

CHAPTER 7
PUBLIC RECORDS AND FAIR INFORMATION PRACTICES

501—7.1(17A,22) Definitions. As used in this chapter:

“*Agency*” means the Iowa law enforcement academy.

“*Confidential record*” means a record which is not available as a matter of right for examination and copying by members of the public under applicable provisions of law. Confidential records include records or information contained in records that the agency is prohibited by law from making available for examination by members of the public, and records or information contained in records that are specified as confidential by Iowa Code section 22.7, or other provision of law, but that may be disclosed upon order of a court, the lawful custodian of the record, or by another person duly authorized to release the record. Mere inclusion in a record of information declared confidential by an applicable provision of law does not necessarily make that entire record a confidential record.

“*Custodian*” means the Iowa law enforcement academy, or a person lawfully delegated authority by the Iowa law enforcement academy to act for the agency in implementing Iowa Code chapter 22.

“*Open record*” means a record other than a confidential record.

“*Personally identifiable information*” means information about or pertaining to an individual in a record which identifies the individual and which is contained in a record system.

“*Record*” means the whole or a part of a public record as defined in Iowa Code section 22.1.

“*Record system*” means any group of records under the control of the agency from which a record may be retrieved by a personal identifier such as the name of an individual, number, symbol, or other unique retriever assigned to an individual.

501—7.2(17A,22) Statement of policy. This chapter implements Iowa Code section 22.11 by establishing agency policies and procedures for the maintenance of records. The purpose of this chapter is to facilitate public access to open records. It also seeks to facilitate sound agency determinations with respect to the handling of confidential records and the implementation of the fair information practices Act. This agency is committed to the policies set forth in Iowa Code chapter 22; agency staff shall cooperate with members of the public in implementing the provisions of that chapter.

501—7.3(17A,22) Requests for access to records.

7.3(1) Location of record. A request for access to a record should be directed to the office where the record is kept. If the location of the record is not known by the requester, the request shall be directed to the Iowa Law Enforcement Academy, P.O. Box 130, Camp Dodge, Johnston, Iowa 50131.

7.3(2) Office hours. Open records shall be available during customary office hours, which are 8 a.m. to 4:30 p.m. daily, excluding Saturdays, Sundays and legal holidays.

7.3(3) Request for access. A request for access to open records may be made in writing, by electronic mail, in person or by telephone. The request shall identify the particular records sought by name or description in order to facilitate the location of the record. Mail or telephone requests shall include the name, address, and telephone number of the person requesting the information. A person shall not be required to give a reason for requesting an open record.

7.3(4) Response to requests. Access to an open record shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. If the size or nature of the request for access to an open record requires time for compliance, the custodian shall comply with the request as soon as feasible. Access to an open record may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The custodian shall promptly give notice to the requester of the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing.

The custodian of a record may deny access to the record by members of the public only on the grounds that such a denial is warranted under Iowa Code sections 22.8(4) and 22.10(4), or that it is a confidential record, or that its disclosure is prohibited by a court order. Access by members of the public

to a confidential record is limited by law and, therefore, may generally be provided only in accordance with the provisions of rule 501—7.6(17A,22) and other applicable provisions of law.

7.3(5) Security of record. No person may, without permission from the custodian, search or remove any record from agency files. Examination and copying of agency records shall be supervised by the custodian or a designee of the custodian. Records shall be protected from damage and disorganization.

7.3(6) Copying. A reasonable number of copies of an open record may be made in the agency's office. If photocopy equipment is not available in the agency office where an open record is kept, the custodian shall permit its examination in that office and shall arrange to have copies promptly made elsewhere.

7.3(7) Fees.

a. When charged. The agency may charge fees in connection with the examination or copying of records only if the fees are authorized by law. To the extent permitted by applicable provisions of law, the payment of fees may be waived when the imposition of fees is inequitable or when a waiver is in the public interest.

b. Copying and postage costs. Price schedules for published materials and for photocopies of records supplied by the agency shall be prominently posted on the agency's website. Copies of records may be made by or for members of the public on agency photocopy machines or from electronic storage systems at cost as determined and posted on the agency's website. When the mailing of copies of records is requested, the actual costs of such mailing may also be charged to the requester.

c. Search and supervisory fees. Fees may be charged for actual agency expenses in searching for and supervising the examination and copying of requested records. The custodian shall notify the requester of the hourly fees to be charged for searching for records and supervision of records during examination and copying. That hourly fee shall not be in excess of the hourly wage of an agency employee who ordinarily would be appropriate and suitable to perform these search and supervisory functions.

d. Advance deposits.

