[ARC 9075C, IAB 4/2/25, effective 6/1/25]

641—133.2(321) Purpose.

133.2(1) White flashing lights may be used on emergency vehicles or other authorized vehicles utilized by emergency medical care providers and service programs for identification purposes only.

133.2(2) White flashing lights shall be used only on an authorized vehicle and shall not be used except in any of the following circumstances:

- a. When responding to an emergency in the line of duty requiring the services of the member.
- b. When at the scene of an emergency.
- c. When transporting a patient during a disaster situation.

133.2(3) Owners and operators of authorized vehicles are responsible for ensuring that the lighting devices are utilized in a safe manner. This includes but is not limited to ensuring that lighting devices do not:

- a. Obstruct the view of the vehicle operator.
- b. Overburden the electrical system of the vehicle.
- c. Interfere with the vision of the vehicle operator, passengers, or drivers of other vehicles.

133.2(4) Operators of authorized vehicles shall ensure that the authorization certificate is carried in the vehicle.

[ARC 9075C, IAB 4/2/25, effective 6/1/25]

641—133.3(321) Application.

133.3(1) Authorization certificates will be issued by the service director for service vehicles and vehicles owned by emergency medical care providers who are members in good standing with the service. Authorization certificates are available from the department upon request. Vehicle authorization is limited to:

- a. Vehicles owned or exclusively operated by the ambulance or nontransport service.
- b. Vehicles owned or operated by emergency medical care provider members of the ambulance or nontransport service.
- c. Vehicles owned or operated by the service program’s medical director.

d. One authorization certificate per vehicle.

133.3(2) Nothing in these rules prevents the use of white flashing lights on vehicles that are authorized to use red or blue flashing lights.

133.3(3) The service director shall provide, upon request of the department or its agents, issued authorization certificates.

133.3(4) The authorization expires five years from the date issued unless sooner suspended or revoked.

133.3(5) The department may issue authorization certificates for vehicles used by employees of the department when responding to emergencies or disasters.

[ARC 9075C, IAB 4/2/25, effective 6/1/25]

641—133.4(321) Approval, denial, probation, suspension and revocation of authorization.

133.4(1) The service director or the department may approve or deny an application and the department may place on probation, suspend or revoke an authorization certificate if the service director or the department finds reason to believe that the applicant or certificate holder:

- a.* Has failed to meet all applicable requirements of these rules.
- b.* Has been convicted of a moving violation while using white flashing lights.
- c.* Has utilized a white flashing light without obtaining an authorization certificate.
- d.* Does not have a valid driver's license.
- e.* Does not have a current vehicle registration.

133.4(2) The authorization certificate shall be surrendered upon the request of the department or its agents.

133.4(3) An emergency medical care provider or service director who has knowledge of any emergency medical care provider or service program that has violated Iowa Code chapter 147A, 641—Chapter 132 or these rules shall, within 30 days, report that information to the department.

133.4(4) A denial, probation, suspension or revocation ordered by the department shall be effected in accordance with 441—Chapter 16 and may be appealed according to the provisions set forth in 441—Chapter 2506.
