191—10.3(522B) Requirement to hold a license.

10.3(1) No person may sell, solicit or negotiate insurance in Iowa until that person has been issued an Iowa producer license.

10.3(2) A person offering to the public, for a fee or commission, to engage in the business of offering any advice, counsel, opinion or service with respect to the benefits, advantages or disadvantages promised under any policy of insurance must be licensed as a producer.

10.3(3) A person shall not advise an Iowa resident to cancel, not renew, or otherwise change an existing insurance policy unless that person holds an Iowa producer license regarding the line of insurance for which the advice is given. This subrule shall not apply to a licensed attorney or certified public accountant who does not sell or solicit insurance.

10.3(4) The license itself does not provide the producer with any authority to represent or commit an insurer.

191—10.4(522B) Licensing of resident producers.

10.4(1) A person whose home state is Iowa and who desires to be licensed as a producer must satisfy the following requirements:

- a. Be at least 18 years of age,
- b. Have not committed any act that is grounds for denial under subrule 10.20(4).
- c. Submit a completed uniform application,
- d. Pass an examination in the line of authority sought, and
- e. Pay the appropriate producer license fee.

10.4(2) Examinations are conducted by the outside testing service on contract with the division. Applications and fees for examinations and for initial producer licensing will be submitted either to the outside testing service on contract with the division or as directed by the division. Instructions are available at the division’s Web site: www.iid.state.ia.us.

10.4(3) Reserved.

10.4(4) Examination results are valid for 90 days after the date of the test. Failure to apply for licensure within 90 days after the examination is passed shall void the examination results.

10.4(5) Amendments to producer licenses shall be done either by an outside vendor or by the division, as directed by the division. Any licensed producer desiring to become licensed in an additional line of authority shall:

a. Submit a completed uniform application form through the NIPR Gateway or as directed by the division, specifying the line(s) of authority requested to be added. Instructions are available at the division’s Web site: www.iid.state.ia.us; and

b. For each line of authority requested to be added, pass any required examination.

10.4(6) A producer who holds a personal lines authority can obtain property and casualty lines of authority upon successful completion of the commercial insurance subject examination.

10.4(7) To receive a license for excess and surplus lines, the applicant must have successfully completed the excess and surplus lines examination and also have successfully completed either: (1) the examinations for property and casualty lines of authority; or (2) the examination for personal lines of authority and the commercial insurance subject examination.

10.4(8) To receive a license for the variable products line of authority, the applicant must:

- a. Hold an active Iowa insurance license with a life insurance line of authority;
- b. Pass the Financial Industry Regulatory Authority (FINRA) examinations necessary to obtain an Iowa securities license; and
- c. File an application through the NIPR Gateway or as directed by the division to amend the license to add the variable products line of authority.

10.4(9) The division may require any documents reasonably necessary to verify the information contained in the application or to verify that the individual making application has the character and competency required to receive a producer license. If an applicant does not provide the additional information requested by the division within 45 days of receipt of the request, the application will expire and the license fee will not be returned.

191—10.5(522B) Licensing of nonresident producers.

10.5(1) A producer for whom Iowa is not the home state who desires to sell, solicit or negotiate insurance in Iowa must satisfy the following requirements to obtain an Iowa nonresident producer license:

- a. Be licensed and in good standing in the home state;
- b. Submit a proper request for licensure to the division through the NIPR Gateway; and
- c. Pay the appropriate fee.

10.5(2) Any licensed nonresident producer desiring to become licensed in an additional line of authority shall submit to the division using the NIPR Gateway a completed application form specifying the line(s) of authority requested to be added.

10.5(3) A license will not be issued to a nonresident producer if the producer's resident state does not issue licenses to Iowa resident producers applying for nonresident producer licenses in that state or if the producer's resident state restricts Iowa resident producers' nonresident activities in that state.

10.5(4) The division may require any documents reasonably necessary to verify the information contained in the application or to verify that the individual making application has the character and competency required to receive a producer license. If an applicant does not provide the additional information requested by the division within 45 days of receipt of the request, the application will expire and the license fee will not be returned.

191—10.6(522B) Issuance of license.

10.6(1) A person who meets the requirements of Iowa Code sections 522B.4 and 522B.5, or section 522B.7, and of rule 10.5(522B), unless otherwise denied licensure pursuant to Iowa Code section 522B.11 or rule 10.20(522B), shall be issued a producer license. A producer license shall remain in effect for an initial term of three years after the last day of the applicant's birth month of the year the license was issued, unless revoked or suspended. A license may be continually renewed pursuant to rule 10.8(522B) as long as the proper fees are paid and home state continuing education requirements are met. A renewal term is three years. If not renewed, a producer license automatically terminates on the last day of the month of the initial or renewal term.

