

CHAPTER 29  
JUMP-START HOUSING ASSISTANCE PROGRAM

**265—29.1(16) Purpose.** This chapter defines and structures the jump-start housing assistance program to aid individuals whose homes, located in parts of Iowa declared by the President of the United States to be disaster areas, were destroyed or damaged by the natural disasters of 2008. Under the program, the authority may grant funds in accordance with this chapter to local government participants, including certain Iowa councils of governments, cities, and counties. The local government participants shall, in turn, loan funds to eligible residents under the conditions specified in this chapter to assist those eligible residents in purchasing homes generally comparable to those they lived in prior to the occurrence of the natural disasters of 2008, in repairing or rehabilitating disaster-affected homes, and in making mortgage payments and paying for other eligible property-carrying costs while the eligible residents await a property acquisition of their disaster-affected homes.

**265—29.2(16) Definitions.** For purposes of this chapter, the following definitions apply.

*“Authority”* means the Iowa finance authority.

*“COG”* means an Iowa council of governments as identified by Iowa Code chapter 28H.

*“Disaster-affected home”* means a primary residence that was destroyed or damaged by the natural disasters of 2008.

*“Disaster compensation”* means moneys received by an eligible resident as a result of damage caused to the eligible resident’s disaster-affected home by the natural disasters of 2008 from any of the following sources: (1) FEMA, (2) any other governmental assistance, or (3) proceeds of any insurance policy. “Disaster compensation” shall not include rental assistance received from FEMA or other sources.

*“Eligible energy-efficient home appliances and improvements”* means energy-efficient furnaces, boilers, appliances, air conditioners, hot water heaters, windows, and insulation that meet standards set by the office of energy independence.

*“Eligible property-carrying costs”* means the following expenses associated with the ownership of a disaster-affected home: liability insurance premiums, flood insurance premiums, property tax payments, installment payments on a real estate purchase contract for the disaster-affected home provided that the real estate purchase contract was executed prior to the first date on which the disaster-affected home sustained damage as a result of the natural disasters of 2008, and special assessments.

*“Eligible repair expenses”* means the reasonable cost of repairing damage to a disaster-affected home necessitated by the natural disasters of 2008. “Eligible repair expenses” shall not include additions to or expansions of a disaster-affected home or the purchase or installation of luxury items that were not part of the disaster-affected home prior to the natural disasters of 2008.

*“Eligible resident”* means an individual or family who resided in a disaster-affected home at the time of the natural disasters of 2008 and who:

1. Is the owner of record of a right, title or interest in the disaster-affected home; and
2. Has been approved by FEMA for housing assistance as a result of the natural disasters of 2008.

In cases where multiple persons own a disaster-affected home together, such as by a tenancy in common or joint tenancy, such persons will generally be deemed collectively to be the “eligible resident,” provided the requirements set forth above are met. In the event that multiple persons assert inconsistent claims as to who the owner of a disaster-affected home is, the local government participant shall review the facts and, if necessary, make an allocation among the various applicants.

*“FEMA”* means the Federal Emergency Management Agency.

*“Forgivable loan”* means a loan made to an eligible resident pursuant to the requirements of this chapter.

*“Local government participant”* means:

1. Any of the following Iowa cities: Ames, Cedar Falls, Cedar Rapids, Council Bluffs, Davenport, Des Moines, Dubuque, Iowa City, Waterloo, and West Des Moines;

2. Any COG whose territory encompasses one or more Iowa counties that have been declared by the President of the United States to be disaster areas; and

3. Any county that is not part of any Iowa council of governments and has been declared by the President of the United States to be a disaster area.

“*Natural disasters of 2008*” means the severe storms, tornadoes, and flooding that occurred in Iowa between May 25, 2008, and August 13, 2008, and designated by FEMA as FEMA-1763-DR.

“*Program*” means the jump-start housing assistance program described in this chapter.

“*Retention agreement*” means an agreement, to be recorded as a lien against the property for which assistance is provided, requiring that if an eligible resident sells a home that was purchased or repaired or for which a mortgage loan was paid with the assistance of a loan made under this chapter, then that portion of the original principal amount that has not been forgiven, if any, shall be repaid.

