261—71.3(403) Application process and review.

71.3(1) Application. The department shall develop a standardized application and make the application available to eligible cities. The application procedures are as follows:

a. An eligible city seeking approval as a pilot project city will submit an application to the department. The department shall determine if the application is complete.

b. The department will review the application and consider the following criteria:

(1) Need for pilot project status. The city shall demonstrate why status as a pilot project city is necessary, including how the city will utilize the program to attract and retain employers.

(2) Planned and current projects. The city shall provide information on planned and current economic development projects that are taking place or will take place in an urban renewal area. The city shall demonstrate its ability to enter into a withholding agreement with an eligible business within one year of the city's approval as a pilot project city.

(3) Use of withholding funds. If approved as a pilot project city, the city shall indicate how the city plans to utilize withholding funds generated from the program. The city shall provide an estimate of the number of withholding agreements the city anticipates executing, the amount of withholding funds the city expects to generate as a result of the program, and the investment to be leveraged by use of the program.

(4) Urban renewal areas. The city shall identify the number of urban renewal areas in the city and the location of the urban renewal areas where withholding funds may be utilized.

(5) Matching funds. The city shall identify its ability to provide matching funds for projects involving withholding credits, including the potential sources of matching funds.

c. A resolution of support from the city applying for approval as a pilot project city is required as part of the application. This resolution shall include approval of the submission of the application to the department for status as a pilot project city.

d. The department may request additional information from a city that is applying for pilot project city status or may use other resources to obtain the needed information.

e. Applications filed on or after October 1, 2006, shall not be considered.

71.3(2) Approval of applications. The department shall approve four eligible pilot project cities: one pursuant to 71.2“1,” one pursuant to 71.2“2,” and two pursuant to 71.2“3.” If more than two cities meeting the requirements of 71.2“3” apply to be designated as a pilot project city, the department of management, in consultation with the department, shall determine which two cities hold the most potential to create new jobs or generate the greatest capital in their areas. Department staff will prepare a recommendation for each of the cities to be approved as pilot project cities. The board will make the final decision to approve, defer or deny applications. Once applications are approved by the board, all communities applying for pilot project city status will be notified of the status of their applications.

71.3(3) Status as a pilot project city. If a pilot project city does not enter into a withholding agreement within one year of its approval as a pilot project city, the city shall lose its status as a pilot project city. Upon such occurrence, the department shall take applications from other eligible cities to replace that city. Another city shall be designated within six months.

261—71.4(403) Withholding agreements.

71.4(2) Entering into a withholding agreement.

a. *Agreement between pilot project city and business.* A pilot project city may enter into a withholding agreement with a business locating to the community from another state that is creating or retaining targeted jobs in an urban renewal area. b. *Total amount of withholding tax credits.* The withholding agreement shall provide for the total amount of withholding tax credits awarded. An agreement shall not provide for an amount of withholding tax credits that exceeds the amount of qualifying investment made in the project.

c. Ineligibility if there is competition between pilot project city and non-pilot project city. A withholding agreement shall not be entered into with an employer not already located in a pilot project city when another Iowa community is competing for the same project and both the pilot project city and the other Iowa community are seeking assistance from the department.

d. Option of a business to enter into withholding agreement. A business shall not be obligated to enter into a withholding agreement with a pilot project city.

e. 2013 sunset date. A pilot project city shall not enter into a withholding agreement with a business after June 30, 2013.

Once a pilot project city and an employer have entered into a withholding agreement, an amount equal to 3 percent of the gross wages paid by the business to each employee under a withholding agreement shall be credited from the payment made by the employer pursuant to Iowa Code Supplement section 422.16. If the amount of withholding by the employer is less than 3 percent of the gross wages paid to the employees covered by the withholding agreement, the employer shall receive a credit against other withholding taxes due by the employer or may carry the credit forward for up to ten years or until depleted, whichever occurs first.

b. The employer shall submit the amount of the credit quarterly, in the same manner as withholding payments are made to the department of revenue, to the pilot project city.

c. An employee whose wages are subject to a withholding agreement shall receive full credit for the amount withheld under the targeted jobs withholding tax credit program as provided in Iowa Code Supplement section 422.16.

71.4(6) Use of withholding funds. A pilot project city shall allocate the withholding funds into a designated account in the special fund for the urban renewal area in which the targeted jobs are located. All funds deposited shall be used or pledged by the pilot project city for an urban renewal project related to the employer pursuant to the withholding agreement.

71.4(7) Local match requirement.

a. A pilot project city entering into a withholding agreement shall arrange for matching local financial support for the project. The local match required shall be in an amount equal to one dollar for every one dollar of withholding tax credit received by the pilot project city.

b. If the project, when completed, will increase the amount of an employer's taxable capital investment by an amount equal to at least 10 percent of the amount of withholding tax credit dollars received by the pilot project city, then the pilot project city shall itself contribute at least 10 percent of the local match amount computed under paragraph "a."

c. If the project, when completed, will not increase the amount of the employer's taxable capital investment by an amount equal to at least 10 percent of the amount of withholding tax credit dollars received by the pilot project city, then the pilot project city shall not be required to make a contribution to the local match.

d. A pilot project city's contribution, if any, to the local match may include the dollar value of any new tax abatement provided by the city to the business for new construction. For purposes of this paragraph, new construction includes building additions, remodeling, renovations, and updates.

71.4(8) Termination of a withholding agreement. Following the termination of a withholding agreement, the employer credits shall cease and any funds received by the pilot project city after the agreement has been terminated shall be remitted to the state treasurer to be deposited in the general fund of the state. The pilot project city shall notify the department of revenue and the department of economic development within 30 days of the termination of the withholding agreement. If the employer does not meet the requirements of the withholding agreement, the agreement shall be terminated and any withholding credits for the employer shall cease. If the employer has created or retained the required number of new jobs under the agreement, and the number of jobs falls below the required level, the employer shall not be considered in default until 18 months after the date of the decrease in new jobs.

71.4(9) Participation in other programs. An employer may participate in the Iowa industrial new jobs training program under Iowa Code Supplement section 260E.5 or may claim a supplemental withholding credit under Iowa Code Supplement section 15E.197, at the same time the employer is participating in the targeted jobs withholding tax credit program. The withholding credit under section 260E.5 and the supplemental withholding credit under section 15E.197 shall be collected and disbursed prior to the collection and disbursement of the withholding credit under the targeted jobs withholding tax credit program.

subrule 71.4(7) or if an employer is not in good standing as to prior or existing agreements with the department. A pilot project city will be notified in writing of the department's decision regarding the proposed withholding agreement.

71.5(2) Certification to the department of revenue.

a. The employer shall certify to the department of revenue that the targeted jobs withholding tax credit is in accordance with the withholding agreement and shall provide other information the department of revenue may require.
