

CHAPTER 71
ASSESSMENT PRACTICES AND EQUALIZATION
[Prior to 12/17/86, Revenue Department[730]]

701—71.1(405,427A,428,441,499B) Classification of real estate.

71.1(1) Responsibility of assessors. All real estate subject to assessment by city and county assessors shall be classified as provided in this rule. It shall be the responsibility of city and county assessors to determine the proper classification of real estate. There can be only one classification per property under this rule, except as provided for in paragraph 71.1(5)“b.” An assessor shall not assign one classification to the land and a different classification to the building or separate classifications to the land or separate classifications to the building. A building or structure on leased land is considered a separate property and may be classified differently than the land upon which it is located. The determination shall be based upon the best judgment of the assessor following the guidelines set forth in this rule and the status of the real estate as of January 1 of the year in which the assessment is made. The assessor shall classify property according to its present use and not according to its highest and best use. See subrule 71.1(9) for an exception to the general rule that property is to be classified according to its use. The classification shall be utilized on the abstract of assessment submitted to the department of revenue pursuant to Iowa Code section 441.45. See rule 701—71.8(428,441).

71.1(2) Responsibility of boards of review, county auditors, and county treasurers. Whenever local boards of review, county auditors, and county treasurers exercise assessment functions allowed or required by law, they shall classify property as provided in this rule and adhere to the requirements of this rule.

71.1(3) Agricultural real estate.

a. Generally. Agricultural real estate shall include all tracts of land and the improvements and structures located on them which are in good faith used primarily for agricultural purposes except buildings which are primarily used or intended for human habitation as defined in subrule 71.1(4). Land and the nonresidential improvements and structures located on it shall be considered to be used primarily for agricultural purposes if its principal use is devoted to the raising and harvesting of crops or forest or fruit trees, the rearing, feeding, and management of livestock, or horticulture, all for intended profit. Agricultural real estate shall also include woodland, wasteland, and pastureland, but only if that land is held or operated in conjunction with agricultural real estate as defined in paragraph “a” or “b” of this subrule.

b. Vineyards. Beginning with valuations established on or after January 1, 2002, vineyards and any buildings located on a vineyard and used in connection with the vineyard shall be classified as agricultural real estate if the primary use of the land and buildings is an activity related to the production or sale of wine.

c. Algae cultivation and production. Beginning with valuations established on or after January 1, 2013, real estate used directly in the cultivation and production of algae for harvesting as a crop for animal feed, food, nutritionals, or biofuel production shall be classified as agricultural real estate if the real estate is an enclosed pond or land which contains a photobioreactor. Pursuant to 2013 Iowa Acts, House File 632, section 1, a photobioreactor is not attached to land upon which it sits and shall not be assessed and taxed as real property.

(1) Determining direct usage. To determine if real estate is used “directly” in the cultivation and production of algae, one must first ensure that the real estate is used to perform activities that cultivate and produce algae and is not used for activities that occur before or after the cultivation and production of algae. If the real estate is used to perform activities for the cultivation and production of algae, to be “directly” so used, the real estate must be used to perform activities that are integral and essential to the cultivation and production, as distinguished from activities that are incidental, merely convenient to, or remote from cultivation and production. The fact that real estate is used for activities that are essential or necessary to the cultivation and production of algae does not mean that the real estate is also “directly” used in production. Even if the real estate is used for activities that are essential or necessary

to the cultivation and production of algae, if the activities are far enough removed from the cultivation or production of algae, the real estate would not qualify for the agricultural designation.

(2) Examples. The following are nonexclusive examples of real estate which would not be directly used in the cultivation and production of algae:

1. Real estate that is used to store, assemble, or repair machinery and equipment that is used for cultivation and production of algae.
2. Real estate that is used in the management, administration, advertising, or selling of algae.
3. Real estate that is used in the management, administration, or planning of the cultivation and production of algae.
4. Real estate that is used for packaging of the algae which has been produced and cultivated.

71.1(4) Residential real estate. Residential real estate shall include all lands and buildings which are primarily used or intended for human habitation containing fewer than three dwelling units, as that term is defined in subparagraph 71.1(5)“a”(5), including those buildings located on agricultural land. Buildings used primarily or intended for human habitation shall include the dwelling as well as structures and improvements used primarily as a part of, or in conjunction with, the dwelling. This includes but is not limited to garages, whether attached or detached, tennis courts, swimming pools, guest cottages, and storage sheds for household goods. “Used in conjunction with” means that the structure or improvement is located on the same parcel, on contiguous parcels, or on a parcel directly across a street or alley as the building or structure containing the dwelling and when marketed for sale would be sold as a unit. Residential real estate located on agricultural land shall include only buildings as defined in this subrule. Buildings for human habitation that are used as commercial ventures, including but not limited to hotels, motels, rest homes, and structures containing three or more separate living quarters shall not be considered residential real estate. However, regardless of the number of separate living quarters, multiple housing cooperatives organized under Iowa Code chapter 499A and land and buildings owned and operated by organizations that have received tax-exempt status under Section 501(c)(3) of the Internal Revenue Code, if the rental income from the property is not taxed as unrelated business income under Iowa Code section 422.33(1A), shall be considered residential real estate.

An apartment in a horizontal property regime (condominium) referred to in Iowa Code chapter 499B which is used or intended for use for human habitation shall be classified as residential real estate regardless of who occupies the apartment. Existing structures shall not be converted to a horizontal property regime unless building code requirements have been met.

71.1(5) Multiresidential real estate. Multiresidential real estate shall include all lands and buildings which are primarily used or intended for human habitation containing three or more separate dwelling units as well as structures and improvements used primarily as a part of, or in conjunction with, the dwelling units. For purposes of this rule, “used in conjunction with” means that the structure or improvement is located on the same parcel, on contiguous parcels, or on a parcel directly across a street or alley as the building or structure containing the dwelling units and when marketed for sale would be sold as a unit. Multiresidential real estate shall include that portion of a building that is used for human habitation and a proportionate share of the land upon which the building is situated, regardless of the number of dwelling units located in the building, if the use for human habitation is not the primary use of the building and such building is not otherwise classified as residential property. Multiresidential real estate shall include mobile home parks, manufactured home communities, land-leased communities, and assisted living facilities. Multiresidential real estate shall exclude properties referred to in Iowa Code section 427A.1(8) or properties subject to valuation under Iowa Code section 441.21(2).

a. Definitions. For purposes of this subrule, the following definitions apply:

- (1) “Mobile home park” means any land upon which three or more mobile homes, as defined in Iowa Code section 435.1, or manufactured homes, as defined in Iowa Code section 435.1, or a combination of such homes, are placed on developed spaces and operated as a for-profit enterprise with water, sewer, or septic, and electrical services available. “Mobile home park” does not include homes where the owner of the land is providing temporary housing for the owner’s employees or students.

(2) “Manufactured home community” means any site, lot, field, or tract of land under common ownership upon which ten or more occupied manufactured homes, as defined in Iowa Code section 435.1, are harbored, either free of charge or for revenue purposes, and shall include any building, structure, or enclosure used or intended for use as part of the equipment of the community. “Manufactured home community” shall not be construed to include homes, buildings, or other structures temporarily maintained by any individual, educational institution, or company on their own premises and used exclusively to house their own labor or students. “Manufactured home community” means the same as “land-leased community” as defined in Iowa Code sections 335.30A and 414.28A.

(3) “Land-leased community” means any site, lot, field, or tract of land under common ownership upon which ten or more occupied manufactured homes are harbored, either free of charge or for revenue purposes, and shall include any building, structure, or enclosure used or intended for use as part of the equipment of the land-leased community. “Land-leased community” shall not be construed to include homes, buildings, or other structures temporarily maintained by any individual, educational institution, or company on their own premises and used exclusively to house their own labor or students.

(4) “Assisted living facility” means real estate that provides housing with services which may include but are not limited to health-related care, personal care, and assistance with instrumental activities of daily living to three or more tenants in a physical structure which provides a homelike environment. “Assisted living facility” also includes a health care facility, as defined in Iowa Code section 135C.1, an elder group home, as defined in Iowa Code section 231B.1, a child foster care facility under Iowa Code chapter 237, or property used for a hospice program as defined in Iowa Code section 135J.1.

(5) “ Dwelling unit” means an apartment, group of rooms, or single room which is occupied as separate living quarters or, if vacant, is intended for occupancy as separate living quarters, in which a tenant can live and sleep separately from any other persons in the building. A vacant dwelling unit that does not have active utility services is not considered to be intended for occupancy.

b. Dual classification. Assessors shall use dual classification on properties where the primary use of the property is commercial or industrial and a portion or portions of the property meet the requirements of the multiresidential classification. Properties where the primary use is multiresidential shall not receive a dual classification but instead shall be classified multiresidential for the entire parcel. There are only two permissible dual classifications: commercial/multiresidential and industrial/multiresidential. The assessor shall assign to that portion of the parcel that satisfies the requirements the classification of multiresidential property and to such other portions of the parcel the property classification for which such other portions qualify. The assessor shall maintain the valuation and assessment of property with a dual classification on one parcel record.

c. Section 42 housing. Property that has elected special valuation procedures under Iowa Code section 441.21(2) and is rented or leased to low-income individuals and families as authorized by Section 42 of the Internal Revenue Code shall not be classified as multiresidential property as required by 2014 Iowa Acts, House File 2466, section 3.

d. Short-term leases. A hotel, motel, inn or other building where rooms or dwelling units are usually rented for less than one month shall not be classified as multiresidential property.

71.1(6) Commercial real estate. Commercial real estate shall include all lands and improvements and structures located thereon which are primarily used or intended as a place of business where goods, wares, services, or merchandise is stored or offered for sale at wholesale or retail. Commercial realty shall also include hotels, motels, and property that is rented or leased to low-income individuals and families as authorized by Section 42 of the Internal Revenue Code and has not been withdrawn from Section 42 assessment procedures under Iowa Code section 441.21(2). Commercial real estate shall also include data processing equipment as defined in Iowa Code section 427A.1(1) “j,” except data processing equipment used in the manufacturing process. However, regardless of the number of separate living quarters or any commercial use of the property, single- and two-family dwellings, multiple housing cooperatives organized under Iowa Code chapter 499A, and land and buildings used primarily for human habitation and owned and operated by organizations that have received tax-exempt status under Section 501(c)(3) of the Internal Revenue Code, if the rental income from the property is not taxed as unrelated business income under Iowa Code section 422.33(1A), shall be classified as residential real estate.

An apartment in a horizontal property regime (condominium) referred to in Iowa Code chapter 499B which is used or intended for use as a commercial venture, other than leased for human habitation, shall be classified as commercial real estate. Existing structures shall not be converted to a horizontal property regime unless building code requirements have been met.

71.1(7) Industrial real estate.

a. Land and buildings.

(1) Industrial real estate includes land, buildings, structures, and improvements used primarily as a manufacturing establishment. A manufacturing establishment is a business entity in which the primary activity consists of adding to the value of personal property by any process of manufacturing, refining, purifying, the packing of meats, or the combination of different materials with the intent of selling the product for gain or profit. Industrial real estate includes land and buildings used for the storage of raw materials or finished products and which are an integral part of the manufacturing establishment, and also includes office space used as part of a manufacturing establishment.

(2) Whether property is used primarily as a manufacturing establishment and, therefore, assessed as industrial real estate depends upon the extent to which the property is used for the activities enumerated in subparagraph 71.1(7) "a"(1). Property in which the performance of these activities is only incidental to the property's primary use for another purpose is not a manufacturing establishment. For example, a grocery store in which bakery goods are prepared would be assessed as commercial real estate since the primary use of the grocery store premises is for the sale of goods not manufactured by the grocery and the industrial activity, i.e., baking, is only incidental to the store premises' primary use. However, property which is used primarily as a bakery would be assessed as industrial real estate even if baked goods are sold at retail on the premises since the bakery premises' primary use would be for an industrial activity to which the retail sale of baked goods is merely incidental. See *Lichty v. Board of Review of Waterloo*, 230 Iowa 750, 298 N.W. 654 (1941).

Similarly, a facility which has as its primary use the mixing and blending of products to manufacture feed would be assessed as industrial real estate even though a portion of the facility is used solely for the storage of grain, if the use for storage is merely incidental to the property's primary use as a manufacturing establishment. Conversely, a facility used primarily for the storage of grain would be assessed as commercial real estate even though a part of the facility is used to manufacture feed. In the latter situation, the industrial use of the property — the manufacture of feed — is merely incidental to the property's primary use for commercial purposes — the storage of grain.

(3) Property used primarily for the extraction of rock or mineral substances from the earth is not a manufacturing establishment if the only processing performed on the substance is to change its size by crushing or pulverizing. See *River Products Company v. Board of Review of Washington County*, 332 N.W.2d 116 (Iowa Ct. App. 1982).

b. Machinery.

(1) Machinery includes equipment and devices, both automated and nonautomated, which is used in manufacturing as defined in Iowa Code section 428.20. See *Deere Manufacturing Co. v. Beiner*, 247 Iowa 1264, 78 N.W.2d 527 (1956).

(2) Machinery owned or used by a manufacturer but not used within the manufacturing establishment is not assessed as industrial real estate. For example, "X" operates a factory which manufactures building materials for sale. In addition, "X" uses some of these building materials in construction contracts. The machinery which "X" would primarily use at the construction site would not be used in a manufacturing establishment and, therefore, would not be assessed as industrial real estate.

(3) Machinery used in manufacturing but not used in or by a manufacturing establishment is not assessed as industrial real estate. See *Associated General Contractors of Iowa v. State Tax Commission*, 255 Iowa 673, 123 N.W.2d 922 (1963).

(4) Where the primary function of a manufacturing establishment is to manufacture personal property that is consumed by the manufacturer rather than sold, the machinery used in the manufacturing establishment is not assessed as industrial real estate. See *Associated General Contractors of Iowa v. State Tax Commission*, 255 Iowa 673, 123 N.W.2d 922 (1963).

71.1(8) Point-of-sale equipment. As used in Iowa Code section 427A.1(1)“j,” the term “point-of-sale equipment” means input, output, and processing equipment used to consummate a sale and to record or process information pertaining to a sale transaction at the time the sale takes place and which is located at the counter, desk, or other specific point at which the transaction occurs. As used in this subrule, the term “sale” means the sale or rental of goods or services and includes both retail and wholesale transactions. Point-of-sale equipment does not include equipment used primarily for depositing or withdrawing funds from financial institution accounts.

71.1(9) Housing development property.

a. Ordinances adopted or amended on or after January 1, 2011.