## **265—29.3(16) Grants to local government participants.**

### **29.3(1) Allocation criteria.**

*a. Initial allocation, loans to local government participants.* The authority shall make an initial allocation of the funds made available for the program to the local government participants pro rata based on the funds awarded by FEMA under its housing assistance program to each local government participant’s jurisdiction as a percentage of the total amount of funds awarded as a result of the natural disasters of 2008. The authority shall enter into a grant agreement with each local government participant, pursuant to which the authority may disburse funds to the local government participant for the purposes described in this chapter. The grant agreement shall be prepared by the authority and may contain such terms and conditions, in addition to those specified in this chapter, as the executive director may deem to be necessary and convenient to the administration of the program and to the efficient and responsible use of the granted funds.

*b. Funds made available pursuant to 2009 Iowa Acts, Senate File 376.* The authority shall allocate program funds made available under 2009 Iowa Acts, Senate File 376, section 29, Disaster Damage Housing Assistance Grant Fund, by inviting local government participants to submit an application for funding. The authority shall award program funding made available under this paragraph based upon priority criteria to be specified in the application form including, but not limited to, the following:

(1) The applicant’s demonstrated maximum use and leverage of other disaster recovery resources; and

(2) Provision of program assistance to the maximum number of potential eligible residents with priority given to eligible residents who:

1. Have not received any moneys under the program;

2. Are in need of an interim mortgage assistance extension meeting the conditions specified in subrule 29.5(2); and

3. Are not eligible for assistance under the requirements of other available disaster recovery assistance programs.

**29.3(2) Review of requests for assistance.** The local government participant shall accept and review each request for assistance and shall determine whether the requesting party is an eligible resident. If the requesting party is determined an eligible resident, the local government participant shall determine whether the funds are being requested for a use permitted under the program and the amount available to the eligible resident under the terms of the program.

**29.3(3) Coordination with the jump-start business assistance program.** For presidentially declared disaster areas outside a COG region, counties may elect to apply singly, join with other counties, or join with an adjacent COG region. Likewise, a city named in the definition of “local government participant” in rule 265—29.2(16) may join with a COG, county, or multicounty entity. To the extent local government participants act jointly or cooperatively in their participation in the small business disaster recovery financial assistance program administered by the Iowa department of economic development pursuant to 261—Chapter 78, Iowa Administrative Code, the authority may require the local government participants to similarly act jointly or cooperatively in their participation under this chapter.

**29.3(4) *Reallocation of unused funds.*** Following one year, or following any three-month period during which a local government participant has requested no draws, the authority may reallocate all or part of any remaining portion of funds allocated to that local government participant to another local government participant with a demonstrated need for program funds.

**29.3(5) *Administrative fees.*** Each local government participant shall be entitled to receive an administrative fee equal to 5 percent of its initial disbursement, which shall consist of 30 percent of the local government participant's initial allocation. Subsequent thereto, each local government participant shall receive 5 percent of the funds loaned by the local government participant to eligible residents under the program from subsequent disbursements. The administrative fee shall be paid from the allocation made to each such local government participant by the authority pursuant to subrule 29.3(1).

**29.3(6) *Proceeds of repayments.*** All loan amounts repaid to a local government participant by an eligible resident pursuant to this chapter shall be returned to the authority's housing assistance fund created by Iowa Code Supplement section 16.40.

**265—29.4** Reserved.

**265—29.5(16) Eligible uses.**

**29.5(1) *Forgivable loans.*** Local government participants may make forgivable loans, pursuant to the conditions set forth in rule 265—29.7(16), to eligible residents for the following eligible uses:

*a. Down payment assistance.* An eligible resident whose disaster-affected home was destroyed or damaged beyond reasonable repair may be provided down payment assistance for the purchase of replacement housing located within the local government participant's jurisdiction and, if necessary, for the cost of making reasonable repairs to the home being purchased to make it safe, decent, and habitable. The amount of down payment assistance available to an eligible resident shall generally not exceed 25 percent of the purchase price of the home being purchased and, in no event, shall the down payment assistance and any amount allowed for repairs collectively exceed \$50,000.

(1) For purposes of calculating the amount of down payment assistance available to the eligible resident, the amount of the down payment assistance shall be reduced by the amount of any disaster compensation received by the eligible resident in excess of any amount necessary to pay off a mortgage or real estate purchase contract on the disaster-affected home.

(2) As a condition of receiving down payment assistance, the eligible resident shall agree that any disaster compensation received subsequent to the closing of the forgivable loan, if not applied toward repayment of a mortgage on the disaster-affected home, shall be used by the eligible resident to pay down the balance of the forgivable loan outstanding at the time the eligible resident receives such disaster compensation.

(3) Down payment assistance shall be allowed only for the purchase of a primary residence by means of a fully amortized mortgage loan from a regulated lender featuring a rate of interest that is fixed for at least 5 years and that has a term not to exceed 30 years.

