- a. A growler shall bear a cap, lid, stopper, or plug.
- b. A plastic heat shrink wrap band, strip, or sleeve shall extend around the cap or lid or over the stopper or plug to form a seal that must be broken upon the opening of the growler. A lid permanently affixed with a can seamer shall not require a plastic heat shrink wrap band, strip, or sleeve.
- c. The heat shrink wrap seal shall be so secure that it is visibly apparent when the seal on a growler has been tampered with or a sealed growler has otherwise been reopened.
- d. A growler shall not be deemed an open container, subject to the requirements of Iowa Code sections 321.284 and 321.284A, provided the sealed growler is unopened and the seal has not been tampered with and the contents of the growler have not been partially removed.

4.11(4) Restrictions.

- a. A growler shall not be filled in advance of a sale.
- b. A growler filled pursuant to this rule shall not be delivered or direct-shipped to a consumer.
- c. A growler filled pursuant to this rule shall not be sold or otherwise distributed to a retailer.
- d. A licensee or permittee or a licensee's or permittee's employees shall not allow a consumer to fill or refill a growler.
- e. The filling, refilling, and selling of a growler shall be limited to the hours in which alcoholic beverages may be legally sold.
- f. A filled or refilled growler shall not be sold to any consumer who is under legal age, intoxicated, or simulating intoxication.
- g. An original container shall only be opened on the premises of a class "B" or class "B" native wine permittee for the limited purposes of filling or refilling a growler as provided in this rule, or for a tasting in accordance with rule 185—16.7(123).

4.11(5) Violations. Failure to comply with the requirements and restrictions of this rule shall subject the licensee or permittee to the penalty provisions provided in Iowa Code chapter 123.

This rule is intended to implement Iowa Code sections 123.172, 123.178, 123.178A, and 123.178B.
[ARC 5191C, IAB 9/23/20, effective 10/28/20]

185—4.12(123) Display of license, permit, or signs. All licenses, permits or signs issued by the division shall be prominently displayed in full view on the licensed premises.

This rule is intended to implement Iowa Code sections 123.4 and 123.30.

185—4.13(123) Outdoor service. Any licensee or permittee having an outdoor, contiguous, discernible area on the same property on which their licensed establishment is located may serve the type of alcoholic liquor or beer permitted by the license or permit in the outdoor area. After a licensee or permittee satisfies the requirements of this rule, they may serve and sell beer or liquor in both their indoor licensed establishment and in their outdoor area at the same time because an outdoor area is merely an extension of their licensed premise and is not a transfer of their license. A licensee or permittee, prior to serving in the outdoor area, must file with this division:

1. A new diagram showing the discernible outdoor area.
2. A letter from licensee or permittee telling what dates the outdoor area will be used.
3. A letter from local authority approving the outdoor area.
4. A letter from the insurance and bonding companies acknowledging that the outdoor area is covered by the dramshop insurance policy and the bond.

This rule is intended to implement Iowa Code sections 123.3(20), 123.4 and 123.38.

185—4.14(123) Revocation or suspension by local authority. When the local authority revokes or suspends a beer permit, wine permit, or liquor control license, they shall notify the division in written

form stating the reasons for the revocation or suspension and in the case of a suspension, the length of time of the suspension.

This rule is intended to implement Iowa Code sections 123.4 and 123.39.

185—4.15(123) Suspension of liquor control license, wine permit, or beer permit. At the time of the suspension of any license, wine permit, or beer permit by the division, there shall be placed, in a conspicuous place in the front door or window of the licensed establishment, a placard furnished by the division showing that the license or permit of that establishment has been suspended by the division and such placard shall also show the number of days and reason for the suspension. No licensee or permittee shall remove, alter, obscure or destroy said placard without the express written approval of the division.

This rule is intended to implement Iowa Code sections 123.4 and 123.39.

185—4.16(123) Cancellation of beer permits—refunds. A beer permittee, or the executor or administrator, may voluntarily surrender such permit to the division or to the local authority. When so surrendered to the division, the division will notify the local authority; state whether there is a complaint on file in the division office; and inquire if there are any complaints filed locally charging such permittee with violation of the laws that would make the permittee ineligible for a refund. When the permit is surrendered to the local authority, the local authority shall notify the division and inquire if there is a complaint on file with the division that would make the permittee ineligible for a refund. The local authority by itself, in the case of retail beer permits, shall make the refund on a quarterly use basis starting from the effective date of the permit. The local authority will complete, and send to the division, a cancellation certificate. The certificate is to be furnished by the division. The permit is to be attached to the cancellation certificate, if at all possible. The division must have all cancellations reported to them.

