**326.3(3)** A temporary license shall be valid for one year from the date of issuance.

**326.4(5)** Provide verification of license(s) from every jurisdiction in which the applicant has been licensed, sent directly from the jurisdiction(s) to the board office. Web-based verification may be substituted for verification direct from the jurisdiction’s board office if the verification provides:

*b.* Date of initial licensure;

*c.* Current licensure status; and

*d.* Any disciplinary action taken against the license.

**326.4(6)** Prior to beginning practice, the physician assistant shall notify the board of the identity of the supervising physician(s) on the board-approved form.

**645—326.5(148C) Licensure by reciprocal agreement.** The board may enter into a reciprocal agreement with the District of Columbia or any state, territory, province or foreign country with equal or similar requirements for licensure of physician assistants.

**645—326.6(148C) Examination requirements.** The applicant for licensure as a physician assistant shall successfully pass the certifying examination for physician assistants conducted by the National Commission on Certification of Physician Assistants or a successor examination approved by the board.

**645—326.7(148C) Educational qualifications.** An applicant for licensure as a physician assistant shall submit official copies of academic transcripts from an approved program for education of physician assistants, or the applicant shall qualify for the exception stated in paragraph 326.2(1)“d.”

**326.8(1)** Notification requirements. Physician assistants shall use the board-approved forms to notify the board of the identity of their supervising physicians at the following times:

*a.* Prior to beginning practice in Iowa.

*b.* At the time of license renewal. The physician assistant shall notify the board of the identity of each of the physician assistant’s supervising physicians and of any change in the status of the supervisory relationships during the physician assistant’s current biennium. In addition, the physician assistant shall maintain a list of supervising physicians to provide to the board upon request.

*c.* At the time of license reactivation.

**326.8(2)** The physician assistant shall maintain documentation of current supervising physicians, which shall be made available to the board upon request.

**326.8(3)** A physician assistant who provides medical services shall be supervised by one or more physicians; but a physician shall not supervise more than two physician assistants at the same time.

**326.8(4)** It shall be the responsibility of the physician assistant and a supervising physician to ensure that the physician assistant is adequately supervised. Upon agreeing to supervise a physician assistant, a supervising physician will be advised that the physician's name will be listed with the board as a supervising physician. In regard to scheduling, the physician assistant may not practice if supervision is unavailable, except as otherwise provided in Iowa Code chapter 148C or these rules, and must be in compliance with the requirement that no more than two physician assistants shall be supervised by a physician at one time, pursuant to 645—subrule 326.8(3). The physician assistant and the supervising physician are each responsible for knowing and complying with the supervision provisions of these rules.

*a.* Patient care provided by the physician assistant shall be reviewed with a supervising physician on an ongoing basis as indicated by the clinical condition of the patient. Although every chart need not be signed nor every visit reviewed, nor does the supervising physician need to be physically present at each activity of the physician assistant, it is the responsibility of the supervising physician and physician assistant to ensure that each patient has received the appropriate medical care.

*b.* Patient care provided by the physician assistant may be reviewed with a supervising physician in person, by telephone or by other telecommunicative means.

*c.* When signatures are required, electronic signatures are allowed if:

(1) The signature is transcribed by the signer into an electronic record and is not the result of electronic regeneration; and

(2) A mechanism exists allowing confirmation of the signature and protection from unauthorized reproduction.

*d.* When the physician assistant is being trained to perform new medical procedures, the training shall be carried out under the supervision of a physician or another qualified individual. Upon completing the supervised training, a physician assistant may perform the new medical procedures if delegated by a supervising physician, except as otherwise provided in Iowa Code chapter 148C or these rules. New medical procedures may be delegated to a physician assistant after a supervising physician determines that the physician assistant is competent to perform the task.

**645—326.9(148C) License renewal.**

**326.9(1)** The biennial license renewal period for a license to practice as a physician assistant shall begin on October 1 and end on September 30 two years later. The board shall send a renewal notice by regular mail to each licensee at the address on record at least 60 days prior to the expiration of the license. The licensee is responsible for renewing the license prior to its expiration. Failure of the licensee to receive the notice does not relieve the licensee of the responsibility for renewing the license.

