*q.* To delegate to IVH the authorization to enroll the member in Medicare Part B and Medicare Part D. The premium shall be deducted from the member's social security or paid monthly with the member's funds.

*r.* To assign the benefits of Medicare Part B, Medicare Part D and other medical insurances to IVH. The cost of Medicare Part B, Medicare Part D and other medical insurances shall be used as an offset to the aggregate semiannual per diem rate calculation according to the particular level of care as calculated in January and July of each year for the preceding six months and effective March 1 and September 1.

**10.12(2)** The member or legal representative is responsible for the full payment of the member's support charges within the calendar month that the monthly support bill is received. Failure to pay a monthly support bill within 30 days of issuance may result in discharge from IVH unless prior arrangements have been made.

**10.12(3)** In those instances when a legal representative is responsible for the handling of the member's resources, the legal representative shall keep any records necessary and provide all information or verification required for the computation of member support as set out in rule 801—10.14(35D). *b.* If a member chooses a medical facility other than a DVA medical center or other medical facility as referred by IVH medical staff, the member is responsible for costs resulting from care at the medical facility chosen.

[ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter; ARC 2675C, IAB 8/17/16, effective 9/21/16]

**801—10.13** Reserved.

**801—10.14(35D) Computation of member support.** As a condition of admittance to and residency in IVH, each member is required to contribute toward the cost of that member's care based on that member's resources and ability to pay.

**10.14(1)** A monthly member support bill shall be sent to the member or legal representative charging the member for care in the previous month with any necessary adjustment for prior months. A member shall be required to pay member support charges from the member's liquid assets and long-term care insurance benefits and from the member's income. The monthly member support charge shall be the billable days, as set out in subrule 10.14(3), multiplied by the appropriate per diem from rule 801—10.15(35D). This amount shall be reduced by any offsets as set out in subrules 10.15(2) and 10.15(3). The member or legal representative shall pay an amount not to exceed the amount calculated based on the resources available for the cost of care as set out in this chapter.

**10.14(2)** Title XIX residents. If a member is certified as eligible and participating in the Title XIX program, the amount of payment shall be determined by the department of human services income maintenance worker.

**10.14(3)** Billable days (non-Title XIX). Billable days for members not participating in the Title XIX program shall be counted as follows:

*a.* All days in the month for which the member received care (in-house).

*b.* All leave days in excess of the 12 free days up through the fifty-ninth leave day. Any leave days in excess of 59 days shall be considered billable, and the member must pay the full support rate, not the amount determined by resources.

c. The first ten days of each hospitalization. On the eleventh day the member's bed shall be held without charge until the termination of hospital stay and member returns to IVH. A hospital stay may occur more than once in a calendar year.

[ARC 8014B, IAB 7/29/09, effective 7/10/09; ARC 2675C, IAB 8/17/16, effective 9/21/16]

#### **801—10.15(35D) Per diems.**

**10.15(1)** For members not participating in the Title XIX program, the per diem by which the billable days shall be multiplied shall be established as follows:

*a. Nursing level of care.*

(1) The charge for care is the per diem rate calculated in January and July of each year for the preceding six-month period and is submitted by IVH to the Iowa Medicaid enterprise of the department of human services.

(2) The updated per diem rate shall be effective semiannually on March 1 and September 1 of each year.

(3) Members or financial legal representatives shall be sent a notice one month in advance of the rate change.

*b. Domiciliary level of care.*

(1) The total cost of care per member shall be determined in January and July of each year for the preceding six-month period and calculated in a manner similar to the nursing level of care. This cost shall be the updated per diem rate.

(2) The per diem rate shall be adjusted semiannually on March 1 and September 1 of each year.

(3) Members or financial legal representatives shall be sent a notice one month in advance of the rate change.