(1) Adoption of ordinance by board of supervisors. A county board of supervisors may adopt an ordinance providing that property acquired and subdivided for development of housing on or after January 1, 2011, shall continue to be assessed for taxation in the manner it was assessed prior to the acquisition. Each lot shall continue to be taxed in the manner it was taxed prior to acquisition for housing until the lot is sold for construction or occupancy of housing or 5 years from the date of subdivision, whichever occurs first.

(2) Amendments to ordinance by board of supervisors. On or after July 27, 2011, the board of supervisors of a county may amend an ordinance adopted or otherwise made effective under 2011 Iowa Code Supplement section 405.1(1)“a” to extend the 5-year time period for a period of time not to exceed 5 years beyond the end of the original 5-year period established under 2011 Iowa Code Supplement section 405.1(1). Thus, the maximum special assessment time for ordinances adopted on or subsequent to January 1, 2011, is 10 years. An extension of an ordinance under 2011 Iowa Code Supplement section 405.1(1)“a” may apply to all or a portion of the property that was subject to the original ordinance.

(3) Amendments to ordinance by city council. A city council may adopt an ordinance, affecting all or a portion of the property located within the incorporated area of the city subject to the county ordinance adopted under 2011 Iowa Code Supplement section 405.1(1)“a,” extending the county ordinance not previously extended by the board of supervisors up to 5 years. An ordinance by a city council providing for an extension under 2011 Iowa Code Supplement section 405.1(3) shall be subject to the 5-year limitation under 2011 Iowa Code Supplement section 405.1(2). Thus, the maximum time to appeal an ordinance adopted on or subsequent to January 1, 2011, is 10 years if the city council amends an ordinance originally adopted by the county board of supervisors.

(4) Sale of lot; expiration of 5-year or extended period. Upon the sale of the lot for construction or occupancy for housing or upon the expiration of the 5-year or extended period, the property shall be assessed for taxation as residential or commercial multifamily property, whichever is applicable.

(5) Definition of“subdivide.” As used in both paragraphs 71.1(9)“a” and “b,”“subdivide” means to divide a tract of land into three or more lots.

b. Ordinances adopted on or after January 1, 2004, but prior to January 1, 2011.

(1) Ordinances adopted under 2011 Iowa Code Supplement sections 405.1(1) and 405.1(2), to the extent such ordinances affect the assessment of property subdivided for development of housing on or after January 1, 2004, but before January 1, 2011, shall remain in effect or otherwise be made effective, and such ordinances:

1. Adopted under 2011 Iowa Code Supplement section 405.1(1), applicable to counties with a population of less than 20,000, shall be extended, from a period of 5 years, to apply to a period of 10 years from the date of subdivision.

2. Adopted under 2011 Iowa Code Supplement section 405.1(2), applicable to counties with a population of 20,000 or more, shall be extended, from a period of 3 years, to apply to a period of 8 years from the date of subdivision.

Each lot shall continue to be taxed in the manner it was taxed prior to acquisition for housing until the lot is sold for construction or occupancy of housing, or 10 years pursuant to paragraph “1” above or 8 years pursuant to paragraph “2” above (or the extended period, if applicable) from the date of subdivision, whichever occurs first.

(2) Amendments to ordinance by board of supervisors. On or after July 27, 2011, the board of supervisors of a county may amend an ordinance adopted under 2011 Iowa Code Supplement section

405.1(1) or 405.1(2) to extend the 10- and 8-year periods, respectively, for a period of time not to exceed 5 years beyond the end of the 10- and 8-year periods established under 2011 Iowa Code Supplement section 405.1(1)“b.” Thus, the maximum special assessment time for ordinances adopted on or after January 1, 2004, but prior to January 1, 2011, for counties with a population of less than 20,000 shall be 15 years. For counties with a population of 20,000 or more, the maximum shall be 13 years.

(3) Amendments to ordinance by city council. A city council may adopt an ordinance, affecting all or a portion of the property located within the incorporated area of the city subject to the county ordinance adopted under 2011 Iowa Code Supplement sections 405.1(1) and 405.1(2), extending the county ordinances not previously extended by the board of supervisors up to 5 years. An ordinance by a city council providing for an extension under 2011 Iowa Code Supplement section 405.1(3) shall be subject to the 5-year limitation under 2011 Iowa Code Supplement section 405.1(2). Thus, the maximum time to appeal an ordinance adopted on or after January 1, 2004, but prior to January 1, 2011, for counties with a population of less than 20,000 shall be 15 years if the city council amends an ordinance originally adopted by the board of supervisors. For counties with a population of 20,000 or more, the maximum special assessment time shall be 13 years.

(4) Sale of lot. Upon the sale of the lot for construction or occupancy for housing or upon the expiration of the 10- or 8-year or extended period, the property shall be assessed for taxation as residential or commercial multifamily property, whichever is applicable.

71.1(10) Assessment of platted lots.

a. When a subdivision plat is recorded pursuant to Iowa Code chapter 354 on or after January 1, 2011, the individual lots within the subdivision plat shall not be assessed, in the aggregate, in excess of the total assessment of the land as acreage or unimproved property for 5 years after the recording of the plat or until the lot is actually improved with permanent construction, whichever occurs first. When an individual lot has been improved with permanent construction, the lot shall be assessed for taxation purposes as provided in Iowa Code chapters 428 and 441.

b. For subdivision plats recorded pursuant to Iowa Code chapter 354 (relating to division and subdivision of land) on or after January 1, 2004, but before January 1, 2011, the individual lots within the subdivision plat shall not be assessed, in the aggregate, in excess of the total assessment of the land as acreage or unimproved property for 8 years after the recording of the plat or until the lot is actually improved with permanent construction, whichever occurs first. When an individual lot has been improved with permanent construction, the lot shall be assessed for taxation purposes as provided in Iowa Code chapters 428 and 441.

c. 2011 Iowa Code Supplement section 441.72 does not apply to special assessment levies.

This rule is intended to implement Iowa Code sections 405.1, 427A.1, 428.4 and 441.22 and chapter 499B and Iowa Code Supplement section 441.21 as amended by 2002 Iowa Acts, House File 2584.

[ARC 8559B, IAB 3/10/10, effective 4/14/10; ARC 0400C, IAB 10/17/12, effective 11/21/12; ARC 1196C, IAB 11/27/13, effective 1/1/14; ARC 1765C, IAB 12/10/14, effective 1/14/15]

701—71.2(421,428,441) Assessment and valuation of real estate.

71.2(1) Responsibility of assessor. The valuation of real estate as established by city and county assessors shall be the actual value of the real estate as of January 1 of the year in which the assessment is made. New parcels of real estate created by the division of existing parcels of real estate shall be assessed separately as of January 1 of the year following the division of the existing parcel of real estate.

71.2(2) Responsibility of other assessing officials. Whenever local boards of review, county auditors, and county treasurers exercise assessment functions allowed or required by law, they shall follow the provisions of subrule 71.2(1) and rules 701—71.3(421,428,441) to 701—71.7(421,427A,428,441).

This rule is intended to implement Iowa Code sections 421.17, 428.4 and 441.21.

701—71.3(421,428,441) Valuation of agricultural real estate. Agricultural real estate shall be assessed at its actual value as defined in Iowa Code section 441.21 by giving exclusive consideration to its productivity and net earning capacity. In determining the actual value of agricultural real estate, city and county assessors shall use the Iowa Real Property Appraisal Manual and any other guidelines issued by the department of revenue pursuant to Iowa Code section 421.17(18).

71.3(1) Productivity.

a. In determining the productivity and net earning capacity of agricultural real estate, the assessor shall also use available data from Iowa State University, the United States Department of Agriculture (USDA) National Agricultural Statistics Service (NASS), the USDA Farm Service Agency (FSA), the Iowa department of revenue, or other reliable sources. The assessor shall also consider the results of a modern soil survey, if completed. The assessor shall determine the actual valuation of agricultural real estate within the assessing jurisdiction and distribute such valuation throughout the jurisdiction so that each parcel of real estate is assessed at its actual value as defined in Iowa Code section 441.21.

b. In distributing such valuation to each parcel under paragraph 71.3(1)“*a*,” the assessor shall adjust non-cropland. The adjustment shall be applied to non-cropland with a corn suitability rating (CSR) that is greater than 50 percent of the average CSR for cropland for the county. The adjustment shall be determined for each county based upon the five-year average difference in cash rent between non-irrigated cropland and pasture land as published by NASS. The assessor may utilize the USDA FSA-published Common Land Unit digital data or other reliable sources in determining non-cropland. Counties shall implement the adjustments under this paragraph on or before the 2017 assessment year. The department of revenue may, in a case involving hardship, extend the implementation of the adjustments required under this paragraph to the 2019 assessment year. No extension of time shall be granted unless the county makes a written request to the department of revenue for such action.

c. A taxpayer may apply to the county for the adjustment to non-cropland under paragraph 71.3(1)“*b*” beginning with the 2014 assessment and until the county’s full implementation of this subrule. Upon application, and subsequent approval by the assessor, the county assessor shall adjust non-cropland as provided in paragraph 71.3(1)“*b*.” Once a taxpayer applies for the adjustment, and upon approval, the assessor shall make the adjustment to the assessment year for which the application was submitted and until the county’s full implementation of this subrule, without the need to reapply for the adjustment.

d. EXAMPLE. The following is an example of the calculation used to compute adjustment on land determined to be non-cropland with a CSR that is greater than 50 percent of the average CSR for cropland for the county:

Average county CSR rating for cropland	80 CSR
50% of average cropland CSR	40 CSR
Example of non-cropland soil 11b CSR rating	58 CSR
Non-cropland CSR points to be adjusted	$58 - 40 = 18$ CSR points
5-year average rent for non-irrigated cropland	\$163.60
5-year average rent for pasture land	\$48.30
Percent difference (rounded)	$1 - (\$48.30/\$163.60) = 70\%$
Apply the percent difference to points to be adjusted	$18 \text{ CSR points} \times (1 - .70) = 5.40$ adjusted CSR points
Adjusted CSR non-cropland	$40 + 5.40 = 45.40$ adjusted CSR points

71.3(2) Agricultural factor. In order to determine a productivity value for agricultural buildings and structures, assessors must make an agricultural adjustment to the market value of these buildings and structures by developing an “agricultural factor” for the assessors’ jurisdictions. The agricultural factor for each jurisdiction is the product of the ratio of the productivity and net earning capacity value per acre as determined under subrule 71.12(1) over the market value of agricultural land within the assessing jurisdiction. The resulting ratio is then applied to the actual value of the agricultural buildings and structures as determined under the Iowa Real Property Appraisal Manual prepared by the department. The agricultural factor must be applied uniformly to all agricultural buildings and structures in the assessing jurisdiction. As an example, if a building’s actual value is \$500,000 and the agricultural factor is 30 percent, the productivity value of that building is \$150,000. See *H & R Partnership v. Davis County Board of Review*, 654 N.W.2d 521 (Iowa 2002). The 2007, 2008, and 2009 average of the market value of land will be used in determining the agricultural factor for assessment year 2011. A

five-year market value average of land for years used to determine the productivity formula will be used to determine the agricultural factor for assessment year 2013 and subsequent assessment years.

71.3(3) Classification. Land classified as agricultural real estate includes the land beneath any dwelling and appurtenant structures located on that land and shall be valued by the assessor pursuant to rule 701—71.3(421,428,441). An assessor shall not value a part of the land as agricultural real estate and a part of the land as if it is residential real estate.

This rule is intended to implement Iowa Code sections 421.17, 428.4 and 441.21.
[ARC 8542B, IAB 2/24/10, effective 3/31/10; ARC 9478B, IAB 4/20/11, effective 5/25/11; ARC 0770C, IAB 5/29/13, effective 7/3/13]

701—71.4(421,428,441) Valuation of residential real estate. Residential real estate shall be assessed at its actual value as defined in Iowa Code section 441.21.

In determining the actual value of residential real estate, city and county assessors shall use the appraisal manual issued by the department of revenue pursuant to Iowa Code section 421.17(18) as well as a locally conducted assessment/sales ratio study, an analysis of sales of comparable properties, and any other relevant data available.

This rule is intended to implement Iowa Code sections 421.17, 428.4 and 441.21.

701—71.5(421,428,441) Valuation of commercial real estate. Commercial real estate shall be assessed at its actual value as defined in Iowa Code section 441.21. In determining the actual value of commercial real estate, city and county assessors shall use the appraisal manual issued by the department of revenue pursuant to Iowa Code section 421.17(18) as well as a locally conducted assessment/sales ratio study, an analysis of sales of comparable properties, and any other relevant data available.

71.5(1) Property of long distance telephone companies. The director of revenue shall assess the property of long distance telephone companies as defined in Iowa Code section 476.1D(10) which property is first assessed for taxation on or after January 1, 1996, in the same manner as commercial real estate.

71.5(2) Low-income housing subject to Section 42 of the Internal Revenue Code.

a. Productive and earning capacity. In assessing property that is rented or leased to low-income individuals and families as authorized by Section 42 of the Internal Revenue Code which limits the amount that the individual or family pays for the rental or lease of units in the property, the assessor shall use the productive and earning capacity from the actual rents received as a method of appraisal and shall take into account the extent to which that use and limitation reduces the market value of the property.

b. Direct capitalization method. The income approach to valuation shall be applied using the direct capitalization method. The assessor may use the discounted cash flow method as a test of the reasonableness of the results produced by the direct capitalization method. The direct capitalization method of the income approach involves dividing the Net Operating Income (NOI) on a cash basis by an overall capitalization rate to derive an indication of the value of the property for the assessment year.

In applying the direct capitalization method, the assessor shall develop a normalized measure of annual NOI based on the productive and earning capacity of the development utilizing (1) the actual rent schedule applicable for each of the available units as of January 1 of the year of assessment indicating the actual rent to be paid by the resident plus any Section 8 rental assistance or other direct cash rental subsidy provided to the resident by federal, state or local rent subsidy programs as limited pursuant to Section 42 of the Internal Revenue Code, (2) a normal vacancy/collection allowance, (3) the prior year's actual and current year's projected annual operating expenses associated with the property, excluding noncash items such as depreciation and amortization, but including property taxes and those actual costs expected to be incurred and paid as required by Internal Revenue Code Section 42 regulations, provisions, and restrictions as applicable to the assessment year, and (4) an appropriate provision for replacement reserves.

