a. For a routine use as defined in rule 5.10(17A,22) or in any notice for a particular record system.

811—5.10(17A,22) Routine use.

5.10(1) Defined. “Routine use” means the disclosure of a record without the consent of the subject or subjects, for a purpose which is compatible with the purpose for which the record was collected. It includes disclosures required to be made by statute other than the public records law, Iowa Code chapter 22.

5.10(2) To the extent allowed by law, the following uses are considered routine uses of all agency records:

a. Disclosure to those officers, employees, and agents of the agency who have a need for the record in the performance of their duties. The custodian of the record may, upon request of any officer or employee, or on the custodian's own initiative, determine what constitutes legitimate need to use confidential records.

b. Disclosure of information indicating an apparent violation of the law to appropriate law enforcement authorities for investigation and possible criminal prosecution, civil court action, or regulatory order.

c. Disclosure to the department of inspections and appeals for matters in which it is performing services or functions on behalf of the agency.

d. Transfers of information within the agency, to other state agencies, or to local units of government as appropriate to administer the program for which the information is collected.

e. Information released to staff of federal and state entities for audit purposes or for purposes of determining whether the agency is operating a program lawfully.

f. Any disclosure specifically authorized by the statute under which the record was collected or maintained.

811—5.11(17A,22) Consensual disclosure of confidential records.

5.11(1) *Consent to disclosure by a subject individual.* To the extent permitted by law, the subject may consent in writing to agency disclosure of confidential records as provided in rule 5.7(17A,22).

5.11(2) *Complaints to public officials.* A letter from a subject of a confidential record to a public official which seeks the official's intervention on behalf of the subject in a matter that involves the agency may, to the extent permitted by law, be treated as an authorization to release sufficient information about the subject to the official to resolve the matter.

811—5.12(17A,22) Release to subject.

5.12(1) The subject of a confidential record may file a written request to review confidential records about that person as provided in rule 5.6(17A,22). However, the agency need not release the following records to the subject:

a. The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code section 22.7(18) or other provision of law.

b. Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.

c. Peace officers' investigative reports may be withheld from the subject, except as required by the Iowa Code. (See Iowa Code section 22.7(5))

d. As otherwise authorized by law.

5.12(2) Where a record has multiple subjects with interest in the confidentiality of the record, the agency may take reasonable steps to protect confidential information relating to another subject.

811—5.13(17A,22) Availability of records.

5.13(1) *General.* Agency records are open for public inspection and copying unless otherwise provided by rule or law.

5.13(2) *Confidential records.* The following records may be withheld from public inspection. Records are listed by category, according to the legal basis for withholding them from public inspection.

b. Tax records made available to the agency. (Iowa Code sections 422.20 and 422.72)

c. Records which are exempt from disclosure under Iowa Code section 22.7.

d. Minutes of closed meetings of a government body. (Iowa Code section 21.5(4))

e. Identifying details in final orders, decisions and opinions to the extent required to prevent a clearly unwarranted invasion of personal privacy or trade secrets under Iowa Code section 17A.3(1) "d."

f. Those portions of agency staff manuals, instructions or other statements issued which set forth criteria or guidelines to be used by agency staff in auditing, in making inspections, in settling

commercial disputes or negotiating commercial arrangements, or in the selection or handling of cases, such as operational tactics or allowable tolerances or criteria for the defense, prosecution or settlement of cases, when disclosure of these statements would:

- (1) Enable law violators to avoid detection;
- (2) Facilitate disregard of requirements imposed by law; or
- (3) Give a clearly improper advantage to persons who are in an adverse position to the agency. (See Iowa Code sections 17A.2 and 17A.3)

g. Records which constitute attorney work product, attorney-client communications, or which are otherwise privileged. Attorney work product is confidential under Iowa Code sections 22.7(4), 622.10 and 622.11, Iowa R.C.P. 122(c), Fed. R. Civ. P. 26(b)(3), and case law. Attorney-client communications are confidential under Iowa Code sections 622.10 and 622.11, the rules of evidence, the Code of Professional Responsibility, and case law.

h. Any other records made confidential by law.

5.13(3) Authority to release confidential records. The agency may have discretion to disclose some confidential records which are exempt from disclosure under Iowa Code section 22.7 or other law. Any person may request permission to inspect records withheld from inspection under a statute which authorizes limited or discretionary disclosure as provided in rule 5.4(17A,22). If the agency initially determines that it will release such records, the agency may, where appropriate, notify interested parties and withhold the records from inspection as provided in subrule 5.4(3).

