It is the responsibility of the licensed athletic trainer to ensure that the practice of athletic training is carried out only under the direction of a licensed physician.

“*Grace period*” means the 30-day period following expiration of a license when the license is still considered to be active. In order to renew a license during the grace period, a licensee is required to pay a late fee.

The board shall send a renewal notice by regular mail to each licensee at the address on record at least 60 days prior to the expiration of the license. The licensee is responsible for renewing the license prior to its expiration. Failure of the licensee to receive the notice does not relieve the licensee of the responsibility for renewing the license.

351.9(2) An individual who was issued a license within six months of the license renewal date will not be required to renew the license until the subsequent renewal two years later.

351.9(3) A licensee seeking renewal shall:

c. A licensee who, in the scope of professional practice or in the course of employment, examines, attends, counsels or treats both adults and children in Iowa shall indicate on the renewal application completion of training in abuse identification and reporting for dependent adults and children in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

The course shall be a curriculum approved by the Iowa department of public health abuse education review panel.

d. The licensee shall maintain written documentation for five years after mandatory training as identified in paragraphs "a" to "c," including program date(s), content, duration, and proof of participation.

e. The requirement for mandatory training for identifying and reporting child and dependent adult abuse shall be suspended if the board determines that suspension is in the public interest or that a person at the time of license renewal:

(1) Is engaged in active duty in the military service of this state or the United States.

(2) Holds a current waiver by the board based on evidence of significant hardship in complying with training requirements, including an exemption of continuing education requirements or extension of time in which to fulfill requirements due to a physical or mental disability or illness as identified in 645—Chapter 352.

f. The board may select licensees for audit of compliance with the requirements in paragraphs "a" to "e."

351.9(5) Upon receiving the information required by this rule and the required fee, board staff shall administratively issue a two-year license and shall send the licensee a wallet card by regular mail. 351.9(6) A person licensed to practice as an athletic trainer shall keep the license certificate and wallet card displayed in a conspicuous public place at the primary site of practice.

351.9(7) Late renewal. The license shall become late when the license has not been renewed by the expiration date on the wallet card. The licensee shall be assessed a late fee as specified in 645—subrule 354.1(4). To renew a late license, the licensee shall complete the renewal requirements and submit the late fee within the grace period.

351.9(8) Inactive license. A licensee who fails to renew the license by the end of the grace period has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as an athletic trainer in Iowa until the license is reactivated. A licensee who practices as an athletic trainer in the state of Iowa with an inactive license may be subject to disciplinary action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant to Iowa Code section 147.86, and other available legal remedies.

645—351.10(272C) Exemptions for inactive practitioners. Rescinded IAB 7/20/05, effective 8/24/05.

645—351.12(147) Reissued certificate or wallet card. The board shall reissue a certificate or current wallet card upon receipt of a written request from the licensee, return of the original document and payment of the fee as specified in rule 645—354.1(147,152D).

645—351.13(272C) Lapsed licenses. Rescinded IAB 7/20/05, effective 8/24/05.

645—351.14(17A,147,272C) License denial.

351.14(1) When the board denies an applicant licensure, the board shall notify the applicant of the denial in writing by certified mail, return receipt requested, or in the manner of service of an original notice, and shall cite the reasons for which the application was denied.

351.14(2) An applicant who has been denied licensure by the board may appeal the denial and request a hearing on the issues related to the licensure denial by serving a written notice of appeal and request for hearing upon the board by certified mail, return receipt requested, not more than 30 days following the date of mailing of the notification of licensure denial to the applicant. The request for hearing shall specifically describe the facts to be contested and determined at the hearing.

351.14(3) If an applicant who has been denied licensure by the board appeals the licensure denial and requests a hearing pursuant to this rule, the hearing and subsequent procedures shall be held pursuant to the process outlined in Iowa Code chapters 17A and 272C and 645—Chapter 11.

(1) Verification of the license(s) from every jurisdiction in which the applicant is or has been licensed and is or has been practicing during the time period the Iowa license was inactive, sent directly from the jurisdiction(s) to the board office. Web-based verification may be substituted for verification from a jurisdiction's board office if the verification includes:

1. Licensee's name;
2. Date of initial licensure;
3. Current licensure status; and
4. Any disciplinary action taken against the license; and

(2) Verification of completion of 50 hours of continuing education within two years of the application for reactivation.