10.6(2) An individual producer whose license has expired may seek reinstatement as set forth in rule 191—10.9(522B).

10.6(3) The license shall contain the producer's name, address, license number, date of issuance, date of expiration, the line(s) of authority held and any other information the division deems necessary. The license number shall be the same as the producer's National Insurance Producer Registry (NIPR) national producer number (NPN).

10.6(4) If the division issues or renews a producer license and subsequently determines that payment for the license or renewal was returned to the division by a bank without payment, or that the credit card

company does not approve or cancels or refuses amounts charged to the credit card, the license shall be immediately suspended until the payments are made and any fees or penalties charged by the division are paid, at which time the license may be reinstated. The individual may request a hearing within 30 days of receipt of notice by the division that the license was suspended.

191—10.7(522B) License lines of authority. In addition to the lines of authority listed in Iowa Code subsection 522B.6(2), the following lines of authority also are available for issuance in Iowa: crop; surety; and reciprocal (any other line of insurance issued in another state and for which Iowa grants authority to sell, solicit or negotiate in this state).

191—10.8(522B) License renewal.

10.8(1) Upon request by a producer, the division shall electronically transmit a producer renewal notice to a licensed producer at the producer's last-known electronic mail address as it appears in division records. If the division has received notification that the electronic address of record is no longer valid, no renewal notice will be transmitted.

10.8(2) A producer must apply for license renewal within 60 days prior to the expiration date of the license. Failure to apply to renew a license and pay appropriate fees prior to the expiration date of the license will result in expiration of the license.

10.8(3) A producer may submit an electronic mail address to the division as directed by the division.

10.8(4) Resident producer licenses may be renewed electronically through the NIPR Gateway at www.NIPR.com.

10.8(5) Nonresident producer licenses may be renewed only through the NIPR Gateway, or as otherwise directed by the division.

[ARC 7836B, IAB 6/3/09, effective 7/8/09]

191—10.9(522B) License reinstatement.

10.9(1) A resident producer may reinstate an expired license up to 12 months after the license expiration date by proving that during the CE term the producer met the CE requirements found in 191—Chapter 11, and by paying a reinstatement fee and license renewal fees. A resident producer who fails to apply for license reinstatement within 12 months of the license expiration date must apply for a new license.

10.9(2) A nonresident producer may reinstate an expired license up to 12 months after the expiration date by submitting a request through the NIPR Gateway and by paying a reinstatement fee and license renewal fee. After the 12-month period, a nonresident producer must apply for a new license.

10.9(3) A producer who has surrendered a license for a nondisciplinary reason and stated an intent to exit the insurance business may file a request to reactivate the license. The request must be received at the division within 90 days of the date the license was placed on inactive status. The request will be granted if the former producer is otherwise eligible to receive the license. If the request is not received within 90 days, the producer must apply for a new license.

191—10.10(522B) Reinstatement or reissuance of a license after suspension, revocation or forfeiture in connection with disciplinary matters; and forfeiture in lieu of compliance.

10.10(1) The term “reinstatement” as used in this rule means the reinstatement of a suspended license. The term “reissuance” as used in this rule means the issuance of a new license following either the revocation of a license or the forfeiture of a license in connection with a disciplinary matter, including but not limited to proceedings pursuant to rules 191—10.21(252J), 191—10.22(261) and 191—10.23(82GA,SF2428). This rule does not apply to the reinstatement of an expired license.

10.10(2) Any producer whose license has been revoked or suspended by order, or who forfeited a license in connection with a disciplinary matter, may apply to the commissioner for reinstatement or reissuance in accordance with the terms of the order of revocation or suspension or the order accepting the forfeiture.

a. All proceedings for reinstatement or reissuance shall be initiated by the applicant who shall file with the commissioner an application for reinstatement or reissuance of a license.

b. An application for reinstatement or reissuance shall allege facts which, if established, will be sufficient to enable the commissioner to determine that the basis of revocation, suspension or forfeiture of the applicant's license no longer exists and that it will be in the public interest for the application to be granted. The burden of proof to establish such facts shall be on the applicant.

c. A producer may request reinstatement of a suspended license prior to the end of the suspension term.

d. Unless otherwise provided by law, if the order of revocation or suspension did not establish terms upon which reinstatement or reissuance may occur, or if the license was forfeited, an initial application for reinstatement or reissuance may not be made until at least one year has elapsed from the date of the order of the suspension (notwithstanding paragraph 10.10(2) "c"), revocation, or acceptance of the forfeiture of a license.

