

CHAPTER 10

INTEREST, PENALTY, EXCEPTIONS TO PENALTY, AND JEOPARDY ASSESSMENTS

[Prior to 12/17/86, Revenue Department[730]]

Rules 701—10.20(421) to 701—10.111(422A) are excerpted from 701—Chs 12, 30, 44, 46, 52, 58, 63, 81, 86, 88, 89, 104, IAB 1/23/91

701—10.1(421) Definitions. As used in the rules contained herein, the following definitions apply unless the context otherwise requires:

10.1(1) “*Department*” means the department of revenue.

10.1(2) “*Director*” means the director of the department or authorized representative.

10.1(3) “*Taxes*” means all taxes and charges arising under Title X of the Iowa Code, which include but are not limited to individual income, withholding, corporate income, franchise, sales, use, hotel/motel, railroad fuel, equipment car, replacement tax, statewide property tax, motor vehicle fuel, inheritance, estate and generation skipping transfer taxes and the environmental protection charge imposed upon petroleum diminution due and payable to the state of Iowa.

701—10.2(421) Interest. Except where a different rate of interest is provided by Title X of the Iowa Code, the rate of interest on interest-bearing taxes and interest-bearing refunds arising under Title X is fixed for each calendar year by the director. In addition to any penalty computed, there shall be added interest as provided by law from the original due date of the return. Any portion of the tax imposed by statute which has been erroneously refunded and is recoverable by the department shall bear interest as provided in Iowa Code section 421.7, subsection 2, from the date of payment of the refund, considering each fraction of a month as an entire month. Interest which is not judgment interest is not payable on sales and use tax, local option tax, and hotel and motel tax refunds. *Herman M. Brown v. Johnson*, 248 Iowa 1143, 82 N.W.2d 134 (1957); *United Telephone Co. v. Iowa Department of Revenue*, 365 N.W.2d 647 (Iowa 1985). However, interest which is not judgment interest accrues on such refunds on or after January 1, 1995, and is payable on sales and use tax, local option tax and hotel and motel tax refunds on or after January 1, 1995.

10.2(1) Calendar year 1982. The rate of interest upon all unpaid taxes which are due as of January 1, 1982, will be 17 percent per annum (1.4% per month). This interest rate will accrue on taxes which were due and unpaid as of, or after, January 1, 1982. In addition, this interest rate will accrue on tax refunds which by law accrue interest, regardless of whether the tax to be refunded is due before, on, or after January 1, 1982. This interest rate of 17 percent per annum, whether for unpaid taxes or tax refunds, will commence to accrue in 1982.

EXAMPLES:

1. The taxpayer, X corporation, owes corporate income taxes assessed to it for the year 1975. The assessment was made by the department in 1977. On January 1, 1982, that assessment had not been paid. The rate of interest on the unpaid tax assessed has accrued at the rate of 9 percent per annum (0.75% per month) through December 31, 1981. Commencing on January 1, 1982, the rate of interest on the unpaid tax will thereafter accrue at the rate of 17 percent per annum for 1982 (1.4% per month). If the tax liability is not paid in 1982, the rate of interest will then accrue in 1983 in accordance with the rate fixed by the director as set forth in Iowa Code section 421.7.

2. The taxpayer, Y, owes retail sales taxes assessed to it for the audit period January 1, 1979, through December 31, 1982. The assessment is made on March 1, 1983. For the tax periods in which the tax became due prior to January 1, 1982, the interest rate on such unpaid sales taxes accrued at 9 percent per annum (0.75% per month). Commencing on January 1, 1982, the entire unpaid portion of the tax assessed which was delinquent at that time will begin to accrue interest at the rate of 17 percent per annum. Those portions of the tax assessed first becoming delinquent in 1982 will bear interest at the rate of 17 percent per annum (1.4% per month). In the event that any portion of the tax assessed remains unpaid on January 1, 1983, the rate of interest will then accrue in 1983 in accordance with the rate fixed by the director as set forth in Iowa Code section 421.7.

3. The taxpayer, Z, files a refund claim for 1978 individual income taxes in March 1982. The refund claim is allowed in May 1982, and is paid. Z is entitled to receive interest at the rate of 9 percent per annum (0.75% per month) upon the refunded tax accruing through December 31, 1981, and is entitled

to interest at the rate of 17 percent per annum (1.4% per month) upon such tax from January 1, 1982, until the refund is paid.

4. A's 1981 individual income tax liability becomes delinquent on May 1, 1982. A owes interest, commencing on May 1, 1982, at the rate of 17 percent per annum (1.4% per month). In the event that A does not pay the liability in 1982, the rate of interest will then accrue in 1983 in accordance with the rate fixed by the director as set forth in Iowa Code section 421.7.

5. Decedent died December 15, 1976. The inheritance tax was due 12 months after death, or December 15, 1977. Prior to the due date, the estate was granted an extension of time, until September 1, 1978, to file the return and pay the tax due. The tax, however, was paid March 15, 1982. Interest accrues on the unpaid tax during the period of the extension of time (December 15, 1977, to September 1, 1978) at the rate of 6 percent per annum. Interest accrues on the delinquent tax from September 1, 1978, through December 31, 1981, at the rate of 8 percent per annum. Interest accrues on the delinquent tax from January 1, 1982, to the date of payment on March 15, 1982, at the rate of 17 percent per annum.