If no separate line item is included for reserves for replacement in the historic income and expense data, then the maintenance and repair categories of the historic expense data must be itemized. For properties that have attained a normalized operating history, the NOI results of the prior three years (as represented in the statements variously named as the Income and Loss Statement, the Profit and

Loss Statement, the Income Statement, the Actual to Budget Comparison Statement, Balance Sheet, or some name variation of these) may be used to provide the basis for determining the normalized NOI used for purposes of applying the direct capitalization method for the year of assessment, provided an appropriate replacement reserve is included in the NOI determination and provided any additional costs required as a result of Section 42 regulation or compliance changes for the assessment year are included as an operating expense in the NOI determination. In addition, the assessor may utilize the current year operating budget to develop a measure of NOI for the assessment year. The assessor, in developing the measure of annual NOI on a cash basis, shall not consider as income any potential rental income differential that could otherwise be received from the property if the rents were not limited pursuant to Section 42 of the Internal Revenue Code, any tax credit equity, any tax credit value, or other subsidized financing.

c. Filing of reports. It shall be the responsibility of the property owner to file income and expense data with the local assessor by March 1 of each year. The assessor may require the filing of additional information if deemed necessary.

d. Capitalization rate. The overall capitalization rate to be used in applying the direct capitalization method for a Section 42 property is developed through the band-of-investment technique. The capitalization rate will be calculated annually by the Iowa department of revenue and distributed to all Iowa assessors by March 1. The capitalization rate is a composite rate weighted by the proportions of total property investment represented by debt and equity. The capital structure weights equity at 80 percent and debt at 20 percent unless actual market capital structure can be verified to the assessor. The yield, or market rate of return, for equity is calculated using the capital asset pricing model (CAPM). The yield for debt is equivalent to the average yield on 25-year Treasury bonds referred to as the Treasury long-term average rate. An example of the band-of-investment technique to be utilized is as follows:

	% to Total	Yield	Composite
Equity	80%	11.05%	8.84%
Debt	20%	5.94%	1.19%
	100%		10.03%

e. Capital asset pricing model. The capital asset pricing model (CAPM) is utilized to develop the equity rate. The formula is:

$$Re = B(Rm - Rf) + Rf$$

Where:

- Re = return on equity
- B = beta
- Rm = return on the market
- Rf = risk-free rate of return
- Rm - Rf = market-risk premium

The beta is assumed to be 1 which indicates the risk level to be consistent with the market as a whole. The risk-free rate is calculated by finding the average of the three-month and six-month Treasury bill. The return on the market is calculated by taking the average of the return on the market for the Merrill Lynch Universe and Standard and Poor's 500 or by reference to other published secondary sources.

f. Properties under construction. For Section 42 properties under construction, the assessor may value the property by applying the percentage of completion to the replacement cost new (RCN) as calculated from the Iowa Real Property Appraisal Manual and adding the fair market value of the land. Alternatively, projected income and expense data may be utilized if available.

g. Negative or minimal NOI. If the Section 42 property shows a negative or minimal net operating income (NOI), the indicator of value as set forth in these rules shall not be utilized.

h. Eligibility withdrawn. The property owner shall notify the assessor when property is withdrawn from Section 42 eligibility under the Internal Revenue Code. The notification must be provided by March 1 of the assessment year or the owner is subject to a penalty of \$500.

This rule is intended to implement Iowa Code sections 421.17, 428.4, 441.21 as amended by 2004 Iowa Acts, Senate File 2296, and 476.1D(10).

701—71.6(421,428,441) Valuation of industrial land and buildings. Industrial real estate shall be assessed at its actual value as defined in Iowa Code section 441.21.

In determining the actual value of industrial land and buildings, city and county assessors shall use the appraisal manual issued by the department of revenue pursuant to Iowa Code subsection 421.17(18), and any other relevant data available.

This rule is intended to implement Iowa Code sections 421.17, 428.4 and 441.21.

701—71.7(421,427A,428,441) Valuation of industrial machinery. Industrial machinery as referred to in Iowa Code section 427A.1(1)“e” shall include all machinery used in manufacturing establishments and shall be assessed as real estate even though such machinery might be assessed as personal property if not used in a manufacturing establishment.

In determining the actual value of industrial machinery assessed as real estate, the assessor shall give consideration to the “Industrial Machinery and Equipment Valuation Guide” issued by the department of revenue and any other relevant data available.

This rule is intended to implement Iowa Code sections 421.17, 427A.1, 428.4 and 441.21.

701—71.8(428,441) Abstract of assessment. Each city and county assessor shall submit annually to the director of revenue at the times specified in Iowa Code section 441.45 an abstract of assessment for the current year. The assessor shall use the form of abstract prescribed and furnished by the department of revenue, and shall enter on the abstract all information required by the department. However, the department may approve the use of a computer-prepared abstract if the data is essentially the same format as on the form prescribed by the department. The information entered on the abstract of assessment shall be reviewed and considered by the director of revenue in equalizing the valuations of classes of properties.

This rule is intended to implement Iowa Code sections 428.4 and 441.45.

701—71.9(428,441) Reconciliation report. The assessor’s report of any revaluation required by Iowa Code section 428.4 shall be made on the reconciliation report prescribed and furnished by the department of revenue. The assessor shall enter on the report all information required by the department. The reconciliation report shall be a part of the abstract of assessment required by Iowa Code section 441.45 and shall be reviewed and considered by the director in equalizing valuations of classes of property.

This rule is intended to implement Iowa Code sections 428.4 and 441.45.

701—71.10(421) Assessment/sales ratio study.

71.10(1) Basic data. Basic data shall be that submitted to the department of revenue by county recorders and city and county assessors on forms prescribed and provided by the department, information furnished by parties to real estate transactions, and information obtained by field investigations made by the department of revenue.

71.10(2) Responsibility of recorders and assessors. County recorders and city and county assessors shall complete the prescribed forms as required by Iowa Code subsection 421.17(6) and rule 701—79.3(428A) in accordance with instructions issued by the department. Assessed values entered on the prescribed form shall be those established as of January 1 of the year in which the sale takes place.

71.10(3) Normal sales. All real estate transfers shall be considered by the department of revenue to be normal sales unless there exists definite information which would indicate the transfer was not an arms-length transaction or is of an excludable nature as provided in Iowa Code section 441.21.

This rule is intended to implement Iowa Code section 421.17.

701—71.11(441) Equalization of assessments by class of property. Commencing in 1977 and every two years thereafter, the director of revenue shall order the equalization of the levels of assessment of each class of property as provided in rule 701—71.12(441) by adding to or deducting from the valuation of each class of property, as reported to the department on the abstract of assessment and reconciliation report which is a part of the abstract, the percentage in each case as may be necessary to bring the level of assessment to its actual value as defined in Iowa Code section 441.21. Valuation adjustments shall be ordered if the director determines that the aggregate valuation of a class of property as reported on the abstract of assessment submitted by the assessor is at least 5 percent above or below the aggregate valuation for that class of property as determined by the director pursuant to rule 701—71.12(441). Equalization orders of the director shall be restricted to equalizing the aggregate valuations of entire classes of property among the several assessing jurisdictions. All classifications of real estate shall be applied uniformly throughout the state of Iowa.

Equalization percentage adjustments determined for residential realty located outside incorporated areas and not located on agricultural land shall apply to buildings located on agricultural land outside incorporated areas, which are primarily used or intended for human habitation, as defined in subrule 71.1(4).

Equalization percentage adjustments determined for residential realty located within incorporated cities and not located on agricultural land shall apply to buildings located on agricultural land within incorporated cities which are primarily used or intended for human habitation as defined in subrule 71.1(4).

This rule is intended to implement Iowa Code sections 441.21, 441.47, 441.48 and 441.49.

701—71.12(441) Determination of aggregate actual values.

71.12(1) Agricultural real estate.

a. Use of income capitalization study. The equalized valuation of agricultural realty shall be based upon its productivity and net earning capacity and shall be determined in accordance with the provisions of this subrule. Data used shall pertain to crops harvested during the five-year period ending with the calendar year in which assessments were last equalized. The equalized valuation of agricultural realty shall be determined for each county as follows:

(1) Computation of county acres. This information shall be obtained from the USDA National Agricultural Statistics Service.

1. Total acres in farms: Total acreage used for agricultural purposes.
2. Corn acres: Sum of corn acres harvested including silage, popcorn and acres planted for sorghum.
3. Oats and wheat acres: Sum of oats and wheat acres harvested.
4. Soybean acres: Soybean acres harvested.
5. Hay acres: All hay acres harvested.
6. Pasture acres: All pasture acres. Total pasture acres shall be determined by multiplying the total acres in farms reported by the USDA National Agricultural Statistics Service by the percentage which total pasture land as reported in the most recent U.S. Census of Agriculture bears to the total acreage in farmland also reported in the most recent U.S. Census of Agriculture. The amount of tillable and nontillable pasture acres shall be determined as follows:

1.	From the most recent U.S. Census of Agriculture obtain the following:		
	Cropland used only for pasture and grazing	_____	acres
	Woodland pasture	_____	acres
	Pasture land and rangeland (other than cropland and woodland pasture)	_____	acres
	TOTAL PASTURE LAND (total of above):	_____	acres
2.	Determine what percentage of the total pasture land is cropland used only for pasture:	_____	%
3.	Apply the percentage in "2" above to the 5-year average total acres of pasture as determined above to determine the pasture acres to be classified as tillable pasture. The remainder of the 5-year average shall be classified as nontillable pasture land.	_____	acres

7. Government programs: Determine the 5-year average acres participating in applicable government programs. Obtain data from the USDA Farm Service Agency, including but not limited to acreage devoted to the Payment-In-Kind (PIK), diverted and deficiency programs.

8. Other acres: The difference between the total acreage for land uses listed above and the total of all land in farms. Add the total of the corn, oats, soybeans, hay, tillable and nontillable pasture and diverted acres. Subtract this total from total acres in farms. The residual is classified as other acres.

(2) Computation of county yields. This information shall be obtained for each county from the USDA National Agricultural Statistics Service.

1. Corn yield (including silage): Number of bushels of corn harvested for grain per acre.
2. Oat yield (including wheat): Number of bushels of oats harvested per acre.
3. Soybean yield: Number of bushels per acre harvested.
4. Hay yield in tons: Number of tons per acre harvested.

(3) Computation of county gross income.

1. Corn: One-half of the 5-year average production multiplied by the 5-year average price received for corn.

2. Silage: One-half of the 5-year average number of acres devoted to the production of silage multiplied by the 5-year average production per acre for corn. The amount of production so determined shall be added to the 5-year average production for corn and included in the determination of the gross income for corn.

3. Soybeans: One-half of the 5-year average production multiplied by the 5-year average price received.

4. Oats: One-half of the 5-year average production of oats and wheat multiplied by the 5-year average price received for oats.

5. Price adjustment: For corn, soybeans, hay, and oats, the prices used shall be as obtained from the USDA National Agricultural Statistics Service and shall be adjusted to reflect any individual county price conditions prior to the 2007 crop year. For the 2007 crop year and later, the USDA National Agricultural Statistics Service district prices shall be used and shall be adjusted to reflect any individual county price conditions.

6. Government programs: Gross income shall be one-half of the 5-year average amount of cash payments or equivalent (such as PIK bushels) including but not limited to diverted, deficiency and PIK programs as reported by the USDA Farm Service Agency.

7. Hay: Gross income shall be a cash rent amount determined by multiplying the 5-year average number of acres devoted to hay by the product obtained by multiplying one-fourth of the 5-year average hay yield by the 5-year average price received for all types of hay.

8. Tillable pasture: Gross income shall be a cash rent amount determined by multiplying the 5-year average number of acres devoted to tillable pasture by the product obtained in “hay” above.

9. Nontillable pasture: Gross income shall be a cash rent amount determined by multiplying the 5-year average number of acres devoted to nontillable pasture by one-half the product obtained in “hay” above.

10. Other acres: Income shall be the product of the number of other acres multiplied by 17 percent of the net income per acre for all other land uses.

(4) Computation of county production costs. The following data and procedures shall be used to determine specific county production costs.

1. Basic average landlord production costs. Landlord production costs for corn, soybeans, oats, diverted acres, hay, tillable pasture, nontillable pasture, fertilizer costs, and facilities’ costs shall be obtained for each year from Iowa State University.

2. Production cost adjustment. The production costs for corn, soybeans, oats, and hay are adjusted for each county by multiplying the difference between the 5-year state average yield per acre and the 5-year county average yield per acre by the 5-year average facilities’ costs. If a county’s yield exceeds the state yield, production costs are increased by this amount. If a county’s yield is less than the state yield, production costs are reduced by this amount.

3. Fertilizer cost adjustment. The adjustment for fertilizer costs is determined as follows: Multiply the difference between the 5-year state average corn yield per acre and the 5-year county average corn yield per acre obtained from the USDA National Agricultural Statistics Service by the fertilizer cost amount per bushel determined by dividing the statewide average cost of landlord’s share of fertilizer cost per acre from Iowa State University by the statewide average corn yield per acre to produce the corn fertilizer cost per bushel adjustment. This amount is then multiplied by the 5-year county average corn acres determined in (2) above.

4. Expense adjustments. If a county’s 5-year average corn yield is greater than the state 5-year average corn yield, this amount is allowed as an additional expense. If the county’s average is less than the state average, this amount is an expense reduction.

5. Liability insurance cost adjustment. The 5-year average per acre cost of obtaining tort liability insurance shall be determined.

(5) Computation of county net income. From the total gross income, subtract the total expenses. Divide the resulting total by the total number of acres.

(6) Computation of dwelling adjustment factor. The amount determined in (5) above shall be reduced by 10.6 percent.

(7) Computation of county tax adjustment. Subtract the 5-year average per acre real estate taxes levied for land and structures including drainage and levee district taxes but excluding those levied against agricultural dwellings from the amount determined in (6) above. Taxes shall be the tax levied for collection during the 5-year period as reported by county auditors, and reduced by the amount of the agricultural land tax credit.

(8) Calculation of county valuation per acre. Divide the net income per acre ((7) above) for each county as determined above by the capitalization rate specified in Iowa Code section 441.21. The quotient shall be the actual per acre equalized valuation of agricultural land and structures for the current equalization year.

b. Use of other relevant data. The director may also consider other relevant data, including field investigations conducted by representatives of the department of revenue, to determine the level of assessment of agricultural real estate.

c. Determination of value. The aggregate actual value of agricultural real estate in each county shall be determined by multiplying the equalized per acre value by the number of acres of agricultural real estate reported on the abstract of assessment for the current year, adjusted where necessary by the results of any field investigations conducted by the department of revenue and any other relevant data available.

