**261—25.5(15) Application procedure.** All potential housing fund applicants are encouraged, but not required, to complete and submit a HART form describing the proposed housing activity prior to the submittal of a formal housing fund application. **25.5(2)** HART forms are accepted year-round.

**25.5(3)** Applicants may request technical assistance from staff contacts in the preparation of housing fund applications.

*a.* If an applicant does not submit an application by the next application deadline, IDEED will determine the proposal inactive and remove it from the HART files.

*b.* Upon the submission of a housing fund application, no additional staff assistance shall be provided during the review period.

**25.5(4)** Housing fund applications. Housing fund applications shall be reviewed through an annual competition. IDEED reserves the right to withhold funding from the annual housing fund competitive cycle to compensate for insufficient numbers or quality of applications received; to ensure that IDEED meets its 15 percent CHDO set-aside from HOME funds; to add HOME funds to existing HOME awards within one year of the original award date; to reallocate de-obligated or recaptured funds; and to fund projects that are consistent with Iowa green communities criteria. In the event that funds are withheld from the annual competitive cycle, IDEED will entertain additional applications, requests for proposals, or other forms of requests as deemed appropriate by IDEED.

**25.5(5)** Joint applications. For applicants requesting funding for both the housing fund and low-income housing tax credit (LIHTC) programs, the applicant may request application forms and related materials from the Iowa finance authority (IFA). The applicant must submit the completed application, with required housing fund attachments, to IFA by the deadline established in the application package.

*b.* IDEED staff shall review applications for eligibility and for activity threshold requirements. The joint review team shall meet to compare and discuss each common project. Final award decisions regarding funding recommendations will be made in accordance with IFA's qualified allocation plan

(scoring and set-asides). Staff from each agency will make recommendations for funding to their respective decision makers. A decision by one agency does not bind the other agency to fund a project.

Only local government and nonprofit recipients are eligible for general administrative funds.

**25.8(10)** IDED reserves the right to negotiate the amount and terms of a housing fund award.

**25.9(1)** A preaudit survey may be required for all for-profit and nonprofit direct recipients for grants that exceed \$150,000.

**25.9(2)** A contract shall be executed between the recipient and IDED. These rules, the approved housing fund application, the housing fund management guide and all applicable federal and state laws and regulations shall be part of the contract.

*a.* The recipient shall execute and return the contract to IDED within 45 days of transmittal of the final contract from IDED. Failure to do so may be cause for IDED to terminate the award.

*c.* Awards shall be conditioned upon commitment of other sources of funds necessary to complete the housing activity.

*d.* Release of funds shall be conditioned upon IDED's receipt of an administrative plan for the funded activity.

*e.* Release of funds shall be conditioned upon IDED's receipt and approval of documentation of environmental clearance.

**25.9(3)** Local administrative and technical services contracts.

*c.* Recipients that employ a third party to perform all or part of the general administration for the recipient and that also employ a third party to perform all or part of the technical services for the recipient shall conduct separate procurement transactions and shall enter into separate contractual agreements for each: one contract for general administration and one contract for technical services. Separate contracts are required even if both functions are performed by the same third-party entity.

**25.9(4)** Requests for funds. Recipients shall submit requests for funds in the manner and on forms prescribed by IDED. Individual requests for funds shall be made in whole dollar amounts equal to or greater than \$500 per request, except for the final draw of funds.

Changes include time extensions, budget revisions and significant alterations of the funded activities affecting the scope, location, objectives or scale of the approved activity. **25.9(10)** Remedies for noncompliance. At any time, IDED may, for cause, find that a recipient is not in compliance with the requirements of this program. At IDED's discretion, remedies for noncompliance may include penalties up to and including the return of program funds to IDED. Reasons for a finding of noncompliance include the recipient's use of funds for activities not described in the contract, the recipient's failure to complete funded activities in a timely manner, the recipient's failure to comply with applicable state or local rules or regulations or the lack of a continuing capacity of the recipient to carry out the approved activities in a timely manner.

**25.9(11)** Appeals process for findings of noncompliance. Appeals will be entertained in instances where it is alleged that IDED staff participated in a decision which was unreasonable, arbitrary, or capricious or otherwise beyond the authority delegated to IDED. Appeals should be addressed to the division administrator of the division of community and rural development. Appeals shall be in writing and submitted to IDED within 15 days of receipt of the finding of noncompliance. The appeal shall include reasons why the decision should be reconsidered.