6. B files a refund for sales taxes paid for the periods January 1, 1979, through December 31, 1982, in March 1983. The refund is allowed in May 1983. Since no interest is payable on sales tax refunds, B is not entitled to any interest. *Herman M. Brown Co. v. Johnson*, 248 Iowa 1143 (1957). However, interest accrues and is payable on and after January 1, 1995.

The examples set forth in these rules are not meant to be all-inclusive. In addition, other rules set forth the precise circumstance when interest begins to accrue and whether interest accrues for each month or fraction of a month or annually as provided by law. Interest accrues as provided by law, regardless of whether the department has made a formal assessment of tax.

10.2(2) Calendar year 1983. The rate of interest upon all unpaid taxes which are due as of January 1, 1983, will be 14 percent per annum (1.2% per month). In addition, this interest rate will accrue on tax refunds which by law accrue interest, regardless of whether the tax to be refunded is due before, on, or after January 1, 1983. This interest rate of 14 percent per annum, whether for unpaid taxes or tax refunds, will commence to accrue in 1983.

701—10.3(422,423,450,452A) Interest on refunds and unpaid tax.

10.3(1) Interest on refunds. For those taxes on which interest accrues on refunds under Iowa Code sections 422.25(3), 422.28, 450.94, and 452A.65, interest shall accrue through the month in which the refund is mailed to the taxpayer and no further interest will accrue unless the department did not use the most current address as shown on the latest return or refund claim filed with the department.

10.3(2) Interest on unpaid tax. Interest due on unpaid tax is not a penalty, but rather it is compensation to the government for the period the government was deprived of the use of money. Therefore, interest due cannot be waived. *Vick v. Phinney*, 414 F.2d 444, 448 (5th CA 1969); *Time, Inc. v. United States*, 226 F.Supp. 680, 686 (S.D. N.Y. 1964); *In Re Jeffco Power Systems*, Dep't of Revenue Hearing Officer decision, Docket No. 77-9-6A-A (1978); *Waterloo Courier, Inc. v. Iowa Department of Revenue and Finance*, Case No. LACV081252, Black Hawk County District Court, December 30, 1999.

This rule is intended to implement Iowa Code sections 422.25(3), 422.28, 423.47, 450.94 and 452A.65.

[ARC 7761B, IAB 5/6/09, effective 6/10/09]

701—10.4(421) Frivolous return penalty. A \$500 civil penalty is imposed on the return of a taxpayer that is considered to be a “frivolous return.” A “frivolous return” is: (1) A return which lacks sufficient information from which the substantial correctness of the amount of tax liability can be determined or contains information that on its face indicates that the amount of tax shown is substantially incorrect, or (2) a return which reflects a position of law which is frivolous or is intended to delay or impede the administration of the tax laws of this state.

If the frivolous return penalty is applicable, the penalty will be imposed in addition to any other penalty which has been assessed. If the frivolous return penalty is relevant, the penalty may be imposed even under circumstances when it is determined that there is no tax liability on the return.

The frivolous return penalty is virtually identical to the penalty for frivolous income tax returns which is authorized in Section 6702 of the Internal Revenue Code. The department will follow federal guidelines and court cases when determining whether or not the frivolous return penalty should be imposed.

The frivolous return penalty may be imposed on all returns filed with the department and not just individual income tax returns. The penalty may be imposed on an amended return as well as an original return. The penalty may be imposed on each return filed with the department.

10.4(1) Nonexclusive examples of circumstances under which the frivolous return penalty may be imposed. The following are examples of returns filed in circumstances under which the frivolous return penalty may be imposed:

a. A return claiming a deduction against income or a credit against tax liability which is clearly not allowed such as a “war,” “religious,” “conscientious objector” deduction or tax credit.

b. A blank or partially completed return that was prepared on the theory that filing a complete return and providing required financial data would violate the Fifth Amendment privilege against self-incrimination or other rights guaranteed by the Constitution.

c. An unsigned return where the taxpayer refused to sign because the signature requirement was “incomprehensible or unconstitutional” or the taxpayer was not liable for state tax since the taxpayer had not signed the return.

d. A return which contained personal and financial information on the proper lines but where the words “true, correct and complete” were crossed out above the taxpayer’s signature and where the taxpayer claimed the taxpayer’s income was not legal tender and was exempt from tax.

e. A return where the taxpayer claimed that income was not “constructively received” and the taxpayer was the nominee-agent for a trust.

f. A return with clearly inconsistent information such as when 99 exemptions were claimed but only several dependents were shown.

g. A document filed for refund of taxes erroneously collected with the contention that the document was not a return and that no wage income was earned. This was inconsistent with attached W-2 Forms reporting wages.

10.4(2) *Nonexclusive examples where the frivolous return penalty is not applicable.* The following examples illustrate situations where the frivolous return penalty would not be applicable:

a. A return which includes a deduction, credit, or other item which may constitute a valid item of dispute between the taxpayer and the department.

b. A return which includes innocent or inadvertent mathematical or clerical errors, such as an error in addition, subtraction, multiplication, or division or the incorrect use of a table provided by the department.

c. A return which includes a statement of protest or objection, provided the return contains all required information.

d. A return which shows the correct amount of tax due, but the tax due is not paid.

This rule is intended to implement Iowa Code section 421.8.

701—10.5(421) Improper receipt of credit or refund. A person who makes an erroneous application for refund or credit shall be liable for any overpayment received plus interest at the rate in effect under Iowa Code section 421.7, subsection 2. In addition, a person who willfully makes a false or frivolous application for refund or credit with the intent to evade tax or with the intent to receive a refund or credit to which the person is not entitled is guilty of a fraudulent practice and is liable for a penalty equal to 75 percent of the refund or credit claimed.

