The offender is responsible for informing the visitor of the days and hours for visitation.

20.3(3) Authorized visitors.

a. The central visiting authority will establish an approved visiting list for each offender. This visiting list remains valid when the offender is transferred to another institution.

c. Neither a victim of a sex offense, whether registered or not, nor the victim's family members will be approved for the visiting list of the perpetrator in the victim's case until department staff consult with the victim and restorative justice administrator of the department. Visitation requests from victims shall be considered only when the offender has successfully completed all recommended treatment programs of the department or board of parole. d. A former department employee or volunteer who is not an immediate family member of an offender may be allowed to visit six months after leaving employment or ceasing volunteer service if the former employee or volunteer passes the normal background investigation, there are no security issues arising from the person's prior employment or volunteer service, and the CVA receives approval from the warden/superintendent or designee.

(1) Applicants may appeal to the warden/superintendent or designee in writing. An appeal by an applicant who is the victim of a sex offense, or who is the victim's family member, and is seeking to visit the perpetrator of the crime shall be reviewed in consultation with the department sex offender treatment director or the institution's treatment director for the moderate intensity family violence prevention program.

(2) The decision of the warden/superintendent or designee may be appealed to the director of the department of corrections or the director's designee. The decision of the director or the director's designee constitutes final agency action.

20.3(7) Removal from visiting list. If an offender wishes to have a visitor removed from the offender's visiting list, the offender shall complete the Removal of Visitor form contained in department policy OP-MTV-04 and send it to the central visiting authority. Upon receipt of the removal request, the central visiting authority shall respond to the request within seven business days and send a copy of the removal form to the offender. Attorney visits shall be during normal visiting hours unless a special visit has been requested by the offender and approved by the warden/superintendent or designee prior to the visit.

An attorney testing positive by an electronic detection device may be required to visit without direct contact.

c. *Ministers.* Ministers must complete an initial visitor application form to visit an offender; however, this initial application shall apply to multiple visiting lists. After initial approval is established, ministers must contact the central visiting authority at (319)385-9511 to be added to the visiting lists of additional offenders. 20.3(12) Noncontact visiting. The warden/superintendent or designee may allow noncontact visits when the order or security of the institution may be threatened or when disciplinary rules or procedures have been violated. Noncontact visiting hours will be provided on a scheduled basis. The hours and days will be posted by the warden/superintendent or designee, and notice will be posted at least one week prior to any change. If the initial electronic test confirms the presence of a controlled substance, the visitor will be given a second confirmation test. When the electronic detection device alarm is activated, the visitor shall produce the item that set off the alarm or a personal search may be made to find the item. If the visitor refuses to submit to a search, access to visiting shall be denied and entrance shall be denied. All searches shall be conducted in a courteous manner to respect the visitor's privacy. Minors are subject to personal and electronic searches. When a visitor accompanied by a minor refuses to leave the minor with a staff person and does not want the minor present during the search, the visit will be denied. When a minor is searched, the supervising adult shall be present in the room at all times.

a. The warden/superintendent or designee will maintain records of all searches which produce positive results, including the name of each person subjected to a search, the names of the persons conducting and in attendance at the search, and the time, date, and place of the search. The written record shall reflect the reason for the search and the results of the search. The written authorization for the search shall be included in the record. If the search reveals drugs or illegal contraband, the item shall be confiscated and preserved by local law enforcement. Visitors found in possession of contraband shall be referred by local law enforcement to the county attorney for prosecution.

d. Facilities will establish procedures for personnel selection and training of search personnel. b. *Refusing to be tested.* Refusal to submit to a drug test by an electronic testing device will result in suspension of visiting privileges for 15 calendar days from the time of refusal.

c. *Written notification.* Written notice regarding visiting status or facility access will be presented or mailed within 5 working days to any individual (nonoffenders) who tests positive or who refuses consent to search. Such notice will include the duration of any restriction and procedures for reconsideration or reinstatement.

leave the area, visits necessary to straighten out critical personal affairs, and other visits for similar reasons. All these visits shall be at the sole discretion of the warden/superintendent or designee. When ruling on such visits, the warden/superintendent or designee shall consider appropriate factors including the uniqueness of the circumstances involved for both the offender and the visitor; security, order, and administrative needs of the institution; and available alternatives to a special visit. The decision of the warden/superintendent or designee in these cases constitutes final agency action.

20.3(21) Temporary modifications. Visiting procedures may be temporarily modified or suspended in the following circumstances: riot, disturbance, fire, labor dispute, space and personnel restrictions, natural disaster, or other emergency.

20.17(7) Program activity. This rule does not create any liberty interest in the inmate's continued participation in any of the programs at any level listed under this rule, and the department of corrections or its designee(s) reserves the right to revoke, suspend, or limit/restrict program activity from the listed programs for any reason, without hearing.

20.17(8) Waiver of liberty interests. As a condition for an inmate to participate in any of the programs at any level listed under this rule, the inmate must voluntarily waive any and all liberty interests to a hearing should the department exercise its right to revoke, suspend or limit/restrict program activity. This waiver must be signed prior to an inmate's acceptance into a program. The signed waiver shall remove any and all rights to due process should the department exercise its right to revoke, suspend or limit/restrict program activity.