**10.15(2)** Veteran members for whom IVH receives a per diem from the DVA (under Title 38). IVH shall consider this per diem as a third-party reimbursement to the charge for care and shall be an offset to the member support bill. The offset of the per diem received (billed to DVA) shall be shown as an offset for the month billed. The provisions of 38 U.S.C. 1745(a), which were established by Section 211 of the Veterans Benefits, Health Care, and Information Technology Act of 2006 (Public Law 109-461), set forth a mechanism for paying a higher per diem rate for certain veterans who have service-connected disabilities and are receiving nursing home care in state homes. If IVH receives this higher per diem rate from the DVA, the member will not have a support charge from IVH.

**10.15(3)** The daily per diem charge shall be reduced by an amount equal to the appropriate Medicare Part B and Medicare Part D premiums paid by the enrolled member.

**10.15(4)** For members carrying other medical insurance upon admission and continuing to carry other medical insurance after admission. The member support charge shall be reduced by an amount equal to the other medical insurance premium.

**10.15(5)** For members not eligible for Title XIX medical assistance. The member support charge shall be reduced in accordance with subrules 10.15(2), 10.15(3) and 10.15(4), if applicable. The member shall then contribute all remaining available resources up to the charge for care.

Members receiving DVA pension and aid and attendance shall be considered as having used the amount equal to aid and attendance first in payment for their care at IVH.

**10.15(6)** Payment of support is due within ten business days after the monthly support bill is received or ten business days after the member's last income deposit for that month.

*a.* If payment is not received by IVH within 30 days following the due date, a notice of discharge may be issued.

*b.* If there are extenuating circumstances, the member or legal representative should meet with the commandant or designee to work out a schedule of payments.

[ARC 8014B, IAB 7/29/09, effective 7/10/09; ARC 2675C, IAB 8/17/16, effective 9/21/16]

**801—10.16(35D) Assets.** The following rules specify the treatment of assets, as defined in rule 801—10.1(35D), in the payment of member support as described in rule 801—10.14(35D). Only liquid assets shall be considered in the payment of member support.

**10.16(1)** For members who have applied for and are eligible to receive Title XIX medical assistance, rule 441—75.5(249A) shall apply. Financial eligibility for Title XIX shall be determined by the department of human services income maintenance worker.

**10.16(2)** For members not eligible for Title XIX medical assistance, the following rules apply:

*a. Assets considered.* The assets considered shall include all assets owned by the member, or if married, both the member and the spouse living in the community, except for the following:

(1) The homestead is exempt as follows: The exempt homestead is defined as the house, used as a home, and may contain one or more contiguous lots or tracts of land, including buildings and appurtenances. Contiguous means that portions of the homestead cannot be separated from the home by intervening property owned by others. However, the homestead is considered contiguous if portions of it are separated from the home only because of roads or other public rights-of-way. Property that is not exempt as part of the homestead shall be treated in accordance with the rules of this chapter.

The homestead, as defined, can retain its exempt status for a period of time not to exceed 36 months, while the member, spouse and dependents are temporarily absent, provided the following conditions are met:

1. There is a specific purpose for the absence.
2. The member, spouse or dependents intend to return to the homestead when the reason for the absence has been accomplished.
3. The member, spouse or dependents can reasonably be expected to return to the home during the 36-month time limitation.
4. If a person is an applicant at the time the homestead becomes vacant due to the absence of the applicant, spouse or dependents, the first month of the 36-month period is the month of admission to IVH.
5. If a person is a member when the homestead becomes vacant due to the absence of the member, spouse or dependents, the first month of the 36-month period is the month following the month in which the homestead is vacated.
6. Any homestead that does not qualify for this exemption or any homestead that is vacant for a period of time exceeding the 36-month limit shall be treated in accordance with subrule 10.16(3).
  - (2) Household goods, personal effects and one motor vehicle.
  - (3) The value of any burial spaces held for the purpose of providing a place for the burial of the member, spouse or any other member of the immediate family.
  - (4) Exempt income-producing property includes, but is not limited to, tools, equipment, livestock, inventory and supplies, and grain held in storage.
  - (5) Other property essential to the means of self-support of either the member or spouse as to warrant its exclusion under the Supplemental Security Income program.
  - (6) Assets of a blind or disabled person who has a plan for achieving self-support as determined by the division of vocational rehabilitation or the department of human services.
  - (7) Assets of Native Americans belonging to certain tribes arising from judgment fund and payments from certain land and subsurface mineral rights. This does not include per capita payments from casino proceeds.
  - (8) Any amounts arising from Public Law 101-239 which provides assistance to veterans under the Agent Orange product liability litigation.
  - (9) Assistance under the Disaster Relief Act and Emergency Assistance Act or other assistance provided pursuant to federal statute as a result of a presidential disaster declaration and interest earned on these funds for the nine-month period beginning on the date these funds are received or for a longer period where good cause is shown.
  - (10) An amount that is irrevocable and separately identifiable, having a principal amount not in excess of a predetermined amount set by the department of human services, without an itemized billing, for the member or spouse to meet the burial and related expenses of that person.
  - (11) Federal assistance paid for housing occupied by the spouse living in the community.