71.12(2) *Residential real estate outside and within incorporated cities.*

a. Use of assessment/sales ratio study. Basic data shall be that set forth in rule 701—71.10(421) refined by eliminating any sales determined to be abnormal or by adjusting the sales to eliminate the effects of factors which resulted in the sales having been determined to be abnormal. The basic data used shall be the assessment/sales ratio study conducted for sales taking place during the calendar year immediately preceding the year in which the equalization order is issued. The director may also supplement the assessment/sales ratio study with appraisals made by department of revenue appraisal personnel for the year immediately preceding the year in which the equalization order is issued. The assessment/sales ratio study including relevant appraisals, if any, shall be used to determine the aggregate actual valuation of residential real estate in each assessing jurisdiction. The director of revenue may consider sales and appraisal data for prior years if it is determined the use of the sales and appraisal data for the year immediately preceding the year in which the equalization order is issued is insufficient to determine market value. If such sales and appraisal data for prior years is used, consideration shall be given for any subsequent changes in either assessed value or market value.

Assessors shall provide any known facts or circumstances regarding reported sales transactions and department appraisals which would indicate abnormal or unusual conditions or reporting discrepancies which would necessitate exclusion or adjustment of sales or appraisals from the determination of aggregate actual values. Assessors shall provide those facts within 45 days of receipt from the department of information concerning sales and appraisal data proposed for assessment/sales ratio and equalization purposes.

b. Use of other relevant data. The director may also consider other relevant data, including field investigations conducted by representatives of the department of revenue to determine the level of assessment of residential real estate.

c. Equalization appraisal selection procedures for residential real estate. Residential properties to be appraised by department of revenue personnel for use in supplementing the assessment/sales ratio study shall be selected for each jurisdiction in the following manner:

(1) The department appraiser assigned to the jurisdiction shall determine a systematic random sequence of numbers equal to the number of appraisals required and document the following steps.

1. The department appraiser assigned to the jurisdiction shall compute the interval number by dividing the total number of improved properties in the classification to be sampled by the number of appraisals to be performed.

EXAMPLE: In this example, ten appraisals are needed with a total of 1,397 improved residential units. Dividing 1,397 by 10, 139.7 is arrived at, which is rounded down to 139. This is the interval number.

2. The selection of the first sequence number shall be accomplished by having an available disinterested person randomly select a number from one through the interval number.

EXAMPLE: In this example a number from 1 to 139 is to be selected. The person randomly selected number 20.

3. The department appraiser shall develop a systematic sequence of numbers equal to the number of appraisals required. Starting with the randomly selected number previously picked by the disinterested person, add the interval number to this number and to each resulting number until a systematic sequence of numbers is obtained.

EXAMPLE: In this example ten appraisals are needed, so a sequence of ten numbers must be developed. Starting with number 20 and adding the interval number of 139 to it, each resulting number provides the following systematic sequence: 20, 159, 298, 437, 576, 715, 854, 993, 1,132, 1,271.

(2) Number of improved properties.

County jurisdictions—Put the name of each city or township having improved units in the classification to be sampled into a hat. Draw each one out of the hat and record its name in the order of its draw. Likewise, record the respective number of improved units for each. Then consecutively number all the improved units and document the procedure.

EXAMPLE:

City or Township	Number of Improved Residential Units	Code Numbers
Franklin Twp.	57	1-57
Pleasant View	160	58-217
Jackson Twp.	56	218-273
Johnston	300	274-573
Polk Twp.	110	574-683
Washington Twp.	114	684-797
Maryville	306	798-1103
Camden Twp.	110	1104-1213
Salem	184	1214-1397
Total	<u>1,397</u>	

(3) Determine the location of the improved properties selected for appraisal and document the procedure.

EXAMPLE:

City or Township	Number of Improved Residential Units	Code Numbers	Sequence Number	Entry on Rolls
Franklin Twp.	57	1-57	20	20
Pleasant View	160	58-217	159	102
Jackson Twp.	56	218-273		
Johnston	300	274-573	298,437	25,164
Polk Twp.	110	574-683	576	3
Washington Twp.	114	684-797	715	32
Maryville	306	798-1103	854,993	57,196
Camden Twp.	110	1104-1213	1132	29
Salem	184	1214-1397	1271	58
Total	<u>1,397</u>			

1. The department appraiser shall locate the property to be appraised by finding the relationship between the sequence numbers and the code numbers and identify the property.

EXAMPLE: The first sequence number is 20. Since the improved residential properties in Franklin Township have been assigned code numbers 1 to 57, sequence number 20 is in that location.

To identify this property, examine the Franklin Township assessment roll book and stop at the twentieth improved residential entry.

Document the parcel number, owner's name, and legal description of this property.

2. The department appraiser shall appraise the property selected unless it is ineligible because of any of the following restrictions:

- Current year sale
- Partial assessment
- Prior equalization appraisal
- Tax-exempt
- Value established by court action
- Value is not more than \$10,000
- Building on leased land

3. The department appraiser shall determine a substitute property if the originally selected one is ineligible. In ascending order, select code numbers until an eligible property is found.

EXAMPLE: If code number 20 is ineligible, use code number 21 as a substitute. If code number 21 is ineligible, use code number 22, etc., until an eligible property is found.

If the procedure described in 71.12(2)“c”(3)“3” moves the substitute property to another city or township, select substitute code numbers in descending order until an eligible property is found.

If the procedure described in the previous paragraph moves the substitute property to a preceding city or township, go back to the procedure of 71.12(2)“c”(3)“3” even if it moves the substitute property to a subsequent city or township.

4. Select an alternate property for the originally selected property which also would be eligible. This is necessary because at the time of appraisal the property may be found to be ineligible due to one of the restrictions in 71.12(2)“c”(3)“2.” Alternate properties are selected by using the same procedure described in 71.12(2)“c”(3)“3.”

5. Follow procedures 71.12(2)“c”(3), items “1” to “4,” for each of the other originally selected sequence numbers.

71.12(3) Multiresidential real estate.

a. Use of assessment/sales ratio study. Basic data shall be that set forth in rule 701—71.11(421), refined by eliminating any sales determined to be abnormal or by adjusting same to eliminate the effects of factors which resulted in the sales having been determined to be abnormal. The basic data used shall be the assessment/sales ratio study conducted for sales taking place during the calendar year immediately preceding the year in which the equalization order is issued. The director may also supplement the assessment/sales ratio study with appraisals made by department of revenue appraisal personnel for the year immediately preceding the year in which the equalization order is issued. The assessment/sales ratio study including relevant appraisals, if any, shall be used to determine the aggregate actual valuation of multiresidential real estate in each assessing jurisdiction. The director of revenue may consider sales and appraisal data for prior years if it is determined the use of sales and appraisal data for the year immediately preceding the year in which the equalization order is issued is insufficient to determine market value. If such sales and appraisal data for prior years is used, consideration shall be given for any subsequent changes in either assessed value or market value.

b. Use of other relevant data. The director may also consider other relevant data, including field investigations conducted by representatives of the department of revenue, to determine the level of assessment of multiresidential real estate.

Assessors shall provide any known facts or circumstances regarding reported sales transactions and department appraisals which would indicate abnormal or unusual conditions or reporting discrepancies which would necessitate exclusion or adjustment of sales or appraisals from the determination of aggregate actual values. Assessors shall provide those facts within 45 days of receipt from the department of information concerning sales and appraisal data proposed for assessment/sales ratio and equalization purposes.

c. Equalization appraisal selection procedures for multiresidential real estate. To the extent possible, multiresidential properties to be appraised by department of revenue personnel for use in supplementing the assessment/sales ratio study shall be selected for each jurisdiction in the manner outlined in paragraph 71.12(4)“c.”

The following restrictions shall render a property ineligible for the appraisal selection for multiresidential property:

Vacant building

Current-year sale

Partial assessment

Tax-exempt

Only one portion of a total property unit (example—a parking lot of a grocery store)

Value established by court action

Value is not more than \$10,000

Building on leased land

71.12(4) Commercial real estate.

a. Use of assessment/sales ratio study. Basic data shall be that set forth in rule 701—71.10(421), refined by eliminating any sales determined to be abnormal or by adjusting same to eliminate the effects of factors which resulted in the sales having been determined to be abnormal. The basic data used shall be the assessment/sales ratio study conducted for sales taking place during the calendar year immediately preceding the year in which the equalization order is issued. The director may also supplement the assessment/sales ratio study with appraisals made by department of revenue appraisal personnel for the year immediately preceding the year in which the equalization order is issued. The assessment/sales ratio study including relevant appraisals, if any, shall be used to determine the aggregate actual valuation of commercial real estate in each assessing jurisdiction. The director of revenue may consider sales and appraisal data for prior years if it is determined the use of sales and appraisal data for the year immediately preceding the year in which the equalization order is issued is insufficient to determine market value. If such sales and appraisal data for prior years is used, consideration shall be given for any subsequent changes in either assessed value or market value. Properties receiving a dual classification with the primary use being commercial shall be included.

b. Use of other relevant data. The director may also consider other relevant data, including field investigations conducted by representatives of the department of revenue, to determine the level of assessment of commercial real estate. The diverse nature of commercial real estate precludes the use of a countywide or citywide income capitalization study.

Assessors shall provide any known facts or circumstances regarding reported sales transactions and department appraisals which would indicate abnormal or unusual conditions or reporting discrepancies which would necessitate exclusion or adjustment of sales or appraisals from the determination of aggregate actual values. Assessors shall provide those facts within 45 days of receipt from the department of information concerning sales and appraisal data proposed for assessment/sales ratio and equalization purposes.

c. Equalization appraisal selection procedures for commercial real estate. Commercial properties to be appraised by department of revenue personnel for use in supplementing the assessment/sales ratio study shall be selected for each jurisdiction in the manner outlined below. Properties receiving a dual classification with the primary use being commercial shall be included.

(1) The department appraiser assigned to the jurisdiction shall determine a systematic random sequence of numbers equal to the number of appraisals required and document the following steps.

1. The department appraiser shall compute the interval number by dividing the total number of improved properties in the classification to be sampled by the number of appraisals to be performed.

EXAMPLE: In this example, ten appraisals are needed with a total of 397 improved commercial units. Dividing 397 by 10, 39.7 is arrived at, which is rounded down to 39. This is the interval number.

2. The selection of the first sequence number shall be accomplished by having an available disinterested person randomly select a number from one through the interval number.

EXAMPLE: In this example a number from 1 to 39 is to be selected. The person randomly selected number 2.

3. The department appraiser shall develop a systematic sequence of numbers equal to the number of appraisals required. Starting with the randomly selected number previously picked by the disinterested person, add the interval number to this number and to each resulting number until a systematic sequence of numbers is obtained.

EXAMPLE: In this example ten appraisals are needed, so a sequence of ten numbers must be developed. Starting with number 2 and adding the interval number of 39 to it, each resulting number provides the following systematic sequence: 2, 41, 80, 119, 158, 197, 236, 275, 314, 353.

(2) Number of improved properties.

1. City jurisdictions—Utilizing the assessment book or a computer printout which follows the same order as the assessment book, consecutively number all the improved units and document the procedure.

2. County jurisdictions—Put the name of each city or township having improved units in the classification to be sampled into a hat. Draw each one out of the hat and record its name in the order

of its draw. Likewise, record the respective number of improved units for each. Then consecutively number all the improved units and document the procedure.

EXAMPLE:

City or Township	Number of Improved Commercial Units	Code Numbers
Franklin Twp.	4	1-4
Pleasant View	60	5-64
Jackson Twp.	9	65-73
Johnston	100	74-173
Polk Twp.	10	174-183
Washington Twp.	14	184-197
Maryville	106	198-303
Camden Twp.	10	304-313
Salem	84	314-397
Total	<u>397</u>	

(3) The department appraiser shall determine the location of the improved properties selected for appraisal and document the procedure.

EXAMPLE:

City or Township	Number of Improved Commercial Units	Code Numbers	Sequence Number	Entry on Rolls
Franklin Twp.	4	1-4	2	2
Pleasant View	60	5-64	41	37
Jackson Twp.	9	65-73		
Johnston	100	74-173	80,119,158	7,46,85
Polk Twp.	10	174-183		
Washington Twp.	14	184-197	197	14
Maryville	106	198-303	236,275	39,78
Camden Twp.	10	304-313		
Salem	84	314-397	314,353	1,40
Total	<u>397</u>			

1. The department appraiser shall locate the property to be appraised by finding the relationship between the sequence numbers and the code numbers and identify the property.

EXAMPLE: The first sequence number is 2. Since the improved commercial properties in Franklin Township have been assigned code numbers 1 to 4, sequence number 2 is in that location.

To identify this property, examine the Franklin Township assessment roll book and stop at the second improved commercial entry.

The department appraiser shall document the parcel number, owner's name, and legal description of this property.

2. The department appraiser shall appraise the property selected unless it is ineligible because of any of the following restrictions:

- Vacant building
- Current-year sale
- Partial assessment
- Prior equalization appraisal

Tax-exempt

Only one portion of a total property unit (example—a parking lot of a grocery store)

Value established by court action

Value is not more than \$10,000

Building on leased land

3. The department appraiser shall determine a substitute property if the originally selected one is ineligible. In ascending order, select code numbers until an eligible property is found.

EXAMPLE: If code number 2 is ineligible, use code number 3 as a substitute. If code number 3 is ineligible, use code number 4, etc., until an eligible property is found.

If the procedure described in 71.12(4) “c”(3)“3” moves the substitute property to a city or township, select substitute code numbers in descending order until an eligible property is found.

If the procedure described in the previous paragraph moves the substitute property to a preceding city or township, go back to the procedure of 71.12(4) “c”(3)“3” even if it moves the substitute property to a subsequent city or township.

4. Select an alternate property for the originally selected property which also would be eligible. This is necessary because at the time of appraisal the property may be found to be ineligible due to one of the restrictions in 71.12(4) “c”(3)“2.” Alternate properties are selected by using the same procedure described in 71.12(4) “c”(3)“3.”

5. Follow procedures 71.12(4) “c”(3), items “1” to “4,” for each of the other originally selected sequence numbers.

71.12(5) Industrial real estate. It is not possible to determine the level of assessment of industrial real estate by using accepted equalization methods. The lack of sales data precludes the use of an assessment/sales ratio study, the diverse nature of industrial real estate precludes the use of a countywide or citywide income capitalization study, and the limited number of industrial properties precludes the use of sample appraisals. The level of assessment of industrial real estate can only be determined by the valuation of individual parcels of industrial real estate. Any attempt to equalize industrial valuations by using accepted equalization methods would create an arbitrary result. However, under the circumstances set forth in Iowa Code subsection 421.17(10), the director may correct any errors in such assessments which are brought to the director’s attention, including errors related to property with a dual classification if the primary use of the property is from the industrial portions.

71.12(6) Centrally assessed property. Property assessed by the director of revenue pursuant to Iowa Code chapters 428 and 433 to 438, inclusive, is equalized internally by the director in the making of the assessments. Further, the assessments are equalized with the aggregate valuations of other classes of property as a result of actions taken by the director of revenue pursuant to rule 701—71.11(441).