This rule is intended to implement Iowa Code section 421.27 as amended by 2010 Iowa Acts, House File 2531, section 124.

[ARC 9103B, IAB 9/22/10, effective 10/27/10]

PENALTY FOR TAX PERIOD BEGINNING AFTER JANUARY 1, 1991

701—10.6(421) Penalties. A penalty shall be assessed upon all tax and deposits due under the following circumstances:

1. For failure to timely file a return or deposit form there is a 10 percent penalty. This penalty, once imposed, will be assessed on all subsequent amounts due or required to be shown due on the return or deposit form.

EXAMPLE: The taxpayer fails to timely file a return and fails to timely pay the tax due. The department will assess a 10 percent penalty for failure to timely file the return but will not assess a 5 percent penalty for failure to timely pay. The department subsequently audits the untimely filed return and determines additional tax is due. The department shall assess a 10 percent penalty on the additional tax found due by an audit.

2. For failure to timely pay the tax due on a return or deposit form, there is a 5 percent penalty.

3. For a deficiency of tax due on a return or deposit form found during an audit, there is a 5 percent penalty. For purposes of this penalty, the audit deficiency shall be assessed only when there is a timely filed return or deposit form.

Audit deficiency occurs when the department determines additional tax is due.

4. For willful failure to file a return or deposit form with the intent to evade tax, or in the case of willfully filing a false return or deposit form with the intent to evade tax, there is a 75 percent penalty.

The penalty rates are uniform for all taxes and deposits due under this chapter.

The penalty for failure to timely file will take precedence over the penalty for failure to timely pay or an audit deficiency when more than one penalty is applicable.

5. Examples to illustrate the computation of penalty for tax periods beginning on or after January 1, 1991.

The following are examples to illustrate the computation of penalties imposed under rule 701—10.7(421). For purposes of these examples, interest has been computed at the rate of 12 percent per year or 1 percent per month. The tax due amounts are assumed to be the total amounts required to

be shown due when considering whether the failure to pay penalty should be assessed on the basis that less than 90 percent of the tax was paid.

Example (a) — Failure to File

- a. Tax due is \$100.
- b. Return filed 3 months and 10 days after the due date.
- c. \$100 paid with the return.

The calculation for additional tax due is shown below:

Tax	\$100	
Penalty	10	(10% failure to timely file)
Interest	4	(4 months interest)
Total	<u>\$114</u>	
Less payment	<u>100</u>	
Additional tax due	\$ 14	

Example (b) — Failure to Pay

- a. Tax due is \$100.
- b. Return is timely filed.
- c. \$0 paid.

The calculation for the total amount due 5 months after the due date is shown below:

Tax	\$100	
Penalty	5	
Interest	<u>5</u>	(5 months interest)
Total	\$110	

Example (c) — Failure to File and Failure to Pay

- a. Tax due is \$100.
- b. Return is filed 2 months and 10 days after the due date.
- c. \$0 paid.

The calculation for the total amount due 3 months after the due date is shown below:

Tax	\$100	
Penalty	10	(10% for failure to file)
Interest	<u>3</u>	(3 months interest)
Total due in 3rd month	\$113	

Example (d) — Audit on Timely Filed Return

- a. \$100 in additional tax found due.
- b. Timely filed return.
- c. Audit completed 8 months after the due date of the return.
- d. Return showed \$100 as the computed tax, which was paid with the return.

The calculation for the total amount due is shown below:

Computed tax after audit	\$200	
Less tax paid with return	<u>100</u>	
Additional tax due	\$100	
Penalty	5	(5% for audit deficiency)
Interest	<u>8</u>	(8 months interest)
Total due	\$113	

Example (e) — Audit on Late Return Granted an Exception From Failure to File

- a. Tax due is \$100.
- b. Return filed 3 months and 10 days after the due date.
- c. \$100 paid with the return.
- d. Taxpayer is granted an exception from penalty for failure to file. (Return is then considered timely filed.)
- e. Audit completed 8 months after the due date of the return. \$100 additional tax found due.
- f. Return showed \$100 as the computed tax which was paid with the return.

The computation for the total amount due is shown below:

Computed tax after audit	\$200	
Less tax paid with return	100	
Additional tax due	<u>\$100</u>	
Penalty	5	(5% for audit deficiency. No penalty for failure to file.)
Interest	<u>8</u>	(8 months interest)
Total due	\$113	

Example (f) — Audit on Late Filed Return No Pay Return

- a. \$100 claimed as tax on the return.
- b. \$100 in additional tax found due.
- c. Return filed 3 months and 10 days after the due date.
- d. Audit completed 8 months after the due date.

The computation for the total amount due is shown below:

Computed tax after audit	\$200	
Penalty	20	(10% for failure to file)
Interest	<u>16</u>	(8 months interest)
Total due	\$236	

701—10.7(421) Waiver of penalty—definitions. A penalty, if assessed, shall be waived by the department upon a showing of the circumstances stated below.

10.7(1) For purposes of these rules, the following definitions apply:

“Act of God” means an unusual and extraordinary manifestation of nature which could not reasonably be anticipated or foreseen and cannot be prevented by human care, skill, or foresight. There is a rebuttable presumption that an “act of God” that precedes the due date of the return or form by 30 days is not an act of God for purposes of an exception to penalty.