(12) Assistance from a fund established by a state to aid victims of crime for nine months from receipt when the client demonstrates that the amount was paid as compensation for expenses incurred or losses suffered as a result of a crime.

(13) Relocation assistance provided by a state or local government to a member or spouse comparable to assistance provided under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 which is subject to the treatment required by Section 216 of the Act.

(14) Any other asset excluded by statute.

*b. Assets of a single member.* When liquid assets not exempted in paragraph “a” above are equal to or exceed \$2,000, those liquid assets shall be considered an available resource for the payment of member support. These assets shall be considered available for payment of member support until such time that the remaining liquid assets total less than \$500, but leaving at least \$140.

*c. Assets of a married member with spouse in a care facility.* If a member’s spouse is residing in a nursing facility, the member shall be treated as a single member for asset determination purposes. If the member and the spouse become members of IVH on the same day, all resources of both members shall be added together and split one-half to each member for asset determination purposes. If the spouse is residing in a residential care facility, the rules pertaining to a spouse living in the community apply.

*d. Assets of a married member with spouse living in the community.* When liquid assets not exempted in paragraph “a” above are equal to or exceed \$2,000, those liquid assets shall be considered an available resource for the payment of member support. These assets shall be considered available for payment of member support until such time that the remaining liquid assets total less than \$500, but leaving at least \$140.

The assets attributed to the member shall be determined from the documented assets of both the member and spouse living in the community as of the first day of admission to IVH. All resources of both the member and the spouse shall be added together. If the total resources are less than \$24,000 (the amount set by 441 IAC 75.5(3) “d” and “f,” Public Law 100-365 and Public Law 100-485), then that amount shall be protected for the spouse living in the community. If applicable, the next \$24,000 shall be awarded to the member. Any resources over \$48,000 shall be split one-half to the member and one-half to the spouse up to a predetermined amount set by the department of human services. All resources over the predetermined amount shall be awarded to the member unless it is determined that the member would never be eligible for Medicaid benefits; in this circumstance, assets will be split one-half to the member and one-half to the spouse. Other resources attributed to the spouse living in the community shall be determined by the department of human services through the attribution process.

(1) If the member has transferred assets to the spouse living in the community under a court order for the support of the spouse, the amount transferred shall be the amount attributed to the spouse to the extent it exceeds the specified limits above.

(2) After the month in which the member is admitted, no attributed resources of the spouse living in the community shall be deemed available to the member during the continuous period in which the member is at IVH. Resources which are owned wholly or in part by the member and which are not transferred to the spouse living in the community shall be counted in determining member support. The assets of the member shall not count for member support to the extent that the member intends to transfer and does transfer the assets to the spouse living in the community within 90 days.

(3) Report of results. The department of human services shall provide the member and spouse and legal representative, if applicable, a report of the results of the attribution. The report shall state that either has a right to appeal the attribution in accordance with rule 801—10.45(35D).

*e. Exception based on estrangement.* When it is established by a disinterested third-party source and confirmed by the commandant or designee that the member is estranged from the spouse living in the community, member support shall be determined on the basis of resources of a single member.

