441—13.2(234,239B,249A,514I) Review of public assistance records by the department.

13.2(1) Authorized representatives of the department shall have the right to review case records to determine the following:

a. Whether the client has provided complete, correct and accurate information to the department to be used in the determination of the assistance benefits.

b. Whether the department has correctly administered the state policies in determination of assistance for the public assistance programs.

c. Whether overpayments or underpayments have been made correctly to the public assistance client during the month of review.

d. Whether there is indication of fraudulent practice or abuse of the public assistance programs by either the client or department.

13.2(2) All pertinent case records within the department may be used by the reviewer to assist in substantiating an accurate reflection as to the correctness of the assistance received by the client.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, 249A.4 and 514I.4.
[ARC 8067C, IAB 6/12/24, effective 7/17/24]

441—13.3(234,239B,249A,514I) Cases to be reviewed. Any active or negative public assistance case may be reviewed at any time at the discretion of the department to:

13.3(1) Ensure federal and state requirements for quality control are met.

13.3(2) Detect error prone case issues to assist in corrective action.

13.3(3) Maintain public assistance program integrity.

This rule is intended to implement Iowa Code sections 234.6, 234.12, 239B.4, 249A.4, and 514I.4.

441—13.4(234,239B,249A,514I) Notification of review. On positive case actions, clients will be notified, either orally or in writing, that their case has been selected for review when contact is required by federal guidelines, or when contact is allowed and additional information is required to complete

the review. The client will be contacted in a negative case only if a discrepancy exists that cannot be resolved from the case record and contact is allowed by federal guidelines.

This rule is intended to implement Iowa Code sections 234.6, 234.12, 239B.4, 249A.4, and 514I.4. [ARC 8067C, IAB 6/12/24, effective 7/17/24]

13.5(1) A random sampling of active and negative case actions will be used to determine the case records to be studied.

13.5(2) The case record will be analyzed for discrepancies and correct application of policies and procedures and will be used as the basis for a field investigation.

13.5(3) Client interviews are required as follows:

- a. Personal interviews are required on all active SNAP reviews.
- b. An appointment letter may be sent to the client by the department to schedule or confirm the appointment date, time and location.
- c. Client contacts are only required in negative case reviews when there is a discrepancy that cannot be resolved from the case record.

13.5(4) Collateral contacts are made whenever the client is unable to furnish information needed or the reviewer needs additional information to establish the correctness of eligibility and payment but only when allowed by federal guidelines. Verification to confirm the accuracy of statements or information may be obtained by documentary evidence or a contact with a third party.

a. The client shall release specific information whenever necessary to verify information essential to the determination of eligibility and payment.

b. Should the client refuse to authorize the department to contact an informant to verify information that is necessary for the completion of the review, collateral contacts will still be made through use of the general release statement contained in the financial support application or the review/recertification eligibility document.

This rule is intended to implement Iowa Code sections 234.6, 234.12, 239B.4, 249A.4, and 514I.4. [ARC 8067C, IAB 6/12/24, effective 7/17/24]

This rule is intended to implement Iowa Code section 234.12. [ARC 8067C, IAB 6/12/24, effective 7/17/24]

441—13.7(234,239B,249A,514I) Report of findings. The quality control review findings are used by the department in the following ways:

13.7(1) To take the appropriate case action where an overpayment or underpayment has been found in a client's case record.

13.7(2) To identify error-prone program issues to be used in planning a department corrective action plan.

13.7(3) To determine the error rate used to establish state agency liability.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, 249A.4, and 514I.4. [ARC 8067C, IAB 6/12/24, effective 7/17/24]