“Immediate family” includes the spouse, children, or parents of the taxpayer. There is a rebuttable presumption that relatives of the taxpayer beyond the relation of spouse, children, or parents of the taxpayer are not within the taxpayer’s immediate family for purposes of the waiver exceptions.

“Sanctioned self-audit program” means an audit performed by the taxpayer with forms provided by the department as a result of contact by the department to the taxpayer prior to voluntary filing or payment of the tax. Filing voluntarily without contact by the department does not constitute a sanctioned self-audit.

“Serious, long-term illness or hospitalization” means an illness or hospitalization, documented by written evidence, which precedes the due date of the return or form by no later than 30 days and continues through the due date of the return or form and interferes with the timely filing of the return or form. There is a rebuttable presumption that an illness or hospitalization that precedes the due date of the return or form by more than 30 days is not an illness or hospitalization for purposes of an exception to penalty. The taxpayer will be provided an automatic extension of 30 days from the date the return or form is originally due or the termination of the serious, long-term illness or hospitalization whichever is later

without incurring penalty. The taxpayer has the burden of proof on whether or not a serious, long-term illness or hospitalization has occurred.

“*Substantial authority*” means the weight of authorities for the tax treatment of an item is substantial in relation to the weight of authorities supporting contrary positions.

In determining whether there is substantial authority, only the following will be considered authority: applicable provisions of Iowa statutes; the Internal Revenue Code; Iowa administrative rules construing those statutes; court cases; administrative rulings; legal periodicals; department newsletters and tax return and deposit form instruction booklets; tax treaties and regulations; and legislative intent as reflected in committee reports.

Conclusions reached in treaties, legal opinions rendered by other tax professionals, descriptions of statutes prepared by legislative staff, legal counsel memoranda, and proposed rules and regulations are not authority.

There is substantial authority for the tax treatment of an item if there is substantial authority at the time the return containing the item is due to be filed or there was substantial authority on the last day of the taxable year to which the return relates.

The taxpayer must notify the department at the time the return, deposit form, or payment is originally due of the substantial authority the taxpayer is relying upon for not filing the return or deposit form or paying the tax due.

10.7(2) Reserved.

701—10.8(421) Penalty exceptions. Under certain circumstances the penalty for failure to timely file a return or deposit, failure to timely pay the tax shown due, or the tax required to be shown due with the filing of a return or a deposit form, or failure to pay following an audit by the department is waived.

When an exception is granted under subrule 10.9(1), the return or deposit form is considered timely filed for purposes of nonimposition of penalty only.

10.8(1) For failure to timely file a return or deposit form, the 10 percent penalty is waived upon a showing of the following exceptions:

a. At least 90 percent of the tax required to be shown due has been paid by the due date of the tax return or deposit form.

b. One late return allowed. A taxpayer required to file a return or deposit form quarterly, monthly, or semimonthly is allowed one untimely filed return or deposit form within a three-year period. The use by the taxpayer of any other penalty exception under this subrule will not count as a late return or deposit form for purposes of this subrule.

The exception for one late return in a three-year period is determined on the basis of the tax period for which the return or form is due and not the date on which the return is filed.

c. Death of a taxpayer, member of the immediate family of the taxpayer, or death of the person directly responsible for filing the return and paying the tax, when the death interferes with timely filing. There is a rebuttable presumption that a death which occurs more than 30 days before the original date the return or form is due does not interfere with timely filing.

d. The onset of serious, long-term illness or hospitalization of the taxpayer, a member of the taxpayer’s immediate family, or the person directly responsible for filing the return and paying the tax.

e. Destruction of records by fire, flood, or act of God.

f. The taxpayer presents proof that the taxpayer at the due date of the return, deposit form, or payment relied upon applicable, documented, written advice made specifically to the taxpayer, the taxpayer’s preparer, or to an association representative of the taxpayer from the department, state department of transportation, county treasurer, or federal Internal Revenue Service. The advice should be relevant to the agency offering the advice and not beyond the scope of the agency’s area of expertise and knowledge. The advice must be current and not superseded by a court decision, ruling of a quasi-judicial body such as an administrative law judge, the director, or the state board of tax review, or by the adoption, amendment, or repeal of a rule or law.

g. Reliance upon the results of a previous audit was a direct cause for failure to file or pay where the previous audit expressly and clearly addressed the issue and the previous audit results have not been superseded by a court decision or by adoption, amendment, or repeal of a rule or law.

h. The taxpayer presents documented proof of substantial authority to rely upon a particular position or upon proof that all facts and circumstances are disclosed on a return or deposit form. Mathematical, computation, or transposition errors are not considered as facts and circumstances disclosed on a return or deposit form. These types of errors will not be considered as penalty exceptions.

i. The return, deposit form, or payment is timely, but erroneously, mailed with adequate postage to the Internal Revenue Service, another state agency, or a local government agency and the taxpayer provides proof of timely mailing with adequate postage. The taxpayer must provide competent evidence of the mailing as stated in Iowa Code section 622.105.

j. The tax has been paid by the wrong licensee and the payments were timely remitted to the department for one or more tax periods prior to notification by the department.

k. The failure to file was discovered through a sanctioned self-audit program conducted by the department.

l. Effective for estates with disclaimers filed on or after July 1, 2007, penalty will not be imposed for a late-filed Iowa inheritance tax return if the sole reason for the late-filed inheritance tax return is due to a beneficiary's decision to disclaim property or disclaim an interest in property from the estate. However, for the penalty to be waived, the Iowa inheritance tax return must be filed and all tax must be paid to the department within the later of nine months from the date of death or 60 days from the delivery or filing date of the disclaimer pursuant to Iowa Code section 633E.12.

