

CHAPTER 2 REGISTRATION

[Prior to 7/13/88, see Architectural Examiners, Board of[80]]

193B—2.1(544A,17A) Definitions. The following definitions apply as used in Iowa Code chapter 544A, and this chapter of the architectural examining board rules, unless the context otherwise requires.

“*Applicant*” means an individual who has submitted an application for registration to the board.

“*Architectural Intern*” means an individual who holds a professional degree from an NAAB-accredited program, has completed or is currently enrolled in the NCARB Intern Development Program and intends to actively pursue registration by completing the Architect Registration Examination.

“*ARE*” means the current Architect Registration Examination, as prepared and graded by the National Council of Architectural Registration Boards (NCARB).

“*Examination*” means the current Architect Registration Examination (ARE) accepted by the board.

“*IDP*” means Intern Development Program.

“*IDP applicant*” means an individual who has completed the IDP training requirements set forth in the NCARB Handbook for Interns and Architects and has submitted an application for registration to the board.

“*Inactive*” means that an architect is not engaged in Iowa in any practice for which a certificate of registration is required.

“*Intern Architect*” has the same meaning as “Architectural Intern.”

“*Issuance*” means the date of mailing of a decision or order or the date of delivery if service is by other means unless another date is specified in the order.

“*NAAB*” means the National Architectural Accrediting Board.

“*NCARB*” means the National Council of Architectural Registration Boards.

“*NCARB Handbook for Interns and Architects*” means the most current edition of a document by the same title published by the National Council of Architectural Registration Boards. The document outlines the requirements for examination and registration as an architect and is available through the National Council of Architectural Registration Boards, 1801 K Street NW, Suite 1100, Washington, D.C. 20006; NCARB’s Web site www.ncarb.org; the architectural examining board or the state law library.

“*Retired*” means that an architect is not engaged in the practice of architecture or earning monetary compensation by providing professional architectural services in any licensing jurisdiction of the United States or a foreign country.

193B—2.2(544A,17A) Application by reciprocity. Applicants for registration are required to make application to the National Council of Architectural Registration Boards (NCARB) for a certificate. A completed state application form (available on the board’s Web site) and a completed NCARB certificate shall be filed in the board office before an application will be considered by the board.

2.2(1) Registration requirements. The board or its executive officer may waive examination requirements for applicants who, at the time of application, are registered as architects in a different jurisdiction, where the applicant’s qualifications for registration are substantially equivalent to those required of applicants for initial registration in this state. All such applicants who hold an active NCARB certificate shall be deemed to possess qualifications that are substantially equivalent to those required of applicants for initial registration in this state.

2.2(2) Applicants seeking architectural commission in Iowa. A person seeking an architectural commission in this state may be admitted to this state for the purpose of offering to provide architectural services, and for that purpose only, without first being registered in this state if:

- a. The person holds an NCARB certificate; and
- b. The person holds a current and valid registration issued by a registration authority recognized by this state; and
- c. The person notifies the board in writing on a form provided by the board that the person:

- (1) Holds an NCARB certificate and a current and valid registration issued by a registration authority recognized by this state,
 - (2) Is not currently registered in this state but will be present in this state for the purpose of offering to provide architectural services on a temporary basis, and
 - (3) Has no previous or pending disciplinary action by any registration authority; and
 - d. The person delivers a copy of the notice referred to in paragraph “c” to every potential client to whom the person offers to provide architectural services; and
 - e. The person provides the board with a sworn statement of intent to apply immediately to the board for registration if selected as the architect for a project in this state.
- The person is prohibited from actually providing architectural services until the person has been issued a valid registration in this state.

2.2(3) Board refusal to issue registration. The board may refuse to issue a certificate of registration to any person otherwise qualified upon any of the grounds for which a certificate of registration may be revoked or suspended or may otherwise discipline a registrant based upon a suspension, revocation, or other disciplinary action taken by a licensing authority in this or another jurisdiction. For purposes of this subrule, “disciplinary action” includes the voluntary surrender of a registration to resolve a pending disciplinary investigation or proceeding. A certified copy of the record or order of suspension, revocation, voluntary surrender, or other disciplinary action is prima facie evidence of such fact.

193B—2.3(544A,17A) Application for registration by examination.

