any manner prohibited by this rule commits a serious misdemeanor.

This rule is intended to implement Iowa Code sections 252B.9, 421.18, 421.19, 422.20, 422.72, and 452A.63.

701—6.4(17A) Copies of proposed rules. A trade or occupational association which has registered its name and address with the department of revenue may receive, by mail, copies of proposed rules. Registration of the association's name and address with the department is accomplished by written notification to the Administrator, Policy and Communications Division, Department of Revenue,

Hoover State Office Building, P.O. Box 10457, Des Moines, Iowa 50306. In the written notification, the association must designate, by reference to rule 701—7.1(421,17A), the type of proposed rules and the number of copies of each rule it wishes to receive. If the association wishes to receive copies of proposed rules not enumerated in rule 701—7.1(421,17A), it may make a blanket written request at the time of registration or at any time prior to the adoption of such rules. A charge of 20 cents per single-sided page shall be charged to cover the actual cost of providing each copy of the proposed rule. In the event the actual cost exceeds 20 cents for a single-sided page, it will be billed accordingly.

This rule does not prevent an association which has registered with the department in accordance with this rule from changing its designation of types of proposed rules or number of copies of proposed rules which the association desires to receive. If an association makes such changed designation, it must do so by written notification to the Administrator, Policy and Communications Division, Department of Revenue, Hoover State Office Building, P.O. Box 10457, Des Moines, Iowa 50319.

This rule is intended to implement Iowa Code section 17A.4.

[ARC 9875B, IAB 11/30/11, effective 1/4/12; ARC 0251C, IAB 8/8/12, effective 9/12/12]

701—6.5(17A) Regulatory analysis procedures. Any small business as defined in Iowa Code section 17A.4A or organization of small businesses which has registered its name and address with the department of revenue shall receive by mail a copy or copies of any proposed rule which may have an impact on small business. Registration of the business's or organization's name and address with the department is accomplished by written notification to the Policy Section, Policy and Communications Division, Department of Revenue, Hoover State Office Building, P.O. Box 10457, Des Moines, Iowa 50306. In the written notification, the business or organization must state that it wishes to receive copies of rules which may have an impact on small business, the number of copies of each rule it wishes to receive, and must also designate, by reference to rule 701—7.1(421,17A), the types of proposed rules it wishes to receive. If the small business or organization of small businesses wishes to receive copies of proposed rules not enumerated in rule 701—7.1(421,17A), it may make a blanket written request at the time of registration or at any time prior to the adoption of the rules. A charge of 20 cents per single-sided page shall be imposed to cover the actual cost of providing each copy of the proposed rule. In the event the actual cost exceeds 20 cents for a single-sided page, it will be billed accordingly.

The administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who qualify as a small business, or an organization representing at least 25 such persons may request issuance of a regulatory analysis by writing to the Policy Section, Policy and Communications Division, Department of Revenue, Hoover State Office Building, P.O. Box 10457, Des Moines, Iowa 50319. The request shall contain the following information: the name of the persons qualified as a small business and the name of the small business or the name of the organization as stated in its request for registration and an address; if a registered organization is requesting the analysis, a statement that the registered organization represents at least 25 persons; the proposed rule or portion of the proposed rule for which a regulatory analysis is requested; the factual situation which gives rise to the business's or organization's difficulties with the proposed rule; any of the methods for reducing the impact of the proposed rule on small business contained in Iowa Code section 17A.4A which may be particularly applicable to the circumstances; the name, address and telephone number of any person or persons knowledgeable regarding the difficulties which the proposed rule poses for small business and other information as the business or organization may deem relevant.

This rule is intended to implement Iowa Code section 17A.4A.

[ARC 9875B, IAB 11/30/11, effective 1/4/12; ARC 0251C, IAB 8/8/12, effective 9/12/12]

701—6.6(422) Retention of records and returns by the department. The director may destroy any records, returns, reports or communications of a taxpayer after they have been in the custody of the department for three years, or at such later time when the statute of limitations for audit of the returns or reports has expired. The director may destroy any records, returns, reports or communications of a taxpayer before they have been in the custody of the department for three years provided that the amount of tax and penalty due has been finally determined.

This rule is intended to implement Iowa Code section 422.68.

701—6.7(68B) Consent to sell. In addition to being subject to any other restrictions in outside employment, self-employment or related activities imposed by law, an official of the department of revenue may only sell, either directly or indirectly, any goods or services to individuals, associations, or corporations subject to the authority of the department of revenue when granted permission subsequent to completion and approval of an Iowa department of revenue application to engage in outside employment. The application to engage in outside employment must be approved by the official's immediate supervisor, division administrator, and the administration division administrator. Approval to sell may only be granted when conditions listed in Iowa Code section 68B.4 are met.

This rule is intended to implement Iowa Code section 68B.4.

701—6.8(421) Tax return extension in disaster areas. If a natural disaster is declared by the governor in any area of the state, the director may extend for a period of up to one year the due date for the filing of any tax return and may suspend any associated penalty or interest that would accrue during that period of time for any affected taxpayer whose principal residence or business is located in the covered area if the director determines it necessary for the efficient administration of the tax laws of this state. The director will notify the public of any possible extensions of tax filings as well as possible suspensions of penalty and interest. Notification will be made through different means available to the director including, but not limited to, press releases, media information, and the department's Web site. Persons eligible for extension shall notify the director that they qualify and shall include a notation of the reason for the extension request on the tax return.

This rule is intended to implement 2008 Iowa Acts, Senate File 2400.
