a. At any time during the project or the repayment of the loan, the authority may find that a borrower is in default under the terms of the loan agreement. The authority will take prompt, appropriate, and aggressive debt collection action to recover any funds misspent by borrowers.

b. If the authority determines that a borrower is in default, the authority may seek recovery of the loan plus interest or other penalties, negotiate alternative payment schedules, suspend or discontinue collection efforts, and take other action as the authority deems necessary.

c. The authority shall attempt to collect the amount owed. Any negotiated settlement, write-off, or discontinuance of collection efforts is subject to final review by and approval of the board.

d. If the authority refers a defaulted loan to outside counsel for debt collection, then the terms of the contract between the authority and the outside counsel regarding the scope of counsel's authorization to accept settlements shall apply.