(4) Eligible residents who receive down payment assistance under this subrule may also receive the assistance available under subrule 29.5(2), but not the assistance available under paragraph 29.5(1) "b."

(5) An eligible resident shall not use the assistance allowed under this subrule for the purchase of more than one home.

*b. Housing repair or rehabilitation.* An eligible resident whose disaster-affected home is not proposed, or located in an area proposed, by a municipality or county to the Iowa homeland security and emergency management division for property acquisition under the hazard mitigation grant program set forth in Iowa Code chapter 29C (or under any other comparable program implemented in whole or in part to assist in recovery from the natural disasters of 2008) may receive financial assistance to pay for eligible repair expenses up to an amount not to exceed the lesser of \$50,000 or 60 percent of the latest available assessed value of the disaster-affected home, not including the assessed value of the land on which it is situated, dated prior to the natural disasters of 2008; provided, however, that for application purposes under paragraph 29.3(1) "b" allocating program funds under 2009 Iowa Acts, Senate File 376,

section 29, the local government participant may elect to establish its own measure of housing repair or rehabilitation financial feasibility in lieu of 60 percent of the latest available assessed value of the disaster-affected home, not including the assessed value of the land on which it is situated, dated prior to the natural disasters of 2008. The eligible resident shall establish the necessity and reasonable cost of the repairs or rehabilitation to the reasonable satisfaction of the local government participant.

(1) For purposes of calculating the amount of assistance available to the eligible resident pursuant to this paragraph, the cost of repairs to, or rehabilitation of, the disaster-affected home shall be reduced by the amount of any disaster compensation received.

(2) As a condition of receiving assistance pursuant to this paragraph, the eligible resident shall agree that any disaster compensation received subsequent to the closing of the forgivable loan shall be used by the eligible resident to pay down the balance of the forgivable loan outstanding at the time the eligible resident receives such disaster compensation.

(3) An eligible resident who receives assistance pursuant to this paragraph shall not be eligible for assistance under either paragraph 29.5(1)“a” or subrule 29.5(2).

**29.5(2) Interim mortgage assistance loans.** An eligible resident whose disaster-affected home is proposed, or is located in an area proposed, by a municipality or county to the Iowa homeland security and emergency management division for property acquisition under the hazard mitigation grant program set forth in Iowa Code chapter 29C (or any other comparable program implemented in whole or in part to assist in recovery from the natural disasters of 2008) may receive financial assistance equivalent to an amount of up to \$1,000 per month for the purpose of paying mortgage payments and other eligible property-carrying costs for the disaster-affected home for a period not to exceed 12 months. An eligible resident who receives assistance pursuant to this subrule shall not be eligible for assistance under paragraph 29.5(1)“b.” If, however, it subsequently is determined by the Iowa homeland security and emergency management division that the disaster-affected home of the eligible resident will not be acquired under the hazard mitigation grant program, then the eligible resident shall be eligible for assistance under paragraph 29.5(1)“b” on the condition that the amount of assistance available under that paragraph shall be reduced by the amount of assistance received by the eligible resident under subrule 29.5(2). Financial assistance provided pursuant to this subrule shall be in the form of a forgivable loan.

*a.* Notwithstanding the foregoing, with the approval of the applicable local government participant, an eligible resident may receive financial assistance under this subrule for up to an additional 6 months (beyond the usual 12-month limit set forth above), provided that all of the following conditions are met:

(1) The eligible resident must reapply for or request an extension of financial assistance on forms to be provided by the applicable local government participant;

(2) The disaster-affected home for which an extension of financial assistance is sought must continue to be on the current hazard mitigation grant program (or comparable program) property acquisition list (i.e., it must continue to be proposed for buyout);

(3) The disaster-affected home for which an extension of financial assistance is sought must have been destroyed or damaged beyond reasonable repair such that the eligible resident is displaced from the home;

(4) The eligible resident must have contacted or must agree to contact the mortgage holder or an Iowa Mortgage Help counseling agency (Web site: [www.iowamortgagehelp.com](http://www.iowamortgagehelp.com)) to discuss the situation and, if possible, negotiate better terms.

*b.* Local government participants may fund extensions of financial assistance only from funds already allocated to their region. Local government participants shall give priority for extensions of financial assistance to those eligible residents who are supporting the costs of both the disaster-affected home and a new primary residence through a second mortgage payment or a rental payment.