2.3(1) To be admitted to the examination, an applicant for registration shall have completed the eligibility requirements of the education standards for NCARB certification which include a professional degree from a program accredited by the National Architectural Accrediting Board (NAAB) or the Canadian Architectural Certification Board (CACB) and shall be enrolled in the NCARB Intern Development Program. NCARB shall notify the testing service of the applicant’s eligibility prior to the applicant’s scheduling of an examination.

2.3(2) Documentation of IDP training units shall be submitted on IDP report forms, published by NCARB, verified by signatures of registered architects serving as (1) the intern architect’s supervisor in accordance with the requirements outlined in the NCARB Handbook for Interns and Architects, and (2) the intern architect’s mentor, usually outside the intern’s firm, with whom the intern has met for guidance and evaluation of the intern’s progress in the IDP. The completed IDP report form shall demonstrate attainment of an aggregate of the minimum number of value units in each training area and shall be submitted to NCARB for evaluation.

2.3(3) All eligibility requirements shall have been verified and satisfied in accordance with the NCARB Handbook for Interns and Architects. The Handbook is available through NCARB, the architectural examining board or the state law library.

2.3(4) Applicants who have passed one or more but not all divisions of the ARE shall have a rolling five-year period to pass each of the remaining divisions. A passing grade for any remaining division shall be valid for five years, after which time the division must be retaken if all remaining divisions have not been passed. The rolling five-year period shall commence on the date when the first division that has been passed is administered.

2.3(5) To be eligible for registration, all applicants shall have passed all divisions of the ARE prepared and provided by NCARB, have completed the NCARB Intern Development Program, and have attained an NCARB council record. A completed NCARB council record shall be transmitted to and filed in the board office. Upon receipt of the council record, the board shall provide the applicant with an application for registration form. The board shall issue a registration number to the applicant upon receipt of the completed application form and appropriate fee.

2.3(6) The board may refuse to issue a certificate of registration to any person otherwise qualified upon any of the grounds for which a registration may be revoked or suspended or may otherwise discipline a registrant based upon a suspension, revocation, or other disciplinary action taken by a licensing authority in this or another jurisdiction. For purposes of this subrule, “disciplinary action”

includes the voluntary surrender of a registration to resolve a pending disciplinary investigation or proceeding. A certified copy of the record or order of suspension, revocation, voluntary surrender, or other disciplinary action is prima facie evidence of such fact.

193B—2.4(544A,17A) Examination. Examinations for registration as an architect shall be conducted by the board or its authorized representative.

2.4(1) Content and grading of the examination. The board shall make use of the ARE prepared and graded by NCARB under a plan of cooperation with the architectural examining boards of all states and territories of the United States.

2.4(2) Testing service. The board may make use of a testing service selected by NCARB to administer the examination, provided the examination is held in at least one location within the boundaries of this state.

193B—2.5(17A,272C,544A) Renewal of certificates of registration.

2.5(1) Active status. Certificates of registration expire biennially on June 30. In order to maintain authorization to practice in Iowa, a registrant is required to renew the certificate of registration prior to the expiration date. A registrant who fails to renew by the expiration date is not authorized to practice architecture in Iowa until the certificate is reinstated as provided in rule 193B—2.6(544A,17A).

a. A registrant whose last name begins with the letter A through K shall renew in even-numbered years, and a registrant whose last name begins with the letter L through Z shall renew in odd-numbered years.

b. It is the policy of the board to send to each registrant a notice of the pending expiration date at the registrant's last-known address approximately one month prior to the date the certificate of registration is scheduled to expire. The notice, when provided, may be by e-mail communication or in the quarterly newsletter. Failure to receive this notice does not relieve the registrant of the responsibility to timely renew the certificate and pay the renewal fee. A registrant should contact the board office if the registrant does not receive a renewal notice prior to the date of expiration.

c. Upon the board's receipt of a timely and sufficient renewal application as provided in 193—subrule 7.40(3), the board's administrator shall issue a new certificate of registration reflecting the next expiration date, unless grounds exist for denial of the application. However, the board will accept an otherwise sufficient renewal application that is untimely if the board receives the application and late fee within 30 days of the date of expiration.

d. If grounds exist to deny a timely and sufficient application to renew, the board shall send written notification to the applicant by restricted certified mail, return receipt requested. Grounds may exist to deny an application to renew if, for instance, the registrant failed to satisfy the continuing education as required as a condition for registration. If the basis for denial is pending disciplinary action or disciplinary investigation which is reasonably expected to culminate in disciplinary action, the board shall proceed as provided in 193—Chapter 7. If the basis for denial is not related to a pending or imminent disciplinary action, the applicant may contest the board's decision as provided in 193—subrule 7.40(1).

