

CHAPTER 5
SMALL BUSINESS LOAN PROGRAM

PART I
GENERAL

265—5.1(16) Program description. This program is intended to allow qualified small businesses to obtain loans at below market interest rates for qualified purposes through tax-exempt financing. Loans will be available from a participating lender under the IFA small business loan program. Project sponsors shall apply directly to the participating lenders, who shall make credit and risk evaluations and otherwise make the decision, based on sound lending practices, whether or not to extend credit to the project sponsor.

After the decision to extend credit has been made by the participating lender, the authority will contemporaneously enter into a loan agreement with the project sponsor and will issue a small business development revenue bond, the interest on which is exempt from federal income taxation, in the amount of the loan. The authority will assign the loan to the participating lender, and the lender will purchase that bond. The proceeds will be used to fund the loan assigned to the lender.

Under the IFA revenue bond procedures, the bond which is issued by the authority and purchased by the mortgage-lender is a nonrecourse obligation. The only security for the lender is the underlying security on the assigned loan.

265—5.2(16) Waiver. The authority may by resolution waive or vary particular provisions of these rules to conform to requirements of the federal government in connection with a small business loan with respect to which federal assistance, insurance or guaranty is sought, provided the waiver does not conflict with Iowa Code chapter 16.

265—5.3(16) Urban revitalization. To assist in improving the economy of areas which have been designated as a revitalization area under state law, applications for businesses located or to be located in such areas may be given priority by the authority. A minimum of 10 percent of the bonding authority authorized by the legislature for use on small business loans shall be reserved for use and application in those areas of the state designated as urban revitalization areas.

265—5.4 to 5.9 Reserved.

d. The business’s past earnings record and future prospects shall indicate an ability to repay the loan out of income from the business. The project sponsor shall provide a summary of past earnings
