b. The clerk of the district court shall establish, maintain and certify the official support payment records for non-IV-D and correlated non-IV-D cases. The collection services center will establish and maintain records for receipt and disbursement of income withholding payments for these cases but will not certify these records as the complete payment record.

97.3(2) *Informal conference for payment records.* Child support services will provide an informal conference or desk review regarding the contents of any support payment record to the obligor or obligee upon request.

441—97.4(252B) Method of payment. Payments will be accepted in specific forms from obligors and payors of income.

97.4(1) *Form of payment.* Except as otherwise provided in this rule and in rule 441—97.5(252D), support payments may be paid in the form of cash, check, bank draft, money order, preauthorized

withdrawal of funds, or other financial instrument, and sent by mail to the collection services center or by electronic transmission of funds.

97.4(2) *Treatment of insufficient funds payments.* Child support services will have a process in place to handle insufficient funds payments.

c. Insufficient funds payments will not be credited to the collection services center account for the obligor or will be removed from the account if credited before sufficiency was verified. Insufficient funds support payments will be subject to additional collection by the collection services center for the dishonored amount.

d. The collection services center may not process additional payments other than cash, bank drafts or money orders from an obligor or payor of income who has previously submitted insufficient funds payments without first verifying the payment. The collection services center will have a process in place to allow the obligor or the payor of income the opportunity to replace any additional moneys submitted for payment of support before processing in order to avoid additional insufficient funds entries into the official payment records on the affected cases.

97.4(3) *Distribution of payment.* Nonincome withholding support payments received by the collection services center in IV-D, former IV-D, non-IV-D, or correlated non-IV-D cases that are not directed to a specific account or support obligation will first be applied proportionately to the current support obligation on all cases for the obligor and, secondly, to the support arrearages owed by the obligor.

97.6(2) *Release of funds.* The following workday, an electronic transfer of funds will be sent to the designated account of the obligee or an alternate account to be accessed by the obligee through an electronic access card, or if subrule 97.6(5) applies, a state warrant may be sent by regular mail to the last-known address of the obligee.

- c. The obligee has not requested automatic deposit to a designated account of the obligee and has asserted in writing on a form prescribed by the department that one of the exemptions listed in this paragraph applies. To claim an exemption, the obligee must return the form prescribed by the department to the collection services center within ten days of the date the form was issued. An exemption granted under this paragraph is subject to periodic review by the collection services center. The exemptions available under this paragraph are:

- (1) A physical disability imposes a hardship in accessing an electronically transferred payment.