10.8(2) For failure to timely pay the tax due on a return or deposit form, the 5 percent penalty is waived upon a showing of the following exceptions:

a. At least 90 percent of the tax required to be shown due has been paid by the due date of the tax return or deposit form.

b. The taxpayer voluntarily files an amended return and pays all tax shown to be due on the return prior to any contact by the department, except under a sanctioned self-audit program conducted by the department.

c. The taxpayer provides written notification to the department of a federal audit while it is in progress and voluntarily files an amended return which includes a copy of the federal document showing the final disposition or final federal adjustments within 60 days of the final disposition of the federal government's audit.

d. The taxpayer presents proof that the taxpayer relied upon applicable, documented, written advice specifically made to the taxpayer, to the taxpayer's preparer, or to an association representative of the taxpayer from the department, state department of transportation, county treasurer, or federal Internal Revenue Service, whichever is appropriate, that has not been superseded by a court decision, ruling by a quasi-judicial body, or the adoption, amendment, or repeal of a rule or law.

e. Reliance upon results in a previous audit was a direct cause for the failure to pay the tax required to be shown due where the previous audit expressly and clearly addressed the issue and the previous audit results have not been superseded by a court decision, or the adoption, amendment, or repeal of a rule or law.

f. The taxpayer presents documented proof of substantial authority to rely upon a particular position or upon proof that all facts and circumstances are disclosed on a return or deposit form. Mathematical, computation, or transposition errors are not considered as facts and circumstances disclosed on a return or deposit form. These types of errors will not be considered as penalty exceptions.

g. The return, deposit form, or payment is timely, but erroneously, mailed with adequate postage to the Internal Revenue Service, another state agency, or a local government agency and the taxpayer provides proof of timely mailing with adequate postage. The taxpayer must provide competent evidence of the mailing as stated in Iowa Code section 622.105.

h. The tax has been paid by the wrong licensee and the payments were timely remitted to the department for one or more tax periods prior to notification by the department.

i. Effective for estates with disclaimers filed on or after July 1, 2007, penalty will not be imposed for failure to pay Iowa inheritance tax if the sole reason for the failure to pay Iowa inheritance tax is due to a beneficiary's decision to disclaim property or disclaim an interest in property from the estate. However, for the penalty to be waived, the Iowa inheritance tax return must be filed and all tax must be paid to the department within the later of nine months from the date of death or 60 days from the filing date of the disclaimer pursuant to Iowa Code section 633E.12.

10.8(3) For a deficiency of tax due on a return or deposit form found during an audit, the 5 percent penalty is waived under the following exceptions:

- a.* At least 90 percent of the tax required to be shown due has been paid by the due date.
- b.* The taxpayer presents proof that the taxpayer relied upon applicable, documented, written advice specifically made to the taxpayer, to the taxpayer's preparer, or to an association representative of the taxpayer from the department, state department of transportation, county treasurer, or federal Internal Revenue Service, whichever is appropriate, that has not been superseded by a court decision, ruling by a quasi-judicial body, or the adoption, amendment, or repeal of a rule or law.
- c.* Reliance upon results in a previous audit was a direct cause for the failure to pay the tax shown due or required to be shown due where the previous audit expressly and clearly addressed the issue and the previous audit results have not been superseded by a court decision, or the adoption, amendment, or repeal of a rule or law.

d. The taxpayer presents documented proof of substantial authority to rely upon a particular position or upon proof that all facts and circumstances are disclosed on a return or deposit form. Mathematical, computation, or transposition errors are not considered as facts and circumstances disclosed on a return or deposit form. These types of errors will not be considered as penalty exceptions. [ARC 7761B, IAB 5/6/09, effective 6/10/09]

701—10.9(421) Notice of penalty exception for one late return in a three-year period. The penalty exception for one late return in a three-year period will automatically be applied to a return or deposit form by the department if the taxpayer is eligible for the exception.

The exception for one late return in a three-year period is applied to the returns or deposit forms in the order they are processed and not in the order which the returns or deposit forms should have been filed.

MOTOR FUEL
[Prior to 1/23/91, see 701—63.8(324) and 63.10(324)]

701—10.71(452A) Penalty and enforcement provisions.

10.71(1) *Illegal use of dyed fuel.* The illegal use of dyed fuel in the supply tank of a motor vehicle shall result in a civil penalty assessed against the owner or operator of the motor vehicle as follows:

- a. A \$500 penalty for the first violation.
- b. A \$1,000 penalty for a second violation within three years of the first violation.
- c. A \$2,000 penalty for third and subsequent violations within three years of the first violation.