e. When a registrant appears to be in violation of mandatory continuing education requirements, the board may, in lieu of proceeding to a contested case hearing on the denial of a renewal application as provided in rule 193—7.40(546,272C), offer a registrant the opportunity to sign a consent order. While the terms of the consent order will be tailored to the specific circumstances at issue, the consent order will typically impose a penalty between \$50 and \$250, depending on the severity of the violation; establish deadlines for compliance; and require that the registrant complete hours equal to double the deficiency in addition to the required hours; and may impose additional educational requirements on the registrant. Any additional hours completed in compliance with the consent order cannot again be claimed at the next renewal. The board will address subsequent offenses on a case-by-case basis. A registrant is free to accept or reject the offer. If the offer of settlement is accepted, the registrant will be issued a renewed certificate of registration and will be subject to disciplinary action if the terms of the consent order are not

complied with. If the offer of settlement is rejected, the matter will be set for hearing, if timely requested by the applicant pursuant to 193—subrule 7.40(1).

f. The board may notify a registrant whose certificate of registration has expired. The failure of the board to provide this courtesy notification or the failure of the registrant to receive the notification shall not extend the date of expiration.

g. A registrant who continues to practice architecture in Iowa after the registration has expired shall be subject to disciplinary action. Such unauthorized activity may also be grounds to deny a registrant's application for reinstatement.

2.5(2) Inactive status. This subrule establishes a procedure under which a person issued a certificate of registration as an architect may apply to the board to register as inactive. Registration under this subrule is available to a certificate holder residing within or outside the state of Iowa who is not engaged in Iowa in any practice for which a certificate of registration as an architect is required. A person eligible to register as inactive may, as an alternative to such registration, allow the certificate of registration to lapse. During any period of inactive status, a person shall not use the title "architect" or any other title that might imply that the person is offering services as an architect by such an action in violation of Iowa Code section 544A.15. The board will continue to maintain a data base of persons registered as inactive, including information which is not routinely maintained after a certificate has lapsed through the person's failure to renew. A person who registers as inactive will accordingly receive renewal applications, board newsletters and other mass communications from the board.

a. Affirmation. The renewal application form shall contain a statement in which the applicant affirms that the applicant will not engage in any of the practices in Iowa that are listed in Iowa Code section 544A.16 without first complying with all rules governing reinstatement to active status. A person in inactive status may reinstate to active status at any time pursuant to rule 193B—2.8(544A).

b. Renewal. A person registered as inactive may renew the person's certificate of registration on the biennial schedule described in 193B—2.5(17A,272C,544A). This person shall be exempt from the continuing education requirements and will be charged a reduced renewal fee as provided in 193B—2.11(544A,17A). An inactive certificate of registration shall lapse if not timely renewed. However, the board will accept an otherwise sufficient renewal application that is untimely if the board receives the application and late fee within 30 days of the date of expiration.

c. Permitted practices. A person may, while registered as inactive, perform for a client, business, employer, government body, or other entity those services which may lawfully be provided by a person to whom a certificate of registration has never been issued. Such services may be performed as long as the person does not in connection with such services use the title "architect" or any other title restricted for use only by architects pursuant to Iowa Code section 544A.15 (with or without additional designations such as "inactive" or "retired"). Restricted titles may be used only by active architects who are subject to continuing education requirements to ensure that the use of such titles is consistently associated with the maintenance of competency through continuing education.

d. Prohibited practices. A person who, while registered as inactive, engages in any of the practices described in Iowa Code sections 544A.15 and 544A.16 is subject to disciplinary action.

2.5(3) Retired status. A person who held a registration as an architect and who does not reasonably expect to return to the workforce in any capacity for which a certificate of registration is required due to bona fide retirement or disability may apply to the board for retired status and, if granted, may use the title "architect retired" in the context of non-income-producing personal activities. If the board determines an applicant is eligible, the retired status would become effective on the first scheduled registration renewal date. Applicants do not need to reinstate an expired registration to be eligible for retired status. Applicants may apply for retired status on forms provided by the board. The board will not provide a refund of biennial registration fees if an application for retired status is granted in a biennium in which the applicant has previously paid the biennial fees for either active or inactive status. Persons registered in retired status are exempt from the renewal requirement.