**10.16(3)** When a member owns an available, nonliquid, nonexempt asset, the value of which would affect the computation of member support as described in rule 801—10.14(35D), the asset shall be liquidated. The value of that asset shall be considered in the computation of member support. The following paragraphs are to be considered when liquidating assets:

*a.* Net market value, or equity value, is the gross price for which property or an item can be sold on the open market less any legal debts, claims or liens against the property or item. IVH shall consider the condition and location of an item or property and local market conditions in determining the gross sales price of the item or property. In order for a loan or claim to be considered a lien or encumbrance against an asset, the loan or claim must be made under circumstances that result in the creditors having a recorded legal right to satisfy the debt.

*b.* An asset must be available in order for it to be treated in accordance with the rules of this chapter. An asset is considered available when:

(1) The member owns the property in part or in full and has control over it; that is, it can be occupied, rented, leased, sold or otherwise used and disposed of at the member's discretion; and

(2) The member has a legal interest in a liquidated sum and has the legal ability to make the sum available for member support.

*c.* A member must take all appropriate action to gain title and control of any asset of which the value would affect the computation of member support.

*d.* The value of the asset may be adjusted if the member or legal representative:

(1) Advertises the asset for sale, through appropriate methods, on a continual basis.

(2) Lists the asset with a real estate broker or other agent appropriate to the asset.

(3) Asks a reasonable price which is consistent with the asking price of similar items of property in the community.

(4) Does not refuse a reasonable offer.

(5) Does not sell the asset for an unreasonably low price.

*e.* Cash proceeds from the sale of an asset, conversion of an asset to cash, or receipt of any cash asset as defined in rule 801—10.1(35D) shall be used in the computation of member support beginning with the calendar month of receipt.

[ARC 8014B, IAB 7/29/09, effective 7/10/09; ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 2675C, IAB 8/17/16, effective 9/21/16]

### **801—10.17(35D) Divestment of assets.**

**10.17(1)** “Intentional divestment of assets” means:

*a.* To knowingly sell, give or transfer by member or legal representative for less than fair market value, any asset, the value of which would affect member support; or

*b.* To knowingly and voluntarily place an asset, the value of which would affect member support, under a trust or other legal instrument that ends or limits the availability of that asset.

**10.17(2)** Transfers of resources shall be presumed to be divestiture unless the individual furnishes convincing evidence to establish that the transaction was exclusively for some other purpose. In addition to giving away or selling assets for less than fair market value, examples of transferring resources include, but are not limited to, establishing a trust, contributing to a charity or other organization, removing a name from a joint bank account, or decreasing the extent of ownership interest in a resource or any other transfer as defined in the Supplemental Security Income program.

*a.* Convincing evidence to establish that the transaction was not a divestiture may include documents, letters, and contemporaneous writings, as well as other circumstantial evidence.

*b.* In rebutting the presumption that the transfer was a divestiture, the burden of proof is on the individual to establish:

(1) The fair market value of the compensation;

(2) That the compensation was provided pursuant to an agreement, contract, or expectation in exchange for the resource; and

(3) That the agreement, contract, or expectation was established at the time of transfer.

**10.17(3)** An applicant or legal representative shall not knowingly and intentionally divest an asset, as set out in subrule 10.17(1), within the period established by Title XIX statute prior to admission, with the intention of reducing the applicant's member support or of obtaining admission to IVH.

When it is determined by the commandant or designee that an applicant did intentionally divest an asset, upon admission that applicant shall be charged member support as if divestment did not occur.

**10.17(4)** A member or legal representative shall not knowingly and intentionally divest an asset, as described in subrule 10.17(1), while a member with the intention of reducing the member support.

When it is discovered that a member or legal representative improperly divested an asset(s), that member shall be charged member support as if divestment did not occur.

**801—10.18(35D) Commencement of civil action.** The commandant or designee may file a civil action for money judgment against a member or discharged member or the member's legal representative for support charges when the member or discharged member fails to pay member support in accordance with 801—Chapter 10.