This rule is intended to implement Iowa Code sections 123.4 and 123.38.

185—4.17(123) Prohibited storage of alcoholic beverages and wine. No licensee shall permit alcoholic beverages and wine, purchased under authority of a retail license or retail permit, to be kept or stored upon any premises other than those licensed. However, under special circumstances, the administrator may authorize the storage of alcoholic beverages and wine on premises other than those covered by the license or permit. The administrator may allow class “D” liquor control licensees to store alcoholic liquor and wine in a bonded warehouse to be used for consumption in Iowa, under the authority of a class “D” liquor control license.

This rule is intended to implement Iowa Code sections 123.4 and 123.21(11).

185—4.18(123) Transfer of license or permit to another location. A licensee or permittee cannot transfer to anyone else the right to use the liquor license, wine permit, or beer permit of the licensee or permittee; the right of transfer is merely an opportunity for a licensee or permittee to use the licensee’s or permittee’s liquor license, wine permit, or beer permit at a different location. A liquor license, wine permit, or a beer permit may only be transferred within the boundaries of the local authority which approved the license or permit.

4.18(1) Permanent transfers. A person may obtain an application for a permanent transfer from the local authority or the division. The application must be approved by the local authority and sent to the division prior to the transfer. An endorsement from the insurance company holding the dramshop policy listing the new address must be sent to the division prior to the transfer. When the above requirements are met, the division shall issue an amended license or permit showing the new permanent address.

4.18(2) Temporary transfers. If the transfer of a license or permit is for the purpose of accommodating a special event or circumstance temporary in nature, the minimum time of transfer is hereby set at 24 hours and transfer time shall not exceed seven days. A letter from the local authority granting the temporary transfer must be sent to the division. The insurance company holding the dramshop policy must be notified of any change of address.

This rule is intended to implement Iowa Code sections 123.4 and 123.38.

185—4.19(123) Execution and levy on alcoholic liquor, wine, and beer. Judgments or orders requiring the payment of money or the delivery of the possession of property may be enforced against liquor control licensees and beer and wine permittees by execution pursuant to the provisions of Iowa Code chapter 626, entitled “Executions.”

4.19(1) A secured party as defined in Iowa Code section 554.9105(1) “m” may take possession of and dispose of a liquor control licensee’s or permittee’s alcoholic liquor, wine, and beer in which the secured party has a security interest in such collateral pursuant to the provisions of Iowa Code chapter 554. The secured party may operate under the liquor control license or permit of its debtor as defined in Iowa Code section 554.9105(1) “d” for the purpose of disposing of the alcoholic liquor, wine, and beer. However, if the debtor is a class “E” liquor control licensee, the secured party may not purchase alcoholic liquor from the division to continue to operate its debtor’s business. A secured party operating under the liquor control license or permit of its debtor shall dispose of the alcoholic liquor, wine, and beer by sale only to persons authorized under Iowa Code chapter 123 to purchase alcoholic liquor, wine, and beer from the debtor. When a secured party takes possession of a liquor control licensee’s or permittee’s alcoholic liquor, wine, and beer, the secured party shall notify the division in writing of such action. A secured party shall further inform the division of the manner in which it intends to dispose of the alcoholic liquor, wine, and beer and shall state the reasonable length of time in which it intends to operate under the liquor control license or permit of its debtor. The secured party shall notify the division in writing when the disposition of its collateral has been completed, and the secured party shall cease operating under the liquor control license or permit of its debtor.

4.19(2) A sheriff or other officer acting pursuant to Iowa Code chapter 626 may take possession of a liquor control licensee’s or permittee’s alcoholic liquor, wine, and beer and may dispose of such inventory according to the provisions of Iowa Code chapter 626; however, the sheriff or other officer must sell the alcoholic liquor, wine and beer only to those persons authorized by Iowa Code chapter 123 to purchase alcoholic liquor, wine, and beer from the liquor control licensee whose inventory is subject to the execution and levy. The sheriff or other officer shall notify the division in writing at the time the sheriff or officer takes possession of a liquor control licensee’s or permittee’s alcoholic liquor, wine, and beer and shall further notify the division of the time and place of the sale of such property.

This rule is intended to implement Iowa Code sections 123.4, 123.21(3), and 123.38.

185—4.20(123) Liquor store checks accepted. The Iowa state liquor stores and the division may accept checks from holders of a retail liquor control license, including a class “E” licensee, under the following conditions:

1. The check must be either the personal check of the licensee or the business check of the licensee. The business check must be the named establishment on the license and cannot be a check on another business owned or operated by the licensee.

