645—133.2(152C) Continuing education requirements. Each biennium, each person who is licensed to practice as a massage therapist in this state shall be required to complete a minimum of 24 hours of continuing education. A biennium is a two-year period beginning with the date the license was granted.

133.2(1) The biennial continuing education compliance period shall run concurrently with each two-year renewal period. The renewal period begins on the date the initial license is granted and ends two years later on the day before the anniversary date of that initial license.

133.2(2) Requirements for new licensees. Those persons licensed for the first time shall not be required to complete continuing education as a prerequisite for the first renewal of their licenses. Continuing education hours acquired anytime from the initial licensing until the second license renewal period may be used.

133.2(3) Hours of continuing education credit may be obtained by attending and participating in a continuing education activity meeting the requirements of this chapter. These hours must be in accordance with these rules.

133.2(4) No hours of continuing education shall be carried over into the next renewal period. A licensee whose license was reactivated during the current renewal compliance period may use continuing education earned during the compliance period for the first renewal following reactivation.

133.2(5) The cost of continuing education is the responsibility of each licensee.

645—133.3(152C,272C) Continuing education criteria.

133.3(1) General criteria. A continuing education activity which meets all of the following criteria is appropriate for continuing education credit if the continuing education activity:

- a. Constitutes an organized program of learning which contributes directly to the professional competency of the licensee;
- b. Pertains to subject matters which integrally relate to the practice of the profession;

c. Is conducted by individuals who have specialized education, training and experience by reason of which said individuals should be considered qualified concerning the subject matter of the program.

At the time of audit, the board may request the qualifications of presenters;

d. Fulfills stated program goals, objectives, or both; and

e. Provides proof of attendance to licensees in attendance, including:

(1) Date, location, course title, presenter(s);

(2) Number of program contact hours; and

(3) Certificate of completion or evidence of successful completion of the course from the course sponsor.

133.3(2) Specific criteria. A licensee shall obtain a minimum of 24 hours of continuing education credit every two years. Twelve hours must be obtained in Category A and 12 hours may be in either Category A or B. A licensee may choose to obtain all 24 hours in Category A.

a. Category A specific continuing education requirements.

(1) A minimum of 12 hours of the 24 hours shall be:

1. Direct, hands-on training attended personally by the licensee;

2. Related to the actual practice of massage/bodywork therapy;

4. Presented by a massage/bodywork therapist with a minimum of five years of clinical experience in massage/bodywork therapy. The individuals presenting the continuing education activity must have specialized education, training and experience by reason of which said individuals are considered qualified concerning the subject matter of the program.

(2) Excluded content areas for continuing education in Category A are any massage/bodywork techniques that do not directly make physical contact with the body and that are outside the scope of practice in accordance with the definition of massage therapy set forth in rule 645—131.1(152C), including but not limited to: Reiki, Barbara Brennan Healing Sciences, reflexology, bloodletting, and ear candling.

b. Category B specific continuing education requirements.

(1) A maximum of 12 hours of the 24 hours may be in either of the following:

1. Content areas that are programs of learning which contribute directly to professional competency and enhance the practice of the licensee.

2. Content areas that are hands-on training programs.

(2) Programs that are taken in Category B do not have to be sponsored by organizations noted in 133.3(2)“a”(1)“3” and instructors do not have to have a minimum of five years of clinical experience in massage/bodywork therapy.

(3) A licensee may receive credit on a one-time basis, not to exceed two hours of continuing education credit every two years, for delivery of course(s) in a massage school setting, if the following criteria are met:

1. The course(s) is part of a curriculum approved by the board as outlined in 645—132.4(152C);

2. The licensee is qualified to teach the course(s) as outlined in 645—132.3(152C);

(5) A licensee shall obtain two hours of credit in CPR for every two-year renewal period.

(6) Only the number of hours obtained during the two-year renewal period to meet mandatory reporter training requirements may be utilized in the renewal period. No hours shall be carried over into the next biennium.

(7) Excluded content areas for continuing education in Category B include, but are not limited to, any program or training that is outside the scope of practice of massage therapy in accordance with the definition of massage therapy set forth in rule 645—131.1(152C) or that does not enhance professional competency relating to the field of massage/bodywork therapy. Bloodletting and ear candling are excluded content areas.

645—133.4(152C,272C) Audit of continuing education report. After every two-year renewal period, the board may audit licensees to review compliance with continuing education requirements.

133.4(1) The board may audit a percentage of its licensees and may, at its discretion, audit a licensee. A licensee whose license renewal application is submitted during the grace period may be subject to a continuing education audit.

133.4(2) The licensee shall provide the following information to the board for auditing purposes:

a. Date and location of course, course title, course description, names and qualifications of instructors/speakers and method of presentation; or a program brochure which includes all the information required in this paragraph;

b. Number of contact hours for program attended; and

c. Individual certificate of completion issued to the licensee or evidence of successful completion of the course from the course sponsor.

133.4(3) For auditing purposes, all licensees must retain the information identified in subrule 133.4(2) for two years after the renewal period has ended.

133.4(4) Information identified in subrule 133.4(2) must be submitted within one month after the date of notification of the audit. An extension of time may be granted on an individual basis.

133.4(5) If the submitted materials are incomplete or unsatisfactory, the licensee may be given the opportunity to submit make-up credit to cover the deficit found through the audit if the board determines that the deficiency was the result of good-faith conduct on the part of the licensee. The deadline for receipt of the documentation for this make-up credit is 120 days from the date of mailing to the address of record at the board office.

133.4(6) Failure to notify the board of a current mailing address will not absolve the licensee from the audit requirement, and an audit must be completed before license renewal.

645—133.5(152C,272C) Automatic exemption. A licensee shall be exempt from the continuing education requirement during the license biennium when that person:

1. Served honorably on active duty in the military service; or

2. Resided in another state or district having continuing education requirements for the profession and met all requirements of that state or district for practice therein; or

3. Was a government employee working in the licensee's specialty and assigned to duty outside the United States; or

4. Was absent from the state but engaged in active practice under circumstances which are approved by the board.

645—133.6(152C,272C) Continuing education exemption for disability or illness. A licensee who has had a physical or mental disability or illness during the license period may apply for an exemption. An exemption provides for an extension of time or exemption from some or all of the continuing education requirements. An applicant shall submit a completed application form approved by the board for an exemption. The application form is available upon request from the board office. The application requires the signature of a licensed health care professional who can attest to the existence of a disability or illness during the license period. If the application is from a licensee who is the primary caregiver to a relative who is ill or disabled and needs care from that primary caregiver, the physician shall verify the licensee's status as the primary caregiver. A licensee who applies for an exemption shall be notified of the decision regarding the application. A licensee who obtains approval shall retain a copy of the exemption to be presented to the board upon request.

133.6(1) The board may grant an extension of time to fulfill the continuing education requirement.

133.6(2) The board may grant an exemption from the continuing education requirement for any period of time not to exceed two calendar years. If the physical or mental disability or illness for which an extension or exemption was granted continues beyond the period initially approved by the board, the licensee must reapply for a continuance of the extension or exemption.

133.6(3) The board may, as a condition of any extension or exemption granted, require the licensee to make up a portion of the continuing education requirement in a manner determined by the board.

645—133.7(152C,272C) Grounds for disciplinary action. The board may take formal disciplinary action on the following grounds:

133.7(1) Failure to cooperate with a board audit.

133.7(2) Failure to meet the continuing education requirement for licensure.

133.7(3) Falsification of information on the license renewal form.
