**876—3.1(17A) Forms.** The following forms are available from the division of workers' compensation for use in matters under the jurisdiction of the workers' compensation commissioner. Insurance carriers, self-insured employers, or their adjusting agents may reproduce the forms in which event the name, address, telephone number, and identification number may be imprinted. The current revision of the form must be used. Each form is identified by a form number. This form number follows each form name listed below and is used when requesting that specific form.

**3.1(1) First report of injury (FROI).** The FROI contains general information concerning the employee, the employer and the claimed injury. A FROI is to be filed whether or not an adjudication or admission of liability for the injury exists and is to be filed as provided in Iowa Code section 86.11 and 876—Chapter 11. The FROI is to be filed when demanded by the commissioner pursuant to Iowa Code section 86.12 and when an employer is served with an original notice and petition that alleges an injury for which a FROI has not been filed. If an original notice and petition alleges multiple injury dates, only one FROI should be filed, and the date of injury reported should be the date the reporter uses when adjusting the claim.

**3.1(2) Subsequent report of injury (SROI).**

*a.* The SROI provides for filing of notice of commencement of payments, correcting erroneous claim information, supplying additional information, denying compensability, agreeing to the weekly benefit rate and agreeing to make payments under the Workers' Compensation Act, reporting the status of a claim, or recording benefits paid. Notice of commencement of payments shall be filed within 30 days of the first payment. When liability on a claim is denied, a letter shall be sent to claimant stating reasons for denial. The SROI shall also be filed when compensation is terminated or interrupted. Medical data supporting the action taken shall be filed when temporary total disability or temporary partial disability exceeds 13 weeks or when the employee sustains a permanent disability.

*b.* The employer and insurance carrier who are required to file medical data shall file the medical data in WCES. The employer or insurance carrier or the employer's or insurance carrier's agent shall register in WCES to file the medical data. The filer will receive a status update for the information the filer submits based upon the status the filer selects and for which the filer is approved in WCES.