10.10(3) All proceedings upon the application for reinstatement or reissuance, including matters preliminary and ancillary thereto, shall be held in accordance with Iowa Code chapter 17A. Such application shall be docketed in the original case in which the original license was suspended, revoked, or forfeited, if a case exists.

10.10(4) An order of reinstatement or reissuance shall be based upon a written decision which incorporates findings of fact and conclusions of law. An order granting an application for reinstatement or reissuance may impose such terms and conditions as the commissioner or the commissioner's designee deems desirable, which may include one or more of the types of disciplinary sanctions provided by Iowa Code section 522B.11. The order shall be a public record, available to the public, and may be disseminated in accordance with Iowa Code chapter 22.

10.10(5) A request for voluntary forfeiture of a license shall be made in writing to the commissioner. Forfeiture of a license is effective upon submission of the request unless a contested case proceeding is pending at the time the request is submitted. If a contested case proceeding is pending at the time of the request, the forfeiture becomes effective when and upon such conditions as required by order of the commissioner. A forfeiture made during the pendency of a contested case proceeding is considered disciplinary action and shall be published in the same manner as is applicable to any other form of disciplinary order.

10.10(6) When a producer's license has been suspended for a period of time which extends beyond the producer's license expiration date, the license will terminate at the license expiration date, and the producer must request reinstatement pursuant to subrule 10.10(2). If suspension for a period of time ends prior to the producer's license expiration date, the division shall reinstate the license at the end of the suspension period. The commissioner is not prohibited from bringing an additional immediate action if the producer has engaged in misconduct during the period of suspension.

191—10.11(522B) Temporary licenses. An Iowa resident may apply for a temporary license pursuant to Iowa Code section 522B.10. The applicant should submit a written request to the division which includes the reason for the request and the length of time for which the temporary license is requested. Temporary licenses will be issued for 90 days, with extensions allowed, but in no event for longer than 180 days, pursuant to Iowa Code section 522B.10.

191—10.12(522B) Change in name, address or state of residence.

10.12(1) If a producer's name is changed, the producer must file notification with the division within 30 days of the name change. The notification must include the producer's:

- a.* Prior name;
- b.* License number; and
- c.* New name.

Notification shall be filed through the NIPR Gateway at www.NIPR.com, unless the division instructs the producer otherwise.

10.12(2) Address change. If a resident or nonresident producer's address is changed, the producer must file notification with the division within 30 days of the address change. The notification must include the producer's:

- a. Name;
- b. License number;
- c. Previous address; and
- d. New address. A producer may designate a business address instead of a resident address at the option of the producer.

Notification shall be filed through the NIPR Gateway at www.NIPR.com, unless the division instructs the producer otherwise.

10.12(3) A nonresident producer who moves from one state to another state or an Iowa resident producer who moves to another state and wishes to retain an Iowa producer license must file a change of address with the division and provide a certification from the new resident state within 30 days of the change of legal residence. No fee or license application is required. If the new resident state is actively participating in the producer database, a letter of certification is not required. A nonresident licensed producer who moves to Iowa and wishes to retain the nonresident's producer license must file a change of address with the division within 90 days of the change of legal residence.

10.12(4) Issuance of an Iowa nonresident producer license is contingent on proper licensure in the nonresident producer's home state. Termination of the producer's resident license will be deemed termination of the Iowa nonresident producer license unless the producer timely files a change of address pursuant to this rule.

10.12(5) If a producer has provided an E-mail address to the division, the division has the option to send information to the producer through the E-mail address rather than through the mail.

191—10.13(522B) Reporting of actions.

10.13(1) A producer shall report to the division any actions required to be reported by Iowa Code section 522B.16.

10.13(2) A producer shall report to the division all CSAC or CSRU actions taken under or in connection with Iowa Code chapter 261 or 252J and all court orders entered in such actions.

10.13(3) Failure to file reports required by this rule is a violation of this chapter and will subject producers to penalty pursuant to rule 191—10.20(522B).

191—10.14(522B) Commissions and referral fees.