a. Affirmation. The retired status application form shall contain a statement in which the applicant affirms that the applicant will not engage in any of the practices in Iowa that are listed in Iowa Code

section 544A.16 without first complying with all rules governing reinstatement to active status. A person in retired status may reinstate to active status at any time pursuant to rule 193B—2.8(544A).

b. Permitted practices. Persons registered in retired status may engage in the practices identified in paragraph 2.5(2)“c.” Such persons may also provide services as technical experts before a court, including prelitigation preparation, discovery, and testimony, on matters directly related to architectural services provided by such persons prior to registering with the board in retired status.

c. Exemption. A person whose registration as an architect has been placed on probation, suspended, revoked, or voluntarily surrendered in connection with a disciplinary investigation or proceeding shall not be eligible for retired status unless, upon appropriate application, the board first reinstates the registration to good standing.

193B—2.6(544A,17A) Reinstatement of lapsed certificate of registration to active status. An individual may reinstate a lapsed certificate of registration to active status as follows:

2.6(1) If the individual’s registration has been lapsed for up to 24 months, the individual may reinstate the registration by selecting either Option 1 or Option 2 as follows:

a. Option 1. The individual shall:

- (1) Pay the reinstatement fee of \$25 per month of expired registration;
- (2) Pay the current renewal fee;
- (3) Provide a written statement outlining the professional activities of the applicant during the period of nonregistration. The statement shall include a list of all projects with which the applicant had involvement and shall explain the service provided by the applicant; and

(4) Submit documented evidence of completion of 12 continuing education hours for each year or portion of a year of expired registration in compliance with requirements in 193B—Chapter 3 in addition to the 24 hours which should have been reported on the June 30 renewal date on which the applicant failed to renew. The continuing education hours used for reinstatement may not be used again at the next renewal. Out-of-state residents may submit a statement from their resident state’s licensing board as documented evidence of compliance with their resident state’s mandatory continuing education requirements during the period of nonregistration. The statement shall bear the seal of the licensing board. Out-of-state residents whose resident state has no mandatory continuing education shall comply with the documented evidence requirements outlined in this subrule.

b. Option 2. The individual shall:

(1) File a new application for registration as prescribed in rules 193B—2.2(544A,17A) and 193B—2.3(544A,17A), particularly subrules 2.2(1) and 2.3(3); and

(2) Provide a written statement outlining the professional activities of the applicant during the period of nonregistration. The statement shall include a list of all projects with which the applicant had involvement and shall explain the service provided by the applicant.

2.6(2) If an individual’s registration has been lapsed for more than 24 months, the individual may reinstate the registration by selecting either Option 1 or Option 2 as follows:

a. Option 1. The individual shall:

- (1) Pay the reinstatement fee of \$25 per month of expired registration, up to a maximum of \$750;
- (2) Pay the current renewal fee;
- (3) Provide a written statement outlining the professional activities of the applicant during the period of nonregistration. The statement shall include a list of all projects with which the applicant had involvement and shall explain the service provided by the applicant; and

(4) Submit documented evidence of completion of 12 continuing education hours for each year or portion of a year of expired registration in compliance with requirements in 193B—Chapter 3 up to a maximum of 48 continuing education hours. The continuing education hours used for reinstatement may not be used again at the next renewal. Out-of-state residents may submit a statement from their resident state’s licensing board as documented evidence of compliance with their resident state’s mandatory continuing education requirements during the period of nonregistration. The statement shall bear the

seal of the licensing board. Out-of-state residents whose resident state has no mandatory continuing education shall comply with the documented evidence requirements outlined in this subrule.

b. Option 2. The individual shall:

(1) File a new application for registration as prescribed in rules 193B—2.2(544A,17A) and 193B—2.3(544A,17A), particularly subrules 2.2(1) and 2.3(3); and

(2) Provide a written statement outlining the professional activities of the applicant during the period of nonregistration. The statement shall include a list of all projects with which the applicant had involvement and shall explain the service provided by the applicant.

b. Submit documented evidence of completion of 24 continuing education hours in compliance with requirements in 193B—Chapter 3. The hours used to reinstate to active status cannot again be used to renew.

(1) At the first biennial renewal date of July 1 that is less than 12 months from the date of the filing of the application to restore the certificate of registration to active status, the person shall not be required to report continuing education hours.

(2) At the first biennial renewal date of July 1 that is more than 12 months, but less than 24 months, from the date of the filing of the application to restore the certificate of registration to active status, the person shall report 12 hours of previously unreported continuing education hours.