(1) When the estimated total fee chargeable under this subrule exceeds \$20, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.

(2) When a requester has previously failed to pay a fee chargeable under this subrule, the custodian may require payment of the full amount of any fees previously owed and of any estimated fees for the new request prior to processing any new request from the requester.

[ARC 5006C, IAB 3/25/20, effective 4/29/20; ARC 6264C, IAB 3/23/22, effective 4/27/22]

501—7.4(17A,22) Requests for treatment of a record as a confidential record and its withholding from examination. The custodian may treat a record as a confidential record and withhold it from examination only to the extent that the custodian is authorized by Iowa Code section 22.7, another applicable provision of law, or a court order, to refuse to disclose that record to members of the public.

7.4(1) Persons who may request. Any person who would be aggrieved or adversely affected by disclosure of a record and who asserts that Iowa Code section 22.7, another applicable provision of law, or a court order, authorizes the custodian to treat the record as a confidential record, may request the custodian to treat that record as a confidential record and to withhold it from public inspection.

7.4(2) Request. A request that a record be treated as a confidential record and be withheld from public inspection shall be in writing and shall be filed with the custodian. The request must set forth the legal and factual basis justifying such confidential record treatment for that record, and the name, address, and telephone number of the person authorized to respond to any inquiry or action of the custodian concerning the request. A person requesting treatment of a record as a confidential record may also be required to sign a certified statement or affidavit enumerating the specific reasons justifying the treatment of that record as a confidential record and to provide any proof necessary to establish relevant facts. Requests for treatment of a record as such a confidential record for a limited time period shall also specify the precise period of time for which that treatment is requested.

A person filing such a request shall, if possible, accompany the request with a copy of the record in question from which those portions for which such confidential record treatment has been requested

have been deleted. If the original record is being submitted to the agency by the person requesting such confidential treatment at the time the request is filed, the person shall indicate conspicuously on the original record that all or portions of it are confidential.

7.4(3) Failure to request. Failure of a person to request confidential record treatment for a record does not preclude the custodian from treating it as a confidential record. However, if a person who has submitted business information to the agency does not request that it be withheld from public inspection under Iowa Code section 22.7(3) or 22.7(6), the custodian of records containing that information may proceed as if that person has no objection to its disclosure to members of the public.

7.4(4) Timing of decision. A decision by the custodian with respect to the disclosure of a record to members of the public may be made when a request for its treatment as a confidential record that is not available for public inspection is filed, or when the custodian receives a request for access to the record by a member of the public.

7.4(5) Request granted or deferred. If a request for such confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be made available for public inspection in lieu of the original record. If the custodian subsequently receives a request for access to the original record, the custodian will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record that is not available for public inspection of the pendency of that subsequent request.

7.4(6) Request denied and opportunity to seek injunction. If a request that a record be treated as a confidential record and be withheld from public inspection is denied, the custodian shall notify the requester in writing of that determination and the reasons therefor. On application by the requester, the custodian may engage in a good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief under the provisions of Iowa Code section 22.8, or other applicable provision of law. However, such a record need not be withheld from public inspection for any period of time if the custodian determines that the requester had no reasonable grounds to justify the treatment of that record as a confidential record. The custodian shall notify the requester in writing of the time period allowed to seek injunctive relief or the reasons for the determination that no reasonable grounds exist to justify the treatment of that record as a confidential record. The custodian may extend the period of good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief only if no request for examination of that record has been received, or if a court directs the custodian to treat it as a confidential record, or to the extent permitted by another applicable provision of law, or with the consent of the person requesting access.

[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.5(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records. Except as otherwise provided by law, a person may file a request with the custodian to review, and to have a written statement of additions, dissents, or objections entered into, a record containing personally identifiable information pertaining to that person. However, this does not authorize a person who is a subject of such a record to alter the original copy of that record or to expand the official record of any agency proceeding. The requester shall send the request to review such a record or the written statement of additions, dissents, or objections to the custodian or to the Iowa law enforcement academy. The request to review such a record or the written statement of such a record of additions, dissents or objections must be dated and signed by the requester, and shall include the current address and telephone number of the requester or the requester's representative.

[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.6(17A,22) Access to confidential records. Under Iowa Code section 22.7 or other applicable provisions of law, the lawful custodian may disclose certain confidential records to one or more members of the public. Other provisions of law authorize or require the custodian to release specified confidential records under certain circumstances or to particular persons. In requesting the custodian to permit the examination and copying of such a confidential record, the following procedures apply and are in addition to those specified for requests for access to records in rule 501—7.3(17A,22).

7.6(1) Proof of identity. A person requesting access to a confidential record may be required to provide proof of identity or authority to secure access to the record.

7.6(2) Requests. The custodian may require that a request to examine and copy a confidential record be in writing. A person requesting access to such a record may be required to sign a certified statement or affidavit enumerating the specific reasons justifying access to the confidential record and to provide any proof necessary to establish relevant facts.

7.6(3) Notice to subject of record and opportunity to obtain injunction. After the custodian receives a request for access to a confidential record, and before the custodian releases such a record, the custodian may make reasonable efforts to notify promptly any person who is a subject of that record, is identified in that record, and whose address or telephone number is contained in that record. To the extent such a delay is practicable and in the public interest, the custodian may give the subject of such a confidential record to whom notification is transmitted a reasonable opportunity to seek an injunction under Iowa Code section 22.8, and indicate to the subject of the record the specific period of time during which disclosure will be delayed for that purpose.

7.6(4) Request denied. When the custodian denies a request for access to a confidential record, the custodian shall promptly notify the requester. If the requester indicates to the custodian that a written notification of the denial is desired, the custodian shall promptly provide such a notification that is signed by the custodian and that includes:

- a. The name and title or position of the custodian responsible for the denial; and
- b. A citation to the provision of law vesting authority in the custodian to deny disclosure of the record and a brief statement of the reasons for the denial to this requester.

7.6(5) Request granted. When the custodian grants a request for access to a confidential record to a particular person, the custodian shall notify that person and indicate any lawful restrictions imposed by the custodian on that person's examination and copying of the record.

[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.7(17A,22) Notice to suppliers of information. The agency shall notify persons completing agency forms of the use that will be made of personal information, which persons outside the agency might routinely be provided this information, which parts of the requested information are required and which are optional, and the consequences of a failure to provide the information requested. This notice may be given in these rules, on the form used to collect the information, on a separate fact sheet or letter, in brochures, in formal agreements, in contracts, in handbooks, in manuals, verbally, or by other appropriate means. Notice need not be given in connection with discovery requests in litigation or administrative proceedings, subpoenas, investigations of possible violations of law, or similar demands for information.

[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.8(17A,22) Disclosures without the consent of the subject.

7.8(1) Open records are routinely disclosed without the consent of the subject.

7.8(2) To the extent allowed by law, disclosure of confidential records may occur without the consent of the subject. Following are instances where disclosure, if lawful, will generally occur without notice to the subject:

a. For a routine use as defined in rule 501—7.9(17A,22) or in any notice for a particular record system.

b. To a recipient who has provided the agency with advance written assurance that the record will be used solely as a statistical research or reporting record, provided that the record is transferred in a form that does not identify the subject.

c. To another government agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if an authorized representative of such government agency or instrumentality has submitted a written request to the agency specifying the record desired and the law enforcement activity for which the record is sought.

- d.* To an individual pursuant to a showing of compelling circumstances affecting the health or safety of any individual if a notice of the disclosure is transmitted to the last-known address of the subject.
- e.* To the legislative services agency under Iowa Code section 2A.3.
- f.* Disclosures in the course of employee disciplinary proceedings.
- g.* In response to a court order or subpoena.

[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.9(17A,22) Routine use.

7.9(1) Defined. “Routine use” means the disclosure of a record without the consent of the subject or subjects, for a purpose which is compatible with the purpose for which the record was collected. It includes disclosures required to be made by statute other than the public records law, Iowa Code chapter 22.

7.9(2) To the extent allowed by law, the following uses are considered routine uses of all agency records:

- a.* Disclosure to those officers, employees, and agents of the agency who have a need for the record in the performance of their duties. The custodian of the record may, upon request of any officer or employee, or on the custodian’s own initiative, determine what constitutes legitimate need to use confidential records.
- b.* Disclosure of information indicating an apparent violation of the law to appropriate law enforcement authorities for investigation and possible criminal prosecution, civil court action, or regulatory order.
- c.* Disclosure to the department of inspections and appeals for matters in which it is performing services or functions on behalf of the agency.
- d.* Transfers of information within the agency, to other state agencies, or to local units of government as appropriate to administer the program for which the information is collected.
- e.* Information released to staff of federal and state entities for audit purposes or for purposes of determining whether the agency is operating a program lawfully.
- f.* Any disclosure specifically authorized by the statute under which the record was collected or maintained.

[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.10(17A,22) Consensual disclosure of confidential records. To the extent permitted by any applicable provision of law, a person who is the subject of a confidential record may have a copy of the portion of that record concerning the subject disclosed to a third party. A request for such a disclosure must be in writing and must identify the particular record or records that may be disclosed, and the particular person or class of persons to whom the record may be disclosed (and, where applicable, the time period during which the record may be disclosed). The person who is the subject of the record and, where applicable, the person to whom the record is to be disclosed, may be required to provide proof of identity. (Additional requirements may be necessary for special classes of records.) Appearance of counsel on behalf of a person who is the subject of a confidential record is deemed to constitute consent for the agency to disclose records about that person to the person’s attorney.

[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.11(17A,22) Release to subject.

7.11(1) The subject of a confidential record may file a written request to review confidential records about that person as provided in rule 501—7.5(17A,22). However, the agency need not release the following records to the subject:

- a.* The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code section 22.7(18) or other provision of law.
- b.* Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.

- c. Peace officers' investigative reports may be withheld from the subject, except as required by the Iowa Code. (See Iowa Code section 22.7(5).)
- d. Examination may be withheld as defined in Iowa Code section 22.7(19).
- e. Decertification requests or information concerning decertification procedures under Iowa Code section 80B.13(8) and 501—Chapter 6.
- f. As otherwise authorized by law.

7.11(2) Where a record has multiple subjects with interest in the confidentiality of the record, the agency may take reasonable steps to protect confidential information relating to another subject.
[ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.12(17A,22) Availability of records.

7.12(1) General. Agency records are open for public inspection and copying unless otherwise provided by rule or law.

 - (1) Enable law violators to avoid detection;
 - (2) Facilitate disregard of requirements imposed by law; or
 - (3) Give a clearly improper advantage to persons who are in an adverse position to the agency. (See Iowa Code sections 17A.2(11) "f" and 17A.3(1) "d.")
- g. Records which constitute attorney work product, attorney-client communications, or which are otherwise privileged. [ARC 5006C, IAB 3/25/20, effective 4/29/20]

501—7.13(17A,22) Personally identifiable information. This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in a records system as defined in rule 501—7.1(17A,22). Unless otherwise stated, the authority for the Iowa law enforcement academy to maintain the record is provided by Iowa Code chapter 80B, the statutes governing the subject matter of the record.

For each record system, this rule describes the legal authority for the collection of that information, the means of storage of that information, and indicates whether a data processing system matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system. The record systems maintained by the agency are:

7.13(1) Law enforcement officer personal files. The Iowa law enforcement academy is charged by Iowa Code chapter 80B to establish training and hiring standards and to certify individuals as law enforcement officers in the state of Iowa. Training records, law enforcement officer status, and personal questionnaires are necessary to accomplish the mandate of Iowa Code chapter 80B.

These personal files contain information about past and present law enforcement officers in the state. These files may contain hiring and termination information, personal questionnaires and status changes (required by rule 501—3.1(80B) and rule 501—3.2(80B)), medical information showing compliance with rule 501—2.1(80B) and rule 501—2.2(80B) as authorized by Iowa Code section 80B.11, criminal history data, restoration of citizenship records, pardon records, training records, test scores, disciplinary reports and evaluation reports prepared during recruit training, decertification requests, and investigative reports. These files may also contain published articles concerning an individual officer and other data relevant to a law enforcement officer’s career in law enforcement. Some of these records may be confidential under Iowa Code section 22.7 or Iowa Code chapter 692. Law enforcement officer personal records are stored in paper or computerized form.

7.13(2) Decertification files. These files are maintained pursuant to Iowa Code section 80B.13(8). These files contain requests or inquiries made by hiring authorities concerning decertification of a person who is certified as a law enforcement officer in the state of Iowa. The Iowa law enforcement academy also has independent authority pursuant to Iowa Code section 80B.13(8) to revoke a law enforcement officer’s certification for conviction of a felony or revoke or suspend a law enforcement officer’s certification for a violation of rules adopted pursuant to Iowa Code section 80B.11(1) “h.” These files may contain official administrative or court filings or records, investigative reports, criminal history data, and attorney-client work product concerning possible or impending litigation. Some of this information may be confidential under Iowa Code sections 17A.2 and 22.7, Iowa Code chapter 692, constitutional restraints, statute and the Code of Professional Responsibility. Except as previously noted, administrative hearing filings or records and court records or filings are public records. This information is stored in paper or computerized form.