811—5.14(17A,22) Personally identifiable information. This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in rule 5.1(17A,22). For each record system, this rule describes the legal authority for the collection of that information, the means of storage of that information and indicates whether a data processing system matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system. Unless otherwise stated, the authority for this agency to maintain the record is provided by Iowa Code chapter 169. The record systems maintained by the agency are:

5.14(1) Personnel files. “Employees” of the agency are employed through the department of agriculture and land stewardship. Through the department of agriculture and land stewardship, the agency maintains files containing information about “employees,” families and dependents, and applicants for positions with the agency. The files include payroll records, biographical information, medical information relating to disability, performance reviews and evaluations, disciplinary information, information required for tax withholding, information concerning employee benefits, affirmative action reports, and other information concerning the employer-employee relationship. This material includes personally identifiable information such as name, address, social security number and employee payroll number. Some of this information is confidential under Iowa Code section 22.7(11). These records are primarily maintained in paper copy, with some material generated or maintained in a data processing system.

5.14(2) Litigation files. These files or records contain information regarding litigation or anticipated litigation, which includes judicial and administrative proceedings. The records include briefs, depositions, docket sheets, documents, correspondence, attorneys’ notes, memoranda, research materials, witness information, investigation materials, information compiled under the direction of the attorney, and case management records. The files contain materials which are confidential as attorney work product and attorney-client communications. Some materials are confidential under other applicable provisions of law or because of a court order. Persons wishing copies of pleadings and other documents filed in litigation should obtain these from the clerk of the appropriate court which maintains the official copy. These records are primarily maintained in paper copy, with some material generated or maintained in a data processing system.

5.14(3) Contested case matters. These records are collected and maintained pursuant to Iowa Code sections 17A.3(1)“d,” 17A.3(2), and 17A.12, and the Iowa Code sections noted in subrule 5.14(4). Contested case matters include all pleadings, motions, briefs, orders, transcripts, exhibits, and physical

evidence utilized in the resolution of the matter, and may, unless released by the credential holder, be confidential as stated in subrule 5.14(4). These records are primarily maintained in paper copy, with some material generated or maintained in a data processing system.

5.14(4) *Credential records.* Under Iowa Code chapter 169, the board regulates by license veterinarians, and regulates by certificate veterinary technicians, assistants and veterinary students, and regulates by temporary permit veterinarians credentialed under Iowa Code section 169.11 and rule 811—9.1(169), Iowa Administrative Code. Credential records include, but are not limited to, information identifying the credential holder by name or code, location, and form of business entity, including the names of corporate principals. These records may include examinations, complaints, compliance activities and investigatory reports that are confidential. These records may include confidential information protected from disclosure under Iowa Code sections 22.7, 169.6 and 272.6. These records are maintained jointly with the department of agriculture and land stewardship. These records are primarily maintained in paper copy, with some material generated or maintained in a data processing system.

5.14(5) *Laboratory reports.* In furtherance of licensure and certification regulation under subrule 5.14(4), the board may procure laboratory reports consisting of analytical results of samples. These records may include confidential information protected from disclosure under Iowa Code section 22.7(3), 22.7(6), or 22.7(18), as well as those provisions stated in subrule 5.14(4). These records are primarily maintained in paper copy, with some material generated or maintained in a data processing system. These records are identified by the name or code of the subject of the investigation.

811—5.15(17A,22) Other groups of records. This rule describes groups of records maintained by the agency other than record systems as defined in rule 5.1(17A,22). These records are routinely available to the public. However, the agency's files of these records may contain confidential information as discussed in rule 5.13(17A,22). The records listed may contain information about individuals.

1. Administrative records. This includes documents concerning budget, property inventory, purchasing, yearly reports, office policies for employees, time sheets, printing and supply requisitions.

2. Publications. The office receives a number of books, periodicals, newsletters, government documents, etc. These materials would generally be open to the public but may be protected by copyright law. Most publications of general interest are available in the state law library.

3. Rule-making records. Public documents generated during the promulgation of agency rules, including notices and public comments, are available for public inspection.

4. Board records. Agendas, minutes, and materials prepared or maintained by the board are available from the office, except those records concerning closed sessions which are exempt from disclosure under Iowa Code section 21.5 or which are otherwise confidential by law. Board records contain information about people who participate in meetings. This information is collected pursuant to Iowa Code section 21.3. This information is not stored on an automated data processing system.

5. All other records that are not exempted from disclosure by law.

811—5.16(17A,22) Data processing systems. None of the data processing systems used by the agency permit the comparison of personally identifiable information in one record system with personally identifiable information in another record system.

811—5.17(169,252J) Release of confidential licensing information for child support recovery purposes. Notwithstanding any statutory confidentiality provision, the board may share information with the child support recovery unit through manual or automated means for the sole purpose of identifying applicants or credential holders subject to enforcement under Iowa Code chapter 252J or 598.

811—5.18(17A,22,169,261) Release of information to the college student aid commission. Notwithstanding any statutory confidentiality provisions, the board may share

information with the college student aid commission for the sole purpose of identifying applicants or registrants subject to enforcement under Iowa Code chapter 261.

These rules are intended to implement Iowa Code chapters 17A, 22, 169 and 252J.