71.12(7) Miscellaneous real estate. Since it is not possible to use accepted equalization methods to determine the level of assessment of mineral rights and interstate railroad and toll bridges, these classes of property shall not be subject to equalization by the director of revenue. However, under the circumstances set forth in Iowa Code section 421.17(10), the director may correct any errors in assessments which are brought to the director’s attention.

This rule is intended to implement Iowa Code sections 441.21, 441.47, 441.48 and 441.49.

[ARC 7726B, IAB 4/22/09, effective 5/27/09; ARC 9478B, IAB 4/20/11, effective 5/25/11; ARC 1765C, IAB 12/10/14, effective 1/14/15]

701—71.13(441) Tentative equalization notices. Prior to the issuance of the final equalization order to each county auditor, a tentative equalization notice providing for proposed percentage adjustments to the aggregate valuations of classes of property as set forth in rule 701—71.12(441) shall be mailed to the county auditor whose valuations are proposed to be adjusted. The tentative equalization notice constitutes the ten days’ notice required by Iowa Code section 441.48.

This rule is intended to implement Iowa Code sections 441.47 and 441.48.

701—71.14(441) Hearings before the director.

71.14(1) Protests. Written or oral protest against the proposed percentage adjustments as set forth in the tentative equalization notice issued by the director of revenue shall be made only on behalf of the

affected assessing jurisdiction. The protests shall be made only by officials of the assessing jurisdiction, including, but not limited to, an assessing jurisdiction's city council or board of supervisors, assessor, or city or county attorney. An assessing jurisdiction may submit a written protest in lieu of making an oral presentation before the director, or may submit an oral protest supported by written documentation. Protests against the adjustments in valuation contained in the tentative equalization notices shall be limited to a statement of the error or errors complained of and shall include such facts as might lead to their correction. No other factors shall be considered by the director in reviewing the protests. Protests and hearings on tentative equalization notices before the director are excluded from the provisions of the Iowa Administrative Procedure Act governing contested case proceedings.

71.14(2) *Conduct of hearing.* The director shall schedule each hearing so as to allow the same amount of time within which each assessing jurisdiction can make its presentation. During the hearing each assessing jurisdiction shall be afforded the opportunity to present evidence relevant to its protest. The director or the director's designated representative shall preside at the hearing which shall be held at the time and place designated by the director or such other time and place as may be mutually agreed upon by the director and the protesting assessing jurisdiction.

This rule is intended to implement Iowa Code section 441.48.

701—71.15(441) Final equalization order. After the tentative equalization notice has been issued and an opportunity for a hearing described in rule 701—71.14(441) has been afforded, the director shall issue a final equalization order by mail to the county auditor. The order shall specify any percentage adjustments in the aggregate valuations of any class of property to be made effective for the county as of January 1 of the year in which the order is issued. The final equalization order shall be issued on or before October 1 unless for good cause it cannot be issued until after October 1. The final equalization order shall be implemented by the county auditor.

An assessing jurisdiction may appeal a final equalization order to the state board of tax review. The protest must be filed or postmarked not later than ten days after the date the final equalization order is issued.

This rule is intended to implement Iowa Code sections 441.48 and 441.49.

701—71.16(441) Alternative method of implementing equalization orders.

71.16(1) *Application for permission to use an alternative method.* A request by an assessing jurisdiction for permission to use an alternative method of applying the final equalization order must be made in writing to the director of revenue within ten days from the date the county auditor receives the final equalization order. The written request shall include the following information:

a. Facts evidencing the need to use an alternative method of implementing the final equalization order. Such facts shall clearly show that the proposed method is essential to ensure compliance with the provisions of Iowa Code section 441.21.

b. The exact methods to be employed in implementing the requested alternative method for each class of property.

c. The specific method of notifying affected property owners of the valuation changes.

d. Evidence that the alternative method will result in an aggregate property class valuation adjustment equivalent to that prescribed in the director's final equalization order.

The director of revenue shall review each written request for an alternative method and shall notify the assessing jurisdiction of acceptance or rejection of the proposed method by October 15. The assessing jurisdiction shall immediately inform the county auditor of the director's decision. The county auditor shall include a description of any approved alternative method in the required newspaper publication of the final equalization order. In those instances where the approved alternative method includes individual property owner notification, the publication shall not be considered proper notice to the affected property owners.

71.16(2) *Implementation of alternative method.* If an alternative method is approved by the director of revenue, any individual notification of property owners shall be completed by the assessor by not later than October 25.

71.16(3) Appeal by property owners. If an alternative method is approved by the director of revenue, the special session of the local board of review to hear equalization protests shall be extended to November 30. In such instances, protests may be filed up to and including November 4.

This rule is intended to implement Iowa Code section 441.49.

701—71.17(441) Special session of boards of review.

71.17(1) Grounds for protest. The only ground for protesting to the local board of review reconvened in special session pursuant to Iowa Code section 441.49 is that the application of the director's final equalization order results in a value greater than that permitted under Iowa Code section 441.21.

71.17(2) Authority of board of review. When in special session to hear protests resulting from equalization adjustments, the local board of review shall only act upon protests for those properties for which valuations have been increased as a result of the application of the director of revenue's final equalization order.

The local board of review may adjust valuations of those properties it deems warranted, but under no circumstance shall the adjustment result in a value less than that which existed prior to the application of the director's equalization order. The local board of review shall not adjust the valuation of properties for which no protests have been filed.

71.17(3) Report of board of review. In the report to the director of revenue of action taken by the local board of review in special session, the board of review shall report the aggregate valuation adjustments by class of property as well as all other information required by the director of revenue to determine if such actions may have substantially altered the equalization order.

71.17(4) Meetings of board of review. If the final equalization order does not increase the valuation of any class of property, the board of review is not required to meet during the special session. If the final equalization order increases the valuation of one or more classes of property but no protests are filed by the times specified in Iowa Code section 441.49, the board of review is not required to meet during the special session.

This rule is intended to implement Iowa Code sections 421.17(10) and 441.49.

701—71.18(441) Judgment of assessors and local boards of review. Nothing stated in these rules should be construed as prohibiting the exercise of honest judgment, as provided by law, by the assessors and local boards of review in matters pertaining to valuing and assessing of individual properties within their respective jurisdictions.

This rule is intended to implement Iowa Code sections 441.17 and 441.35.

701—71.19(441) Conference boards.

71.19(1) Establishment and abolition of office.

a. As referred to in Iowa Code section 441.1, the term "federal census" includes any special census conducted by the Bureau of the Census of the U.S. Department of Commerce as well as the Bureau's decennial census.

b. Within 60 days of receiving the certified results of a federal census indicating the population of a city having its own assessor has fallen below 10,000, the city council of the city shall repeal the ordinance providing for its own assessor.

c. Whenever the office of city assessor is abolished, all moneys in the assessment expense fund and the special appraiser fund shall be transferred to the appropriate accounts in the county assessor's office, and all equipment and supplies shall be transferred to the county assessor's office. Employees of the city assessor's office may, at the discretion of the county assessor, become employees of the county assessor. However, any deputy assessor of the city may not be appointed a deputy county assessor unless certified as eligible for appointment pursuant to Iowa Code sections 441.5 and 441.10.

71.19(2) Membership.

a. *County conference boards.* A county conference board consists of the county board of supervisors, the mayor of each incorporated city in the county whose property is assessed by the county assessor, and one member of the board of directors of each high school district in the county, provided

the member is a resident of the county. Members representing school districts serve one-year terms, and the board of directors each year must notify the clerk of the conference board of its representative on the conference board. A member of the board of directors of a school district may serve on the county conference board even though the member lives in a city having its own assessor (1978 O.A.G. 466).

b. City conference boards. A city conference board consists of the county board of supervisors, the city council, and the entire board of directors of each school district whose property is assessed by the city assessor.

71.19(3) Voting.

a. Votes on matters before a conference board shall be by units as provided in Iowa Code section 441.2. At least two members of each voting unit must be present in order for the unit to cast a vote (1960 O.A.G. 226). In the event the vote of the members of a voting unit ends in a tie, that unit shall not cast a vote on the particular matter before the conference board.

b. If a member of a conference board is absent from a meeting, the member's vote may not be cast by another person, except that a mayor pro tem as provided in Iowa Code section 372.14(3) may vote for the mayor when the mayor is absent from or unable to perform official duties.

This rule is intended to implement Iowa Code section 441.2.

701—71.20(441) Board of review.

71.20(1) Membership.

a. Occupation of members. One member of the county board of review must be actively engaged in farming as that member's primary occupation. However, it is not necessary for a board of review to have as a member one licensed real estate broker and one registered architect or person experienced in the building and construction field if the person cannot be located after a good faith effort to do so has been made by the conference board (1966 O.A.G. 416). In determining eligibility for membership on a board of review, a retired person is not considered to be employed in the occupation pursued prior to retirement, unless that person remains in reasonable contact with the former occupation, including some participation in matters associated with that occupation.

b. Residency of members. A person must be a resident of the assessor jurisdiction served to qualify for appointment as a member of the board of review. However, a member changing assessing jurisdiction residency after appointment to the board may continue to serve on the board until the member's current term of office expires.

c. Term of office. The term of office of members of boards of review shall be for six years and shall be staggered as provided in Iowa Code section 441.31. In the event of the death, resignation, or removal from office of a member of a board of review, the conference board or city council shall appoint a successor to serve the unexpired term of the previous incumbent.

d. Membership on other boards. A member of a board of review shall not at the same time serve on either the conference board or the examining board, or be an employee of the assessor's office (1948 O.A.G. 120, 1960 O.A.G. 226).

e. Number of members. A conference board or city council may at any time change the composition of a board of review to either three or five members. To reduce membership from five members to three members, the conference board or city council shall not appoint successors to fill the next two vacancies which occur (1970 O.A.G. 342). To increase membership from three members to five members, the conference board or city council shall appoint two additional members whose initial terms shall expire at such times so that no two board members' terms expire at the end of the same year. Also, the conference board or city council may increase the membership of the board of review by an additional two members if it determines that a large number of protests warrant the emergency appointments. If the board of review has ten members, not more than four additional members may be appointed by the conference board. The terms of the emergency members will not exceed two years.

f. Removal from office. A member of a board of review may be removed from office by the conference board or city council but only after specific charges have been filed by the conference board or city council.

g. Appointment of members. Members of a county board of review shall be appointed by the county conference board. Members of a city board of review shall be appointed by the city conference board in cities with an assessor or by the city council in cities without an assessor. A city without an assessor can only have a board of review if the population of the city is 75,000 or more. A city with a population of more than 125,000 may appoint a city board of review or request the county conference board to appoint a ten-member county board of review.

71.20(2) Sessions of boards of review.

a. It is mandatory that a board of review convene on May 1 and adjourn no later than May 31 of each year. However, if either date falls on a Saturday, Sunday, or legal holiday, the board of review shall convene or adjourn on the following Monday.

b. Extended session. If a board of review determines it will be unable to complete its work by May 31, it may request that the director of revenue extend its session up to July 15. The request must be signed by a majority of the membership of the board of review and must contain the reasons the board of review cannot complete its work by May 31. During the extended session, a board of review may perform the same functions as during its regular session unless specifically limited by the director of revenue.

c. Special session. If a board of review is reconvened by the director of revenue pursuant to Iowa Code section 421.17, the board of review shall perform those functions specified in the order of the director of revenue and shall perform no other functions.

71.20(3) Actions initiated by boards of review.

a. Internal equalization of assessments. A board of review in reassessment years as provided in Iowa Code section 428.4 has the power to equalize individual assessments as established by the assessor, but cannot make percentage adjustments in the aggregate valuations of classes of property (1966 O.A.G. 416). In nonreassessment years, a board of review can adjust the valuation of an entire class of property by adjusting all assessment by a uniform percentage. Nothing contained in this rule shall restrict the director from exercising the responsibilities set forth in Iowa Code section 421.17.

b. Omitted assessments. A board of review may assess for taxation any property which was not assessed by the assessor, including property which the assessor determines erroneously is not subject to taxation by virtue of enjoying an exempt status (*Talley v. Brown*, 146 Iowa 360, 125 N.W. 248 (1910)).

c. Notice to taxpayers. If the value of any property is increased by a board of review or a board of review assesses property not previously assessed by the assessor, the person to whom the property is assessed shall be notified by regular mail of the board's action. The notification shall state that the taxpayer may protest the action by filing a written protest with the board of review within five days of the date of the notice. After at least five days have passed since notifying the taxpayer, the board of review shall meet to take final action on the matter, including the consideration of any protest filed. However, if the valuations of all properties within a class of property are raised or lowered by a uniform percentage in a nonreassessment year, notice to taxpayers need be provided only by newspaper publication as described in Iowa Code section 441.35.

71.20(4) Appeals to boards of review.

a. A board of review may act only upon written protests which have been filed with the board of review between April 16 and May 5, inclusive. In the event May 5 falls on a Saturday or Sunday, protests filed the following Monday shall be considered to have been timely filed. Protests postmarked by May 5 or the following Monday if May 5 falls on a Saturday or Sunday shall also be considered to have been timely filed. All protests must be in writing and signed by the taxpayer or the taxpayer's authorized agent. A written request for an oral hearing must be made at the time of filing the protest and may be made by checking the appropriate box on the form prescribed by the department of revenue. Protests may be filed for previous years if the taxpayer discovers that a mathematical or clerical error was made in the assessment, provided the taxes have not been fully paid or otherwise legally discharged. The protester may combine on one form assessment protests on parcels separately assessed if the same grounds are relied upon as the basis for protesting each separate assessment. If an oral hearing is requested on more than one of the protests, the person making the combined protests may request that the oral hearings

be held consecutively. A board of review may allow protests to be filed in electronic format. Protests transmitted electronically are subject to the same deadlines as written protests.

b. Grounds for protest. Taxpayers may protest to a board of review on one or more of the grounds specified in Iowa Code section 441.37. The grounds for protest and procedures for considering protests are as follows:

(1) The assessment is not equitable when compared with those of similar properties in the same assessing district. If this ground is a basis for the protest, the protest must contain the legal descriptions and assessments of the comparable properties. The comparable properties selected by the taxpayer must be located within the same assessing district as the property for which the protest has been filed (*Maytag Co. v. Partridge*, 210 N.W.2d 584 (Iowa 1973)). In considering a protest based upon this ground, the board of review should examine carefully all information used to determine the assessment of the subject property and the comparable properties and determine that those properties are indeed comparable to the subject property. It is the responsibility of the taxpayer to establish that the other properties submitted are comparable to the subject property and that inequalities exist in the assessments (*Chicago & N. W. Ry. Co. v. Iowa State Tax Commission*, 257 Iowa 1359, 137 N.W.2d 246(1965)).