10.14(1) An insurance company shall not pay, and a person shall not accept, any commission, service fee, brokerage or other valuable consideration unless the person performing the service held a valid license for the line of insurance for which the service was rendered at the time the service was performed.

10.14(2) A producer may assign commissions to an entity organized for the purpose of operating that producer's insurance business if all of the entity's representatives who personally sell, solicit or negotiate insurance in Iowa are individually licensed as producers under Iowa law.

10.14(3) An insurer or a producer may pay a nominal fee for referrals if the same fee is paid for each referral whether or not the referral results in an insurance transaction.

10.14(4) An insurer or a producer may not charge an additional fee for services that are customarily associated with the sale, solicitation, negotiation and servicing of an insurance policy. This prohibition does not apply to assigned risk and commercial property/casualty policies. Any fees or other charges that are assessed to an insurance consumer must be fully disclosed.

10.14(5) A person who is not engaged in any activities in Iowa that require a producer license in Iowa is not required to maintain an active producer license in order to receive override or hierarchy commissions or to receive renewal commissions earned while the producer was actively engaged in activities that required a producer license.

191—10.15(522B) Appointments.

10.15(1) Insurers are required to file appointments with the division for each producer with which the producer has an agency relationship. The determination of whether an insurer and a producer have an agency relationship will be made by the division based on the totality of the circumstances surrounding the business relationship. Appointments are not issued for business entities.

10.15(2) Insurers shall file and pay for initial appointments using the NIPR Gateway, except that insurers authorized under Iowa Code chapter 518 or 518A shall file appointments directly with the division by arrangement with the division.

10.15(3) The notice of appointment must be filed within 30 days of the date the insurer and producer execute an agency contract or the first insurance application is submitted to the insurer.

10.15(4) Appointment fees are set forth in rule 191—10.26(522B). The division or its designee will electronically transmit a billing statement to insurers authorized under Iowa Code chapter 518 or 518A, and payment is due within 45 days. The division will assess a late fee of \$100 for the failure to timely pay appointment billing statements and an additional \$500 on or after the forty-sixth day.

10.15(5) The division may adopt special appointment filing procedures to allow an insurer to file one appointment request that will appoint a producer to some or all of the affiliated insurance companies that comprise a holding company.

10.15(6) When a company loses its identity in a new company by merger, acquisition, or otherwise, the new company must contact the licensing bureau to arrange for reappointment of the producers to the remaining company.

10.15(7) Insurance companies are required to file the name, address, and electronic address of a contact person for the company, to whom the billing statements will be sent. Insurance companies are required to notify the division if there is a change of the person appointed as the contact person or if a change of the address of such contact occurs. If a company fails to notify the division of such a change, the division shall charge the insurance company a \$100 fee.

[ARC 7836B, IAB 6/3/09, effective 7/8/09]

191—10.16(522B) Appointment renewal.

10.16(1) On or about December 1 of each year, the division or its designee will deliver reminders to insurance companies that appointment renewals are imminent. Appointments shall be renewed electronically via the NIPR Gateway at www.NIPR.com.

10.16(2) On or about January 2 of each year, a list of the producers currently appointed with each insurance company and a billing statement will be provided to each insurance company via the NIPR Gateway. The billing statement may not be altered, amended or used for appointing or terminating producers.

10.16(3) Payment is due on or before March 1.

10.16(4) Failure to pay renewal appointment fees by March 15 will result in termination of a company's appointments. Appointments that are terminated due to nonpayment of renewal fees may be reinstated upon payment of the renewal fee plus a reinstatement fee of \$500.

10.16(5) Insurance companies are required to file the name, address, and electronic address of a contact person for the company, to whom the appointment renewals will be sent. Insurance companies are required to notify the division if a change of the address of such contact occurs. If a company fails to notify the division of such a change of address, the division shall charge the insurance company a \$100 fee.

[ARC 7836B, IAB 6/3/09, effective 7/8/09]

191—10.17(522B) Appointment terminations.

10.17(1) When an insurance company terminates its relationship with a producer, the company shall notify the division using the NIPR Gateway. The termination must be filed within 30 days of the date the insurer terminated its agency relationship with the producer. The company shall also notify the producer that the producer's appointment has been canceled.

10.17(2) There is no fee for the filing of an appointment termination.

10.17(3) The division may adopt special procedures for the filing of termination requests for a group of affiliated insurance companies that comprise a holding company.

