

CHAPTER 17
LICENSURE OF ACUPUNCTURISTS

653—17.1(148E) Purpose. The licensure of acupuncturists is established to ensure that practitioners are qualified to provide Iowans with safe and healthful care. The provisions of Iowa Code chapters 147, 148E and 272C authorize the board of medicine to establish examination requirements for licensure; evaluate the credentials of applicants for licensure (147.2, 148E.3); grant licenses to qualified applicants (148E.2); institute continuing education requirements (272C.2); investigate complaints and reports alleging that licensed acupuncturists violated statutes and rules governing the practice of acupuncture (147.55, 148E.6); make available participation in the Iowa physician health program (272C.3); and discipline licensed acupuncturists found guilty of infractions as provided in state law and board rules (147.55, 148E.6).

653—17.2(148E) Licensure exceptions. In accordance with Iowa Code section 148E.3, the following rules govern those persons engaged in the practice of acupuncture not otherwise licensed by the state to practice medicine and surgery, osteopathy, osteopathic medicine and surgery, chiropractic, podiatry, or dentistry. A student practicing acupuncture under the direct supervision of a licensed acupuncturist as part of a course of study approved by the board as one that leads to eligibility for licensure is not required to obtain a license.

653—17.3(148E) Definitions.