2. The check must be signed by the licensee. (For all holders of liquor control licenses this is interpreted as those persons whose authorized signatures are on file with the bank for the licensee’s account). However, this does not preclude an agent of the licensee from presenting a check signed by the licensee in the normal transaction of buying liquor.

3. Traveler’s checks and bank drafts, signed by the licensee, will be accepted.

4. Personal checks or traveler’s checks may be accepted as payment for purchases in state liquor stores. Second party checks shall not be accepted as payment for purchases in state liquor stores. Vendors shall follow the policy established by the administrator of the division for accepting personal checks and traveler’s checks for the purchase of alcoholic beverages.

4.20(1) If a licensee presents this division with a check which is subsequently dishonored by the licensee’s bank, the administrator of this division shall cause a written notice of nonpayment and penalty to be served upon the licensee. If the licensee fails to satisfy the obligation within ten days after service of the notice, the administrator or designee shall hold a hearing as in other contested cases pursuant to Iowa Code chapter 17A to determine whether or not the licensee failed to satisfy the obligation within ten days after service of the notice of nonpayment and penalty. If the administrator determines that the licensee has failed to satisfy the obligation, after notice and an opportunity to be heard, the administrator

shall suspend the licensee's liquor control license for a period of not less than 3 and not more than 30 days.

4.20(2) A retail liquor establishment which tenders the division one insufficient funds check for the purchase of alcoholic liquor will lose its check-writing privilege for 90 days from the date the establishment pays the division even though the division does not suspend the liquor license because the establishment paid the division within the 10-day demand period. A retail liquor establishment which tenders the division more than one insufficient funds check for the purchase of alcoholic liquor will lose its check-writing privilege for 180 days from the date the establishment pays the division even though the division does not suspend the liquor license because the establishment paid the division within the 10-day demand period.

During the period that a licensee may not tender checks to the state liquor stores or this division in payment for alcoholic liquor, state liquor stores and this division may accept from the licensee: cash, money order payable to the division for the amount of the purchase, bank cashier's check signed by a bank official and made payable to the division for the amount of the purchase, or the licensee's personal or business check made payable to the division for the amount of the purchase which has been certified by the bank on which the check is drawn.

4.20(3) The division may collect from the licensee a \$10 fee for each dishonored check tendered to the division by a licensee for the purchase of alcoholic beverages.

4.20(4) The division may accept from the general public for alcoholic beverages traveler's checks issued in a foreign country if payment is in U.S. dollars.

4.20(5) The division may require, at the discretion of the administrator, that a licensee submit a letter of credit in a reasonable amount to be determined by the administrator for future purchases of alcoholic liquor from the division, when a licensee tenders to the division a check which is subsequently dishonored by the bank on which the check is drawn if the licensee fails to satisfy the obligation within ten days after service of notice of nonpayment and penalty.

This rule is intended to implement Iowa Code sections 123.4 and 123.24.

185—4.21(123) Where retailers must purchase wine. Retail licensees and retail permittees must purchase their wine from either a wine wholesaler or a wine and beer wholesaler. Retail licensees and retail permittees cannot buy wine from other retailers.

This rule is intended to implement Iowa Code subsections 123.30(3) and 123.178(3).

185—4.22(123) Liquor on licensed premises. Holders of liquor control licenses must purchase their liquor supplies from state liquor stores.

4.22(1) Exception to the above requirement. "Bona fide conventions or meetings" may bring their own legal liquor onto licensed premises under the following conditions:

a. "Bona fide conventions or meetings" shall be construed to mean an identifiable body of persons gathered together in furtherance of a specific common purpose or cause, whether political, fraternal, or business, including but not limited to structured club meetings and conventions, professional association functions, employer-employee gatherings and political dinners. Neither the mere purchase nor consumption of liquor nor the purchase of an admission ticket shall be deemed to create a specific common purpose or cause.

b. Liquor may be brought onto the licensed premises at a bona fide convention or meeting by either the sponsoring entity or the individuals comprising that entity.

c. Consumption or dispensation of liquor brought onto the licensed premises by a bona fide convention or meeting must be confined to the meeting place or convention rooms within the licensed premises.

d. The liquor must be served to the delegates or guests without cost.

e. At the completion of the convention or meeting, all liquor brought onto the licensed premises by the members of the convention or meeting must be removed from the licensed premises by those members.

f. All other laws and rules governing the license shall apply to dispensing and consumption of liquor at bona fide conventions or meetings, including hours for consumption and Sunday sales.