**801—10.19(35D) Income.** This rule describes the treatment of income, as defined at rule 801—10.1(35D), in the computation of member support as described at rule 801—10.14(35D).

**10.19(1)** For members who are eligible for Title XIX medical assistance, rule 441—75.5(249A) shall apply. For those members participating in the Title XIX medical assistance program, the difference between the \$140 personal needs allowance and the Title XIX personal needs allowance shall be returned to the member out of individual member participation.

**10.19(2)** For members who are not eligible for Title XIX, the following shall apply:

*a.* The following types of income are exempt in the computation of member support:

- (1) The earned income of the spouse or dependents.
  - (2) Unearned income restricted to the needs of the spouse or dependents (social security, DVA, etc.).
  - (3) Any other income that can be specifically identified as accruing to the spouse or dependents.
  - (4) Nonrecurring gifts, contributions or winnings, not to exceed \$60 in a calendar quarter.
  - (5) Interest income of less than \$20 per month from any one source.
  - (6) State bonus for military services.
  - (7) Any earnings received by a member for that member's participation in money-raising activities administered by veterans' organizations or auxiliaries (i.e., poppies).
  - (8) Any money received by a member from the sale of items resulting from a therapeutic activity (i.e., items sold in the IVH gift shop).
  - (9) The first \$150 received by a member in a month for participation in the incentive therapy or other programs as described in rule 801—10.30(35D), for members in the domiciliary level of care. For members in the nursing level of care, the first \$75 shall be exempted.
  - (10) Personal loans.
  - (11) In-kind contributions to the member.
  - (12) Title XIX payments.
  - (13) Yearly DVA compensation clothing allowance for those who qualify.
  - (14) Other income as specifically exempted by statute.
  - (15) Any income similar in its origin to the assets excluded in subparagraphs 10.16(2) "a"(6) and (7).
  - (16) Income from employment as outlined in the IVH discharge planning policy (IVH policy #265).
- b.* Personal needs allowance. All members shall have an amount exempted from their monthly income intended to cover the purchase of clothing and incidentals.
- (1) All income up to the first \$140 shall be kept as a personal needs allowance.
  - (2) The personal needs allowance shall be subtracted from the member's income prior to determination of moneys to which the spouse may be entitled.
- c.* Any type of income not specifically exempted shall be considered for the payment of member support as provided in rule 801—10.14(35D).

*d.* Determining income from property.

(1) Nontrust property. Where there is nontrust property, income paid in the name of one person shall be available only to that person unless the document providing income specifies differently. If payment of income is in the name of two persons, one-half is attributed to each. If payment is in the name of several persons, the income shall be considered in proportion to their ownership interest. If the

member or spouse can establish different ownership by a preponderance of evidence, the income shall be divided in proportion to the ownership.

(2) Trust property. Where there is trust property, the payment of income shall be considered available as provided in the trust. In the absence of specific provisions in the trust, the income shall be considered as stated above for nontrust property.

*e.* The amount of income to consider in the computation of member support shall be as follows:

(1) Regular monthly pensions and entitlements. The amount of income to be considered is the gross amount of the monthly entitlement or pension received less any medical insurance premium deductions.

(2) Investments or nonrecurring lump sum payments. Net unearned income from investments or nonrecurring lump sum payments shall be determined by deducting income-producing costs from the gross unearned income. Income-producing costs include, but are not limited to, brokerage fees, property manager's salary, maintenance costs and attorney fees.

(3) Property sold on contract. The amount of income to consider shall be the amount received minus any payments for mortgage, taxes, insurance or assessments still owed on the property and payable by the contract holder.

(4) Earned income from a rental, sole or partnership enterprise. The amount of income to consider shall be the net profit figure as determined for the Internal Revenue Service on the member's income tax return.

EXCEPTION: The deductions of the previous year's state and federal taxes and depreciation on the income tax return are not allowable deductions for the purpose of the computation of member support. If a tax return is not available, the member or legal representative shall provide all information and verification needed in order to correctly compute member support.

