- b. Pertains to subject matters which integrally relate to the practice of the profession;
- c. Is conducted by individuals who have specialized education, training and experience by reason of which said individuals should be considered qualified concerning the subject matter of the program.

At the time of audit, the board may request the qualifications of presenters;

- d. Fulfills stated program goals, objectives, or both; and
- e. Provides proof of attendance to licensees in attendance including:
  - (1) Date, location, course title, presenter(s);
  - (2) Number of program contact hours; and
  - (3) Certificate of completion or evidence of successful completion of the course provided by the course sponsor.

a. Licensees may obtain continuing education hours of credit by:

- (1) Attending workshops, conferences, or symposiums.
- (2) Accessing online training, such as viewing interactive conferences, attending webinars, or completing online training courses.

(3) Completing an American Physical Therapy Association-approved postprofessional clinical residency or fellowship. A licensee will receive 1 hour of credit for every 2 hours spent in clinical residency, up to a maximum of 20 hours. Clinical residency hours may not be used for credit if the licensee is also seeking credit hours earned for postprofessional academic coursework in the same renewal period.

(4) Directly supervising students for clinical education if the physical therapist or physical therapist assistant who is supervising is an American Physical Therapy Association Advanced Credentialed Clinical Instructor and if the student being supervised is from an accredited physical therapist or physical therapist assistant program and is participating in a full-time clinical experience (defined as approximately 40 hours per week, ranging from 1 to 18 weeks). One hour will be awarded for every 160 contact hours of supervision. A maximum of 8 hours for a physical therapist and 4 hours for a physical therapist assistant may be awarded per biennium. The physical therapist or physical therapist assistant must have documentation from the accredited educational program indicating the number of hours spent supervising a student.

(5) Presenting professional programs that meet the criteria listed in this rule. Two hours of credit will be awarded for each hour of presentation for the first offering of the course. A course schedule or brochure must be maintained for audit.

Official transcripts indicating successful completion of academic courses that apply to the field of physical therapy will be necessary in order for the licensee to receive the following continuing education credits:

- 1 academic semester hour = 15 continuing education hours of credit
- 1 academic trimester hour = 12 continuing education hours of credit
- 1 academic quarter hour = 10 continuing education hours of credit

(7) Teaching in an approved college, university, or graduate school. The licensee may receive the following continuing education credits on a one-time basis for the first offering of a course:

Verification of participation must be provided by the professional organization to document the continuing education credit.

*b.* Continuing education hours of credit in the following topics are not considered to be directly and primarily related to the clinical application of physical therapy and therefore must not exceed a maximum combined total of 10 hours of credit for a physical therapist licensee and 5 hours of credit for a physical therapist assistant licensee:

(1) Business-related topics, such as marketing, time management, government regulations, and other like topics.
