a. Documentation that the assistant meets minimum requirements;

b. A written plan of the activities and supervision that must be kept by the licensee supervising the assistant. This supervision must include direct on-site observation for a minimum of 20 percent of the assistant's direct patient care for level I speech pathology and level I audiology assistants and 10 percent for level II speech pathology assistants. e. To submit to the board of speech pathology and audiology upon request a copy of the plan of activities and supervision for each assistant and documentation of the dates each assistant was utilized by the licensee.

645—300.9(147) Licensure by endorsement. An applicant who has been a licensed speech pathologist or audiologist under the laws of another jurisdiction shall file an application for licensure by endorsement with the board office. 2. Pays the licensure fee;

 - Licensee's name;
 - Date of initial licensure;
 - Current licensure status; and
 - Any disciplinary action taken against the license.

645—300.10(147) Licensure by reciprocal agreement. The board may enter into a reciprocal agreement with the District of Columbia or any state, territory, province or foreign country with equal or similar requirements for licensure of speech pathologists and audiologists.

645—300.11(147) License renewal.

300.11(1) The biennial license renewal period for a license to practice speech pathology or audiology shall begin on January 1 of an even-numbered year and end on December 31 of the next odd-numbered year. The board shall send a renewal notice by regular mail to each licensee at the address on record at least 60 days prior to expiration of the license. The licensee is responsible for renewing the license prior to its expiration. Failure of the licensee to receive the notice does not relieve the licensee of the responsibility for renewing the license.

300.11(2) An individual who was issued an initial license within six months of the license renewal date will not be required to renew the license until the subsequent renewal date two years later.

300.11(3) A licensee seeking renewal shall:

a. Meet the continuing education requirements of rule 645—303.2(147) and the mandatory reporting requirements of subrule 300.11(4). A licensee whose license was reactivated during the current renewal compliance period may use continuing education credit earned during the compliance period for the first renewal following reactivation; and

b. Submit the completed renewal application and renewal fee before the license expiration date.

c. An individual who was issued a license within six months of the license renewal date will not be required to renew the license until the subsequent renewal two years later.

300.11(4) Mandatory reporter training requirements.

a. A licensee who, in the scope of professional practice or in the licensee's employment responsibilities, examines, attends, counsels or treats children in Iowa shall indicate on the renewal application completion of two hours of training in child abuse identification and reporting in the previous five years or condition(s) for waiver of this requirements as identified in paragraph "e."

b. A licensee who, in the course of employment, examines, attends, counsels or treats adults in Iowa shall indicate on the renewal application completion of two hours of training in dependent adult abuse identification and reporting in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

c. A licensee who, in the scope of professional practice or in the course of employment, examines, attends, counsels or treats both adults and children in Iowa shall indicate on the renewal application completion of training in abuse identification and reporting for dependent adults and children in the previous five years or condition(s) for waiver of this requirement as identified in paragraph "e."

Training may be completed through separate courses as identified in paragraphs "a" and "b" or in one combined two-hour course that includes curricula for identifying and reporting child abuse and dependent adult abuse. The course shall be a curriculum approved by the Iowa department of public health abuse education review panel.

d. The licensee shall maintain written documentation for five years after mandatory training as identified in paragraphs "a" to "c," including program date(s), content, duration, and proof of participation.

e. The requirement for mandatory training for identifying and reporting child and dependent adult abuse shall be suspended if the board determines that suspension is in the public interest or that a person at the time of license renewal:

(1) Is engaged in active duty in the military service of this state or the United States.

(2) Holds a current waiver by the board based on evidence of significant hardship in complying with training requirements, including an exemption of continuing education requirements or extension of time in which to fulfill requirements due to a physical or mental disability or illness as identified in 645—Chapter 303.

f. The board may select licensees for audit of compliance with the requirements in paragraphs “a” to “e.”

300.11(5) Upon receiving the information required by this rule and the required fee, board staff shall administratively issue a two-year license and shall send the licensee a wallet card by regular mail. In the event the board receives adverse information on the renewal application, the board shall issue the renewal license but may refer the adverse information for further consideration or disciplinary investigation.

300.11(6) A person licensed to practice as a speech pathologist or audiologist shall keep the person’s license certificate and wallet card displayed in a conspicuous public place at the primary site of practice.

300.11(7) Late renewal. The license shall become late when the license has not been renewed by the expiration date on the wallet card. The licensee shall be assessed a late fee as specified in 645—subrule 305.1(3). To renew a late license, the licensee shall complete the renewal requirements and submit the late fee within the grace period.

300.11(8) Inactive license. A licensee who fails to renew the license by the end of the grace period has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as a speech pathologist or audiologist in Iowa until the license is reactivated. A licensee who practices as a speech pathologist or audiologist in the state of Iowa with an inactive license may be subject to disciplinary action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant to Iowa Code section 147.86, and other available legal remedies.

645—300.12(272C) Exemptions for inactive practitioners. Rescinded IAB 9/14/05, effective 10/19/05.

300.14(1) A duplicate card or duplicate certificate shall be required if the current wallet card or certificate is lost, stolen or destroyed. A duplicate wallet card or duplicate certificate shall only be issued for such circumstances.

300.14(2) A duplicate wallet card or certificate shall be issued upon receipt of a completed application from the licensee and receipt of the fee as specified in rule 645—305.1(147).

300.14(3) If the board receives a completed application which states that the wallet card or certificate was not received within 60 days after being mailed by the board, no fee shall be required for issuing the duplicate wallet card or certificate.

645—300.15(147) Reissued certificate or wallet card. The board shall reissue a certificate or current wallet card upon receipt of a written request from the licensee, return of the original document and payment of the fee as specified in rule 645—305.1(147).

645—300.16(17A,147,272C) License denial.

300.16(1) When the board denies an applicant licensure, the board shall notify the applicant of the denial in writing by certified mail, return receipt requested, or in the manner of service of an original notice, and shall cite the reasons for which the application was denied.

300.16(2) An applicant who has been denied licensure by the board may appeal the denial and request a hearing on the issues related to the licensure denial by serving a written notice of appeal and request for hearing upon the board by certified mail, return receipt requested, not more than 30 days

following the date of mailing of the notification of licensure denial to the applicant. The request for hearing shall specifically describe the facts to be contested and determined at the hearing.

300.16(3) If an applicant who has been denied licensure by the board appeals the licensure denial and requests a hearing pursuant to this rule, the hearing and subsequent procedures shall be held pursuant to the process outlined in Iowa Code chapters 17A and 272C and 645—Chapter 11.

(1) Verification of the license(s) from every jurisdiction in which the applicant is or has been licensed and is or has been practicing during the time period the Iowa license was inactive, sent directly from the jurisdiction(s) to the board office. Web-based verification may be substituted for verification from a jurisdiction's board office if the verification includes:

1. Licensee's name;
2. Date of initial licensure;
3. Current licensure status; and
4. Any disciplinary action taken against the license; and

(2) Verification of completion of 30 hours of continuing education within two years of application for reactivation.

b. If the license has been on inactive status for more than five years, an applicant must provide the following:
