4.2(1) Licensing qualified applicants by examination, renewal, endorsement, and reciprocity.

4.2(2) Developing and administering a program of continuing education to ensure the continued competency of individuals licensed by the board.

4.2(3) Imposing discipline on licensees as provided by statute or rule.

645—4.3(17A,147,272C) Organization of board and proceedings.

4.4(2) Notice of change of address. Each licensee shall notify the board of a change of the licensee's current mailing address within 30 days after the change of address occurs.

645—4.5(17A) Office hours. The board office is open for public business from 8 a.m. to 4:30 p.m., Monday through Friday of each week, except holidays.

645—4.6(21) Public meetings. Members of the public may be present during board meetings unless the board votes to hold a closed session. Dates and location of board meetings may be obtained from the board's Web site (<http://www.idph.state.ia.us/licensure>) or directly from the board office.

4.6(3) The person presiding at a meeting of the board may exclude a person from an open meeting for behavior that obstructs the meeting.

4.6(4) Cameras and recording devices may be used at open meetings, provided the cameras or recording devices do not obstruct the meeting. If the user of a camera or recording device obstructs the meeting by the use of such device, the person presiding at the meeting may request the user to discontinue use of the camera or device.

645—4.7(147) Licensure by reciprocal agreement. The board may enter into a reciprocal agreement with the District of Columbia or any state, territory, province or foreign country with equal or similar requirements for licensure of the specific professional board. The applicant shall take the examination required by the board.

645—4.8(147) Duplicate certificate or wallet card.

4.8(1) A duplicate wallet card or duplicate certificate shall be required if the current wallet card or certificate is lost, stolen or destroyed. A duplicate wallet card or a duplicate certificate shall be issued only under such circumstances.

4.8(2) A duplicate wallet card or duplicate certificate shall be issued upon receipt of the completed application for duplicate license and payment of the fee as specified in 645—Chapter 5.

4.8(3) If the board receives a completed application for a duplicate license stating that the wallet card or certificate was not received within 60 days after being mailed by the board, no fee shall be required for issuing the duplicate wallet card or duplicate certificate.

645—4.9(147) Reissued certificate or wallet card. The board shall reissue a certificate or current wallet card upon receipt of a written request from the licensee, return of the original document and payment of the fee as specified in 645—Chapter 5.

645—4.10(17A,147,272C) License denial.

4.10(1) When the board denies an applicant licensure, the board shall notify the applicant of the denial in writing by certified mail, return receipt requested, or in the manner of service of an original notice, and shall cite the reasons for which the application was denied.

4.10(2) An applicant who has been denied licensure by the board may appeal the denial and request a hearing on the issues related to the licensure denial by serving a written notice of appeal and request for hearing upon the board by certified mail, return receipt requested, not more than 30 days following the date of mailing of the notification of licensure denial to the applicant. The request for hearing shall specifically describe the facts to be contested and determined at the hearing.

4.10(3) If an applicant who has been denied licensure by the board appeals the licensure denial and requests a hearing pursuant to this rule, the hearing and subsequent procedures shall be held pursuant to the process outlined in Iowa Code chapters 17A and 272C and 645—Chapter 11.

645—4.11(272C) Audit of continuing education report. After each educational biennium, the board may audit licensees to review compliance with continuing education requirements.

4.11(1) The board may audit a percentage of its licensees and may, at its discretion, determine to audit a licensee. A licensee whose license renewal application is submitted during the grace period may be subject to a continuing education audit.

4.11(2) The licensee shall provide the following information to the board for auditing purposes:

a. Individual certificate of completion issued to the licensee or evidence of successful completion of the course from the course sponsor. These documents must contain the course date, title, contact hours, sponsor and licensee's name.

b. As requested, the licensee must provide to the board additional information to ensure compliance with continuing education requirements within 30 days of the date of the letter requesting the additional information. Extension of time may be granted on an individual basis.

4.11(3) For auditing purposes, all licensees must retain the information identified in paragraph 4.11(2) "a" for two years after the biennium has ended.

4.11(4) Information identified in paragraph 4.11(2) "a" must be submitted within one month after the date of notification of the audit. Extension of time may be granted on an individual basis.

4.11(5) If the submitted materials are incomplete or unsatisfactory, the licensee may be given the opportunity to submit make-up credit to cover the deficit found through the audit if the board determines that the deficiency was the result of good-faith conduct on the part of the licensee. The deadline for receipt of the documentation for this make-up credit is 120 days from the date of mailing to the address of record at the board office.

4.11(6) Failure to notify the board of a current mailing address will not absolve the licensee from the audit requirement, and an audit must be completed before license renewal.