10.17(4) When an insurer terminates an appointment for cause pursuant to Iowa Code section 522B.14, the notification of termination may be filed according to subrule 10.17(1). The supporting documents required by Iowa Code section 522B.14 shall be submitted to the division within ten days

of the filing of the notification. The documents shall include a certification by an officer or authorized representative of the insurer.

191—10.18(522B) Licensing of a business entity.

10.18(1) Application. A business entity may apply for an Iowa insurance license. For purposes of this rule, upon approval of an application by the division, the business entity shall be classified as a producer and shall be subject to all standards of conduct and reporting requirements applicable to producers.

10.18(2) Requirements.

a. To qualify for such a license, the business entity must:

(1) File a completed NAIC uniform business entity application through the NIPR Gateway or as directed by the division. For purposes of this subrule, “uniform business entity application” means the National Association of Insurance Commissioners’ uniform business entity application for resident and nonresident business entities, as the application appears on the NAIC Web site;

(2) Designate one officer, owner, partner, or member of the business entity, which person also is a producer licensed by the division, as the person who will have full responsibility for the conduct of all business transactions of the business entity or of producers affiliated with the business entity;

(3) For a nonresident business entity, submit an appropriate request through the NIPR Gateway; and

(4) Pay the license fee.

b. The designated responsible producer shall maintain an active Iowa producer license. If the license of the designated responsible producer terminates or lapses for any reason, the business entity must supply the division with a substitute designated responsible producer within ten days. If the business entity does not provide a substitute, the division shall terminate the license, and the entity shall submit a new application.

10.18(3) License term. A business entity license issued under this rule shall be effective for three years and one month, including the year of application, beginning on the first day of the month of the business entity’s formation date and ending with the last day of the month of the business entity’s formation date. By arrangement with the division, a business entity may choose a different month for its license term.

10.18(4) License renewal. Upon request by a business entity, the division shall electronically transmit a renewal notice to the electronic mail address of the business entity on file with the division on or before the first day of the month preceding the renewal month. The renewal fee must be received by the division or its designated vendor on or before the license expiration date. All business entities must renew their licenses through the NIPR Gateway or as otherwise directed by the division.

10.18(5) Business address. Business entities licensed under this rule must maintain a current business address with the division. If a business entity’s address is changed, notification from the designated responsible producer must be submitted to the division within 30 days of the address change, stating:

- a.* Name of the business entity;
- b.* License number;
- c.* Previous address; and
- d.* New address.

The notification may be sent by electronic mail through the NIPR Gateway at www.NIPR.com, unless the division instructs the producer otherwise.

10.18(6) Business name. A business entity licensed under this rule must keep the division informed of its business name. If a business entity changes the name under which it is operating, notification from the designated responsible producer must be submitted to the division within 30 days of the name change. The notification may be sent by electronic mail to producer.licensing@iid.state.ia.us, or through the NIPR Gateway, if available.

191—10.19(522B) Use of senior-specific certifications and professional designations in the sale of life insurance and annuities.

10.19(1) Purpose. The purpose of this rule is to set forth standards to protect consumers from misleading and fraudulent marketing practices with respect to the use of senior-specific certifications and professional designations in the solicitation, sale or purchase of, or advice made in connection with, a life insurance or annuity product.

10.19(2) Scope. This rule shall apply to any solicitation, sale or purchase of, or advice made in connection with, a life insurance or annuity product by a producer.

10.19(3) Authority.

a. This rule is promulgated under the authority of Iowa Code chapters 507B and 522B.

b. Nothing in this rule shall limit the division's authority to enforce existing provisions of law.

10.19(4) Prohibited uses of senior-specific certifications and professional designations.

a. It is an unfair and deceptive act or practice in the business of insurance within the meaning of Iowa Code chapter 507B for a producer to use a senior-specific certification or professional designation that indicates or implies in such a way as to mislead a purchaser or prospective purchaser that the producer has special certification or training in advising or servicing seniors in connection with the solicitation, sale or purchase of a life insurance or annuity product or in the provision of advice as to the value of or the advisability of purchasing or selling a life insurance or annuity product, either directly or indirectly through publications or writings, or by issuing or promulgating analyses or reports related to a life insurance or annuity product.

b. The prohibited use of senior-specific certifications or professional designations includes, but is not limited to, the following:

(1) Use of a certification or professional designation by an insurance producer who has not actually earned or is otherwise ineligible to use such certification or designation;

(2) Use of a nonexistent or self-conferred certification or professional designation;