10.71(2) *Illegal importation of untaxed fuel.* A person who illegally imports motor fuel or undyed special fuel without a valid importer's license or supplier's license shall be assessed a civil penalty as stated below. However, the owner or operator of the importing vehicle shall not be guilty of violating the illegal import provision if it is shown by the owner or operator that the owner or operator reasonably did not know or reasonably should not have known of the illegal importation.

a. For a first violation, the importing vehicle shall be detained and a penalty of \$4,000 shall be paid before the vehicle will be released. The owner or operator of the importing vehicle or the owner of the fuel may be held liable for payment of the penalty.

b. For a second violation, the importing vehicle shall be detained and a penalty of \$10,000 shall be paid before the vehicle will be released. The owner or operator of the importing vehicle or the owner of the fuel may be held liable to pay the penalty.

c. For third and subsequent violations, the importing vehicle and the fuel shall be seized and a penalty of \$20,000 shall be paid before the vehicle will be released. The owner or operator of the importing vehicle or the owner of the fuel may be held liable to pay the penalty.

d. If the owner or operator of the importing vehicle or the owner of the fuel fails to pay the tax and penalty for a first or second offense, the importing vehicle and the fuel may be seized. The Iowa department of revenue, the Iowa department of transportation, or any peace officer, at the request of either department, may seize the vehicle and the fuel.

e. If the operator or owner of the importing vehicle or the owner of the fuel moves the vehicle or the fuel after the vehicle has been detained and a sticker has been placed on the vehicle stating that "this vehicle cannot be moved until the tax, penalty, and interest have been paid to the department of revenue," an additional penalty of \$10,000 shall be assessed against the operator or owner of the importing vehicle or the owner of the fuel.

10.71(3) *Improper receipt of fuel credit or refund.* If a person files an incorrect refund claim, in addition to the amount of the excess claim, a penalty of 10 percent shall be added to the amount by which the amount claimed and refunded exceeds the amount actually due and shall be paid to the department. If a person knowingly files a fraudulent refund claim with the intent to evade the tax, the penalty shall be 75 percent in lieu of the 10 percent. The person shall also pay interest on the excess refunded at the rate per month specified in Iowa Code section 421.7, counting each fraction of a month as an entire month, computed from the date the refund was issued to the date the excess refund is repaid to the state.

10.71(4) *Illegal heating of fuel.* The deliberate heating of taxable motor fuel or special fuel by dealers prior to consumer sale is a simple misdemeanor.

10.71(5) *Prevention of inspection.* The Iowa department of revenue or the Iowa department of transportation may conduct inspections for coloration, markers, and shipping papers at any place where taxable fuel is or may be loaded into transport vehicles, produced, or stored. Any attempts by a person to prevent, stop, or delay an inspection of fuel or shipping papers by authorized personnel shall be subject to a civil penalty of not more than \$2,000 per occurrence. Any law enforcement officer requested by the Iowa department of revenue or Iowa department of transportation may physically inspect, examine, or otherwise search any tank, fuel supply tank of a vehicle, reservoir, or other container that can or may be used for the production, storage, or transportation of any type of fuel.

10.71(6) *Failure to conspicuously label a fuel pump.* A retailer who does not conspicuously label a pump or other delivery facility as required by the Internal Revenue Service, that dispenses dyed diesel fuel so as to notify customers that it contains dyed fuel, shall pay to the department of revenue a penalty of \$100 per occurrence.

10.71(7) *False or fraudulent return.* Any person, including an officer of a corporation or a manager of a limited liability company, who is required to make, render, sign, or verify any report or return required by this chapter and who makes a false or fraudulent report, or who fails to file a report or return with the intent to evade the tax, shall be guilty of a fraudulent practice. Any person who aids, abets, or assists another person in making any false or fraudulent return or false statement in any return with the intent to evade payment of tax shall be guilty of a fraudulent practice.

This rule is intended to implement Iowa Code section 452A.74A as amended by 2009 Iowa Acts, Senate File 478, section 141.

[ARC 8225B, IAB 10/7/09, effective 11/11/09]

701—10.72(452A) Interest. Interest at the rate of three-fourths of one percent per month, based on the tax due, shall be assessed against the taxpayer for each month such tax remains unpaid prior to January 1, 1982. The interest shall accrue from the date the return was required to be filed. Interest shall not apply to penalty. Each fraction of a month shall be considered a full month for the computation of interest. See rule 701—10.2(421) for the statutory interest rate commencing on or after January 1, 1982.

Refunds on reports or returns filed on or after July 1, 1986, but before July 1, 1997, will accrue interest beginning on the first day of the third calendar month following the date of payment or the date the return was filed or due to be filed, whichever is later, at the rate in effect under Iowa Code section 421.7, counting each fraction of a month as an entire month. Refunds on reports or returns filed on or

after July 1, 1997, will accrue interest beginning on the first day of the second calendar month following the date of payment or the date the return was filed or due to be filed, whichever is later. Claims for refund filed under Iowa Code sections 452A.17 and 452A.21 will accrue interest beginning with the first day of the second calendar month following the date the refund claim is received by the department. See rule 701—10.3(422,450,452A).

This rule is intended to implement Iowa Code section 452A.65 as amended by 1997 Iowa Acts, House File 266.

- A \$1,000 penalty for a third or subsequent violation within three years of the first violation.

- A \$500 penalty for the first violation if a person is in possession of more than 400 but not more than 2,000 unstamped cigarettes.

If, upon audit, it is determined that any person has failed to pay at least 90 percent of the tax imposed by Iowa Code chapter 453A, division I, which failure was not the result of a violation enumerated above, a penalty of 5 percent of the tax deficiency shall be imposed. This penalty is not subject to waiver for reasonable cause.

See rule 701—10.8(421) for statutory exceptions to penalty.

10.76(2) Tobacco.

See rule 701—10.6(421) for penalties related to failure to timely file a return, failure to timely pay the tax due, audit deficiency, and willful failure to file a return with the intent to evade the tax.

See rule 701—10.8(421) for statutory exceptions to penalty.

This rule is intended to implement Iowa Code sections 453A.28, 453A.31 and 453A.46 as amended by 2004 Iowa Acts, Senate File 2296.

701—10.77(453A) Interest.

