645—131.1(152C) Definitions. For purposes of these rules, the following definitions shall apply:

“*Active license*” means a license that is current and has not expired.

“*Board*” means the Iowa board of massage therapy.

“*Grace period*” means the 30-day period following expiration of a license when the license is still considered to be active. In order to renew a license during the grace period, a licensee is required to pay a late fee.

“*Inactive license*” means a license that has expired because it was not renewed by the end of the grace period. The category of “inactive license” may include licenses formerly known as lapsed, inactive, delinquent, closed, or retired.

“*Licensee*” means any person licensed to practice as a massage therapist in the state of Iowa.

“*License expiration date*” means the fifteenth day of the anniversary month every two years.

“*Licensure by endorsement*” means the issuance of an Iowa license to practice massage therapy to an applicant who is or has been licensed in another state.

“*Massage therapy*” means performance for compensation of massage, myotherapy, massotherapy, bodywork, bodywork therapy, or therapeutic massage including hydrotherapy, superficial hot and cold applications, vibration and topical applications, or other therapy which involves manipulation of the muscle and connective tissue of the body, excluding osseous tissue, to treat the muscle tonus system for the purpose of enhancing health, providing muscle relaxation, increasing range of motion, reducing stress, relieving pain, or improving circulation.

“*Reactivate*” or “*reactivation*” means the process as outlined in rule 131.14(17A,147,272C) by which an inactive license is restored to active status.

“*Reciprocal license*” means the issuance of an Iowa license to practice massage therapy to an applicant who is currently licensed in another state that has a mutual agreement with the Iowa board of massage therapy to license persons who have the same or similar qualifications to those required in Iowa.

“*Reinstatement*” means the process as outlined in 645—11.31(272C) by which a licensee who has had a license suspended or revoked or who has voluntarily surrendered a license may apply to have the license reinstated, with or without conditions. Once the license is reinstated, the licensee may apply for active status.

645—131.2(152C) Requirements for licensure. All persons acting or serving in the capacity of a massage therapist shall hold a massage therapist’s license issued by the board. The following criteria shall apply to licensure:

131.2(1) The applicant shall complete a board-approved application packet. Application forms may be obtained from the board’s Web site (<http://www.idph.state.ia.us/licensure>) or directly from the board office. All applications shall be sent to Board of Massage Therapy, Professional Licensure Division, Fifth Floor, Lucas State Office Building, Des Moines, Iowa 50319-0075.

131.2(2) The applicant shall complete the application form according to the instructions contained in the application. If the application is not completed according to the instructions, the application will not be reviewed by the board.

131.2(3) Each application shall be accompanied by the appropriate fees payable by check or money order to the Board of Massage Therapy. The fees are nonrefundable.

131.2(4) The applicant shall have official copies of academic transcripts sent directly from the board-approved school to the board of massage therapy. If a school has closed and is no longer operational, the board will accept an official transcript provided by the student.

131.2(5) The board may consider applications on a case-by-case basis which do not appear on their face to meet requirements if the requirements may be alternatively satisfied by demonstrated equivalency. The burden shall be on the applicant to document that the applicant's education and experience are substantially equivalent to the requirements which may be alternatively satisfied.

131.2(6) The applicant shall submit proof of completion of a cardiopulmonary resuscitation (CPR) course and a first-aid course that were certified by the American Red Cross, by the American Heart Association, or by the National Safety Council. One of the following shall be required:

a. Official transcript documenting completion of a CPR class and a first-aid class within one year prior to submitting the application for licensure; or

b. Copy of the current certification card(s) or renewal card(s).

131.2(7) The applicant shall provide proof of passing any National Certification Board for Therapeutic Massage and Bodywork (NCBTMB) examination or the Massage and Bodywork Licensing Examination (MBLEx). Proof of passing shall be sent directly from the testing service to the board of massage therapy. The applicant may submit a copy of the official notification from the testing service of the applicant's passing a board-approved examination. The copy of the applicant's official notification may be used by the board as proof of passage of a board-approved examination until the official proof of passage is received directly from the testing service. Submission of the applicant's copy of the official notification from the testing service shall not be allowed in lieu of the applicant's arranging for and the board's receiving the official record of proof of passage sent directly from the testing service. The examination score must be received from the testing service within 60 days of issuance of the license. The passing score on the written examination shall be the passing point criterion established by the national testing authority at the time the test was administered.

131.2(8) Licensees who were issued their licenses within six months prior to the renewal shall not be required to renew their licenses until the renewal month two years later.

131.2(9) Incomplete applications that have been on file in the board office for more than two years shall be considered invalid and shall be destroyed.

131.2(10) The applicant shall provide verification of license(s) from every state in which the applicant has been licensed as a massage therapist, sent directly from the state(s) to the board office.

645—131.3(152C) Educational qualifications.

131.3(1) The applicant shall have graduated from a board-approved school that has a minimum of 500 hours of massage therapy education.

131.3(2) Foreign-trained massage therapists shall:

Box 3665, Culver City, CA 90231-3665, telephone (310)258-9451, Web site www.ierf.org or E-mail at info@ierf.org; International Credentialing Associates, Inc., 7245 Bryan Dairy Road, Bryan Dairy Business Park II, Largo, FL 33777, telephone (727)549-8555. The professional curriculum must be equivalent to that stated in these rules. A candidate shall bear the expense of the curriculum evaluation.

c. Receive a final determination from the board regarding the application for licensure.

645—131.4(152C) Examination requirements. The examination required by the board shall be the examination required pursuant to subrule 131.2(7).

131.4(1) The applicant shall apply to the National Certification Board for Therapeutic Massage and Bodywork.

131.4(2) Results of the examination are mailed directly from the examination service to the board of massage therapy after the applicant takes the examination.