(2) The property is assessed at more than its actual value as defined in Iowa Code section 441.21. If this ground is used, the taxpayer must state both the amount by which the property is overassessed and the amount considered to be the actual value of the property.

(3) The property is not assessable and should be exempt from taxation. If using this ground, taxpayers must state the reasons why it is felt the property is not assessable.

(4) There is an error in the assessment. An error in the assessment would most probably involve erroneous mathematical computations or errors in listing the property. The improper classification of property also constitutes an error in the assessment. If this ground is used, the taxpayer's protest must state the specific error alleged.

A board of review must determine:

1. If an error exists, and
2. How the error might be corrected.

(5) There is fraud in the assessment. If this ground of protest is used, the taxpayer's protest must state the specific fraud alleged, and the board of review must first determine if there is validity to the taxpayer's allegation. If it is determined there is fraud in the assessment, the board of review shall take action to correct the assessment and report the matter to the director of revenue.

(6) There has been a change of value of real estate since the last assessment. The board of review must determine that the value of the property as of January 1 of the current year has changed since January 1 of the previous reassessment year. This is the only ground upon which a protest pertaining to the valuation of a property can be filed in a year in which the assessor has not assessed or reassessed the property pursuant to Iowa Code section 428.4. In a year subsequent to a year in which a property has been assessed or reassessed pursuant to Iowa Code section 428.4, a taxpayer cannot protest to the board of review based upon actions taken in the year in which the property was assessed or reassessed (*James Black Dry Goods Co. v. Board of Review for City of Waterloo*, 260 Iowa 1269, 151 N.W.2d 534 (1967); *Commercial Merchants Nat'l Bank and Trust Co. v. Board of Review of Sioux City*, 229 Iowa 1081, 296 N.W. 203 (1941)).

c. Disposition of protests. After reaching a decision on a protest, the board of review shall give the taxpayer written notice of its decision. The notice shall contain the following information:

- (1) The valuation and classification of the property as determined by the board of review.
- (2) If the protest was based on the ground the property was not assessable, the notice shall state whether the exemption is allowed and the value at which the property would be assessed in the absence of the exemption.
- (3) The specific reasons for the board's decision with respect to the protest.

(4) That the board of review's decision may be appealed to the district court within 20 days of the board's adjournment or May 31, whichever date is later. If the adjournment date is known, the date shall be stated on the notice. If the adjournment date is not known, the notice shall state the date will be no

earlier than May 31. Notice of the appeal shall be served on the chairperson, presiding officer, or clerk of the board of review after the written notice of appeal has been filed with the clerk of district court.

This rule is intended to implement Iowa Code sections 441.31 to 441.37 and Iowa Code Supplement section 441.38 as amended by 2006 Iowa Acts, House File 2794.

701—71.21(421,17A) Property assessment appeal board.

71.21(1) Establishment, membership, and location of the property assessment appeal board.

a. A statewide property assessment appeal board is created for the purpose of establishing a consistent, fair, and equitable property assessment appeal process. The statewide property assessment appeal board is established within the department of revenue. The board's principal office shall be in the office of the department of revenue.

b. The property assessment appeal board shall consist of three members appointed by the governor and subject to confirmation by the senate. The members shall be appointed to staggered six-year terms beginning initially on January 1, 2007, and ending as provided in Iowa Code section 69.19. Members' subsequent terms shall begin and end as provided in Iowa Code section 69.19. The governor shall appoint from the members a chairperson, subject to confirmation by the senate, of the board to a two-year term. Vacancies on the board shall be filled for the unexpired portion of the term in the same manner as regular appointments are made.

Each member of the property assessment appeal board shall be qualified by virtue of at least two years' experience in the area of government, corporate, or private practice relating to property appraisal and property tax administration. Two members of the board shall be certified real property appraisers and one member shall be an attorney practicing in the area of state and local taxation or property tax appraisals. No more than two members of the board may be from the same political party as that term is defined in Iowa Code section 43.2.

c. The property assessment appeal board shall organize by appointing a secretary who shall take the same oath of office as the members of the board. The board may employ additional personnel as it finds necessary. All personnel employed by the board shall be considered state employees and are subject to the merit system provisions of Iowa Code chapter 8A, subchapter IV.

71.21(2) Powers and duties of the board. The property assessment appeal board shall:

a. Review any final decision, finding, ruling, determination, or order of a local board of review relating to assessment protests, valuation, or application of an equalization order.

b. Affirm, reverse, or modify a final decision, finding, ruling, determination, or order of a local board of review.

c. Order the payment or refund of property taxes in a matter over which the board has jurisdiction.

d. Grant other relief or issue writs, orders, or directives that the board deems necessary or appropriate in the process of disposing of a matter over which the board has jurisdiction.

e. Subpoena documents and witnesses and administer oaths.

f. Adopt administrative rules pursuant to Iowa Code chapter 17A for the administration and implementation of its powers, including rules for practice and procedure for protests filed with the board, the manner in which hearings on appeals of assessments shall be conducted, filing fees to be imposed by the board, and for the determination of the correct assessment of property which is the subject of an appeal.

g. Adopt administrative rules pursuant to Iowa Code chapter 17A necessary for the preservation of order and the regulation of proceedings before the board, including forms or notice and the service thereof, which rules shall conform as nearly as possible to those in use in the courts of this state.

h. If an appeal to district court is taken from the action of the property assessment appeal board, notice of appeal shall be served as an original notice on the secretary of the board after the written notice of appeal has been filed with the clerk of district court.

71.21(3) General counsel. The property assessment appeal board shall employ a competent attorney to serve as its general counsel, and assistants to the general counsel as it finds necessary for the full and efficient discharge of its duties. The general counsel is the attorney for, and legal advisor of, the board. The general counsel or an assistant to the general counsel shall provide the necessary legal advice to the

board in all matters and shall represent the board in all actions instituted in a court challenging the validity of a rule or order of the board. The general counsel shall devote full time to the duties of the office. During employment as general counsel to the board, the counsel shall not be a member of a political committee, contribute to a political campaign, participate in a political campaign, or be a candidate for partisan political office. The general counsel and assistants to the general counsel shall be considered state employees and are subject to the merit system provisions of Iowa Code chapter 8A, subchapter IV.

71.21(4) Compensation. The members of the property assessment appeal board shall receive a salary set by the governor within a range established by the general assembly. The members of the board shall be considered state employees for purposes of salary and benefits and are subject to the merit system provisions of Iowa Code chapter 8A, subchapter IV. Members of the board and any employees of the board, when required to travel in the discharge of official duties, shall be paid their actual and necessary expenses incurred in the performance of their duties.

71.21(5) Applicability and scope. These subrules set forth herein govern the proceedings for all cases in which the property assessment appeal board (board) has jurisdiction to hear appeals from the action of a local board of review. For the purpose of these subrules, the following definitions shall apply:

“*Appellant*” means the party filing the notice of appeal with the secretary of the property assessment appeal board.

“*Board*” means the property assessment appeal board as created by Iowa Code section 421.1A and governed by Iowa Code chapter 17A and section 441.37A.

“*Department*” means the Iowa department of revenue.

“*Local board of review*” means the board of review as defined by Iowa Code section 441.31.

“*Party*” means each person or entity named or admitted as a party or properly seeking and entitled as of right to be admitted as a party.

“*Presiding officer*” means the chairperson, member or members of the property assessment appeal board who preside over an appeal of proceedings before the property assessment appeal board.

“*Secretary*” means the secretary for the property assessment appeal board.

71.21(6) Appeal and jurisdiction. Notice of appeal confers jurisdiction for the board. The procedure for appeals and parameters for jurisdiction are as follows:

a. Jurisdiction is conferred upon the board by written notice of appeal given to the secretary. The written notice of appeal shall include a petition setting forth the basis of the appeal and the relief sought. The written notice of appeal shall be filed with the secretary within 20 calendar days after the date of adjournment of the local board of review or May 31, whichever is later. Appeals postmarked within this time period shall also be considered to have been timely filed. The appellant may appeal the action of the board of review relating to protests of assessment, valuation, or the application of an equalization order. No new grounds in addition to those set out in the protest to the local board of review can be pleaded, but additional evidence to sustain those grounds may be introduced. The appeal is a contested case.

b. Notice of appeal may be delivered in person, mailed by first-class mail, delivered to an established courier service for immediate delivery, or e-mailed to the board at paab@iowa.gov.

c. For an appeal filed by e-mail to be timely, it must be received by the board by 11:59 p.m. on the last day for filing as established within the time period set forth in paragraph 71.21(6) “*a.*”

71.21(7) Form of appeal. The notice of appeal shall include:

a. The appellant’s name, mailing address, e-mail address, and telephone number;

b. The address of the property being appealed and its parcel number;

c. A copy of the letter of disposition by the local board of review;

d. A short and plain statement of the claim showing that the appellant is entitled to relief;

e. The relief sought; and

f. If the party is represented by an attorney or designated representative, the attorney or designated representative’s name, mailing address, e-mail address, and telephone number.

71.21(8) Scope of review. The board shall determine anew all questions arising before the local board of review which relate to the liability of the property to assessment or the amount thereof. There shall be no presumption as to the correctness of the valuation of the assessment appealed from. The burden of proof is on the appellant; however, when the appellant offers competent evidence by at least two

disinterested witnesses that the market value of the property is less than the market value determined by the assessor, the burden of proof thereafter shall be upon the party seeking to uphold the valuation.

71.21(9) Notice to local board of review. The secretary shall mail a copy of the appellant's written notice of appeal and petition to the local board of review whose decision is being appealed. Notice to all affected taxing districts shall be deemed to have been given when written notice is provided to the local board of review.

71.21(10) Certification by local board of review.

a. Initial certification. Within 21 days after notice of appeal is given, the local board of review shall certify to the board the original notice of assessment if any, the petition to the board of review, and a copy of the board of review's letter of disposition.

The local board of review shall also submit to the board in writing the name, address, telephone number, and e-mail address of the attorney representing the local board of review before the board. The local board of review may request additional time to certify a copy of its record to the board by submitting a request in writing or by e-mail to the board at paab@iowa.gov.

b. Full record certification prior to hearing. At least 21 calendar days prior to the contested case hearing, the local board of review shall certify to the board the complete property record card for the subject property, the protest hearing minutes of the local board of review kept pursuant to Iowa Code chapter 21, and any information provided to or considered by the local board of review as part of the protest. The local board of review shall also send a copy of the full record to the opposing party.

71.21(11) Docketing. Appeals shall be assigned consecutive docket numbers. Records consisting of the case name and the corresponding docket number assigned to the case shall be maintained by the secretary. The records of each case shall also include each action and each act done, with the proper dates as follows:

- a.* The title of the appeal including jurisdiction and parcel identification number;
- b.* Brief statement of the grounds for the appeal and the relief sought;
- c.* Postmarked date of the local board of review's letter of disposition;
- d.* The manner and date/time of service of notice of appeal;
- e.* Date of notice of hearing;
- f.* Date of hearing; and
- g.* The decision by the board, or other disposition of the case, and date thereof.

71.21(12) Appearances. Any party may appear and be heard on its own behalf, or by its designated representative. A designated representative shall file a notice of appearance with the board for each case in which the representative appears for a party. Filing a motion or pleadings on behalf of a party shall be equivalent to filing a notice of appearance. A designated representative who is not an attorney shall also file a power of attorney. When acting as a designated representative on behalf of a party, the designated representative acknowledges that the representative has read and will abide by the board's rules.

71.21(13) Service and filing of papers. After the notice of appeal and petition have been filed, all motions, pleadings, briefs, and other papers shall be served upon each of the parties of record contemporaneously with their filing with the board.

a. Service on a party—how and when made. The parties may agree to exchange the certified record, motions, pleadings, briefs, exhibits, and any other papers with each other electronically or via any other means. All documents are deemed served at the time they are delivered in person to the opposing party; delivered to an established courier service for immediate delivery; mailed by first-class mail, so long as there is proof of mailing; or sent electronically if the parties have agreed to service by such means.

b. Filing with the board—when made. Except where otherwise provided by law, a document is deemed filed at the time it is delivered to the board; delivered to an established courier service for immediate delivery; mailed by first-class mail, so long as there is proof of mailing; or sent by e-mail as permitted by the applicable subrules of this rule.

- (1) For most filings in a docket made with the board, only an original is required.
- (2) For exhibits and other documents to be introduced at hearing, three copies are required. For a nonoral submission, only one copy is required.
- (3) The board or presiding officer may request additional copies.

c. Proof of mailing. Proof of mailing includes: a legible United States Postal Service postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the Property Assessment Appeal Board and to the names and addresses of the parties listed below by depositing the same in a (United States post office mailbox with correct postage properly affixed).

(Date)

(Signature)

71.21(14) Motions. No technical form for motions is required. All prehearing motions shall be in writing, shall be filed with the secretary and shall contain the reasons and grounds supporting the motion. The board shall act upon such motions as justice may require. Motions based on matters which do not appear of record shall be supported by affidavit. Any party may file a written response to a motion no later than 10 days from the date the motion is filed, unless the time period is extended or shortened by the board or presiding officer. The presiding officer may schedule oral argument on any motion.

a. Motions pertaining to the hearing, except motions for summary judgment, must be filed and served at least 10 days prior to the date of hearing unless there is good cause for permitting later action or the time for such action is lengthened or shortened by the board or presiding officer.

b. Motions for summary judgment. Motions for summary judgment shall comply with the requirements of Iowa Rule of Civil Procedure 1.981 and shall be subject to disposition according to the requirements of that rule to the extent such requirements are not inconsistent with the provisions of this rule or any other provision of law governing the procedure in contested cases.

Motions for summary judgment must be filed and served no later than 90 days after service of the notice of appeal, unless good cause is shown for a later filing. Good cause may include, but is not limited to, information the moving party obtains through discovery. Any party resisting the motion shall file and serve a resistance within 20 days, unless otherwise ordered by the board or presiding officer, from the date a copy of the motion was served. The time fixed for hearing or nonoral submission shall be not less than 30 days after the filing of the motion, unless a shorter time is ordered by the presiding officer. A summary judgment order rendered on all issues in a contested case is subject to rehearing pursuant to subrule 71.21(34).

71.21(15) Authority of board to issue procedural orders. The board may issue preliminary orders regarding procedural matters. The secretary shall mail copies of all procedural orders to the parties.

71.21(16) Members participating. Each appeal may be considered by one or more members of the board, and the chairperson of the board may assign members to consider appeals. If the appeal is considered by less than the full membership of the board, the determination made by such members shall be forwarded to the full board for approval, rejection, or modification. Decisions shall affirm, modify, or reverse the decision, order, or directive from which an appeal was made. In order for the decision to be valid, a majority of the board must concur on the decision on appeal.