645—4.12(272C) Automatic exemption. A licensee shall be exempt from the continuing education requirement during the license biennium when that person:

1. Served honorably on active duty in the military service; or
2. Resided in another state or district having continuing education requirements for the profession and met all requirements of that state or district for practice therein; or
3. Was a government employee working in the licensee's specialty and assigned to duty outside the United States; or
4. Was absent from the state but engaged in active practice under circumstances which are approved by the board.

645—4.13(272C) Grounds for disciplinary action. The board may take formal disciplinary action on the following grounds:

1. Failure to cooperate with a board audit.
2. Failure to meet the continuing education requirement for licensure.
3. Falsification of information on the license renewal form.
4. Falsification of continuing education information.

645—4.14(272C) Continuing education exemption for disability or illness. A licensee who has had a physical or mental disability or illness during the license period may apply for an exemption. An exemption provides for an extension of time or exemption from some or all of the continuing education requirements. An applicant shall submit a completed application form approved by the board for an exemption. The application form is available upon request from the board office. The application requires the signature of a licensed health care professional who can attest to the existence of a disability or illness during the license period. If the application is from a licensee who is the primary caregiver for a relative who is ill or disabled and needs care from that primary caregiver, the physician shall verify the licensee's status as the primary caregiver. A licensee who applies for an exemption shall be notified of the decision regarding the application. A licensee who obtains approval shall retain a copy of the exemption to be presented to the board upon request.

4.14(1) The board may grant an extension of time to fulfill the continuing education requirement.

4.14(2) The board may grant an exemption from the continuing education requirement for any period of time not to exceed two calendar years. If the physical or mental disability or illness for which an extension or exemption was granted continues beyond the period initially approved by the board, the licensee must reapply for a continuance of the extension or exemption.

4.14(3) The board may, as a condition of any extension or exemption granted, require the licensee to make up a portion of the continuing education requirement in the manner determined by the board.

645—4.15(147,272C) Order for physical, mental, or clinical competency examination or alcohol or drug screening. A licensee who is licensed by the board is, as a condition of licensure, under a duty to submit to a physical, mental, or clinical competency examination, including alcohol or drug screening, within a time specified by order of the board. Such examination may be ordered upon a showing of probable cause and shall be at the licensee's expense.

4.15(1) Content of order. A board order for a physical, mental, or clinical competency examination shall include the following items:

- a. A description of the type of examination to which the licensee must submit.
- b. The name and address of the examiner or of the evaluation or treatment facility that the board has identified to perform the examination on the licensee.
- c. The time period in which the licensee must schedule the required examination.
- d. The amount of time the licensee has to complete the examination.
- e. A requirement that the licensee sign necessary releases for the board to communicate with the examiner or the evaluation or treatment facility.
- f. A requirement that the licensee cause a report of the examination results to be provided to the board within a specified period of time.

g. A requirement that the licensee communicate with the board regarding the status of the examination.

h. A concise statement of the facts relied on by the board to order the evaluation.

4.15(2) Alternatives. Following issuance of the examination order, the licensee may request additional time to schedule or complete the examination or may request that the board approve an alternative examiner or treatment facility. The board in its sole discretion shall determine whether to grant such a request.

4.15(3) Objection to order. A licensee who is the subject of a board order and who objects to the order may file a request for hearing. The request for hearing must be filed within 30 days of the date of the examination order, and the request for hearing shall specifically identify the factual and legal issues upon which the licensee bases the objection. A licensee who fails to timely file a request for hearing to object to an examination order waives any future objection to the examination order in the event formal disciplinary charges are filed for failure to comply with the examination order or on any other grounds. The hearing shall be considered a contested case proceeding and shall be governed by the provisions of 645—Chapter 11. On judicial review of a board decision in a contested case involving an objection to an examination order, the case will be captioned in the name of Jane Doe or John Doe to maintain the licensee's confidentiality.

4.15(4) Closed hearing. Any hearing on an objection to the examination order shall be closed pursuant to Iowa Code section 272C.6(1).

4.15(5) Order and reports confidential. An examination order, and any subsequent examination reports issued in the course of a board investigation, are confidential investigative information pursuant to Iowa Code section 272C.6(4). However, all investigative information regarding the examination order shall be provided to the licensee in the event the licensee files an objection, under subrule 4.15(3), in order to allow the licensee an opportunity to prepare for hearing.

4.15(6) Admissibility. In the event the licensee submits to evaluation and subsequent proceedings are held before the board, all objections shall be waived as to the admissibility of the examining physicians' or health care providers' testimony or examination reports on the grounds that they constitute privileged communication. The medical testimony or examination reports shall not be used against the licensee in any proceeding other than one relating to licensee discipline by the board.

4.15(7) Failure to submit. Failure of a licensee to submit to a board-ordered physical, mental, or clinical competency examination or to submit to alcohol or drug screening constitutes a violation of the rules of the board and is grounds for disciplinary action.