**326.9(2)** An individual who was issued a license within six months of the license renewal date will not be required to renew the license until the subsequent renewal date two years later.

**326.9(3)** A licensee seeking renewal shall:

*a.* Meet the continuing education requirements of rule 645—328.2(148C) and the mandatory reporting requirements of subrule 326.9(4). A licensee whose license was reactivated during the current renewal compliance period may use continuing education credit earned during the compliance period for the first renewal following reactivation; and

*b.* Submit the completed renewal application and renewal fee before the license expiration date.

**326.9(4)** Mandatory reporter training requirements.

*a.* A licensee who, in the scope of professional practice or in the licensee's employment responsibilities, examines, attends, counsels or treats children in Iowa shall indicate on the renewal application completion of two hours of training in child abuse identification and reporting in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

*b.* A licensee who, in the course of employment responsibilities, examines, attends, counsels or treats adults in Iowa shall indicate on the renewal application completion of two hours of training in dependent adult abuse identification and reporting in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

*c.* A licensee who, in the scope of professional practice or in the course of employment, examines, attends, counsels or treats both adults and children in Iowa shall indicate on the renewal application

completion of training in abuse identification and reporting for dependent adults and children in the previous five years or condition(s) for waiver of this requirement as identified in paragraph “e.”

Training may be completed through separate courses as identified in paragraphs “a” and “b” or in one combined two-hour course that includes curricula for identifying and reporting child abuse and dependent adult abuse. The course shall be a curriculum approved by the Iowa department of public health abuse education review panel.

*d.* The licensee shall maintain written documentation for five years after mandatory training as identified in paragraphs “a” to “c,” including program date(s), content, duration, and proof of participation.

*e.* The requirement for mandatory training for identifying and reporting child and dependent adult abuse shall be suspended if the board determines that suspension is in the public interest or that a person at the time of license renewal:

(1) Is engaged in active duty in the military service of this state or the United States.

(2) Holds a current waiver by the board based on evidence of significant hardship in complying with training requirements, including an exemption of continuing education requirements or extension of time in which to fulfill requirements due to a physical or mental disability or illness as identified in 645—Chapter 328.

*f.* The board may select licensees for audit of compliance with the requirements in paragraphs “a” to “e.”

**326.9(5)** Upon receiving the information required by this rule and the required fee, board staff shall administratively issue a two-year license and shall send the licensee a wallet card by regular mail. In the event the board receives adverse information on the renewal application, the board shall issue the renewal license but may refer the adverse information for further consideration or disciplinary investigation.

**326.9(6)** A person licensed to practice as a physician assistant shall keep the license certificate and wallet card(s) displayed in a conspicuous public place at the primary site of practice.

**326.9(7)** Late renewal. The license shall become late when the license has not been renewed by the expiration date on the wallet card. The licensee shall be assessed a late fee as specified in 645—subrule 330.1(4). To renew a late license, the licensee shall complete the renewal requirements and submit the late fee within the grace period.

**326.9(8)** Inactive license. A licensee who fails to renew the license by the end of the grace period has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as a physician assistant in Iowa until the license is reactivated. A licensee who practices as a physician assistant in the state of Iowa with an inactive license may be subject to disciplinary action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant to Iowa Code section 147.86, and other available legal remedies.

**645—326.10(272C) Exemptions for inactive practitioners.** Rescinded IAB 8/17/05, effective 9/21/05.

**645—326.11(272C) Lapsed license.** Rescinded IAB 8/17/05, effective 9/21/05.

**645—326.12(147) Duplicate certificate or wallet card.**

**326.12(1)** A duplicate wallet card or duplicate certificate shall be required if the current wallet card or certificate is lost, stolen or destroyed. A duplicate wallet card or a duplicate certificate shall be issued only under such circumstances.

**326.12(2)** A duplicate wallet card or duplicate certificate shall be issued upon receipt of the completed application for duplicate license and payment of the fee as specified in rule 645—330.1(148C).

**326.12(3)** If the board receives a completed application for duplicate license stating that the wallet card or certificate was not received within 60 days after being mailed by the board, no fee shall be required for issuing the duplicate wallet card or duplicate certificate.

