The department shall also issue Form 470-2386 when the applicant fails to complete the evaluation form.

Investigators applying for recertification are subject to the same record checks as new applicants. The department shall evaluate only abuses, convictions of crimes, and placement on the sex offender registry since the last record check using the same process.

107.4(6) Certification actions for nonpayment of child support. The department shall revoke or deny the issuance or renewal of a certification of an adoption investigator upon the receipt of a certificate of noncompliance from the child support recovery unit of the department according to the procedures in Iowa Code chapter 252J. g. Notwithstanding Iowa Code section 17A.18, the registrant does not have the right to a hearing regarding this issue, but may request a court hearing pursuant to Iowa Code section 252J.9.

(6) The applicant has a founded child abuse or criminal record conviction unless an evaluation of the founded abuse or criminal conviction is conducted by the department of inspections and appeals which concludes that the abuse or crime does not merit prohibition of certification.

b. If an applicant is denied certification or recertification based on an inability to meet the requirements of subrule 107.4(1), 107.4(2), 107.4(3), 107.4(4), 107.4(5), or 107.4(6), the applicant may reapply when the requirements for certification have been met.

Reports of investigations shall be available to the licensor during the review for recertification, or at any other time upon request by the licensor.

107.7(3) Notification. The department shall notify the investigator of the decision regarding the initial application, and any applications for recertification, within 60 days of receipt of the application. When the request for recertification is not received prior to the date of expiration, the department shall notify the investigator that the certification has expired.
