e. The requirement for mandatory training for identifying and reporting child and dependent adult abuse shall be suspended if the board determines that suspension is in the public interest or that a person at the time of license renewal:

(1) Is engaged in active duty in the military service of this state or the United States.

(2) Holds a current waiver by the board based on evidence of significant hardship in complying with training requirements, including an exemption of continuing education requirements or extension of time in which to fulfill requirements due to a physical or mental disability or illness as identified in rule 645—4.14(272C).

f. The board may select licensees for audit of compliance with the requirements in paragraphs 180.5(4)"*a*" to "*e*."

180.5(5) Upon receiving the information required by this rule and the required fee, board staff shall administratively issue a two-year license. In the event the board receives adverse information on the renewal application, the board shall issue the renewal license but may refer the adverse information for further consideration or disciplinary investigation.

A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as an optometrist in Iowa until the license is reactivated. A licensee who practices as an optometrist in the state of Iowa with an inactive license may be subject to disciplinary action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant to Iowa Code section 147.86, and other available legal remedies.