71.21(17) Notice of hearing. Unless otherwise designated by the board, the hearing shall be held in the hearing room of the board. All hearings are open to the public. If a hearing is requested, the secretary shall mail a notice of hearing to the parties at least 30 days prior to the hearing. The parties may jointly waive the 30-day notice by following the provisions of subrule 71.21(18). The notice of hearing shall contain the following information:

- a.* A statement of the date, time, and place of the hearing;
- b.* A statement of legal authority and jurisdiction under which the hearing is to be held;
- c.* A reference to the particular sections of the statutes and rules involved;
- d.* That the parties may appear and present oral arguments;
- e.* That the parties may submit evidence and briefs;
- f.* That the hearing will be electronically recorded by the board;
- g.* That a party may obtain a certified court reporter for the hearing at the party's own expense;
- h.* That audio visual aids and equipment are to be provided by the party intending to use them;

i. A statement that, upon submission of the appeal, the board will take the matter under advisement. A letter of disposition will be mailed to the parties; and

j. A compliance notice required by the Americans with Disabilities Act (ADA).

71.21(18) Waiver of 30-day notice. The parties to the appeal may jointly waive the 30-day written notice requirement for a hearing. The waiver must be in writing or by e-mail to paab@iowa.gov and signed by the parties or their designated representatives. By waiving notice, the parties acknowledge they are ready to proceed with the hearing. The parties will be contacted when a hearing date is available but notice for said date may be less than 30 days. The parties will have the right to accept or reject the hearing date.

71.21(19) Transcript of hearing. All hearings shall be electronically recorded. Any party may provide a certified court reporter at the party's own expense. Any party may request a transcription of the hearing. The board reserves the right to impose a charge for copies and transcripts.

71.21(20) Continuance. Any hearing may be continued for "good cause." Requests for continuance prior to the hearing shall be in writing or by e-mail to paab@iowa.gov and promptly filed with the secretary of the board immediately upon "the cause" becoming known. An emergency oral continuance may be obtained from the board or presiding officer based on "good cause" and at the discretion of the board or presiding officer. In determining whether to grant a continuance, the board or presiding officer may consider:

- a.* Prior continuances;
- b.* The interests of all parties;
- c.* The likelihood of informal settlement;
- d.* The existence of an emergency;
- e.* Any objection;
- f.* Any applicable time requirements;
- g.* The existence of a conflict in the schedules of counsel, parties, or witnesses;
- h.* The timeliness of the request; and
- i.* Other relevant factors, including the existence of a scheduling order.

71.21(21) Telephone proceedings. The board or presiding officer may conduct a telephone conference in which all parties have an opportunity to participate to resolve preliminary procedural motions. Other proceedings, including contested case hearings, may be held by telephone. The board will determine the location of the parties and witnesses for telephone hearings. The convenience of the witnesses or parties, as well as the nature of the case, will be considered when the location is chosen.

71.21(22) Disqualification of board member. A board member or members must, on their own motion or on a motion from a party in the proceeding, withdraw from participating in an appeal if there are circumstances that warrant disqualification.

a. A board member or members shall withdraw from participation in the making of any proposed or final decision in an appeal before the board if that member is involved in one of the following circumstances:

- (1) Has a personal bias or prejudice concerning a party or a representative of a party;
- (2) Has personally investigated, prosecuted, or advocated in connection with the appeal, the specific controversy underlying that appeal, or another pending factually related matter, or a pending factually related controversy that may culminate in an appeal involving the same parties;
- (3) Is subject to the authority, direction, or discretion of any person who has personally investigated, prosecuted, or advocated in connection with that matter, the specific controversy underlying the appeal, or a pending factually related matter or controversy involving the same parties;
- (4) Has acted as counsel to any person who is a private party to that proceeding within the past two years;
- (5) Has a personal financial interest in the outcome of the appeal or any other significant personal interest that could be substantially affected by the outcome of the appeal;
- (6) Has a spouse or relative within the third degree of relationship who:
 1. Is a party to the appeal, or an officer, director or trustee of a party;
 2. Is a lawyer in the appeal;

3. Is known to have an interest that could be substantially affected by the outcome of the appeal;
- or
4. Is likely to be a material witness in the appeal; or
- (7) Has any other legally sufficient cause to withdraw from participation in the decision making in that appeal.

b. Motion for disqualification. If a party asserts disqualification on any appropriate ground, including those listed in paragraph “a,” the party shall file a motion supported by an affidavit pursuant to Iowa Code section 17A.11. The motion must be filed as soon as practicable after the reason alleged in the motion becomes known to the party. If, during the course of the hearing, a party first becomes aware of evidence of bias or other grounds for disqualification, the party may move for disqualification, but must establish the grounds by the introduction of evidence into the record.

If a majority of the board determines that disqualification is appropriate, the board member shall withdraw. If a majority of the board determines that withdrawal is not required, the board shall enter an order to that effect. A party asserting disqualification may seek an interlocutory appeal and a stay as provided under 701—Chapter 7.

c. The term “personally investigated” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term “personally investigated” does not include general direction and supervision of assigned investigators, unsolicited receipt of information which is relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other functions of the board, including fact gathering for purposes other than investigation of the matter which culminates in an appeal. Factual information relevant to the merits of an appeal received by a person who later serves as presiding officer or a member of the board shall be disclosed if required by Iowa Code section 17A.11 and this rule.

d. Withdrawal. In a situation where a presiding officer or any other board member knows of information which might reasonably be deemed to be a basis for disqualification and decides voluntary withdrawal is unnecessary, that person shall submit the relevant information for the record by affidavit and shall provide for the record a statement of the reasons for the determination that withdrawal is unnecessary.

71.21(23) Consolidation and severance. The board or presiding officer may determine if consolidation or severance of issues or proceedings should be performed in order to efficiently resolve matters on appeal before the board.

a. Consolidation. The presiding officer may consolidate any or all matters at issue in two or more appeal proceedings where:

- (1) The matters at issue involve common parties or common questions of fact or law;
- (2) Consolidation would expedite and simplify consideration of the issues involved; and
- (3) Consolidation would not adversely affect the rights of any of the parties to those proceedings.

b. Severance. The presiding officer may, for good cause shown, order any appeal proceedings or portions of the proceedings severed.

71.21(24) Withdrawal. An appellant may withdraw the appeal prior to the hearing. Such a withdrawal of an appeal must be in writing or by e-mail to paab@iowa.gov and signed by the appellant or the appellant’s designated representative. Unless otherwise provided, withdrawal shall be with prejudice and the appellant shall not be able to refile the appeal. Within 20 days of the board granting a withdrawal of appeal, the appellant may make a motion to reopen the file and rescind the withdrawal based upon fraud, duress, undue influence, or mutual mistake.

71.21(25) Prehearing conference. An informal conference of parties may be ordered at the discretion of the board or presiding officer or at the request of any party for any appropriate purpose. Any agreement reached at the conference shall be made a part of the record in the manner directed by the board or presiding officer.

71.21(26) Scheduling orders.

a. When required. For appeals involving properties classified commercial or industrial and assessed at \$2 million or more, a scheduling order shall be sent to the parties to set dates for discovery,

designation of witnesses, filing of motions, exchange of evidence, and a contested case hearing. In any other appeal, the parties may jointly enter a scheduling order or the board may, on its own motion, issue a scheduling order. The dates established in a scheduling order under this subrule shall supersede any dates set forth in other subrules of this rule.

b. Prehearing conference. A party may request a prehearing conference to resolve scheduling issues.

c. Modification. The parties may jointly agree to modify a scheduling order. If one party seeks to modify a scheduling order, the party must show good cause for the modification.

d. Failure to comply. A party that fails to comply with a scheduling order shall be required to show good cause for failing to comply with the order and that the other party is not substantially prejudiced. Failing to comply with a scheduling order may result in sanctions including, but not limited to, the exclusion of evidence or dismissal of the appeal.

71.21(27) Hearing procedures. A party to the appeal may request a hearing, or the appeal may proceed without a hearing. The local board of review may be present and participate at such hearing. Hearings may be conducted by the board or by one or more of its members.

a. Authority of presiding officer. The presiding officer presides at the hearing and may rule on motions, require briefs, issue a decision, and issue such orders and rulings as will ensure the orderly conduct of the proceedings.

b. Representation. Parties to the appeal have the right to participate or to be represented in all hearings. Any party may be represented by an attorney or by a designated representative.

c. Participation in hearing. The parties to the appeal have the right to introduce evidence relevant to the grounds set out in the protest to the local board of review. Subject to terms and conditions prescribed by the presiding officer, parties have the right to introduce evidence on issues of material fact, cross-examine witnesses present at the hearing as necessary for a full and true disclosure of the facts, present evidence in rebuttal, and submit briefs and engage in oral argument.

d. Decorum. The presiding officer shall maintain the decorum of the hearing and may refuse to admit or may expel anyone whose conduct is disorderly.

e. Conduct of the hearing. The presiding officer shall conduct the hearing in the following manner:
(1) The presiding officer shall give an opening statement briefly describing the nature of the proceedings;

(2) The parties shall be given an opportunity to present opening statements;

(3) The parties shall present their cases in the sequence determined by the presiding officer;

(4) Each witness shall be sworn or affirmed by the presiding officer and shall be subject to examination and cross-examination. The presiding officer may limit questioning in a manner consistent with law; and

(5) When all parties and witnesses have been heard, parties may be given the opportunity to present final arguments.

71.21(28) Discovery.

a. Discovery procedure. Discovery procedures applicable in civil actions under the Iowa Rules of Civil Procedure are available to parties in cases before the board. Unless lengthened or shortened by these rules, the board or presiding officer, time periods for compliance with discovery shall be as provided in the Iowa Rules of Civil Procedure.

b. Discovery motions. Prior to filing any motion related to discovery, parties shall make a good-faith effort to resolve discovery disputes without the involvement of the board or presiding officer. Any motion related to discovery shall allege that the moving party has made a good-faith attempt to resolve the discovery issues involved with the opposing party. Opposing parties shall be given the opportunity to respond within 10 days of the filing of the motion unless the time is shortened by order of the board or presiding officer. The board or presiding officer may rule on the basis of the written motion and any response or may have a hearing or other proceedings on the motion.

c. Admissibility of evidence. Evidence obtained in discovery may be used in the case proceeding if that evidence would otherwise be admissible in that proceeding.

71.21(29) Subpoenas.*a. Issuance of Subpoena for Witness.*

(1) An agency subpoena shall be issued to a party on request. The request shall be in writing and include the name, address, and telephone number of the requesting party. In absence of good cause for permitting later action, a request for subpoena must be received at least 10 days before the scheduled hearing.

(2) Except to the extent otherwise provided by law, parties are responsible for service of their own subpoenas and payment of witness fees and mileage expenses.

b. Issuance of Subpoena for Production of Documents.

(1) An agency subpoena shall be issued to a party on request. The request shall be in writing and include the name, address, and telephone number of the requesting party. In absence of good cause for permitting later action, a request for subpoena must be received at least 20 days before the scheduled hearing.

(2) Except to the extent otherwise provided by law, parties are responsible for service of their own subpoenas.

c. Motion to quash or modify. Upon motion, the board or presiding officer may quash or modify a subpoena for any lawful reason in accordance with the Iowa Rules of Civil Procedure.

71.21(30) Evidence.

a. Admissibility. The presiding officer shall rule on admissibility of evidence and may take official notice of facts in accordance with all applicable requirements of law.

b. Stipulations. Stipulation of facts by the parties is encouraged. The presiding officer may make a decision based on stipulated facts.

c. Scope of admissible evidence. Evidence in the proceeding shall be confined to the issues contained in the notice from the board prior to the hearing, unless the parties waive their right to such notice or the presiding officer determines that good cause justifies expansion of the issues. Admissible evidence is that which, in the opinion of the board, is determined to be material, relevant, or necessary for the making of a just decision. Irrelevant, immaterial or unduly repetitious evidence may be excluded. A finding shall be based upon the kind of evidence on which reasonably prudent persons are accustomed to rely for the conduct of their serious affairs, and may be based upon such evidence even if it would be inadmissible in a jury trial. Hearsay evidence is admissible. The rules of privilege apply in all proceedings before the board.

d. Exhibits, exhibit and witness lists, and briefs. The party seeking admission of an exhibit must provide an opposing party with an opportunity to examine the exhibit prior to the ruling on its admissibility. Copies of documents to be used as evidence, exhibit lists, and a list of witnesses intended to be called at hearing shall be served on the opposing party at least 21 calendar days prior to the hearing, unless the time period is extended or shortened by the board or presiding officer or the parties have entered a scheduling order under subrule 71.21(26). All exhibits and briefs admitted into evidence shall be appropriately marked and be made part of the record. The appellant shall mark exhibits with consecutive numbers. The appellee shall mark exhibits with consecutive letters.

e. Objections. Any party may object to specific evidence or may request limits on the scope of examination or cross-examination. Such an objection shall be accompanied by a brief statement of the grounds upon which the objection is based. The objection, the ruling on the objection, and the reasons for the ruling shall be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve a ruling until the written decision.

f. Offers of proof. Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony shall briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.

71.21(31) Settlements. Parties to a case may propose to settle all or some of the issues in the case at any time prior to the issuance of a final decision. A settlement of an appeal shall be jointly signed by the parties, or their designated representatives, and filed in writing or by an electronic copy e-mailed

to paab@iowa.gov. The board will not approve settlements unless the settlement is reasonable in light of the whole record, consistent with law, and in the public interest. Board adoption of a settlement constitutes the final decision of the board on issues addressed in the settlement.

71.21(32) Records access.