(3) Use of a certification or professional designation that indicates or implies a level of occupational qualifications obtained through education, training or experience that the producer using the certification or designation does not have; and

(4) Use of a certification or professional designation that was obtained from a certifying or designating organization that:

1. Is primarily engaged in the business of instruction in sales or marketing;

2. Does not have reasonable standards or procedures for assuring the competency of its certificants or designees;

3. Does not have reasonable standards or procedures for monitoring and disciplining its certificants or designees for improper or unethical conduct; or

4. Does not have reasonable continuing education requirements for its certificants or designees in order to maintain the certificate or designation.

c. There is a rebuttable presumption that a certifying or designating organization is not disqualified solely for purposes of subparagraph 10.19(4) "b"(4) when the certification or designation issued from the organization does not primarily apply to sales or marketing and when the organization or the certification or designation in question has been accredited by:

(1) The American National Standards Institute (ANSI);

(2) The National Commission for Certifying Agencies; or

(3) Any organization that is on the U.S. Department of Education's list entitled "Accrediting Agencies Recognized for Title IV Purposes."

d. 1. Indicates seniority or standing within the organization; or
2. Specifies an individual's area of specialization within the organization.

(2) For purposes of paragraph 10.19(4)“*e*,” “financial services regulatory agency” includes, but is not limited to, an agency that regulates insurers, insurance producers, broker-dealers, investment advisers, or investment companies as defined under the Investment Company Act of 1940.

10.20(4) The commissioner may place on probation, suspend, revoke, or refuse to issue or renew a producer's license or may levy a civil penalty, in accordance with Iowa Code section 522B.17 or any combination of actions, for any action listed in Iowa Code section 522B.11 and any one or more of the following causes:

a. Submitting to the division or to the outside testing service on contract with the division a check which is returned to the division by a bank without payment, or submitting a payment to the division by credit card which the credit card company does not approve, or canceling or refusing amounts charged to a credit card by the outside testing service on contract with the division where services were received by the producer;

b. Failing to report any administrative action or criminal prosecution taken against the producer or failure to report the termination of a resident producer license;

c. Acting as a producer through persons not licensed as producers; or

The producer or applicant may request a hearing within 30 days of receipt of the notice to determine the reasonableness of the division's action. The hearing shall be held within 30 days of the date of the receipt of the written demand by the applicant and shall be held pursuant to 191—Chapter 3.

10.20(7) The commissioner may suspend, revoke, or refuse to issue the license of a business entity if the commissioner finds, after hearing, that an individual licensee's violation was known or should have been known by one or more of the partners, officers or managers acting on behalf of the entity and the violation was neither reported to the insurance division nor was corrective action taken.

- f.* A copy of the certificate of noncompliance.

10.21(3) The filing of an application for hearing with the district court will stay all suspension proceedings until the division is notified by the district court of the resolution of the application.

10.21(4) If the division does not receive a withdrawal of the certificate of noncompliance from the CSRU or a notice from a clerk of court that an application for hearing has been filed, the division shall suspend the producer's application, request for renewal or current license 30 days after the notice is issued.

10.21(5) Upon receipt of a withdrawal of the certificate of noncompliance from the CSRU, suspension proceedings shall halt and the named producer shall be notified that the proceedings have been halted. If the producer's license has already been suspended, the license shall be reinstated if the producer is otherwise in compliance with division rules. Upon receipt of a court order lifting the stay, or otherwise directing the commissioner to proceed, the commissioner shall continue with the intended action described in the notice. For purposes of determining the effective date of the denial of the issuance or renewal of a producer license, the commissioner shall count the number of days before the action was filed and the number of days after the court disposed of the action.

10.23(7) If the commissioner does not receive a withdrawal of the certificate of noncompliance from the centralized collection unit of the department of revenue or a notice from a clerk of court that an application for hearing has been filed, the commissioner shall suspend the producer's application, request for renewal or current producer license 60 days after the notice is issued.

10.23(8) Upon receipt of a withdrawal of the certificate of noncompliance from the centralized collection unit of the department of revenue, suspension proceedings shall halt, and the named producer shall be notified that the proceedings have been halted. If the producer's license has already been suspended, the license shall be reinstated if the producer is otherwise in compliance with this chapter. All fees required for license renewal or license reinstatement must be paid by the producer, and all continuing education requirements must be met before a producer license will be renewed or reinstated after a license suspension or revocation pursuant to 2008 Iowa Acts, Senate File 2428.