**29.5(3) Energy efficiency assistance.** An eligible resident who receives either down payment assistance pursuant to paragraph 29.5(1)“a” or housing repair or rehabilitation assistance pursuant to paragraph 29.5(1)“b” shall also be eligible to receive an additional loan amount, up to a maximum of \$10,000, as reimbursement for the purchase and installation costs for eligible energy-efficient home

appliances and improvements. Any amount allowed pursuant to this subrule shall be added to the principal balance of the forgivable loan. Amounts loaned pursuant to this subrule may be loaned either at the time the forgivable loan is first made or subsequent thereto within three months.

**29.5(4) Expenses incurred prior to September 19, 2008.** In the event an eligible resident purchased a home, made or caused to be made repairs to a disaster-affected home, or made mortgage payments (or paid for other eligible property-carrying costs) for a disaster-affected home located within the jurisdiction of a local government participant prior to September 19, 2008 (the effective date of this chapter), the eligible resident shall be eligible for reimbursement therefor under this chapter as though the purchase, repairs, or payments had taken place following September 19, 2008.

**29.5(5) Applications for assistance.** To apply for down payment assistance or down payment assistance plus interim mortgage assistance, the eligible resident shall apply to the local government participant in whose jurisdiction the home being purchased is located. To apply for assistance for repair or rehabilitation of a disaster-affected home, the eligible resident shall apply to the local government participant in whose jurisdiction the disaster-affected home is located. To apply for interim mortgage assistance only, the eligible resident shall apply to the local government participant in whose jurisdiction the disaster-affected home is located.

**265—29.6(16) Loan terms.** Loans made under the program shall, at a minimum, contain the following terms:

**29.6(1) Forgivability.** Forgivable loans made pursuant to the program shall be forgivable over a five-year period. One-fifth of the total principal amount loaned shall be forgiven following each full year the eligible resident owns the home for which the loan was made, beginning on the date of the final disbursement of forgivable loan proceeds.

**29.6(2) Zero percent interest.** Loans made pursuant to the program shall bear no interest.

**29.6(3) Five-year term.** All loans made pursuant to the program shall be for a term of five years.

**29.6(4) Repayment due upon sale of home.** Any principal of a forgivable loan that has not yet been forgiven at the time the home for which the forgivable loan was made is sold by the eligible resident (including property acquisitions) shall be due and payable upon such sale.

**29.6(5) Retention agreement.** Each loan made pursuant to this program shall be secured by a retention agreement which shall constitute a lien on the title of the real property for which the forgivable loan is made until such time as the forgivable loan has either been fully forgiven or paid in full; provided, however, that in the case of a property acquisition under the hazard mitigation grant program set forth in Iowa Code chapter 29C (or under any other comparable program implemented in whole or in part to assist in recovery from the natural disasters of 2008), payment of the following shall be waived:

a. That portion of the repayment due for a down payment assistance loan made under paragraph 29.5(1) “a” or an interim mortgage assistance loan made under subrule 29.5(2), provided that the amount so waived shall not exceed \$25,000;

b. That portion of the repayment due for a housing repair or rehabilitation assistance loan made under paragraph 29.5(1) “b” for which the eligible resident provides documentation that the assistance was expended for the purpose for which it was awarded; and

c. That portion of the repayment due for an energy efficiency assistance loan made under subrule 29.5(3) for which the eligible resident provides documentation that the assistance was expended for the purpose for which it was awarded.

**265—29.8(16) Funds allocated pursuant to 2009 Iowa Acts, House File 64, division I.** Notwithstanding the foregoing, the following additional restrictions shall apply to loans made pursuant to program funding allocated under 2009 Iowa Acts, House File 64, division I:

**29.8(1) Income.** An eligible resident must have a family income equal to or less than 150 percent of the area median family income.

**29.8(2) Application deadline.** An eligible resident must submit an application for assistance by September 1, 2009.

**29.8(3) Priorities.** Forgivable loans awarded under this rule shall be awarded pursuant to the following priorities:

*a. First priority.* First priority shall be given to eligible residents who have not received any moneys under the program.

*b. Second priority.* Second priority shall be given to eligible residents who have received less than \$24,999 under the program.

*c. Third priority.* Third priority shall be given to eligible residents who have received \$24,999 under the program and who continue to have unmet needs for down payment assistance, emergency housing repair or rehabilitation, interim mortgage assistance, or energy efficiency assistance. An eligible resident shall not receive more than an additional \$24,999 under this paragraph.

**29.8(4) Maximum assistance.** Except as provided in paragraph 29.8(3) “c,” an eligible resident who meets the area median family income requirement shall not receive more than \$24,999 under the program.