(5) Partnership income. The member's share of the net profit shall be determined in the same manner as the partnership percentage as determined for the Internal Revenue Service's purposes.

**10.19(3)** Member income diversion to dependent spouse not living at IVH. A portion of the member's income shall be diverted to the spouse according to the following:

*a.* Spouse living in the community. One-half the income in exclusion of an amount equal to aid and attendance and after reduction of personal needs allowance.

*b.* Spouse permanently in another nursing home. Member shall be treated as single. If the member is in receipt of a DVA pension, the amount of income provided the spouse would be the DVA pension dependency amount.

*c.* Spouses living in a residential care facility. Spouses shall be treated under the same rules as a spouse living in the community in accordance with paragraph 10.19(3) "a."

*d.* All current court order proceedings and guardian/conservatorship appointments regarding financial obligations shall be honored.

**10.19(4)** Income disbursements.

*a.* All diversions to spouse or valid court orders shall be mailed or sent electronically as designated or on a monthly basis.

*b.* All checks or electronic payments shall be sent to the proper recipient no later than the eighth day of any given month or, at IVH's option, five business days after the member's last income deposit for that month.

*c.* Monthly income disbursements to a community spouse may be delayed or canceled if there is an overdue amount owed for support payments.

### **801—10.20(35D) Other income.**

**10.20(1)** When a member receives regular monthly payments of unearned income, it shall be included in the resources available for the payment of member support.

**10.20(2)** When a member receives periodic recurring income which is received less frequently than monthly, this countable income, after the deduction of any allowable income-producing expenses, shall be considered in the month received.

**10.20(3)** When a member receives a nonrecurring retroactive payment from a specific entitlement source for a prior period of time, it shall be considered as income in the month received. The aid and attendance amount of the DVA pension shall be computed as a manual adjustment (available to member due to IVH nursing care).

**10.20(4)** Income from a particular source is considered terminated as of the date the member receives the last income payment from that source or the date that a sole or partnership enterprise ends, whichever is later.

**10.20(5)** When income from a particular source decreases in a calendar month, the decrease in income shall be considered in the computation of that month's member support. Income from a particular source is considered to be decreased as of the date the member receives the first income payment in the decreased amount.

**10.20(6)** When income from a particular source increases in a month, the increase in income shall be considered in the computation of that month's member support. Income from a particular source is considered to be increased as of the date the member receives the first income payment in the increased amount.

**10.20(7)** Recurring lump sum payments shall be treated as income in the month received.

**10.20(8)** Nonrecurring lump sum payments earned prior to admission, regardless of when received, shall not be counted as income but may be considered as an available liquid asset.

**10.20(9)** Any income as defined in rule 801—10.20(35D) that exceeds the member support billing for that month shall thereafter be considered a liquid asset available under rule 801—10.16(35D).

**10.20(10)** Employment is only allowed as identified in the IVH discharge planning policy (IVH policy #265).

[ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter]

**801—10.21(35D) Fraud.** Applicants, members or legal representatives who knowingly conceal the existence of resources may be subject to the billing of full member support, discharge for failure to pay for member's care or denial of admission. Further, members who knowingly conceal liquid assets or income which would have affected member support shall be charged for the amount not previously billed due to the fraudulent act. If upon admission it is determined that medical or other pertinent information provided during the application process was fraudulent, notice of discharge may be issued. In addition, any applicant, member or legal representative suspected of fraud may be referred to the department of inspections and appeals, division of investigations, for possible criminal or civil action. The attorney general's office shall conduct the investigation.

**801—10.22(35D) Overcharges.** When it is discovered that a member was charged for support in excess of the amount actually due, the member shall receive a refund or credit to the member's account. If the member is discharged or deceased, a refund shall be conveyed to the member or legal representative.

**801—10.23(35D) Penalty.**

**10.23(1)** All members who have resources in excess of the full support rate shall be charged the full support rate. If any member does not apply for all benefits due (such as, but not limited to, Title XIX, DVA pension, DVA compensation, social security, or any combination), fails to report resources accurately in order to not pay full support, or refuses to accept the available billing programs offered at IVH, that member shall be charged up to full support rate as if these responsibilities had been followed. Failure to comply with these rules may result in discharge from IVH.