- a. Location of record.* A request for access to a record should be directed to the custodian.
- b. Office hours.* Open records shall be made available during all customary office hours, which are 8 a.m. to 4:30 p.m. Monday through Friday excluding holidays.
- c. Request for access.* Requests for access to open records may be made in writing, in person, by e-mail, or by telephone. Requests shall identify the particular records sought by name or description in order to facilitate the location of the record. Mail, e-mail, and telephone requests shall include the name, address, and telephone number of the person requesting the information. A person shall not be required to give a reason for requesting an open record.
- d. Response to requests.* Access to an open record shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. If the size or nature of the request for access to an open record requires time for compliance, the custodian shall comply with the request as soon as feasible. Access to an open record may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The custodian shall promptly give notice to the requester of the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing. The custodian of a record may deny access by members of the public to the record only on the grounds that such a denial is warranted under Iowa Code sections 22.8(4) and 22.10(4), or that it is a confidential record, or that its disclosure is prohibited by a court or board order. Access by members of the public to a confidential record is limited by law and, therefore, may generally be provided only in accordance with the applicable provisions of law.
- e. Security of record.* No person may, without permission from the secretary, search or remove any record from board files. Examination and copying of board records shall be supervised by the secretary. Records shall be protected from damage and disorganization.
- f. Copying.* A reasonable number of copies of an open record may be made in the board's office. If photocopy equipment is not available, the custodian shall permit examination of the record and shall arrange to have copies promptly made elsewhere.
- g. Fees.*
 - (1) When charged. The board may charge fees in connection with the examination or copying of records only if the fees are authorized by law. To the extent permitted by applicable provisions of law, the payment of fees may be waived when the imposition of fees is inequitable or when a waiver is in the public interest.
 - (2) Copying and postage costs. Price schedules for published materials and for photocopies of records supplied by the board are available from the custodian. Copies of records may be made by or for members of the public on board photocopy machines or from electronic storage systems at cost as determined and made available by the custodian. When the mailing of copies of records is requested, the actual costs of such mailing may also be charged to the requester.
 - (3) Supervisory fee. An hourly fee may be charged for actual board expenses in supervising the examination and copying of requested records when the supervision time required is in excess of one hour. The custodian shall provide the hourly fees to be charged for supervision of records during examination and copying. That hourly fee shall not be in excess of the hourly wage of a board clerical employee who ordinarily would be appropriate and suitable to perform this supervisory function.
 - (4) Advance deposits.
 1. When the estimated total fee chargeable under this paragraph exceeds \$25, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.
 2. When a requester has previously failed to pay a fee chargeable under this paragraph, the custodian may require advance payment of the full amount of any estimated fee before the custodian processes a new request from that requester.

71.21(33) Motion to reopen records. The board or presiding officer, on the board's or presiding officer's own motion or on the motion of a party, may reopen the record for the reception of further evidence. A motion to reopen the record may be made anytime prior to the issuance of a final decision.

71.21(34) Rehearing and reconsideration.

a. Application for rehearing or reconsideration. Any party to a case may file an application for rehearing or reconsideration of the final decision. The application for rehearing or reconsideration shall be filed within 20 days after the final decision in the case is issued.

b. Contents of application. Applications for rehearing or reconsideration shall specify the findings of fact and conclusions of law claimed to be erroneous, with a brief statement of the alleged grounds of error. Any application for rehearing or reconsideration asserting that evidence has arisen since the final order was issued as a ground for rehearing or reconsideration shall present the evidence by affidavit that includes an explanation of the competence of the person to sponsor the evidence and a brief description of the evidence sought to be included.

c. Notice to other parties. A copy of the application shall be timely mailed by the applicant to all parties of record not joining therein. If the application does not contain a certificate of service, the board shall serve copies on all parties.

d. Requirements for objections to applications for rehearing or reconsideration. An answer or objection to an application for rehearing or reconsideration must be filed within 14 days of the date the application was filed with the board, unless otherwise ordered by the board.

e. Disposition. Any application for a rehearing shall be deemed denied unless the board grants the application within 20 days after its filing.

71.21(35) Dismissal. If a party fails to appear or participate in an appeal hearing after proper service of notice, the presiding officer may dismiss the appeal unless a continuance is granted for good cause. If an appeal is dismissed for failure to appear, the board shall have no jurisdiction to consider any subsequent appeal on the appellant's protest.

71.21(36) Waivers.

a. In response to a request, or on its own motion, the board may grant a waiver from a rule adopted by the board, in whole or in part, as applied to a specific set of circumstances, if the board finds, based on clear and convincing evidence, that:

(1) The application of the rule would pose an undue hardship on the person for whom the waiver is requested;

(2) The waiver would not prejudice the substantial rights of any person;

(3) The provisions of the rule subject to a petition for waiver are not specifically mandated by statute or another provision of law; and

(4) Substantially equal protection of public health, safety, and welfare will be afforded by means other than that prescribed in the rule for which the waiver is requested.

b. Persons requesting a waiver may submit their request in writing. The waiver request must state the relevant facts and reasons the requester believes will justify the waiver, if the reasons have not already been provided to the board in another pleading.

c. Grants or denials of waiver requests shall contain a statement of the facts and reasons upon which the decision is based. The board may condition the grant of the waiver on such reasonable conditions as appropriate to achieve the objectives of the particular rule in question. The board may at any time cancel a waiver upon appropriate notice and opportunity for hearing.

71.21(37) Appeals of board decisions. A party may seek judicial review of a decision rendered by the board by filing a written notice of appeal with the clerk of the district court where the property is located within 20 days after the letter of disposition of the appeal by the board is mailed to the appellant. Iowa Code chapter 17A applies to judicial review of the board's final decision. The filing of the petition does not itself stay execution or enforcement of the board's final decision. The board may grant a stay on appropriate terms or other temporary remedies during the pendency of judicial review.

71.21(38) Stays of agency actions. Any party to a contested case proceeding may petition the board for a stay or other temporary remedies pending judicial review of all or part of that proceeding. The petition shall state the reasons justifying a stay or other temporary remedy. In determining whether

to grant a stay, the board or presiding officer shall consider the factors listed in Iowa Code section 17A.19(5) "c." A stay may be vacated by the board upon application of any other party.

71.21(39) Time requirements. Time shall be computed as provided in Iowa Code section 4.1(34).

71.21(40) Judgment of the board. Nothing in this rule should be construed as prohibiting the exercise of honest judgment, as provided by law, by the board in matters pertaining to valuation and assessment of individual properties.

This rule is intended to implement Iowa Code sections 421.1, 421.1A as amended by 2013 Iowa Acts, Senate File 295, division VI, 421.2, 441.37A as amended by 2013 Iowa Acts, Senate File 295, division VI, 441.38 and 441.49 and chapter 17A.

[ARC 9877B, IAB 11/30/11, effective 1/4/12; ARC 1306C, IAB 2/5/14, effective 3/12/14; ARC 1496C, IAB 6/11/14, effective 5/20/14]

701—71.22(428,441) Assessors.

71.22(1) Conflict of interest. An assessor shall not act as a private appraiser, or as a real estate broker or option agent in the jurisdiction in which serving as assessor (1976 O.A.G. 744).

71.22(2) Listing of property.

a. Forms. Assessors may design and use their own forms in lieu of those prescribed by the department of revenue provided that the forms contain all information contained on the prescribed form, are not substantially different from the prescribed form, and are approved by the director of revenue.

b. Assessment rolls. Assessment rolls must be prepared in duplicate for each property in a reassessment year as defined in Iowa Code section 428.4. However, the copy of the roll does not have to be issued to a taxpayer unless there is a change in the assessment or the taxpayer requests the issuance of the duplicate copy.

c. Whenever a date specified in Iowa Code chapter 441 falls on a Saturday, Sunday, or legal holiday, the action required to be completed on or before that date shall be considered to have been timely completed if performed on or before the following day which is not a Saturday, Sunday, or holiday.

d. Buildings erected or improvements made by a person other than the owner of the land on which they are located are to be assessed to the owner of the buildings or improvements. Unpaid taxes are a lien on the buildings or improvements and not a lien on the land on which they are located.

71.22(3) Notice of protest. If a protest or appeal is filed with the board of review, property assessment appeal board, or district court against the assessment of property valued at \$5 million or more, the assessor shall provide notice to the school district in which the property is located within ten days of the filing of the protest or the appeal, as applicable.

This rule is intended to implement Iowa Code chapter 428 and Iowa Code chapter 441 as amended by 2006 Iowa Acts, House File 2797.

701—71.23(421,428,441) Valuation of multiresidential real estate. Multiresidential real estate shall be assessed at a percent of its actual value as defined in Iowa Code section 441.21. In determining the actual value of multiresidential real estate, city and county assessors shall use the appraisal manual issued by the department of revenue pursuant to Iowa Code section 421.17(18) as well as a locally conducted assessment/sales ratio study, an analysis of sales of comparable properties, and any other relevant data.

This rule is intended to implement Iowa Code sections 421.17, 428.4 and 441.21 as amended by 2013 Iowa Acts, Senate File 295.

[ARC 1765C, IAB 12/10/14, effective 1/14/15]

701—71.24(421,428,441) Valuation of dual classification property. Real estate with a dual classification of commercial/multiresidential or industrial/multiresidential shall be assessed at its actual value as defined in Iowa Code section 441.21.

71.24(1) Allocation of dual classification values. The assessor shall value as a whole properties that have portions classified as multiresidential and portions classified as commercial or industrial using the methodology found in rule 701—71.23(421,428,441). After the assessor has assigned a value to the property, the value shall be allocated between the two classes of property based on the appropriate appraisal methodology. The assessor shall allocate land value proportionately by class.

71.24(2) Notice of valuation. The valuation notice issued pursuant to Iowa Code section 441.23 shall include a breakdown of the valuation by class for the current year and the prior year.

71.24(3) Protest of assessment. The valuation and assessment of property with a dual classification shall be considered one assessment, and any protest of assessment brought under Iowa Code section 441.37 or subsequent appeal must be made on the entire assessment. Protests of assessments on the valuation of only one class of property are not permitted. The board of review shall review the valuation in total as both classifications are subject to the board's adjustment in any review proceeding. Likewise, any tribunal or court reviewing the board's decision shall base its review on the entire assessment.

This rule is intended to implement Iowa Code sections 421.17, 428.4 and 441.21 as amended by 2013 Iowa Acts, Senate File 295.

[ARC 1765C, IAB 12/10/14, effective 1/14/15]

701—71.25(441,443) Omitted assessments.

71.25(1) Property subject to omitted assessment.

a. Land and buildings. An omitted assessment can be made only if land or buildings were not listed and assessed by the assessor. The failure to list and assess an entire building is an omission for which an omitted assessment can be made even if the land upon which the building is located has been listed and assessed. See *Okland v. Bilyeu*, 359 N.W.2d 412 (Iowa 1984). However, the failure to consider the value added as a result of an improvement made does not constitute an omission for which an omitted assessment can be made if the building or land to which the improvement was made has been listed and assessed.

b. Previously exempt property. Property which has been erroneously determined to be exempt from taxation may be restored to taxation by the making of an omitted assessment. See *Talley v. Brown*, 146 Iowa 360, 125 N.W. 243 (1910). An omitted assessment is also made to restore to taxation previously exempt property which ceases to be eligible for an exemption.

71.25(2) Officials authorized to make an omitted assessment.

a. Local board of review. A local board of review may make an omitted assessment of property during its regular session only if the property was not listed and assessed as of January 1 of the current assessment year. For example, during its regular session which begins May 1, 1986, a local board of review may make an omitted assessment only of property that was not assessed by the assessor as of January 1, 1986. During that session, the board of review could not make an omitted assessment for an assessment year prior to 1986.

b. County auditor and local assessor. The county auditor and local assessor may make an omitted assessment. However, no omitted assessment can be made by the county auditor or local assessor if taxes based on the assessment year in question have been paid or otherwise legally discharged. For example, if a tract of land was listed and assessed and taxes levied against that assessment have been paid or legally discharged, no omitted assessment can be made of a building located upon that tract of land even though the building was not listed and assessed at the time the land was listed and assessed. See *Okland v. Bilyeu*, 359 N.W.2d 412, 417 (Iowa 1984).

c. County treasurer. The county treasurer may make an omitted assessment within two years from the date the tax list which should have contained the assessment should have been delivered to the county treasurer. For example, for the 1999 assessment year, the tax list is to be delivered to the county treasurer on or before June 30, 2000. Thus, the county treasurer may make an omitted assessment for the 1999 assessment year at any time on or before June 30, 2002. The county treasurer may make an omitted assessment of a building even if taxes levied against the land upon which the building is located have been paid or legally discharged. See *Okland v. Bilyeu*, 359 N.W.2d 412, 417 (Iowa 1984). The county treasurer may not make an omitted assessment if the omitted property is no longer owned by the person who owned the property on January 1 of the year the original assessment should have been made.

d. Director of revenue. The director of revenue may make an omitted assessment of any property assessable by the director at any time within two years from the date the assessment should have been made.

This rule is intended to implement Iowa Code chapter 440 and sections 443.6 through 443.15 as amended by 1999 Iowa Acts, chapter 174.

701—71.26(441) Assessor compliance. The assessor shall determine the value of real property in accordance with rules adopted by the department of revenue and in accordance with forms and guidelines contained in the Iowa Real Property Appraisal Manual prepared by the department. The assessor may use an alternative manual to value property if it is a unique type of property not covered in the manual prepared by the department.

If the department finds that an assessor is not in compliance with the rules of the department relating to valuation of property or has disregarded the forms and guidelines contained in the real property appraisal manual, the department shall notify the assessor and each member of the conference board for that assessing jurisdiction. The notice shall be mailed by restricted certified mail and shall specify the areas of noncompliance and the steps necessary to achieve compliance. The notice shall also inform the assessor and conference board that if compliance is not achieved, a penalty may be imposed.

The conference board shall respond to the department within 30 days of receipt of the notice of noncompliance. The conference board may respond to the notice by asserting that the assessor is in compliance with the rules, guidelines, and forms of the department or by informing the department that the conference board intends to submit a plan of action to achieve compliance. If the conference board responds to the notification by asserting that the assessor is in compliance, a hearing before the director of revenue shall be held on the matter within 60 days of receipt of the notice of noncompliance. If it is agreed that the assessor is not in compliance, the conference board shall submit a plan of action within 60 days of receipt of the notice of noncompliance.

The plan shall contain a time frame under which compliance shall be achieved, which shall be no later than January 1 of the following assessment year. The plan of action shall contain the signature of the assessor and of the chairperson of the conference board. The department shall review the plan to determine whether the plan is sufficient to achieve compliance. Within 30 days of receipt of the plan, the department shall notify the assessor and the chairperson of the conference board that it has accepted the plan or that it is necessary to submit an amended plan of action.

By January 1 of the assessment year following the calendar year in which the plan was submitted to the department, the conference board shall submit a report to the department verifying that the plan of action was followed and compliance has been achieved. The department may conduct a field inspection to ensure that the assessor is in compliance. By January 31, the department shall notify the assessor and the conference board, by restricted certified mail, either that compliance has been achieved or that the assessor remains in noncompliance. If the department determines that the assessor remains in noncompliance, the department shall take steps to withhold up to 5 percent of the reimbursement payment authorized in Iowa Code section 425.1 until the director of revenue determines that the assessor is in compliance.

If the conference board disputes the determination of the department, the chairperson of the conference board may appeal the determination to the state board of tax review.

This rule is intended to implement Iowa Code Supplement section 441.21.