7.13(3) Litigation files. These files or records contain information regarding litigation, or anticipated litigation, which includes judicial and administrative proceedings. The records include

briefs, depositions, docket sheets, documents, correspondence, attorneys' notes, memoranda, research materials, witness information, investigation materials, information compiled under the direction of the attorney, and case management records. The files contain materials which are confidential as attorney work product and attorney-client communications. Some materials are confidential under other applicable provisions of law or because of a court order. Persons wanting to obtain copies of pleadings and other documents filed in litigation should obtain these from the clerk of the appropriate court which maintains the official copy. Copies of pleadings and other documents filed in litigation with the Iowa law enforcement academy may be obtained from the Iowa law enforcement academy during normal business hours as these documents are public records. These records are maintained in paper or computerized form.

7.13(4) *Personnel files.* The agency maintains files containing information about present and former employees, families and dependents, and applicants for positions with the agency. These files include payroll records, attendance records, psychological testing results, biographical information, background investigative reports and fingerprint checks, medical information relating to disability, performance reviews and evaluations, disciplinary information, information required for tax withholding, information concerning employee benefits, affirmative action reports, and other information concerning the employer-employee relationship. Some of this information is confidential under Iowa Code sections 22.7(7) and 22.7(11) and chapter 692.

7.13(5) *Library user files.* These files contain information on individuals who have checked out books, films, tapes, etc. from the Iowa law enforcement academy library. This information is confidential pursuant to Iowa Code section 22.7(13). This information is kept in paper or computerized form.

7.13(6) *Law enforcement class files.* These files contain information concerning individuals who have attended training classes established by the Iowa law enforcement academy. These files may contain grade information, class rosters, class schedules, class tests, photographs of class members, and disciplinary information. Some of this information may be confidential pursuant to Iowa Code section 22.7. This information is kept in computerized or paper form.

7.13(7) *Implied consent training files.* These files contain information concerning those officers who are certified to invoke implied consent pursuant to Iowa Code chapter 321J. These files are public records and are accessible during normal working hours. Some of this information may be confidential pursuant to Iowa Code section 22.7. This information is kept in computerized or paper form.

7.13(8) *Specialized instructor files.* These files contain information concerning individuals who have attended specialized training programs or through experience are qualified to instruct in specialized areas of law enforcement. These records may be retrieved by personal identifier or through class name. Some of this information may be confidential pursuant to Iowa Code section 22.7. These records are kept in computerized or paper form.

7.13(9) *Psychological testing.* These files contain information concerning a law enforcement applicant's test scores regarding cognitive and psychological tests mandated by Iowa Code section 80B.11(1) "g." In these files, other psychological examinations requested by hiring agencies are also stored by a personal identifier. Some of this information may be confidential pursuant to Iowa Code section 22.7(19). Law enforcement officers interested in the results of their psychological testing should contact the hiring agency that authorized the testing. This information is maintained in computerized or paper form.

7.13(10) *Contract file.* This file contains information concerning contracts between the Iowa law enforcement academy and outside agencies or individuals. Some of this information may be confidential pursuant to Iowa Code section 22.7(6). These records are kept in paper form or computerized form.

7.13(11) *Salary files.* These files contain information concerning financial data regarding payments made to permanent or temporary employees of the Iowa law enforcement academy. These records are maintained concurrently by the Iowa law enforcement academy, the Iowa department of administrative services, and the Iowa department of revenue. These records are kept in paper or computerized form.

[ARC 5006C, IAB 3/25/20, effective 4/29/20; ARC 6137C, IAB 1/12/22, effective 2/16/22; ARC 6264C, IAB 3/23/22, effective 4/27/22]

501—7.14(17A,22) Other groups of records. This rule describes groups of records maintained by the agency other than a record system as defined in rule 501—7.1(17A,22). These records are routinely available to the public; however, the agency’s files of these records may contain confidential information as discussed in rule 501—7.12(17A,22). The records listed may contain information about individuals. All records are stored on paper or in computer systems.

7.14(1) Council records. Agendas, minutes, and materials presented to the Iowa law enforcement academy council are available at the Iowa law enforcement academy, except those records concerning executive sessions which are exempt from disclosure under Iowa Code section 21.5 or which are otherwise confidential by law. Council records contain information about people who participate in meetings. This information is collected pursuant to Iowa Code section 21.5.