645—131.5(152C) Temporary licensure of a licensee from another state.

131.5(1) A temporary license may be issued to an applicant who holds a current license from another state with lower licensure requirements than those in Iowa. The applicant shall:

- a. Submit to the board a completed application;
- b. Pay the licensure fee;

- f. Submit a plan for meeting the board's requirements for licensure within one year of the issuance of the temporary permit. Such plan shall include proof of enrollment in a school of massage therapy whose curriculum has been approved by the board, the date of enrollment, and the expected date of graduation.

131.5(2) A temporary license shall be valid for a period of up to one year and shall not be renewed.

131.5(3) The applicant shall be issued a permanent license upon receipt of a transcript of completion from a board-approved school sent directly from the school, and proof of passing any board-approved examination sent directly from the testing service to the board office.

131.5(4) There is no additional fee for converting a temporary license to a permanent license.

645—131.6(152C) Licensure by endorsement. An applicant who has been a licensed massage therapist under the laws of another jurisdiction shall file an application for licensure by endorsement with the board office. 1. Submits to the board a completed application;

6. Provides verification of license(s) from every jurisdiction in which the applicant has been licensed, sent directly from the jurisdiction(s) to the board office. Web-based verification may be substituted for verification direct from the jurisdiction's board office if the verification provides:
 - Licensee's name;
 - Date of initial licensure;
 - Current licensure status; and
 - Any disciplinary action taken against the license.

645—131.7(152C) Licensure by reciprocal agreement. Rescinded IAB 10/8/08, effective 11/12/08.

645—131.8(152C) License renewal.

131.8(1) The biennial license renewal period for a license to practice massage therapy shall begin on the sixteenth day of the anniversary month and end on the fifteenth day of the anniversary month two years later. The licensee is responsible for renewing the license prior to its expiration. Failure of the licensee to receive notice from the board does not relieve the licensee of the responsibility for renewing the license.

131.8(2) An individual who was issued a license within six months of the license renewal date will not be required to renew the license until the subsequent renewal date two years later. Those persons licensed for the first time shall not be required to complete continuing education as a prerequisite for the first renewal of their licenses.

131.8(3) A licensee seeking renewal shall:

a. Meet the continuing education requirements of rule 645—133.2(152C) and the mandatory reporting requirements of subrule 131.8(4). A licensee whose license was reactivated during the current renewal compliance period may use continuing education credit earned during the compliance period for the first renewal following reactivation; and

b. Submit the completed renewal application and renewal fee before the license expiration date; and

c. Submit evidence of current certification in CPR.

131.8(4) Mandatory reporter training requirements.

a. A licensee who, in the scope of professional practice or in the licensee's employment responsibilities, attends, counsels or treats children in Iowa shall indicate on the renewal application completion of two hours of training in child abuse identification and reporting in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

b. A licensee who, in the course of employment, examines, attends, counsels or treats adults in Iowa shall indicate on the renewal application completion of two hours of training in dependent adult abuse identification and reporting in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

c. A licensee who, in the scope of professional practice or in the course of employment, examines, attends, counsels or treats both adults and children in Iowa shall indicate on the renewal application completion of training in abuse identification and reporting for dependent adults and children in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

Training may be completed through separate courses as identified in paragraphs "a" and "b" or in one combined two-hour course that includes curricula for identifying and reporting child abuse and dependent adult abuse. The course shall be a curriculum approved by the Iowa department of public health abuse education review panel.

d. The licensee shall maintain written documentation for five years after mandatory training as identified in paragraphs "a" to "c," including program date(s), content, duration, and proof of participation.

e. The requirement for mandatory training for identifying and reporting child and dependent adult abuse shall be suspended if the board determines that suspension is in the public interest or that a person at the time of license renewal:

(1) Is engaged in active duty in the military service of this state or the United States.

(2) Holds a current waiver by the board based on evidence of significant hardship in complying with training requirements, including an exemption of continuing education requirements or extension of time in which to fulfill requirements due to a physical or mental disability or illness as identified in 645—Chapter 133.

f. The board may select licensees for audit of compliance with the requirements in paragraphs "a" to "e."

131.8(5) Upon receiving the information required by this rule and the required fee, board staff shall administratively issue a two-year license and shall send the licensee a wallet card by regular mail. In the event the board receives adverse information on the renewal application, the board shall issue the renewal license but may refer the adverse information for further consideration or disciplinary investigation.

131.8(6) A person licensed to practice as a massage therapist shall keep the license certificate displayed in a conspicuous public place at the primary site of practice.

131.8(7) Late renewal. The license shall become late when the license has not been renewed by the expiration date on the wallet card. The licensee shall be assessed a late fee as specified in 645—subrule 5.8(4). To renew a late license, the licensee shall complete the renewal requirements and submit the late fee within the grace period.

131.8(8) Inactive license. A licensee who fails to renew the license by the end of the grace period has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as a massage therapist in Iowa until the license is reactivated. A licensee who practices as a massage therapist in the state of Iowa with an inactive license may be subject to disciplinary action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant to Iowa Code section 147.86, and other available legal remedies.

131.14(3) Provide verification of current competence to practice as a massage therapist by satisfying one of the following criteria:

a. If the license has been on inactive status for five years or less, an applicant must provide the following:

(1) Verification of the license(s) from every jurisdiction in which the applicant is or has been licensed and is or has been practicing during the time period the Iowa license was inactive, sent directly from the jurisdiction(s) to the board office. If the applicant can provide proof of two years of active practice in another state as a licensed massage therapist, the applicant is not required to provide proof of passing one of these examinations. The two years of active practice must have occurred immediately prior to the submission of the completed reactivation application.
