481—940.2(157) Initial licensure.

940.2(1) Requirements for licensure. All persons providing services in one or more practice disciplines shall hold a license issued by the board. The applicant shall:

a. Submit a completed online application and pay the nonrefundable fee specified in 481—subrule 507.5(1).

b. Demonstrate professional competence in one of the following ways:

(1) A person who is licensed in another jurisdiction may complete the licensure by endorsement application. If the applicant is licensed in another jurisdiction as an electrologist, nail technologist or esthetician, then a successful applicant will receive a license in such practice discipline. If the applicant is licensed in another jurisdiction as a barber or as a cosmetologist, and the applicant is requesting licensure in the practice discipline of barbering and cosmetology, then a successful applicant will receive a license as a barber and cosmetologist. All applicants must provide a verification of license from the jurisdiction in which the applicant has most recently been licensed, sent directly from the jurisdiction to the board office. Web-based verification may be substituted for verification from a jurisdiction's board office if the verification includes:

1. Licensee's name;
2. Date of initial licensure;
3. Current licensure status; and
4. Any disciplinary action taken against the license.

(1) If the applicant graduated from a school that is licensed by the board, the applicant is to direct the educational program to submit to the board a diploma or an official transcript indicating date of graduation and completion of required hours in each practice discipline for which the applicant is requesting licensure.

If an applicant graduates from a licensed school after completing a course of study constituting a legacy curriculum as prescribed in 481—subrule 941.14(6), such graduation will satisfy the education requirement for the applicable practice discipline for which the applicant is requesting licensure. For purposes of this subrule, a legacy curriculum in barbering or a legacy curriculum in cosmetology will be sufficient proof of education for an applicant requesting a license to practice barbering and cosmetology.

(2) If the applicant graduated from a school that is not licensed by the board, the applicant is to direct the school to provide an official transcript showing completion of a course of study that meets the requirements of rule 481—941.14(157).
