CHAPTER 9
ALL IOWA OPPORTUNITY FOSTER CARE GRANT PROGRAM

283—9.1(261) Basis of aid. Financial assistance under the all Iowa opportunity foster care grant program is available to students who have been in Iowa foster care, who demonstrate financial need, and who are enrolled at eligible Iowa colleges and universities.

283—9.2(261) Definitions. As used in this chapter:
   “Adopted youth” means a youth who was adopted after the age of 16.
   “Aged out” means youth who leave foster care at age 18 or older.
   “Eligible child” means a child who meets the definition of “aged out” of foster care or who was adopted on or after the child’s sixteenth birthday.
   “Eligible college or university” means an Iowa community college, an institution of higher education governed by the state board of regents, or an accredited private institution located in Iowa that meets all eligibility requirements set forth in Iowa Code section 261.9. All eligible colleges and universities must submit annual reports which include student and faculty information, enrollment and employment information, and other information required by the commission as described in Iowa Code sections 261.9 through 261.16.
   “Financial need” means the need of an applicant for financial assistance. Need shall be evaluated annually on the basis of a confidential statement of family finances filed on a form designated by the commission. For the purposes of determining financial need, the commission has adopted the use of the Free Application for Federal Student Aid (FAFSA), a federal form used to calculate a formula developed by the U.S. Department of Education, the results of which are used to determine relative need. The FAFSA must be received by the processing agent by the date specified in the application instructions.
   “Foster care” means substitute care furnished on a 24-hour-a-day basis to an eligible child, in a licensed foster care facility or approved shelter care facility, by a person or agency other than the child’s parent or guardian, but does not include care provided in a family home through an informal arrangement for a period of less than 30 days. Child foster care shall include but is not limited to the provision of food, lodging, training, education, supervision, and health care.
   “Full-time” means enrollment at an eligible college or university in a course of study including at least 12 semester hours or the trimester or quarter equivalent.
   “Iowa resident” means an individual who meets the criteria used by the state board of regents to determine residency for tuition purposes as described in 681—1.4(262) or an individual for whom the Iowa department of human services had placement and care responsibilities as mandated by the Iowa juvenile court system.
   “Part-time” means enrollment at an eligible college or university in a course of study including at least three semester hours or the trimester or quarter equivalent.

9.3(2) To maintain eligibility, recipients must maintain satisfactory academic progress as defined by the eligible institution.

9.4(1) Selection criteria. All applicants who submit FAFSAs and program applications will be considered for funding.

9.4(2) Priority for grants. Awards will first be made to returning students who submit renewal applications by the application deadline. After all on-time renewals have been funded, awards will be made to new students and renewal students based on the application receipt date.

When all funds have been committed, applicants not awarded grants who meet the eligibility requirements will be placed on a waiting list. Applicants on the waiting list will be awarded grants if funds become available based on the date the completed application was received. In the event multiple applications are received on the same date, preference will be given as follows:
   a. Applicants who were placed in the state training school or the Iowa juvenile home pursuant to a court order under Iowa Code chapter 232 under the care and custody of the department of human services.
   b. Applicants who aged out of foster care.
      (1) In the event there are multiple applicants who aged out of care, preference will be given to the applicant closest to the age of 24.
      (2) In the event multiple applicants have the same birthday, preference will be given to the applicant with the highest financial need as determined by the FAFSA.
   c. Applicants who were adopted.
      (1) In the event there are multiple adopted applicants, preference will be given to the applicant closest to the age of 24.
      (2) In the event multiple applicants have the same birthday, preference will be given to the applicant with the highest financial need as determined by the FAFSA.
   d. Applicants, regardless of foster care placement, who received awards previously but withdrew from school.
      (1) In the event there are multiple applicants, preference will be given to the applicant closest to the age of 24.
      (2) In the event multiple applicants have the same birthday, preference will be given to the applicant with the highest financial need as determined by the FAFSA.

9.4(3) Award notification. The commission will notify all recipients and the colleges or universities they attend in writing of the amount of their awards. Ineligible applicants, or applicants who are on the waiting list, will be notified in writing of their ineligibility or waiting-list status. The commission will coordinate all financial aid received by recipients to ensure compliance with student eligibility requirements and allowable award amounts.

9.4(4) Award transfers and adjustments. Recipients are responsible for promptly notifying the appropriate college or university of any change in enrollment or financial situation. The college or university will make necessary changes and notify the commission.

9.4(5) Academic-year awards. All Iowa opportunity foster care grants are provided during the traditional nine-month academic year, which is generally defined as September through May. Awards
shall not exceed the full cost of attendance as determined by the college or university minus other federal, state, or college or university gift aid and work study aid provided to the student.

9.4(6) Renewal. Applicants must complete and file annual applications for the all Iowa opportunity foster care grant program by the deadline established by the commission. If funds remain available after the application deadline, the commission will continue to accept applications. To be eligible for renewal, a recipient must maintain satisfactory academic progress as defined by the eligible college or university.

283—9.5(261) Disbursement of grant. The full amount of the grant will be disbursed in multiple installments to the eligible college or university upon receipt of certification from the college or university that the grant recipient is enrolled and in good academic standing. The college or university will first use the funds to pay any outstanding charges of the student. Once the student account balance has been settled, the remaining funds, if any, may be refunded to the student.

If the student withdraws from the university and is entitled to a refund of tuition and fees, the pro-rata share of the refund attributable to the grant shall be refunded to the commission.

283—9.6(261) Award transfers and adjustments. Recipients are responsible for notifying the commission immediately of any change in name, enrollment status, or address.

283—9.7(261) Restrictions. A student who is in default on a Stafford Loan, SLS Loan, or a Perkins/National Direct/National Defense Student Loan or who owes a repayment on any Title IV grant assistance or state award shall be ineligible for assistance under the all Iowa opportunity foster care grant program. Eligibility for state aid may be reinstated upon payment in full of the delinquent obligation or by commission ruling on the basis of adequate extenuating evidence presented in an appeal under the procedures set forth in 283—Chapters 4 and 5. Credits that a student receives through “life experience credit” and “credit by examination” are not eligible for grant funding.

These rules are intended to implement Iowa Code Supplement section 261.6.
