

CHAPTER 84
FINANCIAL INCENTIVES FOR NATIONAL BOARD CERTIFICATION

281—84.1(256) Purpose. National Board Certification (NBC) is available to teachers nationwide and requires candidates to demonstrate their teaching practice as measured against high and rigorous standards. NBC teachers enhance the educational experience of their students and motivate fellow teachers toward excellence in classroom teaching. These rules implement the two financial incentive pilot programs enacted by the Iowa legislature to increase the number of NBC teachers in Iowa.

“A person who receives a salary as a classroom teacher” means a teacher employed by a school district in Iowa who receives any salary compensation from the school district for providing classroom instruction to students in the school district. The term also means a teacher employed by an area education agency in Iowa who receives all salary compensation through pooled school district funds provided to the area education agency to provide classroom instruction to elementary (including prekindergarten) or secondary students in one or more school districts.

“Department” means the state department of education.

“National Board Certification (NBC)” is a nationwide certification program administered by the National Board for Professional Teaching Standards. The certification program requires candidates to participate in a rigorous two-part assessment consisting of portfolio entries and assessment center exercises.

“National Board for Professional Teaching Standards (NBPTS)” is a private nonprofit organization whose goal is to develop professional standards for early childhood, elementary and secondary school teaching. NBPTS administers the NBC program.

84.3(1) Eligibility. Teachers who registered with NBPTS after December 31, 2007, but before July 1, 2012, shall apply to the department by May 1, 2013. All other teachers seeking reimbursement shall apply to the department within one year of registration with NBPTS. If, however, in any fiscal year the number of eligible teachers that apply for the reimbursement exceeds the funds available, the department shall prorate the amount of the registration fee reimbursement among all eligible teachers.

84.3(3) Reimbursement. Teachers determined eligible shall receive reimbursement in the following manner:

a. Initial registration fee reimbursement. Each eligible teacher shall receive an initial reimbursement of one-half of the reimbursement fee charged by NBPTS or, if necessary, a prorated amount upon submission to the department of the NBC registration confirmation form provided to each teacher by NBPTS.

b. Final registration fee reimbursement. The final registration fee reimbursement of one-half of the reimbursement fee charged by NBPTS or, if necessary, a prorated amount shall be awarded when the eligible teacher notifies the department of the teacher's certification achievement and submits verification of certification. If an eligible teacher fails to receive certification, the teacher can receive the remaining reimbursement if the teacher achieves certification within three years of the initial NBC score notification.

84.3(4) Withdrawal from NBC process. A teacher who has received the initial registration fee reimbursement from the department and withdraws from the NBC process shall reimburse the department the amount received from the department within 30 days of receiving any fee reimbursement from NBPTS if the reimbursement from NBPTS is equal to or greater than the amount received from the department. If the reimbursement amount from NBPTS is less than the amount the teacher received from the department, the teacher shall reimburse the department any amount received from NBPTS.