**645—326.13(147) Reissued certificate or wallet card.** The board shall reissue a certificate or current wallet card upon receipt of a written request from the licensee, return of the original document and payment of the fee as specified in rule 645—330.1(148C).

**645—326.14(272C) License denial.**

**326.14(1)** When the board denies an applicant licensure, the board shall notify the applicant of the denial in writing by certified mail, return receipt requested, or in the manner of service of an original notice, and shall cite the reasons for which the application was denied.

**326.14(2)** An applicant who has been denied licensure by the board may appeal the denial and request a hearing on the issues related to the licensure denial by serving a written notice of appeal and request for hearing upon the board by certified mail, return receipt requested, not more than 30 days following the date of mailing of the notification of licensure denial to the applicant. The request for hearing shall specifically describe the facts to be contested and determined at the hearing.

**326.14(3)** If an applicant who has been denied licensure by the board appeals the licensure denial and requests a hearing pursuant to this rule, the hearing and subsequent procedures shall be held pursuant to the process outlined in Iowa Code chapters 17A and 272C and 645—Chapter 11.

**645—326.15(148C) Use of title.** A physician assistant licensed under Iowa Code chapter 148C may use the words “physician assistant” after the person’s name or signify the same by the use of the letters “PA.”

**645—326.16(148C) Address change.** The physician assistant shall notify the board of any change in permanent address within 30 days of its occurrence.

**645—326.17(148C) Student physician assistant.**

**326.17(1)** Any person who is enrolled as a student in an approved program shall comply with the rules set forth in this chapter. A student is exempted from licensure requirements.

**326.17(2)** Notwithstanding any other provisions of these rules, a student may perform medical services when they are rendered within the scope of an approved program.

**645—326.18(148C) Recognition of an approved program.** The board shall recognize a program for education and training of physician assistants if it is accredited by the American Medical Association’s Committee on Allied Health Education and Accreditation, by its successor, the Commission on Accreditation of Allied Health Educational Programs, or by its successor, the Accreditation Review Commission on Education for the Physician Assistant, or its successor.

This rule is intended to implement Iowa Code section 148C.2.

**645—326.19(17A,147,272C) License reactivation.** To apply for reactivation of an inactive license, a licensee shall:

**326.19(1)** Submit a reactivation application on a form provided by the board.

**326.19(3)** Provide verification of current competence to practice as a physician assistant by satisfying one of the following criteria:

*a.* If the license has been on inactive status for five years or less, an applicant must provide the following:

(1) Verification of the license(s) from every jurisdiction in which the applicant is or has been licensed and is or has been practicing during the time period the Iowa license was inactive, sent directly from the jurisdiction(s) to the board office. Web-based verification may be substituted for verification from a jurisdiction’s board office if the verification includes:

1. Licensee’s name;
2. Date of initial licensure;
3. Current licensure status; and
4. Any disciplinary action taken against the license; and

(2) Verification of completion of 100 hours of continuing education within two years of application for reactivation or NCCPA or successor agency certification.

*b.* If the license has been on inactive status for more than five years, an applicant must provide the following:

(1) Verification of the license(s) from every jurisdiction in which the applicant is or has been licensed and is or has been practicing during the time period the Iowa license was inactive, sent directly from the jurisdiction(s) to the board office. Web-based verification may be substituted for verification from a jurisdiction's board office if the verification includes:

1. Licensee's name;
2. Date of initial licensure;
3. Current licensure status; and
4. Any disciplinary action taken against the license; and

(2) Verification of completion of 200 hours of continuing education within two years of application for reactivation, of which at least 40 percent of the hours completed shall be in Category I, or NCCPA or successor agency certification; and

(3) Information on each supervising physician.

**645—326.20(17A,147,272C) License reinstatement.** A licensee whose license has been revoked, suspended, or voluntarily surrendered must apply for and receive reinstatement of the license in accordance with 645—11.31(272C) and must apply for and be granted reactivation of the license in accordance with 326.19(17A,147,272C) prior to practicing as a physician assistant in this state.