10.77(1) Cigarettes. There shall be assessed interest at the rate established by rule 701—10.2(421) from the due date of the tax to the date of payment counting each fraction of a month as an entire month. For the purpose of computing the due date of any unpaid tax, a FIFO inventory method shall be used for cigarettes and stamps. See rule 701—10.6(421) for examples of penalty and interest.

10.77(2) Tobacco. The interest rate on delinquent tobacco tax is the rate established by rule 701—10.2(421) counting each fraction of a month as an entire month. If an assessment for taxes due is not allocated to any given month, the interest shall accrue from the date of assessment. See rule 701—10.6(421) for examples of penalty and interest.

This rule is intended to implement Iowa Code sections 453A.28 and 453A.46.

701—10.78(453A) Waiver of penalty or interest. Rescinded IAB 11/10/04, effective 12/15/04.

701—10.79(453A) Request for statutory exception to penalty. Any taxpayer who believes there is a good reason to object to any penalty imposed by the department for failure to timely file returns or pay the tax may submit a request for exception seeking that the penalty be waived. The request must be in the form of a letter or affidavit and must contain all facts alleged by the taxpayer and a reason for why the taxpayer qualifies for the exceptions. See rule 701—10.8(421).

This rule is intended to implement Iowa Code sections 453A.31 and 453A.46.

ALL TAXES

701—10.115(421) Application of payments to penalty, interest, and then tax due for payments made on or after January 1, 1995, unless otherwise designated by the taxpayer. The department will not reapply prior payments made by the taxpayer to penalty or interest determined to be due after the date of those prior payments. However, the department will apply payments to penalty and interest which were due at the time the payment was made.

Example (a) — Delinquent Return

- a. Tax due is \$1,000.
- b. Return filed two months late.
- c. \$1,000 paid with the return.
- d. The department bills the additional tax in the third month after the due date. The taxpayer pays the assessment in the third month.

The computation of additional tax is shown below:

Tax	\$1,000.00	
Penalty	100.00	(10% failure to file penalty)
Interest	14.00	(2 months interest)
Total	<u>\$1,114.00</u>	
Less payment	<u>1,000.00</u>	
Additional tax due	\$ 114.00	
Interest	<u>.80</u>	(1 month interest)
Total due	\$ 114.80	

Two years after the due date, the Internal Revenue Service conducts an audit and increases the taxpayer's taxable income. The department redetermines the taxpayer's liability 26 months after the due date as follows:

Tax as redetermined by the department	\$1,100.00	
Less paid with return	1,000.00	
Additional tax	\$ 100.00	
Penalty	10.00	(10% failure to file penalty)
Interest	18.20	(26 months interest)
Total due	\$ 128.20	

Example (b) — Timely Filed No Remit

- Tax due is \$1,000.
- Return timely filed.
- \$0 paid.

The calculation for the total amount due five months after the due date is shown below:

Tax	\$1,000.00	
Penalty	50.00	(5% failure to pay penalty)
Interest	35.00	(5 months interest)
Total due	\$1,085.00	

The department bills the additional tax in the fifth month after the due date and the taxpayer pays the additional amount in the eighth month after the due date. The payment is applied as follows:

Tax	\$1,000.00	
Penalty	50.00	(5% failure to pay penalty)
Interest	56.00	(8 months interest)
Total due	\$1,106.00	
Amount paid	\$1,085.00	

Balance tax due \$21.00 subject to interest until paid.

The balance due was not paid.

Three years after the due date the taxpayer forwards a copy of an Internal Revenue Service audit which increases the taxpayer's income to the department. The department recomputes the taxpayer's liability as follows:

Tax as redetermined by the department	\$1,200.00	
Less paid per prior audit	979.00	
Balance due	\$ 221.00	(includes the balance due of \$21)
Penalty	10.00	(5% failure to pay penalty on \$200, the \$21.00 already bears penalty)
Interest	54.52	(36 months interest on \$200 and 28 months interest on \$21)
Total due	\$ 285.52	

10.115(1) Refunds. In those instances where an audit reduced the amount of tax, penalty, and interest due over the amount paid, the department will reapply payments so that amount refunded is tax on which interest will accrue as set forth in the Iowa Code.

10.115(2) Partial payments made after notices of assessments are issued. Where partial payments are made after a notice of assessment is issued, the department will reapply payments to penalty, interest, and then to tax due until the entire assessed amount is paid. See *Ashland Oil Inc. v. Iowa Department of Revenue and Finance*, 452 N.W.2d 162 (Iowa 1990). If penalty, interest, and tax are due and owing for more than one tax period, any payment must be applied first to the penalty, then the interest, then the

tax for the oldest tax period, then to the penalty, interest, and tax to the next oldest tax period, and so on until the payment is exhausted.

Where there are both agreed- and unagreed-to items as a result of an examination, the taxpayer and the department may agree to apply payments to the penalty, interest, and then to tax due on the agreed-to items of the examination when all of the penalty, interest, and tax on the agreed-to items are paid. In these instances, subsequent payments will not be applied to penalty and interest accrued on the agreed-to items of the examination.

This rule is intended to implement Iowa Code section 422.25(4).

JEOPARDY ASSESSMENTS

701—10.116(422,453B) Jeopardy assessments. A jeopardy assessment may be made where a return has been filed and the director believes for any reason that assessment or collection of the tax will be jeopardized by delay, or where a taxpayer fails to file a return, whether or not formally called upon to file a return. In addition, all assessments made pursuant to Iowa Code chapter 453B are jeopardy assessments. The department is authorized to estimate the applicable tax base and the tax upon the basis of available information, add penalty and interest, and demand immediate payment.