**10.23(2)** If a member is required to pay full member support under these rules, the monthly charge shall be calculated as the per diem in paragraph 10.15(1) "a" or 10.15(1) "b" times the billable days less any offsets. The only exception to this monthly charge will be the additional amount of aid and attendance in the DVA retroactive payment for the time period of nursing care at IVH. This amount, in total, shall be due regardless of resources available. If a member is required to pay member support based on additional resources, these figures shall be obtained from the appropriate agencies.

[ARC 2675C, IAB 8/17/16, effective 9/21/16]

**801—10.24 to 10.29** Reserved.

**801—10.30(35D) Incentive therapy and nonprofit rehabilitative programs.** Members may be offered the opportunity to perform services for IVH through the incentive therapy program as part of their plan of care. Participating members shall be compensated at the state's minimum wage for their involvement in the incentive therapy program. If members enrolled in nonprofit rehabilitative programs receive an income from such programs, that income shall be treated in the same manner as the incentive therapy program or IVH policy.

This rule is intended to implement Iowa Code section 35D.7(3).  
[ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter; ARC 2675C, IAB 8/17/16, effective 9/21/16]

**801—10.31 to 10.34** Reserved.

**801—10.35(35D) Handling of pension money and other funds.** Each member who has not been assigned a guardian, conservator, fiduciary or representative payee or has not designated a power of attorney while having adequate decision-making capacity or as otherwise specified may manage that member's own personal financial affairs. Upon the receipt of written authorization from the member or legal representative by the commandant or designee, the commandant or designee may assist the member in the management of the member's financial affairs.

**10.35(1)** Pension money or other funds deposited with IVH are not assignable except as specified at subrule 10.19(3) or 10.40(2) "b"(1).

**10.35(2)** If authorized by a member, the commandant or designee may act on behalf of that member in receiving, disbursing, and accounting for personal funds of the member received from any source subject to the requirements of Iowa Code section 135C.24. The authorization may be given or withdrawn in writing by the member or legal representative at any time. The authorization shall not be a condition of admission to or retention at IVH.

**10.35(3)** IVH shall maintain a commercial account with a federally insured bank for the personal deposits of its members. The account shall be known as the IVH membership account/rep payee for social security/VA beneficiaries. The commandant or designee shall record each member's personal deposits individually and shall deposit the funds in the membership account where the members' deposits shall be held in the aggregate. Interest shall accrue on those accounts that are on deposit the last working Friday of each month. IVH may withdraw moneys from the account maintained pursuant to this subrule to establish certificates of deposit for the benefit of all members.

**10.35(4)** If authorized in writing by the member or legal representative, the commandant or designee may make withdrawals against that member's personal account to pay regular bills and other expenses incurred by the member. The authorization may be given or withdrawn in writing by the member or legal representative at any time. The authorization shall not be a condition of admission to or retention at IVH.

**10.35(5)** The commandant or designee shall maintain a written record of each member's funds which are received by or deposited with IVH. The member or legal representative shall receive a monthly statement showing deposits, withdrawals, disbursements, interest and current balances. If the commandant or designee is made representative payee or fiduciary for the member's financial transactions, this statement shall be maintained in the member's administrative file.

**10.35(6)** Except as otherwise specified and unless the commandant or designee has been appointed representative payee or fiduciary, funds deposited with IVH shall be released to the member or legal representative upon request. A statement will be provided showing deposits, disbursements, interest, and the final balance at the time the funds are withdrawn. When the member continues to maintain residency at IVH, the funds shall be released and a statement provided within three working days following the request. When a member is being discharged from IVH, the funds shall be released and a statement provided no later than the tenth day of the month following the month of discharge.