4.22(2) Reserved.

This rule is intended to implement Iowa Code sections 123.30, 123.46, and 123.95.

185—4.23(123) Liquor on unlicensed places. Liquor may be kept and consumed but not sold on unlicensed places under the following conditions:

4.23(1) Liquor may be kept and consumed in a private home at any time.

4.23(2) Liquor may be kept and consumed, by the guests or residents, in the residential or sleeping quarters of a hotel or motel at any time. This is considered as an extension of the private home.

4.23(3) Liquor may be consumed at a private social gathering in a private place at any time.

4.23(4) A private place is a location which meets all of the following criteria:

a. One to which the general public does not have access at the time the liquor is kept, dispensed or consumed; one at which the attendees are limited to the bona fide social hosts and invited guests.

b. One which is not of a commercial nature at the time the liquor is consumed or dispensed at the location.

c. One where goods or services are neither sold nor purchased at the time the liquor is consumed or dispensed at the location.

d. One where the use of the location was obtained without charges or rent or any other thing of value was exchanged for its use.

e. One which is not a licensed premises.

f. One where no admission fees or other kinds of entrance fees, fare, ticket, donation or charges are made or are required of the invited guests to enter the location.

This rule is intended to implement Iowa Code section 123.95.

185—4.24(123) Alcoholic liquor and wine on beer permit premises. Rescinded **ARC 3928C**, IAB 8/1/18, effective 9/5/18.

185—4.25(123) Age requirements. Persons 21 years of age or older may hold a liquor license, wine permit, or beer permit; however, persons who are between the ages of 18 and 21 and hold a liquor license, wine permit, or beer permit before September 1, 1986, are not affected by or subject to this rule, and may hold such license or permit even though the licensee or permittee has not attained the age of 21. Persons 18 years of age and older may be bartenders, waiters, waitresses, and may handle alcoholic beverages, wine, and beer during the course of the person's employment for a licensee or permittee in establishments in which alcoholic beverages, wine, and beer are consumed. Persons 16 years of age and older may sell beer and wine in off-premises beer and wine establishments. Persons must be 18 years of age or older to work in a state liquor store.

This rule is intended to implement Iowa Code sections 123.30, 123.47A and 123.49.

185—4.26(123) Timely filed status.

4.26(1) In addition to the requirements which may be imposed by a local authority upon the holder of an alcoholic beverages license or permit to obtain timely filed status of a renewal application, the division may grant timely filed status if the applicant complies with the following conditions:

a. The applicant files a completed application with the local authority or the division as required by applicable law.

b. The applicant files a current dram shop liability certificate with the local authority or the division if proof of dram shop liability is required as a condition precedent to the issuance of the license or permit.

c. The applicant pays the appropriate license or permit fee in full to the local authority or the division as required by applicable law.

d. The applicant files a bond with the local authority or the division if a bond is required as a condition precedent to the issuance of the license or permit under applicable law.

4.26(2) Timely filed status allows the holder of the license or permit to continue to operate under a license or permit after its expiration and until the local authority and the division have finally determined whether the license or permit should be issued. If the application for the license or permit is denied, timely filed status continues until the last day for seeking judicial review of the division's action.

4.26(3) An applicant for a new alcoholic beverages license or permit may not sell alcoholic liquor, wine or beer in the proposed establishment until a license or permit has been granted by the division.

This rule is intended to implement Iowa Code sections 123.32, 123.35 and 17A.18.

185—4.27(123) Effect of suspension. Subject to the right to convey a suspended establishment under Iowa Code section 123.39, no beer, wine, or liquor can be sold or consumed in an establishment during a suspension period. An establishment may be open during a suspension period to conduct lawful business other than the sale of liquor, wine, and beer as long as no liquor, wine, or beer is sold or consumed during the suspension period.

This rule is intended to implement Iowa Code section 123.39.

185—4.28(123) Use of establishment during hours alcoholic liquor, wine, and beer cannot be consumed. No one, including licensee, permittee, and employees can consume beer, wine, or alcoholic beverages in their licensed establishment during hours which beer, wine, and alcoholic beverages cannot be sold. An establishment covered by a liquor license, wine permit, or beer permit can be used as a restaurant or any other lawful purpose during hours which beer, wine, or alcoholic liquor cannot be sold as long as beer, wine, or alcoholic beverages are not consumed during these hours.

This rule is intended to implement Iowa Code section 123.49.