A jeopardy assessment is due and payable when the notice of the assessment is served upon the taxpayer. Proceedings to enforce the payment of the assessment by seizure or sale of any property of the taxpayer may be instituted immediately.

This rule is intended to implement Iowa Code sections 422.30 and 453B.9.

701—10.117(422,453B) Procedure for posting bond. In the event a taxpayer seeks to post a bond in lieu of summary collection of a jeopardy assessment, pending final determination of the amount of tax legally due, an original and four copies of a separate written bond application conspicuously titled "Jeopardy Assessment Bond Request" must be filed with the clerk of the hearings section for the department. Thereafter, if the taxpayer and the department agree on an appropriate bond, the clerk of the hearings section for the department shall be notified and the bond shall be approved by the clerk of the hearings section for the department.

If the clerk of the hearings section for the department has not been notified that an agreement on the bond has been reached within ten days after the date upon which the bond request was filed, the clerk of the hearings section for the department shall transfer the file to the director who shall promptly schedule a hearing on the bond request with written notice to be given the taxpayer and the department at least ten days prior to the hearing.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.118(422,453B) Time limits. Bond requests may be made anytime after a timely protest to the jeopardy assessment has been filed with the clerk of the hearings section for the department, except that any bond request whereby the taxpayer seeks to postpone a scheduled sale of assets seized by or on behalf of the department must be filed with the clerk of the hearings section for the department no later than ten days from the date on which notice of the sale was mailed to, or otherwise served upon, the taxpayer. Portions of an assessment which are undisputed must be paid in full at the time a bond request is filed.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.119(422,453B) Amount of bond. In the event no agreement on the bond is reached, bonds must be posted in an amount to be determined by the director consistent with the following:

10.119(1) If property has been seized or a lien has been filed and the taxpayer seeks only to postpone the sale of property, pending final determination of the amount of tax legally due, the bond shall be in an amount equal to the expected depreciation loss, storage cost, insurance costs and any and all other costs associated with the distraint and storage of the property pending such final determination.

10.119(2) If property has been seized or a lien has been filed and the taxpayer seeks to prevent the sale of property and to have the property returned for the taxpayer's own use, pending final determination of the amount of tax legally due, the bond shall be in an amount equal to the sale price the department can reasonably expect to realize on any property seized plus all costs related to the distraint and storage of the property.

10.119(3) If a taxpayer seeks to prevent the department from seizing property or placing a lien upon property, pending final determination of the amount of tax legally due, the bond shall be in an amount equal to the total amount of the department's assessment including interest to the date of the bond.

Bonds may not be required in excess of double the amount of the department's jeopardy assessment.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.120(422,453B) Posting of bond. If the taxpayer fails to post the bond as agreed upon within 15 days from the date the bond is approved by the clerk of the hearings section for the department, no bond will be allowed and the director shall dismiss the bond request. If no agreement was reached and a bond order is issued by the director, the taxpayer has ten days to post the bond. If the bond is not posted within the ten-day period, the director shall dismiss the bond request.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.121(422,453B) Order. The director's order shall be in writing and shall include findings of fact based solely on the evidence in the record and on matters officially noticed in the record and shall include conclusions of law. The findings of fact and conclusions of law shall be separately stated. Findings of fact shall be prefaced by a concise and explicit statement of underlying facts supporting the findings. Each conclusion of law shall be supported by cited authority or by a reasoned opinion.

Orders will be issued within a reasonable time after termination of the hearing. Parties shall be promptly notified of each order by delivery to them of a copy of the order by personal service or by ordinary mail.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.122(422,453B) Director's order. The director's order constitutes the final order of the department for purposes of judicial review. Parties shall be promptly notified of the director's order by delivery to them of a copy of the order by personal service or by ordinary mail.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.123(422,453B) Type of bond. The bond shall be payable to the department for the use of the state of Iowa and shall be conditioned upon the full payment of the tax, penalty, interest, or fees that are found to be due which remain unpaid upon the resolution of the contested case proceedings up to the amount of the bond. Upon application of the taxpayer or the department, the director may, upon hearing, fix a greater or lesser amount to reflect changed circumstances, but only after ten days' prior notice is given to the department or the taxpayer as the case may be.

A personal bond, without a surety, is only permitted if the taxpayer posts with the clerk of the hearings section for the department, cash, a cashier's check, a certificate of deposit, or other marketable securities which are approved by the director with a readily ascertainable value which is equal in value to the total amount of the bond required. If a surety bond is posted, the surety on the bond may be either personal or corporate. The provisions of Iowa Code chapter 636 relating to personal and corporate sureties shall govern to the extent not inconsistent with the provisions of this subrule.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.125(422,453B) Duration of the bond. The bond shall remain in full force and effect until the conditions of the bond have been fulfilled or until the bond is otherwise exonerated as provided by law.

This rule is intended to implement Iowa Code sections 422.30 and 453B.9.

701—10.126(422,453B) Exoneration of the bond. Upon conclusion of the contested case administrative proceedings, the bond shall be exonerated by the director when any of the following events occur: upon full payment of the tax, penalty, interest, costs or fees found to be due; upon filing a bond for the purposes of judicial review which bond is sufficient to secure the unpaid tax penalty, interest, costs and fees; or if no additional tax, penalty, interest, costs or fees are found to be due that have not been previously paid, upon entry of a final unappealable order which resolves the underlying protest.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.