**10.35(7)** Upon the death of a member with personal funds deposited with IVH, IVH will first take payment for the final support bill, which may include debts owed to the IVH arts and crafts and ceramics

program. If funds remain, IVH, upon receipt of documentation of the outstanding balance, will convey promptly the member's funds to the funeral home or to the individual paying last funeral expenses. IVH will notify promptly the estate recovery program of the death of any IVH resident who has been on Title XIX. Upon IVH's receipt of notification from the estate recovery program, any funds remaining in the deceased resident's membership account will be disbursed according to the deceased resident's directions. If probate papers are produced, a final accounting of those funds must also be provided to the individual administering the member's estate along with a disbursement of any remaining funds. If the value of the member's estate is so small as to make the granting of administration inadvisable, IVH must hold, then deliver all money plus interest within one year to the proper heirs equally or adhere to the member's request in the member's last will and testament.

**10.35(8)** A member discharged while on leave from IVH shall have the member's account closed before the first of the month following discharge.

This rule is intended to implement Iowa Code sections 35D.11(2) and 35D.12(2).

[ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter; ARC 2675C, IAB 8/17/16, effective 9/21/16]

### **801—10.36(35D) Leave, bed holds and 96-hour passes.**

#### **10.36(1) *Non-Title XIX members.***

*a.* Members are free to leave IVH grounds unless contraindicated by medical determination. In cases where it is determined to be medically contraindicated and a member chooses to leave, the member or legal representative must sign "Discharge Against Medical Advice," Form 475-0940.

*b.* Leaves are required if the member expects to be absent past midnight.

*c.* All leaves other than free time shall require payment of member support charges as though the member were in residency. Failure to pay regular member support charges may result in discharge of the member. Leave length may be changed by notification from the member or legal representative to the nursing unit social worker or domiciliary office.

*d.* Hospital leaves. Leaves spent in approved medical facilities away from IVH shall not be counted against the 59-day leave time limit as set out in paragraph 10.14(3) "b."

Hospital leaves shall be granted and the charges for such leaves shall be as follows: During the first ten consecutive days of any hospital stay, the member shall pay the regular and usual assessed charge for the member's level of care. Beginning on the eleventh day through the remainder of the hospitalization, the member shall not be charged. Each monthly member support bill shall reflect any adjustments related to hospitalization.

Leaves to other medical facilities for the purpose of treatment shall be treated as hospital leaves.

*e.* General leaves.

(1) Twelve days of leave time each calendar year shall be free time.

(2) The member shall be charged the usual support charge for leave time over 12 days up to and including 59 days.

(3) The member shall be charged the full support rate for the level of care in which the member resides for leave time over 59 days.

(4) Leave time is not cumulative from one calendar year to another calendar year.

(5) Leave time the member has not utilized or cannot utilize shall not be credited toward the member's support.

(6) Support charges for the member on leave who wishes to retain the member's room or bed shall be due and payable as though the member were in residency as set forth in paragraph 10.36(1) "c."

*f.* When the nursing care member is on leave, the member shall remain on in-house status for the first 12 leave days per calendar year for DVA per diem purposes and IVH shall be financially responsible for medical expenses, which include deductibles, co-pays and the member's share after all insurance has been filed and paid to the medical facility, unless the medical expenses are assumed by the member or legal representative in relation to choice of medical facility.

g. When a member has used 12 non-hospital leave days, IVH is not financially responsible for any medical charges for the member while on leave.

**10.36(2) Members who are receiving Title XIX benefits.**

a. Members are free to leave IVH grounds unless contraindicated by medical determination. In cases where it is determined to be medically contraindicated and a member chooses to leave, the member or legal representative must sign "Discharge Against Medical Advice," Form 475-0940.

b. A leave as set out in paragraph 10.36(1) "b" is required if a member expects to be absent past midnight.

c. The member's bed shall be held while the member is visiting away from IVH for a period not to exceed 18 days in any calendar year. There is no restriction as to the amount of days taken in any one month or during any one visit, as long as the days taken in the calendar year do not exceed 18. Additional days shall be allowed if the member's medical provider recommends in the plan of care that additional days would be rehabilitative.

d.
