261—47.3(15E) Authorization of tax credits to taxpayers. The authority shall authorize tax credits to qualified taxpayers who provide an endowment gift to an endow Iowa qualified community foundation or a community affiliate organization affiliated with an endow Iowa qualified community foundation for a permanent endowment fund within the state of Iowa in accordance with the following provisions:

47.3(1) Approved tax credits shall be allowed against taxes imposed in Iowa Code chapter 422, divisions II, III, and V, and in Iowa Code chapter 432, and against the moneys and credits tax imposed in Iowa Code section 533.24.

47.3(2) Beginning January 1, 2010, approved tax credits will be equal to 25 percent of a taxpayer’s gift to a permanent endowment held in an endow Iowa qualified community foundation. The amount of the endowment gift for which the endow Iowa tax credit is claimed shall not be deductible in determining taxable income for state income tax purposes.

47.3(3) The aggregate amount of tax credits available under this rule is limited according to Iowa Code section 15E.305, subsection 2. The aggregate amount is determined by taking a base authorization amount specified in Iowa Code section 15E.305, subsection 2, paragraph “a,” and adding an additional amount to be determined annually by calculating a certain percentage of the state’s gambling revenues, as provided in Iowa Code section 99F.11, subsection 3, paragraph “d,” subparagraph (3), for the prior fiscal year. For calendar year 2011 and for all subsequent calendar years, the annual base authorization amount of available tax credits is $3.5 million. The additional amount varies each year according to the amount of gambling revenues collected in the prior year. For 2012, the aggregate amount of available tax credits is $4,642,945. The maximum amount of tax credit that an individual taxpayer may claim is limited to 5 percent of the aggregate amount available each year. For 2012, the maximum amount of tax credit available to a single taxpayer is $232,147.25. If the authority receives applications for tax credits in excess of the amount available, the applications shall be prioritized by the date the authority received the applications. If the number of applications exceeds the amount of annual tax credits available, the
authority shall establish a wait list for the next year’s allocation of tax credits and applications shall first be funded in the order listed on the wait list.

**47.3(4)** Any tax credit in excess of the taxpayer’s tax liability for the tax year may be credited to the tax liability for the following five years or until depleted, whichever occurs first.

**47.3(5)** A tax credit shall not be carried back to a tax year prior to the tax year in which the taxpayer claims the tax credit.

**47.3(6)** A tax credit shall not be transferable to any other taxpayer.

**47.4(1)** Twenty-five percent of the annual amount available for tax credits shall be reserved for those permanent endowment gifts made to community affiliate organizations. If by September 1 of any year the entire 25 percent reserved for permanent endowment gifts corresponding to community affiliate organizations is not allocated, the amount remaining shall be available for other applicants.

**47.4(2)** Ten percent of the annual amount available for tax credits shall be reserved for those permanent endowment gifts totaling $30,000 or less. If by September 1 of any year the entire 10 percent reserved for permanent endowment gifts totaling $30,000 or less is not allocated, the amount remaining shall be available for other applicants.

**47.4(3)** Applications will be accepted and awarded on an ongoing basis. The authority will make public by June 1 and December 1 of each calendar year the total number of requests for tax credits and the total amount of requested tax credits that have been submitted and awarded.