185—4.29 Rescinded, effective 7/1/85.

185—4.30(123) Persons producing fuel alcohol. Persons producing fuel alcohol for their own use or to be sold commercially do not have to obtain a license or permit from the division.

This rule is intended to implement Iowa Code sections 123.4 and 123.41.

185—4.31(123) Storage of beer. No retail liquor licensee or retail beer permittee shall store beer except on premises licensed for retail sale and then only to the extent that the beer is intended for sale to consumers from the individually licensed premises where stored. The adoption of this rule shall not preclude a retail liquor licensee or a retail beer permittee from picking up beer from class "A" and "F" beer permittees and directly transporting the beer to the retail establishment where the beer is intended to be sold at retail.

This rule is intended to implement Iowa Code section 123.21.

185—4.32(123) Delivery of alcoholic liquor. Individuals who do not work for this division may operate a delivery service in which they will charge licensees a fee for picking up their alcoholic liquor orders at this division's liquor stores and delivering it to their establishments.

This rule is intended to implement Iowa Code sections 123.4 and 123.21(10).

185—4.33(123) Delivery of beer and wine. Licensees and permittees who hold a license or permit which allows them to sell bottled wine and bottled beer may deliver beer and wine to residences if the customers telephoned and requested that the beer and wine be delivered.

This rule is intended to implement Iowa Code subsection 123.21(10).

185—4.34(123) Determination of population. Decennial Censuses and Special Censuses done by the U.S. Census Bureau are recognized as being the official population of a town for the purpose of deciding the price of licenses and permits in that town, but estimates done by the U.S. Census Bureau cannot be viewed as being the official population when deciding the price of licenses and permits.

This rule is intended to implement Iowa Code subsection 123.21(11).

185—4.35(123) Minors in licensed establishments. Because Iowa law does not prohibit minors from being in licensed establishments, a minor can be in a licensed establishment if local authority does not have a local ordinance prohibiting minors from being in licensed establishments in its jurisdiction.

This rule is intended to implement Iowa Code subsection 123.21(5).

185—4.36(123) Sale of alcoholic liquor and wine stock when licensee or permittee sells business. When a licensee or permittee goes out of business, the licensee or permittee may sell the licensee's or permittee's stock of alcoholic liquor and wine to the person who is going to operate a licensed establishment in the same location.

This rule is intended to implement Iowa Code subsection 123.21(5).

185—4.37(123) Business as usual on election days. Licensees and permittees may sell alcoholic liquor, wine, or beer during regular hours on days local and national elections are held because present Iowa law does not restrict the sale of liquor, wine, and beer on election days.

This rule is intended to implement Iowa Code subsection 123.21(3).

185—4.38(123) Sunday sale of wine. A holder of a class "B" wine permit or combination retail wine license, excluding any liquor control licensee or beer permittee which does not qualify for Sunday sales under Iowa Code sections 123.36(6) and 123.134(5), respectively, may sell wine for consumption off the premises between the hours of 10 a.m. and 12 midnight on Sundays. No fee shall be imposed for that privilege.

This rule is intended to implement Iowa Code subsection 123.49(2).

185—4.39(123) Intoxication notice. Rescinded IAB 8/18/93, effective 7/29/93.

185—4.40(123) Warehousing of beer and wine. A person holding a class "A" wine permit or a class "A" or "F" beer permit shall warehouse their wine or beer inventory within the state of Iowa. Persons issued a class "A" wine permit or class "A" or "F" beer permit prior to June 10, 1987, shall comply upon renewal or November 1, 1987, whichever date occurs first. A warehouse of a person holding a class "A" wine permit or a class "A" or "F" beer permit shall be considered a licensed premises.

This rule is intended to implement Iowa Code section 123.127.

185—4.41(123) Vending machines to dispense alcoholic beverages prohibited. A liquor control licensee or beer or wine permittee shall not install or permit the installation of vending machines on the licensed premises for the purpose of selling, dispensing or serving alcoholic beverages. A vending machine is defined as a slug, coin, currency or credit card operated mechanical device used for dispensing merchandise, including single cans of beer or other alcoholic beverages, and includes a mechanical device operated by remote control and used for dispensing single cans of beer or other alcoholic beverages. A vending machine is not a unit installed in individual hotel or motel rooms used for the storage of alcoholic beverages and intended for the personal use of hotel or motel guests within the privacy of the guests' rooms.

This rule is intended to implement Iowa Code sections 123.47, 123.47A, 123.49(1), 123.49(2) "b," 123.49(2) "h," and 123.49(2) "k."
